PROXY STATEMENT

GENERAL INFORMATION

The enclosed form of proxy is solicited by and on behalf of the Board of Directors of A.G. Edwards, Inc. (the Company) for use at the Annual Meeting of Stockholders to be held on June 19, 2003 (the 2003 Annual Meeting) and at any adjournments thereof. The stockholder giving the proxy has the power to revoke it any time before it is exercised by notice in writing to the Secretary of the Company at the Company's principal executive offices at One North Jefferson Avenue, St. Louis, Missouri 63103, by properly submitting to the Company a duly executed proxy bearing a later date, or by attending the meeting and voting in person. The proxy will be voted as specified by the stockholder in the spaces provided or, if no specification is made, it will be voted for Proposals 1 and 2.

This Proxy Statement and form of proxy are first being mailed to the stockholders of the Company on or about May 13, 2003. The solicitation of proxies is being made primarily by the use of the mails. The cost of preparing and mailing this Proxy Statement and accompanying materials, and the cost of any supplementary solicitations, which may be made by mail, telephone, Internet or personally by officers and employees of the Company and its subsidiaries, will be borne by the Company.

Only stockholders of record at the close of business on May 1, 2003 are entitled to notice of, and to vote at, the 2003 Annual Meeting and any adjournments thereof. On May 1, 2003 the Company had outstanding 80,164,462 shares of common stock, par value \$1 (Common Stock). Each outstanding share is entitled to one vote on each director position, and each other matter, to be voted on at the 2003 Annual Meeting. A majority of the outstanding shares of Common Stock present in person or by proxy will constitute a quorum for the transaction of business at the 2003 Annual Meeting. Votes cast by proxy or in person at the 2003 Annual Meeting will be tabulated by the inspectors of election appointed by the Board of Directors for the meeting.

Shares which are entitled to vote but which are not voted at the direction of the beneficial owner (abstentions) and shares represented by proxies or ballots which are marked withhold authority with respect to the election of any one or more nominees for election as directors will be counted for the purpose of determining whether there is a quorum for the transaction of business at the 2003 Annual Meeting.

Abstentions may be specified on Proposal 2 to ratify the appointment of independent auditors, but not on Proposal 1 to elect directors.

The affirmative vote of a plurality of the shares represented at the meeting is required to elect directors. Plurality means that the nominees who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be elected at the 2003 Annual Meeting. Consequently, any shares represented at the 2003 Annual Meeting, but not voted for any reason, have no impact on the election of directors.

The affirmative vote of a majority of the shares represented at the meeting is required to approve Proposal 2 to ratify the appointment of the independent auditors. Broker non-votes will not be counted with respect to, and will have no effect on, whether the stockholders approve this proposal. Abstentions, however, are counted in determining whether the stockholders have approved this proposal and, thus, have the effect of a vote against this proposal.

PROPOSAL 1: ELECTION OF DIRECTORS

Committees and Meetings of the Board of Directors

The business of the Company is under the general management of the Board of Directors as provided by the laws of Delaware, the state of incorporation. The Board of Directors generally meets at least quarterly and held four meetings during the 2003 fiscal year. Between Board meetings, Board responsibilities are delegated to the Executive Committee, comprised of three Board members. The Executive Committee did not meet during the 2003 fiscal year.

The Nominating Committee of the Board of Directors consists of the four independent (as defined in the New York Stock Exchange listing standards) members of the Board of Directors, Dr. E. Eugene Carter, Samuel C. Hutchinson Jr., Peter B. Madoff and Mark S. Wrighton (the Independent Directors). The Nominating Committee held no meetings during the 2003 fiscal year but met after the end of the fiscal year to make the nominations of the directors described in this proxy statement and enclosed form of proxy. Stockholders also may make nominations for

Edgar Filing: EDWARDS A G INC - Form DEF 14A

directors. Stockholders wishing to propose nominees for consideration at the 2003 Annual Meeting must comply with a Bylaw provision dealing with nominations. For a discussion of the nominating procedures, see Stockholder Proposals.

The Company has a Compensation Committee comprised of the Independent Directors. The Compensation Committee held two meetings during the 2003 fiscal year. The Compensation Committee was responsible for establishing the compensation of Robert L. Bagby for the 2003 fiscal year. The Compensation Committee of A.G. Edwards & Sons, Inc., a wholly-owned subsidiary of the Company (the Brokerage Company), determined the compensation of all employees for the 2003 fiscal year, including officers of the Company, with the exception of Robert L. Bagby and except for certain compensation of research analysts which was determined by the Research Compensation Committee of the brokerage company. (See Joint Report of the Compensation Committees of the Brokerage Company and the Company.)

The Audit Committee of the Board of Directors consists of the Independent Directors and held five meetings during the 2003 fiscal year. The Audit Committee performed the following principal functions: (i) reviewed quarterly and year-end financial statements with the outside auditors, internal auditors and management; (ii) reviewed the scope of the external and internal audits and reports with the outside and internal auditors and management; (iii) reviewed the outside auditor's management letter and management's response thereto; (iv) recommended the selection of outside auditors; (v) reviewed the quality and depth of the Company's internal audit, accounting and financial staffs; and (vi) reviewed and approved the rendering of audit and nonaudit services by the outside auditors. (See Report of the Audit Committee.)

During the 2003 fiscal year, all directors attended at least 90 percent of all meetings of the Board of Directors and the committees of the Board on which each served.

Nominees for Directors

The Company's Certificate of Incorporation and Bylaws provide for a classified Board of Directors, with the Board divided into three classes whose terms expire at different times. The Company presently has seven directors. Two members are to be elected to the Board of Directors at the 2003 Annual Meeting, each to serve for a term of three years. Upon their election, the Company will have seven directors. The Nominating Committee and the Board of Directors have made two nominations for directors, Vicki B. Escarra and Mark S. Wrighton. Of the nominees, Mark S. Wrighton is currently a director of the Company.

The persons named in the enclosed form of proxy intend to vote the proxies in favor of the election of the nominees listed below to serve as directors of the Company for terms expiring in 2006 or until the election and qualification of their successors, unless the stockholder indicates on the form of proxy that the vote should be withheld or contrary directions are indicated. If one or more nominees shall become unavailable for any reason, the Board of Directors, in its discretion, may, unless the Board of Directors provides by resolution for a lesser number of directors, designate one or more substitute nominees, in which case such proxies will be voted for such substituted nominees. The Board of Directors has no reason to doubt the availability of any of the nominees, and each has indicated a willingness to serve if elected. All of the current directors were elected by the stockholders.

- (1) Amounts shown include both Restricted Share and Phantom Stock Credit awards, which are valued based on the market value, as defined under the plan, of Common Stock on the Consolidated Transaction Reporting System on the determination date of such awards. The awards are made as of the end of the fiscal year for which they are awarded for service during that fiscal year. Restricted Shares can be awarded to participants in the 1988 Plan who are under age 60. The restrictions on Restricted Shares lapse three years after their award date. Participants who are 60 years of age or older (Over 60 Participants) do not receive Restricted Shares. Instead, they are awarded Phantom Stock Credits which serve as the basis for an award of Restricted Shares two years after their award date (Deferred Award Date), with each Phantom Stock Credit representing the right to receive one Restricted Share. The number of Phantom Stock Credits awarded to an Over 60 Participant is adjusted to reflect dividends on the Common Stock. Restricted Shares awarded as of any Deferred Award Date are subject to all of the terms and restrictions applicable to other Restricted Shares, except the restrictions last for only nine months.
- (2) The awards of Restricted Shares, Phantom Stock Credits and Options contain provisions for the accelerated lapsing of the restrictions for Restricted Shares (including those issued based on Phantom Stock Credits) and the accelerated exercisability of Options in the event of a merger, consolidation, acquisition, sale or transfer of assets, tender, or exchange offer or other reorganization in which the Company does not survive as an independent, publicly-owned company.

- (4) Dividends are paid on unvested Restricted Shares and adjustments are made to Phantom Stock Credits for dividends as discussed in Note 1 to this table above; such dividends and adjustments are equal in amount to the dividends paid on shares of Common Stock.
- (5) Amounts shown consist of the following: (i) amounts set aside under the Company's Retirement and Profit Sharing Plan for the 2001, 2002 and 2003 fiscal years, respectively Mr. Bagby, \$16,311, \$13,089 and \$12,965; Mr. Goldman, \$16,311, \$13,089 and \$12,965; Mr. Kelly, \$16,311, \$13,089 and \$12,965; Mr. Kessler, \$16,311, \$13,089 and \$12,965; and Mr. Miller, \$16,311, \$13,089 and \$12,965 and (ii) amounts credited to accounts under the Company's Excess Profit Sharing Deferred Compensation Plan for the 2001, 2002 and 2003 fiscal years, respectively Mr. Bagby, \$83,689, \$86,911 and \$83,467; Mr. Goldman, \$83,689, \$66,887 and \$37,924; Mr. Kelly, \$83,689, \$61,607; and \$37,406; Mr. Kessler, \$83,689, \$62,786 and \$36,369 and Mr. Miller, \$83,689, \$52,375 and \$29,608.

**JOINT REPORT OF THE COMPENSATION COMMITTEES
OF THE BROKERAGE COMPANY AND THE COMPANY**

The Compensation Committee of the Brokerage Company (the Brokerage Committee) determined the compensation for the fiscal year ended February 28, 2003 (the 2003 fiscal year) of all officers of the Company with the exception of merit bonuses of officers in the Research Department and with the exception of compensation for Robert L. Bagby. The Research Compensation Committee of the Brokerage Company determined the merit bonuses for officers in the Research Department. The Compensation Committee of the Company (the Company Committee) determined the compensation of Robert L. Bagby.

Edgar Filing: EDWARDS A G INC - Form DEF 14A

It is the policy of the Company to have a substantial portion of each officer's annual compensation directly related to the performance of the Company. The policy is applied consistently to all the Named Executive Officers, including Mr. Bagby.

For the 2003 fiscal year, the annual compensation of the Named Executive Officers had seven components, each of which is discussed below. The Company seeks to structure compensation for its executive officers so that all of the compensation is deductible by the Company for federal income tax purposes, including meeting the requirements of Section 162(m) of the Internal Revenue Code for deductibility of compensation in excess of a certain amount. However, if the Company is not able to structure compensation for its executive officers so that all such compensation is deductible, the Board of Directors of the Company, the Company Committee or the Brokerage Committee, as appropriate, will make a determination in its business judgment as to the appropriate compensation for such executives considering the benefits and the costs to the Company, including in its considerations the additional costs arising from the inability to deduct part or all of the compensation.

Base Salary. A base salary was set prior to the beginning of the 2003 fiscal year by the Brokerage Committee for each Named Executive Officer other than Mr. Bagby and by the Company Committee for Mr. Bagby. Base salaries are intended to be relatively moderate, but competitive, for the Company's industry. The Base Salary for Mr. Bagby remained at \$456,000 for the 2003 fiscal year consistent with the determination by the Brokerage Committee that most officers would not receive salary increases because of market and industry conditions.

Corporate Executive Bonus Plan. The Corporate Executive Bonus Plan is designed to provide certain officers and key employees of the Company and its subsidiaries with direct participation in the profitability of the Company. Unless the Company has a specified minimum of pre-tax earnings (\$2,500,000 in the 2003 fiscal year), no payment is made under the Plan. Awards under the Plan are based on prescribed formulae that take into account the employee's position with the Company, individual performance, and the Company's earnings. The formula for bonus accrual (the "bonus pool") is determined prior to the beginning of each fiscal year by the Board of Directors of the Company and is based on (i) the Company's consolidated earnings before provision for income taxes, certain employee bonuses, and discretionary Profit Sharing Plan contributions, (ii) certain branch office profits, and (iii) the net revenues of certain departments. The Board of Directors of the Company has discretion to increase or decrease the amount subject to the plan.

Eligible officers are assigned shares in the bonus pool prior to the beginning of the fiscal year. Such shares are assigned based on the officer's position and responsibility with the Company and individual performance. Eligible officers, other than Mr. Bagby, were assigned shares for the 2003 fiscal year by the Brokerage Committee. The Company Committee assigned 100 shares to Mr. Bagby for the 2003 fiscal year, the same number of shares he had for the prior fiscal year. No officer has ever received more than 100 shares. During the 2003 fiscal year, three officers, including two of the Named Executive Officers and Mr. Bagby, had 100 shares. At the beginning of the 2003 fiscal year, a total of 11,594 shares were assigned to 614 eligible officers.

Under the Corporate Executive Bonus Plan, after the end of the fiscal year, the accrued bonus pool is mathematically divided into two separate portions, consisting of two-thirds and one-third, respectively. The two-thirds portion is distributed in accordance with the number of shares previously assigned to each participant. The one-third portion is distributed based on a formula which weights each participant's shares by the participant's base salary. The sum of the two portions is each participant's total Corporate Executive Bonus for the fiscal year, and is paid after the end of the fiscal year.

10

The Corporate Executive Bonus Plan limits the amount that can be paid to individual participants so that all compensation paid under the Corporate Executive Bonus Plan is tax deductible by the Company. To the extent amounts may not be paid under the Corporate Executive Bonus Plan to individual participants because of the tax limitation, the amounts may be paid under the Performance Plan for Executives (the Performance Plan) if the conditions of the Performance Plan are met.

Performance Plan for Executives. The Performance Plan was adopted solely in response to the enactment of Section 162(m) of the Internal Revenue Code in 1993. Section 162(m) requires conditions to be met for certain compensation of specified executive officers to be deductible. In order to meet the conditions of Section 162(m) with no significant change in the compensation structure of the Company, the Corporate Executive Bonus Plan was amended to limit compensation which would otherwise be payable under the Corporate Executive Bonus Plan, and the Performance Plan for Executives was adopted in order to pay the compensation which, but for the limitation, would have been payable under the Corporate Executive Bonus Plan. The Company's intent and the provisions of the Plans are drafted to provide that the combined plans will operate in the same manner as the Corporate Executive Bonus Plan operated prior to the enactment of Section 162(m), subject only to certain limitations on payments.

The participants in the Performance Plan are those employees of the Company who are: (i) covered employees under Section 162(m) of the Internal Revenue Code, (ii) designated individually or by class description to be Covered Employees under the Performance Plan by the Company Committee, and (iii) participants under the Corporate Executive Bonus Plan. The Company Committee has designated all executive

Edgar Filing: EDWARDS A G INC - Form DEF 14A

officers of the Company to be Covered Employees, and all of the executive officers of the Company are participants in the Corporate Executive Bonus Plan. Section 162(m), however, limits covered employees to only the Chief Executive Officer of the Company and the four highest compensated officers of the Company (other than the Chief Executive Officer), so, in any fiscal year, there can be no more than five participants.

The performance goals for the Performance Plan were approved by the stockholders in 1994 and are the same as for the Corporate Executive Bonus Plan. The actual amount payable to a Covered Employee in a fiscal year under the Performance Plan is the lesser of: (i) the amount of reduction in payments to the Covered Employee as a participant under the Corporate Executive Bonus Plan for that fiscal year as a result of Section 162(m), (ii) the Covered Employee's Initial Bonus Amount for that fiscal year, and (iii) the Maximum Bonus Amount for that fiscal year. A Covered Employee's Initial Bonus Amount each fiscal year is equal to the amount that the Covered Employee would be prohibited from receiving under the Corporate Executive Bonus Plan as a result of Section 162(m) as determined solely from fixed assumptions contained in the Performance Plan and information known as of the beginning of the fiscal year. The Maximum Bonus Amount for each Covered Employee was \$4,287,177 for fiscal year 2003. The Maximum Bonus Amount increases each fiscal year by 10% over the prior fiscal year. Before any amount can be paid under the Performance Plan, the Company Committee must certify in writing that the performance goals and the material terms of the Performance Plan were satisfied. The Company Committee certified that the performance goals and material terms were satisfied for the 2003 fiscal year and the amounts paid to Mr. Bagby are included in the Summary Compensation Table.

Discretionary Bonus. The Chief Executive Officer may award a discretionary bonus to any officer other than himself and the Company Committee may award a discretionary bonus to the Chief Executive Officer. The discretionary bonus is intended to reward efforts or results by an individual which are not recognized or compensated by other compensation. No objective standards, criteria or established targets are used to determine the amount of the discretionary bonuses.

1988 Incentive Stock Plan. The 1988 Plan is designed to motivate employees of the Company and its subsidiaries through the incentives inherent in stock ownership by providing the opportunity to obtain or increase a proprietary interest in the Company on a favorable basis. The 1988 Plan provides for the granting of Options or Restricted Shares, or both. For fiscal year 2003, if Options were granted, the participant received an option to purchase 2.5 times the number of shares that would have been granted as Restricted Shares. The Named Executive Officers were awarded, for fiscal year 2003, an amount equal to 25% of each such officer's Corporate Executive Bonus and Performance Plan Bonus (as described above); provided, in no event could the award amount for any participant exceed an amount set by the 1988 Plan, which was \$300,000 in the 2003 fiscal year. Accordingly, the

11

awards of Options and Restricted Shares were related to the profitability of the Company in substantially the same manner as the awards under the Corporate Executive Bonus Plan and the Performance Plan.

The Options provide for the purchase of shares of Common Stock at market value on the determination date and do not become exercisable until three years after the date of award. Because the value of the Options is dependent on the increase of the market value of the Common Stock over at least a three year period, the Options provide a long-term incentive for the executives to stay with the Company and to increase the market value of the Common Stock.

Restricted Shares were also awarded based on the market value of the Common Stock on the determination date (participants 60 years of age and over on the date Restricted Shares are awarded receive Phantom Stock Credits, in lieu of Restricted Shares, which serve as the basis for an award of Restricted Shares two years after the award date). The Restricted Shares are subject to restrictions for three years after their award except those shares converted from Phantom Stock Credits which are subject to a nine month restricted period after conversion. Again, by an award of Restricted Shares, the executives are encouraged to remain with the Company and to increase the market value of the Common Stock.

Retirement and Profit Sharing Plan. The Company maintains a Retirement and Profit Sharing Plan (the Profit Sharing Plan), which is qualified under Section 401 of the Internal Revenue Code of 1986, as amended (the Internal Revenue Code). In addition to certain non-matching contributions, the Company may make a discretionary contribution as determined each year by the Board of Directors of the Company. On February 22, 2002, the Board of Directors of the Company approved an accrual formula for the discretionary contribution to the Profit Sharing Plan for the 2003 fiscal year in an amount not less than 8% and not more than 10% of the Company's earnings on a consolidated basis and before certain bonuses, Company discretionary Profit Sharing Plan contributions and taxes on income. The maximum total Company and employee contribution allowable with respect to any employee under the Profit Sharing Plan in the last fiscal year was \$40,000; however, because of the contribution rate and other limitations on recognized compensation in the Profit Sharing Plan, the actual maximum Company contribution with respect to any employee was less than that amount.

Excess Profit Sharing Deferred Compensation Plan. The Company has established the Excess Profit Sharing Deferred Compensation Plan (the Excess Benefit Plan) to provide deferred compensation to certain participants in the Profit Sharing Plan whose benefit in the Profit Sharing

Edgar Filing: EDWARDS A G INC - Form DEF 14A

Plan is subject to limitations imposed by the Internal Revenue Code. Contributions to the Excess Benefit Plan are based on the same basic formula as the Profit Sharing Plan, but without regard to certain limitations imposed by the Internal Revenue Code on the benefits of highly compensated employees. The maximum aggregate contribution by the Company for any employee under both the Profit Sharing Plan and the Excess Benefit Plan in the last fiscal year was \$300,000; accordingly, the maximum benefit with respect to any employee under the Excess Benefit Plan was the difference between \$300,000 and the Profit Sharing Plan Company contribution with respect to such employee.

Procedures for Compensation of Mr. Bagby. Prior to the beginning of the 2003 fiscal year, the Company Committee considered the compensation of Mr. Bagby for the 2003 fiscal year. The Company Committee reviewed the seven components of the compensation structure of the Company, the historical performance of the structure, the consistency of the compensation components for Mr. Bagby with the components for other officers, the guidelines used for determining the base salaries of other officers, and the compensation of officers in other companies in the industry. The Company Committee also considered that for the fiscal year 2003, the Brokerage Committee had determined that most officers would not receive salary increases because of market and industry conditions. Based on the review, the Company Committee determined to keep the base salary for Mr. Bagby at \$456,000 and that the other components of his compensation should not be changed from the prior year. After the end of the fiscal year, the Committee determined that the goals for the Performance Plan had been satisfied.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter adopted by the Board of Directors (the Board), the Audit Committee of the Board (the Committee) assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. The Committee members are the Independent Directors. During fiscal year 2003, the Committee met five times. In addition, the Committee chair, as representative of the Committee, discussed the interim financial information contained in each quarterly earnings announcement with management and the independent auditors prior to release.

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended February 28, 2003 with management and the independent auditors. Management is responsible for the financial reporting process, including the system of internal control, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. The Company's independent auditors are responsible for auditing those financial statements. The Committee's responsibility is to monitor and review these processes. However, the Committee members are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, including with respect to auditor independence. Committee members rely, without independent verification, on the information provided to them and on the representations made by management and the independent auditors.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board No. 1, Independence Discussions with Audit Committees, discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Committee also discussed with management, the internal auditors and the independent auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities and staffing. The Committee reviewed with both the independent and internal auditors their audit plans, audit scope, and identification of audit risks.

The Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements. The Committee also discussed the results of the internal audit examinations.

Based on the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended February 28, 2003, for filing with the Securities and Exchange Commission. The Committee also recommended the reappointment, subject to shareholder approval, of the independent auditors and the Board concurred in such recommendation.

CERTAIN TRANSACTIONS

Edgar Filing: EDWARDS A G INC - Form DEF 14A

Directors and executive officers of the Company have been clients of and have had brokerage transactions with the Company in the ordinary course of business. Included in such transactions are the maintenance of margin accounts and the extension of credit under Federal Reserve Regulation T. Such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other clients and did not and do not involve more than normal risk of collectibility or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Securities Exchange Act of 1934, as amended, requires all executive officers, directors and beneficial owners of more than 10% of the Company's Common Stock to report any changes in the ownership of Common Stock of the Company to the Securities and Exchange Commission, the New York Stock Exchange and the Company. Based solely upon a review of these reports and written representations regarding the filing of the reports, the Company believes that all reports were filed on a timely basis.

PROPOSAL 2: APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has appointed Deloitte & Touche LLP, Certified Public Accountants, as independent auditors of the Company for the fiscal year ending February 29, 2004.

Deloitte & Touche LLP or its predecessor firms have served as the independent auditors of the Company since its incorporation in 1983 and of the Brokerage Company for more than fifty years. A representative of Deloitte & Touche LLP will be present at the 2003 Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

Although this appointment is not required to be submitted to a vote of stockholders, the Board of Directors believes it is appropriate to request that the stockholders ratify the appointment of Deloitte & Touche LLP as independent auditors of the Company for the fiscal year ending February 29, 2004. If the stockholders do not ratify, the Audit Committee will investigate the reasons for stockholder rejection and will reconsider the appointment.

The Board of Directors recommends a vote **FOR** the ratification of the appointment of Deloitte & Touche LLP as independent auditors.
