THE COMPANY

Ross Stores, Inc. and its subsidiaries operate two brands of off-price retail apparel and home fashion stores: Ross Dress for Less® (**Ross**) and dd's DISCOUNTS®.

Ross is the largest off-price apparel and home fashion chain in the United States, with 1,194 locations in 33 states, the District of Columbia and Guam, as of August 2, 2014. Ross offers first-quality, in-season, name brand and designer apparel, accessories, footwear, and home fashions for the entire family at everyday savings of 20% to 60% off department and specialty store regular prices. Ross target customers are primarily from middle income households.

We also operate 144 dd's DISCOUNTS stores in 13 states as of August 2, 2014. dd's DISCOUNTS features more moderately-priced first-quality, in-season, name brand apparel, accessories, footwear, and home fashions for the entire family at everyday savings of 20% to 70% off moderate department and discount store regular prices. The typical dd's DISCOUNTS store is located in an established shopping center in a densely populated urban or suburban neighborhood and its target customers typically come from households with more moderate incomes than Ross customers.

The merchant, store, and distribution organizations for Ross and dd's DISCOUNTS are separate and distinct. The two chains share certain other corporate and support services.

Both our Ross and dd's DISCOUNTS brands target value-conscious women and men between the ages of 18 and 54. The decisions we make, from merchandising, purchasing, and pricing, to the locations of our stores, are based on these customer profiles. We believe that both brands derive a competitive advantage by offering a wide assortment of product within each of our merchandise categories in organized and easy-to-shop store environments.

Our mission is to offer competitive values to our target customers by focusing on the following key strategic objectives:

- Maintain an appropriate level of recognizable brands, labels, and fashions at strong discounts throughout the store.
- Meet customer needs on a local basis.
- Deliver an in-store shopping experience that reflects the expectations of the off-price customer.
- Manage real estate growth to compete effectively across all our markets.

RISK FACTORS

Investing in our Securities involves risks. In evaluating an investment in our Securities, you should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K, any subsequent Quarterly Reports on Form 10-Q or Current Reports on Form 8-K, and all other information contained or incorporated by reference into this prospectus, as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in the applicable prospectus supplement before acquiring any of such Securities. The occurrence of any of these risks might cause you to lose all or part of your investment in the offered Securities. Please also refer to the section above entitled "Forward Looking Statements."

USE OF PROCEEDS

Unless otherwise indicated in the applicable prospectus supplement, we intend to use the proceeds from the sale of the Securities for working capital and other general business purposes. Pending the application of the net proceeds, we may invest the proceeds in short-term, interest-bearing instruments or other investment-grade Securities.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth information regarding our ratio of earnings to fixed charges for the fiscal years shown and for the six months ended August 2, 2014. For purposes of computing the ratios below, earnings consist of earnings before taxes, interest, amortization of capitalized interest, and one-third of rent expense related to operating leases, which is estimated by management to be representative of interest. Fixed charges consist of interest costs, including capitalized interest costs, plus the portion of rent expense representative of interest.

DESCRIPTION OF CAPITAL STOCK

General

The following is a summary of the rights of our capital stock, certain provisions of our certificate of incorporation, as amended (our *Certificate of Incorporation*), and our amended and restated Bylaws (our *Bylaws*), and certain provisions of applicable law. For more detailed information, please see our Certificate of Incorporation and our Bylaws, which are incorporated by reference as exhibits to the registration statement of which this prospectus is a part.

Our authorized capital stock consists of 600 million shares of common stock, par value \$0.01 per share, and four million shares of preferred stock, par value \$0.01 per share, all of which shares of preferred stock are undesignated. Our board of directors may establish the rights and preferences of the preferred stock from time to time. As of August 21, 2014, there were 209,831,704 shares of our common stock issued and outstanding and no shares of our preferred stock issued and outstanding.

Common Stock

Each holder of our common stock is entitled to one vote for each share on all matters to be voted upon by the common stockholders, and there are no cumulative voting rights. Subject to any preferential rights of any outstanding preferred stock, holders of our common stock are entitled to receive ratably the dividends, if any, as may be declared from time to time by our board of directors out of funds legally available for that purpose. If there is a liquidation, dissolution or winding up of our company, holders of our common stock would be entitled to ratable distribution of our assets remaining after the payment in full of liabilities and any preferential rights of any outstanding preferred stock.

Holders of our common stock have no preemptive or conversion rights or other subscription rights, and there are no redemption or sinking fund provisions applicable to the common stock. The rights, preferences and privileges of the holders of our common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock that we may designate and issue in the future. All of our outstanding shares of common stock are fully paid and non-assessable.

Preferred Stock

Under the terms of our Certificate of Incorporation, our board of directors is authorized, subject to limitations prescribed by the Delaware General Corporation Law (the "DGCL"), and by our Certificate of Incorporation, to issue up to four million shares of preferred stock in one or more series without further action by the holders of our common stock. Our board of directors has discretion, subject to limitations prescribed by the DGCL and by our Certificate of Incorporation, to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences, of each series of preferred stock.

All shares of preferred stock offered hereby will, when issued, be fully paid and non-assessable and, unless otherwise stated in a prospectus supplement relating to the series of preferred stock being offered, will not have any preemptive or similar rights. We will set forth in a prospectus supplement relating to the class or series of preferred stock being offered the specific terms of each series of our preferred stock, including the price at which the preferred stock may be purchased, the number of shares of preferred stock offered, and the terms, if any, on which the preferred stock may be convertible into common stock or exchangeable for other securities.

Anti-Takeover Effects of Various Provisions of Delaware Law and our Certificate of Incorporation and Bylaws

Provisions of the DGCL and our Certificate of Incorporation and Bylaws could make it more difficult to acquire us by means of a tender offer, a proxy contest or otherwise, or to remove incumbent officers and directors. These provisions, summarized below, are expected to discourage certain types of coercive takeover practices and takeover bids that our board of directors may consider inadequate and to encourage persons seeking to acquire control of us to first negotiate with our board of directors. We believe that the benefits of increased protection of our ability to negotiate with the proponent of an unfriendly or unsolicited proposal to acquire or restructure us outweigh the disadvantages of discouraging takeover or acquisition proposals because, among other things, negotiation of these proposals could result in an improvement of their terms.

Delaware Anti-Takeover Statute. We are subject to Section 203 of the DGCL, an anti-takeover statute. In general, Section 203 of the DGCL prohibits a publicly-held Delaware corporation from engaging in a business combination with an interested stockholder for a period of three years following the time the person became an interested stockholder, unless the business combination or the acquisition of shares that resulted in a stockholder becoming an interested stockholder is approved

in a prescribed manner. Generally, a *business combination* includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. Generally, an *interested stockholder* is a person who, together with affiliates and associates, owns (or within three years prior to the determination of interested stockholder status did own) 15% or more of a corporation's voting stock. The existence of this provision would be expected to have an anti-takeover effect with respect to transactions not approved in advance by our board of directors, including discouraging attempts that might result in a premium over the market price for the shares of common stock held by our stockholders.

Vote Required for Certain Business Combinations and Transactions. In addition to any affirmative vote required by law, unless approved by a majority of the *disinterested directors* (as defined in our Certificate of Incorporation), specified types of business combination transactions (which may include our merger or consolidation or that of any material subsidiary, a sale, license or lease of significant assets or ours, the issuance or transfer by us or any of our subsidiaries (whether in one transaction or a series of transactions) of any securities in exchange for cash, securities or other property (or a combination thereof) having an aggregate fair market value of \$5,000,000 or more, the adoption of any plan or proposal for our liquidation or dissolution or that of any of our material subsidiaries, or a reclassification of any of our securities (including any reverse stock split), or any recapitalization) which involves an *Interested Stockholder* (as defined in our Certificate of Incorporation in general, a beneficial owner of 5% or more of our outstanding voting stock) may not be consummated unless and until such transaction shall have been approved by (i) the affirmative vote of the holders of at least 66.67% of the combined voting power of our outstanding shares of stock of all classes and series entitled to vote generally in the election of directors (*Capital Stock*) and (ii) the affirmative vote of the holders of at least that percent of the *Capital Stock* equal to the sum of the percent of the *Capital Stock* held by an *Interested Stockholder* plus one share more than one half of the *Capital Stock* other than shares held by such *Interested Stockholder*.

Amendment. Our Certificate of Incorporation and Bylaws provide that the affirmative vote of the holders of at least sixty-six and two-thirds percent of our voting stock then outstanding is required to amend certain provisions relating to the number, term election and removal of our directors, the filling of our board vacancies, stockholder notice procedures and the calling of special meetings of stockholders.

Size of Board and Vacancies. Our Certificate of Incorporation and Bylaws provide that the number of directors on our board of directors will be fixed exclusively by our board of directors. Subject to the rights of the holders of any series of Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, removal from office, disqualification or other cause may be filled only by a majority vote of the directors then in office, though less than a quorum, and directors so chosen shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class to which they have been elected expires.

Special Stockholder Meetings. Our Certificate of Incorporation and Bylaws provide that special meetings of our stockholders may be called only (1) by the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board for adoption) or (2) by the holders of not less than 10% of all of the shares entitled to cast votes at the meeting.

No Stockholder Action by Written Consent. Our Certificate of Incorporation expressly eliminates the right of our stockholders to act by written consent. Stockholder action must take place at the annual or a special meeting of our stockholders.

Requirements for Advance Notification of Stockholder Nominations and Proposals. Our Bylaws establish advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors other than nominations made by or at the direction of our board of directors or a committee of our board of directors.

No Cumulative Voting. The DGCL provides that stockholders are denied the right to cumulate votes in the election of directors unless our Certificate of Incorporation provides otherwise. Our Certificate of Incorporation does not provide for cumulative voting.

Undesignated Preferred Stock. The authority possessed by our board of directors to issue preferred stock could potentially be used to discourage attempts by third parties to obtain control of our company through a merger, tender offer, proxy contest or otherwise by making such attempts more difficult or more costly. Our board of directors may issue preferred stock with voting rights or conversion rights that, if exercised, could adversely affect the voting power of the holders of common stock.

Authorized but Unissued Shares.

Our authorized but unissued shares of common stock and preferred stock are available for future issuance without your approval. We may use additional shares for a variety of purposes, including future public offerings to raise additional capital, to fund acquisitions and as employee compensation. The existence of authorized but unissued shares of common stock and preferred stock could render more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare.

DESCRIPTION OF DEBT SECURITIES

The following is a general description of the debt securities that we may offer from time to time. The particular terms of the debt securities offered by us and the extent, if any, to which the general provisions described below may apply to those securities will be described in the applicable prospectus supplement. As you read this section, please remember that the specific terms of a debt security as described in the applicable prospectus supplement will supplement and may modify or replace the general terms described in this section. If there are any differences between the applicable prospectus supplement and this prospectus, the applicable prospectus supplement will control. As a result, the statements we make in this section may not apply to the debt security you purchase.

In this summary description of the debt securities, unless we state otherwise or the context clearly indicates otherwise, all references to we, us, and our refer to Ross Stores, Inc. only and not to any of its subsidiaries.

Our debt securities, consisting of notes, debentures and other evidences of indebtedness, may be issued from time to time in one or more series pursuant to an indenture to be entered into between us and U.S. Bank National Association, as trustee.

Because the following is only a summary of selected provisions of the indenture and the debt securities, it does not contain all information that may be important to you. This summary is not complete and is qualified in its entirety by reference to the base indenture and any supplemental indentures thereto or officer's certificate or board resolution related thereto. We urge you to read the indenture because the indenture, not this description, define the rights of the holders of the debt securities. The indenture will be substantially in the form included as an exhibit to the registration statement of which this prospectus is a part. The terms of our debt securities will include those set forth in the indenture and those made a part of the indenture by the Trust Indenture Act of 1939, as amended (the Trust Indenture Act).

General

The indenture does not limit the amount of debt securities that may be issued under that indenture, and the indenture does not limit the amount of other unsecured debt or securities that we may issue. We may issue debt securities under the indenture from time to time in one or more series.

We are not obligated to issue all debt securities of one series at the same time and, unless otherwise provided in the prospectus supplement, we may reopen a series, without the consent of the holders of the debt securities of that series, for the issuance of additional debt securities of that series. Additional debt securities of a particular series will have the same terms and conditions as outstanding debt securities of such series, except that the additional debt securities may have a different date of original issuance, offering price and first interest payment date, and will be consolidated with, and form a single series with, such outstanding debt securities.

When we refer to debt securities or a series of debt securities, we mean, respectively, debt securities or a series of debt securities issued under the applicable indenture. When we refer to a prospectus supplement, we mean the prospectus supplement describing the specific terms of the applicable debt security. The terms used in a prospectus supplement will have the meanings described in this prospectus, unless otherwise specified.

The debt securities will constitute our unsecured and unsubordinated indebtedness and will rank equally in right of payment with all of our other unsecured and unsubordinated indebtedness and senior in right of payment to all of our subordinated indebtedness outstanding from time to time. The debt securities will be effectively subordinated to, and thus have a junior position to, any secured indebtedness we may have with respect to the assets securing that indebtedness.

The debt securities will effectively rank junior to all liabilities of our subsidiaries. Claims of creditors of our subsidiaries generally will have priority with respect to the assets and earnings of such subsidiaries over the claims of our creditors, including holders of any debt securities. Accordingly, any debt securities will be effectively subordinated to creditors, including trade creditors and preferred stockholders, if any, of such subsidiaries.

Unless we inform you otherwise in the prospectus supplement, the indenture will not contain any covenants or other provisions designed to protect holders of the debt securities in the event we participate in a highly leveraged transaction or upon a change of control. In addition, unless we inform you otherwise in the prospectus supplement, the indenture will not contain provisions that give holders of the debt securities the right to require us to repurchase their securities in the event of a decline in our credit rating for any reason, including as a result of a takeover, recapitalization or similar restructuring or otherwise.

Edgar Filing: ROSS STORES INC - Form S-3ASR

- whether the debt securities will be guaranteed by any of our subsidiaries;
- the title of the debt securities;
- the total principal amount of the debt securities;
- whether we will issue the debt securities in individual certificates to each holder or in the form of temporary or permanent global securities held by a depository on behalf of holders and the name of the depository for the debt securities, if other than The Depository Trust Company (DTC), and any circumstances under which the holder may request securities in non-global form, if we choose not to issue the debt securities in book-entry form only;
- the date or dates on which the principal of and any premium on the debt securities will be payable;
- any interest rate, the date from which any such interest will accrue, the interest payment dates on which any such interest will be payable and the record dates for any such interest payments;
- whether and under what circumstances we will pay any additional amounts with respect to the debt securities;
- the place or places where payments on the debt securities will be payable;
- any provisions for optional redemption or early repayment;
- any sinking fund or other provisions that would obligate us to redeem, purchase or repay the debt securities;
- the denominations in which we will issue the debt securities if other than \$2,000 and integral multiples of \$1,000 in excess thereof;
- whether payments on the debt securities will be payable in foreign currency or another form and whether payments will be payable by reference to any index or formula;
- the portion of the principal amount of debt securities that will be payable if the maturity is accelerated, if other than the entire principal amount;
- whether the provisions described below under the heading Defeasance and Discharge apply to the debt securities;
- any changes or additions to the events of default or covenants described in this prospectus;
- any restrictions or other provisions relating to the transfer or exchange of debt securities;
- any terms for the conversion or exchange of the debt securities for other securities; and
- any other terms of the debt securities, whether in addition to, or by modification or deletion of, the terms described herein.

We may sell the debt securities at a discount, which may be substantial, below their stated principal amount.

These debt securities may bear no interest or interest at a rate that at the time of issuance is below market rates. If we sell these debt securities, we will describe in the prospectus supplement any material U.S. federal income tax consequences and other special considerations.

If we sell any of the debt securities for any foreign currency or if payments on the debt securities are payable in any foreign currency, we will describe in the prospectus supplement the restrictions, elections, tax consequences, specific terms and other information relating to those debt securities and the foreign currency.

Certain Covenants

Limitation on Liens

The indenture contains a covenant that we will not, and we will not permit any of our restricted subsidiaries to, issue, assume or guarantee any indebtedness secured by any mortgage upon any operating property or operating asset of the Company or any restricted subsidiary without securing the debt securities (and, if we so determine, any other indebtedness ranking equally with the debt securities) equally and ratably with such indebtedness.

This covenant will not prevent us or any of our restricted subsidiaries from issuing, assuming or guaranteeing:

- any purchase money mortgage on such property simultaneously with or within 180 days after the later of (1) the acquisition or completion of construction or completion of substantial reconstruction, renovation, remodeling, expansion or improvement (each, a substantial improvement) of such property, or (2) the placing in operation of such property after the acquisition or completion of any such construction or substantial improvement;
- an existing mortgage on property not previously owned by us or a restricted subsidiary, including in each case indebtedness incurred for reimbursement of funds previously expended for any substantial improvements to or acquisitions of property. However:
 - ◆ the mortgage must be limited to any or all of (1) such acquired or constructed property or substantial improvement (including accretions thereto), (2) the real property on which any construction or substantial improvement occurs or (3) with respect to distribution centers, any equipment used directly in the operation of, or the business conducted on, the real property on which any construction or substantial improvement occurs; and
 - ◆ the total amount of the indebtedness secured by the mortgage, together with all other indebtedness to persons other than us or a restricted subsidiary secured by mortgages on such property, shall not exceed the lesser of (1) the total costs of such mortgaged property, including any costs of construction or substantial improvement, or (2) the fair market value of the property immediately following the acquisition, construction or substantial improvement;
- any mortgage on real property and, with respect to distribution centers, on equipment used directly in the operation of, or the business conducted on, such mortgaged real property, which is the sole security for indebtedness:
 - ◆ incurred within three years after the latest of (1) the date of issuance of the first series of debt securities under the indenture, (2) the date of the acquisition of the real property or (3) the date of the completion of construction or substantial improvement on such real property;
 - ◆ incurred for the purpose of reimbursing us or our restricted subsidiary for the cost of acquisition and/or the cost of improvement of such real property and equipment;
 - ◆ the amount of which does not exceed the lesser of the aggregate cost of the real property, improvements and equipment or the fair market value of that real property, improvements and equipment; and
 - ◆ the holder of which shall be entitled to enforce payment of such indebtedness solely by resorting to the security for such mortgage, without any liability on the part of us or a restricted subsidiary for any deficiency;
- mortgages existing on the date of the indenture, mortgages on assets of a restricted subsidiary existing on the date it became a subsidiary or mortgages on the assets of a subsidiary that is newly designated as a restricted subsidiary if the mortgage would have been permitted under the provisions of this paragraph if such mortgage was created while the subsidiary was a restricted subsidiary;
- mortgages in favor of us or a restricted subsidiary;
- mortgages securing only the indebtedness issued under the indenture; and
- mortgages to secure indebtedness incurred to extend, renew, refinance or replace indebtedness secured by any mortgages referred to above, provided that the principal amount of the extended, renewed, refinanced or replaced indebtedness does not exceed the principal amount of indebtedness so extended, renewed, refinanced or replaced, plus transaction costs and fees, and that any such mortgage applies only to the same property or assets subject to the prior permitted mortgage (and, in the case of real property, improvements).

Restrictions on Sale and Leaseback Transactions

The indenture contains a covenant that we will not, and will not permit our restricted subsidiaries to, enter into any arrangement with any person providing for the leasing by us or any restricted subsidiary of any operating property or operating asset that has been or is to be sold or transferred by us or such restricted subsidiary to such person with the intention of taking back a lease of such property (a sale and leaseback transaction) without equally and ratably securing the debt securities (and, if we shall so determine, any other indebtedness ranking equally with the debt securities), unless the terms of such sale or transfer have been determined by our board of directors to be fair and arms-length and either:

- within 180 days after the receipt of the proceeds of the sale or transfer, we or any restricted subsidiary applies an amount equal to the greater of the net proceeds of the sale or transfer or the fair value of such operating property or operating asset at the time of such sale or transfer to the prepayment or retirement (other than any mandatory prepayment or retirement) of our senior funded debt; or
- we or such restricted subsidiary would be entitled, at the effective date of the sale or transfer, to incur indebtedness secured by a mortgage on such operating property or operating assets, in an amount at least equal to the attributable debt in respect of the sale and leaseback transaction, without equally and ratably securing the debt securities pursuant to the Limitation on Liens described above.

The foregoing restriction will not apply to:

- any sale and leaseback transaction for a term of not more than three years including renewals;
- any sale and leaseback transaction with respect to operating property (and, with respect to distribution centers, equipment used directly in the operation of, or the business conducted on, such operating property) if a binding commitment with respect thereto is entered into within three years after the latest of (1) the date of issuance of the first series of debt securities under the indenture or (2) the date such operating property was acquired (as the term acquired is used in the definition of operating property);
- any sale and leaseback transaction with respect to operating assets if a binding commitment with respect thereto is entered into within 180 days after the later of the date such property was acquired and, if applicable, the date such property was first placed in operation; or
- any sale and leaseback transaction between us and a restricted subsidiary or between restricted subsidiaries provided that the lessor shall be us or a wholly owned restricted subsidiary.

Exempted Debt

Notwithstanding the limitations in the indenture on mortgages and sale and leaseback transactions, we or our restricted subsidiaries may, in addition to amounts permitted under such limitations, issue, assume or guarantee indebtedness secured by mortgages, or enter into sale and leaseback transactions, provided that, after giving effect thereto, the aggregate outstanding amount of all such indebtedness secured by mortgages plus attributable debt resulting from such sale and leaseback transactions does not exceed 15% of consolidated net tangible assets.

Certain Definitions

For purposes of the indenture:

Attributable debt in respect of a sale and leaseback transaction means, at the time of determination, the present value (discounted at the imputed rate of interest of such transaction determined in accordance with generally accepted accounting principles) of the obligation of the lessee for net rental payments during the remaining term of the lease included in such sale and leaseback transaction (including any period for which such lease has been extended or may, at the option of the lessor, be extended).

Capitalized lease obligations means obligations created pursuant to leases which are required to be shown on the liability side of a balance sheet in accordance with generally accepted accounting principles.

Consolidated net tangible assets means the total amounts of assets (less depreciation and valuation reserves and other reserves and items deductible from gross book value of specific asset accounts under generally accepted accounting principles) which under generally accepted accounting principles would be included on a consolidated balance sheet of the Company and its restricted subsidiaries after deducting (i) all current liabilities (excluding any amounts that constitute Funded Debt by reason of being extendible or renewable), and (ii) all goodwill, trade names, trademarks, patents, unamortized debt discount and

expense and other like intangibles, all as computed in accordance with generally accepted accounting principles and as shown in the latest quarterly consolidated balance sheet of the Company contained in the Company's then most recent annual report to stockholders or quarterly report filed with the SEC, as the case may be.

Funded debt means indebtedness which matures more than one year from the date of creation, or which is extendable or renewable at the sole option of the obligor so that it may become payable more than one year from such date. Funded debt does not include (1) obligations created pursuant to leases, (2) any indebtedness or portion thereof maturing by its terms within one year from the time of any computation of the amount of outstanding funded debt unless such indebtedness shall be extendable or renewable at the sole option of the obligor in such manner that it may become payable more than one year from such time, or (3) any indebtedness for the payment or redemption of which money in the necessary amount shall have been deposited in trust either at or before the maturity date thereof.

Indebtedness means (i) the principal of and any premium and interest on (a) indebtedness for money borrowed and (b) indebtedness evidenced by notes, debentures, bonds or other similar instruments, (ii) capitalized lease obligations, (iii) obligations for the deferred purchase price of property, conditional sale obligations and obligations under any title retention agreement (but excluding trade accounts payable arising in the ordinary course of business), (iv) obligations for the reimbursement of any obligor on any letter of credit, banker's acceptance or similar credit transaction (subject to certain exceptions), (v) obligations of the type referred to in clauses (i) through (iv) of third-parties and all dividends of third-parties for the payment of which, in either case, such person is responsible or liable as obligor, guarantor or otherwise, (vi) obligations of the type referred to in clauses (i) through (v) of third-parties secured by any Lien on any property or asset of such person (whether or not such obligation is assumed by such person), the amount of such obligation being deemed to be the lesser of the value of such property or assets or the amount of the obligation so secured, and (vii) any amendments, modifications, refundings, renewals or extensions of any indebtedness or obligation described as Indebtedness in clauses (i) through (vi) above

Mortgage means any mortgage, security interest, pledge, lien or other encumbrance.

Operating assets means all merchandise inventories, furniture and equipment (including all transportation and warehousing equipment, store racks and showcases but excluding office equipment and data processing equipment) owned by us or a restricted subsidiary.

Operating property means all real property and improvements thereon owned by us or a restricted subsidiary and constituting, without limitation, any store, warehouse, service center or distribution center wherever located. This term does not include any store, warehouse, service center or distribution center that our board of directors declares by resolution not to be of material importance to the business of the Company and its restricted subsidiaries. Operating property is treated as having been acquired on the day the operating property is placed in operation by us or a restricted subsidiary after the later of (a) its acquisition from a third party, including an unrestricted subsidiary, (b) completion of its original construction or (c) completion of its substantial reconstruction, renovation, remodeling, expansion or improvement (whether or not constituting an operating property prior to such reconstruction, renovation, remodeling, expansion or improvement).

Restricted subsidiary means any Subsidiary which at the time of determination is not an Unrestricted Subsidiary. As of the date of this prospectus, Ross Procurement, Inc., Ross Merchandising, Inc. and Ross Dress for Less, Inc. are our only restricted subsidiaries.

Senior funded debt means all funded debt of the Company or any person (except funded debt, the payment of which is subordinated to the payment of the debt securities).

Subsidiary means any corporation of which the outstanding capital stock having at least a majority of the votes entitled to be cast in the election of directors under ordinary circumstances shall at the time be owned, directly or indirectly, by such person or any other person of which at least a majority of the voting interest under ordinary circumstances is at the time, directly or indirectly, owned by such person.

Unrestricted subsidiary means any Subsidiary of the Company that at the time of determination is or continues to be designated an Unrestricted Subsidiary by the board of directors of the Company and any Subsidiary of an Unrestricted Subsidiary.

Events of Default

Unless we inform you otherwise in the prospectus supplement, the following are events of default with respect to a series of debt securities:

- our failure to pay any installment of interest on or any additional amounts with respect to any debt security of that series when due and payable and such default continues for 30 days or longer;
- our failure to pay the principal of or any premium on any debt security of that series when due and payable;
- our failure to comply with any covenant or agreement in that series of debt securities or the applicable indenture for 60 days after written notice by the trustee or by the holders of at least 25% in principal amount of the outstanding debt securities of that series issued under that indenture (except for our failure to comply with the covenant prohibiting certain consolidations, mergers and sales of assets);
- the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any of our or any restricted subsidiary's indebtedness, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt of notice of any such acceleration) if the aggregate principal amount of such indebtedness, together with the principal amount of any other such indebtedness in default for failure to pay principal at final stated maturity or which has been accelerated (in each case with respect to which the 30-day period described above has elapsed), aggregates \$25.0 million or more at any time; one or more judgments in an aggregate amount in excess of \$25.0 million remain undischarged, unpaid or unstayed for a period of 60 days after the judgment or judgments become final and non-appealable;
- specified events involving bankruptcy, insolvency or reorganization of the Company or any subsidiary;
- our failure to deposit any sinking fund payment, when due, in respect of any debt security of that series; and
- any other event of default provided for in that series of debt securities.

We may change, eliminate or add to the events of default with respect to any particular series or any particular debt security or debt securities within a series, as indicated in the applicable prospectus supplement. A default under one series of debt securities will not necessarily be a default under any other series.

If an event of default relating to certain events of our bankruptcy or insolvency occurs, all then outstanding debt securities of that series will become due and payable immediately without further action or notice. If any other event of default for any series of debt securities occurs and is continuing, the trustee may and, at the direction of the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series shall, declare all of those debt securities to be due and payable immediately by notice in writing to us and, in case of a notice by holders, also to the trustee specifying the respective event of default and that it is a notice of acceleration.

Subject to certain limitations, holders of a majority in aggregate principal amount of the outstanding debt securities of any series may direct the trustee in its exercise of any trust or power with respect to that series. The trustee may withhold from holders of the debt securities of any series notice of any continuing default or event of default for such series if it determines that withholding notice is in their interest, except a default or event of default relating to the payment of principal, interest, premium or additional amounts, if any.

Subject to the provisions of the applicable indenture relating to the duties of the trustee, in case an event of default for any series occurs and is continuing, the trustee will be under no obligation to exercise any of the rights or powers under the indenture at the request or direction of any holders of debt securities of that series unless such holders have offered to the trustee indemnity or security satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium or additional amounts, if any, or interest when due, no holder of debt securities of a series may pursue any remedy with respect to the indenture or the debt securities unless:

- such holder has previously given the trustee notice that an event of default is continuing with respect to that series;
- holders of at least 25% in aggregate principal amount of the debt securities of that series have requested the trustee to pursue the remedy;
- such holders have offered the trustee security or indemnity satisfactory to it against any loss, liability or expense;
- the trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and

- holders of a majority in aggregate principal amount of the debt securities of that series have not given the trustee a direction inconsistent with such request within such 60-day period.

Holders of a debt security are entitled at any time, however, to bring a lawsuit for the payment of money due on a debt security on or after its stated maturity (or, if a debt security is redeemable, on or after its redemption date).

The holders of a majority in aggregate principal amount of the debt securities of any series by notice to the trustee may, on behalf of the holders of all of the debt securities of that series, rescind an acceleration or waive any existing default or event of default for such series and its consequences under the indenture except a continuing default or event of default in the payment of interest, additional amounts or premium on, or the principal of, the debt securities.

Book-entry and other indirect owners should consult their banks or brokers for information on how to give notice or direction to or make a request for the trustee and how to declare or cancel an acceleration of the maturity.

We are required to deliver to the trustee annually a statement regarding compliance with the indenture. Upon our becoming aware of any default or event of default, we are required within five business days to deliver to the trustee a statement specifying such default or event of default.

Modification and Waiver

Except as provided in the next four succeeding paragraphs, each indenture and the debt securities issued under each indenture may be amended or supplemented with the consent of the holders of at least a majority in aggregate principal amount of the then outstanding debt securities of each series affected by the change, voting as separate classes for this purpose, and any existing default or event of default or compliance with any provision of the indenture or the debt securities may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding debt securities of each series affected by the waiver, voting as separate classes for this purpose, in each case, except as may otherwise be provided pursuant to such indenture for all or any particular debt securities of any series.

Without the consent of each holder of debt securities of the series affected, an amendment, supplement or waiver may not (with respect to any debt securities of such series held by a non-consenting holder):

- reduce the principal amount of debt securities whose holders must consent to an amendment, supplement or waiver;
- reduce the principal of any debt security or change its stated maturity, or alter the provisions relating to the redemption or repurchase of any debt securities;
- reduce the rate of or change the time for payment of interest on any debt security;
- waive a default or event of default in the payment of principal of, or interest or premium, or any additional amounts, if any, on, the debt securities (except a rescission of acceleration of the debt securities by the holders of at least a majority in aggregate principal amount of the then outstanding debt securities of that series and a waiver of the payment default that resulted from such acceleration);
- make payments on any debt security payable in currency other than as originally stated in the debt security;
- make any change in the provisions of the indenture relating to waivers of past defaults or the rights of holders of debt securities to receive payments of principal of, or interest or premium, if any, on the debt securities;
- waive a redemption payment with respect to any debt securities;
- impair a holder's right to sue for payment of any amount due on its debt security; or
- make any change in the preceding amendment, supplement and waiver provisions.

Book-entry and other indirect owners should consult their banks or brokers for information on how approval may be granted or denied if we seek to change an indenture or any debt securities or request a waiver.

We and the trustee may supplement or amend each indenture or the debt securities without notice to or the consent of any holders of debt securities issued under that indenture in certain circumstances, including:

Edgar Filing: ROSS STORES INC - Form S-3ASR

- to cure any ambiguity, defect or inconsistency;
- to provide for uncertificated debt securities in addition to or in place of certificated debt securities;
- to establish the form or terms of debt securities of any series as permitted by the indenture;

- to provide for the assumption of our obligations to holders of debt securities in the case of a merger or consolidation or sale of all or substantially all of our properties or assets, as applicable;
- to make any change that would provide any additional rights or benefits to the holders of debt securities or that does not adversely affect the legal rights under the indenture of any such holder;
- to comply with requirements of the SEC in order to maintain the qualification of the indenture under the Trust Indenture Act;
- to add to our covenants for the benefit of the holders of all or any series of debt securities, or to surrender any right or power herein conferred upon us;
- to add additional events of default with respect to all or any series of debt securities;
- to change or eliminate any of the provisions of the indenture; provided that any such change or elimination will become effective only when there is no outstanding debt security of any series created prior to the execution of such amendment or supplemental indenture that is adversely affected in any material respect by such change in or elimination of such provision;
- to supplement any provision of the indenture to permit or facilitate the defeasance and discharge of any series of debt securities so long as any action does not adversely affect the interest of holders of securities of that or any other series in any material respect;
- to secure the debt securities;
- to evidence and provide for the acceptance under the indenture of a successor trustee, each as permitted under the indenture; or
- to conform the text of the indenture or any debt securities to the description thereof in any prospectus or prospectus supplement of us with respect to the offer and sale of such debt securities, to the extent that such provision is inconsistent with a provision of the indenture or the debt securities, in each case, except as may otherwise be provided pursuant to such indenture for all or any particular debt securities of any series, as set forth in an officer's certificate.

Defeasance and Discharge

Defeasance

When we use the term defeasance, we mean discharge from some or all of our obligations under an indenture.

If we deposit with the trustee under an indenture any combination of money or government securities sufficient, in the opinion of an independent firm of certified public accountants, to make payments on the debt securities of a series issued under that indenture on the dates those payments are due, then, at our option, either of the following will occur:

- we will be discharged from our obligations with respect to the debt securities of that series (legal defeasance); or
- we will no longer have any obligation to comply with specified restrictive covenants with respect to the debt securities of that series and other specified covenants under the applicable indenture, and the related events of default will no longer apply (covenant defeasance).

If a series of debt securities is defeased, the holders of the debt securities of that series will not be entitled to the benefits of the applicable indenture, except for obligations to register the transfer or exchange of debt securities, replace stolen, lost or mutilated debt securities, maintain paying agencies and hold money for payment in trust. In the case of covenant defeasance, our obligation to pay principal, premium and interest on the debt securities will also survive.

Unless we inform you otherwise in the prospectus supplement, we will be required to deliver to the trustee an opinion of counsel that the deposit and related defeasance would not cause the holders of the debt securities to recognize income, gain or loss for federal income tax purposes and that the holders would be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the deposit and related defeasance had not occurred. If we elect legal defeasance, that opinion of counsel must be based upon a ruling from the U.S. Internal Revenue Service or a change in law to that effect.

Satisfaction and Discharge

An indenture will be discharged and will cease to be of further effect with respect to the debt securities of a series issued under that indenture, except for our obligation to register the transfer of and exchange debt securities of that series, when:

- either:
 - ◆ all debt securities of that series that have been authenticated, except lost, stolen or destroyed debt securities that have been replaced or paid and debt securities for whose payment money has been deposited in trust and thereafter repaid to us, have been delivered to the trustee for cancellation; or
 - ◆ all debt securities of that series that have not been delivered to the trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year, and we have irrevocably deposited or caused to be deposited with the trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable government securities, or a combination of cash in U.S. dollars and non-callable government securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the debt securities of that series not delivered to the trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;
- no default or event of default has occurred and is continuing on the date of the deposit (other than a default or event of default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which we or any subsidiary is a party or by which we or any subsidiary is bound;
- we have paid or caused to be paid all sums payable by it under the indenture; and
- we have delivered irrevocable instructions to the trustee under the indenture to apply the deposited money toward the payment of the debt securities at maturity or on the redemption date, as the case may be.

In addition, we must deliver an officers' certificate and an opinion of counsel to the trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Governing Law

New York law will govern the indentures and the debt securities, without regard to conflicts of laws principles thereof.

The Trustee

U.S. Bank National Association will be the trustee under the indenture. We have banking relationships with U.S. Bank National Association or its affiliates in the ordinary course of business.

**DESCRIPTION OF STOCK PURCHASE CONTRACTS
AND STOCK PURCHASE UNITS**

The following summarizes the general terms of stock purchase contracts and stock purchase units that we may issue. The particular terms of any stock purchase contracts or stock purchase units that we offer will be described in the prospectus supplement. This description is subject to the stock purchase contracts, and any collateral arrangements and depositary arrangements, relating to the stock purchase contracts or stock purchase units.

We may issue stock purchase contracts, including contracts obligating holders to purchase from us, and obligating us to sell to the holders, a specified number of shares of Common Stock or Preferred Stock at a future date or dates. We may fix the consideration per share of our Common Stock or Preferred Stock at the time we issue the stock purchase contracts, or the consideration may be determined by referring to a specific formula stated in the stock purchase contracts. We may issue the stock purchase contracts separately or as a part of stock purchase units consisting of a stock purchase contract and Debt Securities, preferred securities, Warrants or debt obligations of third parties, including U.S. Treasury securities, which secure the holders' obligations to purchase the Common Stock or Preferred Stock under the stock purchase contracts. The stock purchase contracts may require us to make periodic payments to the holders of the stock purchase units or vice versa. These payments may be unsecured or prefunded on some basis. The stock purchase contracts may require holders to secure their obligations in a specified manner.

In a prospectus supplement, we will describe the particular combination of Securities constituting any Purchase Agreement and any other specific terms.

DESCRIPTION OF WARRANTS

We may issue separately, or together with shares of our Preferred Stock or Common Stock offered by any prospectus supplement, Warrants for the purchase of additional shares of Preferred Stock or Common Stock. The Warrants may be issued under warrant agreements to be entered into between us and a bank or trust company, as warrant agent, and may be represented by certificates evidencing the Warrants, all as set forth in the prospectus supplement relating to the particular series of Warrants.

The following summaries of certain provisions of the Warrants are not complete and are subject to, and are qualified in their entirety by reference to, all the provisions of any related Warrant agreement and Warrant certificate, respectively, which will be filed with the SEC as an exhibit to, or incorporated by reference in, the registration statement of which this prospectus is a part. A prospectus supplement will describe the terms of the Warrants in respect of which this prospectus is being delivered including, where applicable, the following:

- the title of the Warrants;
- the aggregate number of the Warrants;
- the price or prices at which the Warrants will be issued;
- the designation, terms and number of shares of our Common Stock or Preferred Stock that may be purchased upon exercise of the Warrants;
- the designation and terms of the securities, if any, with which the Warrants are issued and the number of the Warrants issued with each such offered security;
- the date, if any, on and after which the Warrants and related shares of our Common Stock or Preferred Stock with which the Warrants are issued will be separately transferable;
- the price (or manner of calculation of the price) at which each share of our Common Stock or Preferred Stock may be purchased upon exercise of the Warrant;
- the date on which the right to exercise the Warrants will commence and the date on which the right will expire;
- the minimum or maximum amount of the Warrants that may be exercised at any one time;
- information with respect to book-entry procedures, if any;
- a discussion of material federal income tax considerations; and
- any other terms of the Warrants, including terms, procedures and limitations relating to the exchange and exercise of the Warrants.

We may sell Warrants to purchase our Common Stock or Preferred Stock. In a prospectus supplement, we will inform you of the exercise price and other specific terms of the Warrants, including whether our or your obligations, if any, under any Warrants may be satisfied by delivering or purchasing the underlying securities or their cash value.

PLAN OF DISTRIBUTION

We may sell the Securities offered pursuant to this prospectus to or through one or more underwriters, dealers or agents, or we may sell the Securities to investors directly on our own behalf in those jurisdictions where we are authorized to do. Any such underwriter, dealer or agent involved in the offer and sale of the Securities will be named in the applicable prospectus supplement.

Underwriters may offer and sell the Securities at a fixed price or prices that may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices, or at negotiated prices. We also may, from time to time, authorize dealers or agents to offer and sell the Securities upon such terms and conditions as may be set forth in the applicable prospectus supplement. In connection with the sale of any of the Securities, underwriters may receive compensation from us in the form of underwriting discounts or commissions, and may also receive commissions from purchasers of the Securities for whom they may act. Underwriters may sell the Securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for whom they may act.

Shares of our Common Stock may also be sold in one or more of the following transactions: (a) block transactions (which may involve crosses) in which a broker-dealer may sell all or a portion of such shares as agent, but may position and resell all or a portion of the block as principal to facilitate the transaction; (b) purchases by any such broker-dealer as principal, and resale by such broker-dealer for its own account pursuant to a prospectus supplement; (c) a special offering, an exchange distribution or a secondary distribution in accordance with applicable NASDAQ or other stock exchange, quotation system or over-the-counter market rules; (d) ordinary brokerage transactions and transactions in which any such broker-dealer solicits purchasers; (e) sales at the market to or through a market maker or into an existing trading market, on an exchange or otherwise, for such shares; and (f) sales in other ways not involving market makers or established trading markets, including direct sales to purchasers.

Any underwriting compensation paid by us to underwriters or agents in connection with the offering of the Securities, and any discounts or concessions or commissions allowed by underwriters to participating dealers, will be set forth in the applicable prospectus supplement. Dealers and agents participating in the distribution of the Securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the Securities may be deemed to be underwriting discounts and commissions.

Underwriters, dealers and agents may be entitled, under agreements entered into with us, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act. Unless otherwise set forth in an accompanying prospectus supplement, the obligations of any underwriters to purchase any of the Securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all of such Securities, if any are purchased.

Underwriters, dealers and agents may engage in transactions with, or perform services for, us and our affiliates in the ordinary course of business.

If indicated in the prospectus supplement, we may authorize underwriters or other agents to solicit offers by institutions to purchase Securities from us pursuant to contracts providing for payment and delivery on a future date. Institutions with which we may make these delayed delivery contracts include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others. The obligations of any purchaser under any such delayed delivery contract will be subject to the condition that the purchase of the Securities shall not at the time of delivery be prohibited under the laws of the jurisdiction to which the purchaser is subject. The underwriters and other agents will not have any responsibility with regard to the validity or performance of these delayed delivery contracts.

In connection with the offering of the Securities hereby, certain underwriters and selling group members and their respective affiliates may engage in transactions that stabilize, maintain or otherwise affect the market price of the applicable Securities. Such transactions may include stabilization transactions effected in accordance with Rule 104 of Regulation M promulgated by the SEC, pursuant to which such persons may bid for or purchase Securities for the purpose of stabilizing their market price. The underwriters in an offering of Securities may also create a short position for their account by selling more Securities in connection with the offering than they are committed to purchase from us. In such case, the underwriters could cover all or a portion of such short position by either purchasing Securities in the open market following completion of the offering of such Securities or by exercising any over-allotment option granted to them by us. In addition, the managing underwriter may impose penalty bids under contractual arrangements with other underwriters, which means that they can reclaim from an underwriter (or any selling group member participating in the offering), for the account of the other underwriters, the selling concession with respect to Securities that are distributed in the offering but subsequently purchased for the account of the underwriters in the open market. Any of the transactions described in this paragraph or comparable transactions that are described in any accompanying prospectus supplement may result in the maintenance of the price of

the Securities at a level above that which might otherwise prevail in the open market. None of such transactions described in this paragraph or in an accompanying prospectus supplement are required to be taken by any underwriters and, if they are undertaken, may be discontinued at any time.

Shares of our Common Stock are listed on NASDAQ under the symbol ROST. Any Debt Securities, series of Preferred Stock or Warrants we offer will be new issues of Securities with no established trading market and may or may not be listed on a national securities exchange, quotation system or over-the-counter market. Any underwriters or agents to or through which securities are sold by us may make a market in such securities, but such underwriters or agents will not be obligated to do so and any of them may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of or trading market for any Securities sold by us.

Item 15. Indemnification of Directors and Officers.

Delaware law provides that directors of a corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of their fiduciary duties as directors, except for liability:

- for any breach of their duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- under Section 174 of the DGCL relating to unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- for any transaction from which the director derived an improper personal benefit.

The limitation of liability does not apply to liabilities arising under the federal or state securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

Article VIII of the Company's Amended and Restated Bylaws (the "Bylaws") states that the Company shall indemnify, to the fullest extent permitted by applicable law, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding authorized by the Company's board of directors by reason of the fact that such person is or was a director or officer of the Company or is or was serving at the request of the Company.

Article VIII of the Bylaws requires the Company to purchase and maintain director or officer liability insurance.

The Company has entered into indemnification agreements with its directors and officers. Subject to certain limited exceptions, under these agreements, the registrant will be obligated, to the fullest extent not prohibited by the DGCL, to indemnify such directors and officers against all expenses, judgments, fines and penalties incurred in connection with the defense or settlement of any actions brought against them by reason of the fact that they were directors or officers of the registrant. The Company also maintains liability insurance for its directors and officers in order to limit its exposure to liability for indemnification of such persons.

Item 17. Undertakings.

a) The undersigned registrant hereby undertakes:

- 1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
 - ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate

offering price set forth in the Calculation of Registration Fee table in the effective
registration statement; and

II-2

iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- 2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- 3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- 4) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- 5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the

Edgar Filing: ROSS STORES INC - Form S-3ASR

undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that

II-3

is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

c)

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
