**PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON APRIL 9, 2015**

This proxy statement is furnished in connection with the solicitation by the Board of Directors (the Board) of Biglari Holdings Inc. (hereinafter we, our, BH, Biglari Holdings, Corporation or Company) of proxies in the accompanying form for the Annual Meeting of Shareholders to be held at The St. Regis Hotel, Two East 55th Street at Fifth Avenue, New York, New York 10022, on April 9, 2015, at 1:00 p.m., Eastern Daylight Time, and at any adjournment or postponement thereof (the Annual Meeting). This proxy statement and the enclosed form of proxy are first being sent to shareholders on or about [_____], 2015.

GENERAL INFORMATION

Why am I receiving a proxy statement?

You are receiving this document because you were one of our shareholders on [_____], 2015, the record date for our Annual Meeting. We are sending this proxy statement and the form of **BLUE** proxy card to you in order to solicit your proxy to vote your shares of Biglari Holdings common stock, stated value \$0.50 per share (the Common Stock), upon certain matters at the Annual Meeting.

What does it mean if I receive more than one proxy statement or BLUE proxy card?

If you receive multiple proxy statements or **BLUE** proxy cards, that may mean that you have more than one account with brokers or our transfer agent. Please vote all of your shares.

If Groveland proceeds with its previously announced alternative director nominations, we will likely conduct multiple mailings prior to the Annual Meeting date to ensure shareholders have our latest proxy information and materials to vote. We will send you a new **BLUE** proxy card with each mailing, regardless of whether you have previously voted. The latest dated proxy you submit will be counted, and if you wish to vote as recommended by the Board, then you should only submit **BLUE** proxy cards.

What information is available on the Internet?

This proxy statement, our Annual Report on Form 10-K and other financial documents are available free of charge at the Securities and Exchange Commission's (the SEC) website, www.sec.gov. Our proxy statement and annual report to shareholders are available on our corporate website, www.biglariholdings.com.

Are you householding for shareholders sharing the same address?

Yes. The SEC's rules regarding the delivery of proxy materials to shareholders permit us to deliver a single copy of these documents to an address shared by two or more of our shareholders. This

method of delivery is called householding, and it can significantly reduce our printing and mailing costs. It also reduces the volume of mail you receive. This year, we are delivering only one set of proxy materials to multiple shareholders sharing an address, unless we receive instructions to the contrary from one or more of the shareholders. We will still be required, however, to send you and each other Biglari Holdings shareholder at your address an individual **BLUE** proxy voting card. If you would like to receive more than one set of proxy materials, we will promptly send you additional copies upon written or oral request directed to our Corporate Secretary at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257. The same phone number and address may be used to notify us that you wish to receive a separate set of proxy materials

in the future, or to request delivery of a single copy of our proxy materials if you are receiving multiple copies.

Is there any other information that I should be receiving?

Yes. You should have already received a copy of our 2014 annual report to shareholders, which contains financial and other information about the Company and our most recently completed fiscal year, which ended September 24, 2014.

Who pays for the Company's solicitation of proxies?

We will pay for the entire cost of soliciting proxies on behalf of the Company. We will also reimburse brokerage firms, banks and other agents for the cost of forwarding the Company's proxy materials to beneficial owners. In addition, our directors, officers and other employees may solicit proxies in person, by mail, by telephone, via the Internet, press releases or advertisements. Directors, officers and other employees will not be paid any additional compensation for soliciting proxies. Okapi Partners LLC (Okapi), our proxy solicitor, will be paid a fee, estimated to be about \$[_____], plus reimbursement of expenses, for rendering solicitation services.

Okapi expects that approximately [____] of its employees will assist in the solicitation. Okapi will ask brokerage houses and other custodians and nominees whether other persons are beneficial owners of our Common Stock.

Table of Contents

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

We have also engaged Alliance Advisors, LLC (Alliance) to perform certain services for a fee estimated to be about \$[_____], plus reimbursement of expenses. Alliance expects that approximately [____] of its employees will assist in its efforts.

Our aggregate expenses related to our solicitation of proxies in excess of those normally spent for an Annual Meeting as a result of the potential proxy contest, and excluding salaries and wages of our regular employees, are expected to be approximately \$[_____], of which approximately \$[_____] has been spent to date. Annex A sets forth information relating to our directors, officers and other employees who are considered participants in our solicitation under the rules of the SEC by reason of their position as directors of the Company or because they may be soliciting proxies on our behalf.

Who may attend the Annual Meeting?

The Annual Meeting is open to all of our shareholders. To attend the meeting, you will need to register upon arrival. If you are a shareholder of record and you plan to attend the meeting, please keep the admission ticket that is attached to the enclosed **BLUE** proxy card because you must present this ticket to be admitted to the meeting. Each shareholder will be asked to present valid picture identification, such as a driver's license or passport. Shareholders who do not present an admission ticket must present proof of ownership of shares. Those shareholders holding shares in brokerage accounts will need to bring a copy of a brokerage statement, a legal proxy or a letter from the broker confirming ownership of Biglari Holdings' shares. If we cannot verify that you own Biglari Holdings shares, you will not be admitted to the meeting.

Who will count the votes cast at the Annual Meeting?

The Board will appoint an independent inspector of election to serve at the Annual Meeting. The independent inspector of election for the Annual Meeting will determine the number of votes cast by holders of the Common Stock for all matters. Preliminary voting results will be announced at the Annual Meeting, if practicable.

How can I find the voting results of the Annual Meeting?

We will include the voting results in a Current Report on Form 8-K, which we will file with the SEC no later than four business days following the completion of the Annual Meeting.

VOTING MATTERS

What am I voting on at the Annual Meeting?

You will be voting on the following matters:

The election of six directors.

The approval of a non-binding advisory resolution regarding the compensation of the Company's Named Executives Officers, as described in this proxy statement.

Has the Company been notified that a shareholder intends to propose alternative director nominees at the Annual Meeting?

Yes. Groveland Capital LLC and certain of its affiliates (collectively, "Groveland") have notified the Company of their intention to propose six alternative director nominees for election at the Annual Meeting in opposition to, and to replace all of, the nominees recommended by our Board. Our Board of Directors unanimously recommends a vote **FOR** each of the Board's nominees for director on the enclosed **BLUE** proxy card. The Groveland nominees have **NOT** been endorsed by our Board of Directors. We are not responsible for the accuracy of any information provided by or related to Groveland or its nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, Groveland or any other statements that Groveland may otherwise make.

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

How many votes must be present to hold the Annual Meeting?

The presence at the Annual Meeting, in person or by proxy, of the holders of Common Stock holding in the aggregate a majority of the voting power of the Corporation's stock entitled to vote shall constitute a quorum for the transaction of business.

How many votes do I have and can I cumulate my votes?

You have one vote for every share of our Common Stock that you own. Cumulative voting is not allowed.

May I vote my shares in person at the Annual Meeting?

Yes. You may vote your shares at the meeting if you attend in person, even if you previously submitted a proxy card or voted by Internet or telephone. Whether or not you plan to attend the meeting in person, however, in order to assist us in tabulating votes at the Annual Meeting, we encourage you to vote by returning your **BLUE** proxy card or by using the telephone or Internet.

How do I vote before the meeting?

Before the meeting, you may vote your shares in one of the following three ways:

by completing, signing and returning the enclosed BLUE proxy card in the postage-paid envelope	by telephone (within the United States and Canada) by calling the toll-free number located on your BLUE proxy card	by Internet by following the directions on your BLUE proxy card
---	---	--

Please use only one of the three ways to vote. Please follow the directions on your **BLUE** proxy card carefully. If you hold shares in the name of a broker, your ability to vote those shares by Internet or telephone depends on the voting procedures used by your broker, as explained below under the question "How do I vote if my broker holds my shares in street name?"

How do I vote if my broker holds my shares in street name?

If your shares are held in a brokerage account in the name of your bank or broker (this is called street name), your bank or broker will send you a voting instruction form that requests directions for voting those shares. Many (but not all) brokerage firms and banks provide Internet and telephone voting options.

What is a broker non-vote?

If you own shares through a broker in street name, you may instruct your broker how to vote your shares. A broker non-vote occurs when you fail to provide your broker with voting instructions *at least ten days before* the Annual Meeting and the broker does not have the discretionary authority to vote your shares on a particular proposal because the proposal is not a routine matter under applicable rules. See "How will abstentions and broker non-votes be treated?" and "Will my shares held in street name be voted if I do not provide my proxy?" below. If, as expected, Groveland initiates a proxy contest, there will be no routine matters.

How will abstentions and broker non-votes be treated?

Abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining a quorum at the Annual Meeting, but will not count as votes cast. Therefore, abstentions and broker non-votes will have no effect on Proposal 1, the election of directors. However, abstentions and broker non-votes will have the same effect as a vote against Proposals 2 and 3.

Will my shares held in street name be voted if I do not provide my proxy?

Edgar Filing: BIGLARI HOLDINGS INC. - Form PRER14A

If your shares are held in street name, your shares might be voted even if you do not provide the brokerage firm with voting instructions. On certain routine matters, brokerage firms have the discretionary authority to vote shares for which their customers do not provide voting instructions. Unless Groveland initiates a proxy contest, the proposal to ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm will be considered a routine matter for this purpose. The election of directors and the approval, on an advisory basis, of the compensation of our Named Executive Officers are not considered routine matters, and, therefore, your shares will not be voted on these matters unless you instruct your brokerage firm to vote in a timely manner.

Table of Contents

[PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS](#)

How will my proxy be voted?

The individuals named on the **BLUE** proxy card will vote your proxy in the manner you indicate on the **BLUE** proxy card.

What if I return my **BLUE proxy card or vote by Internet or telephone but do not specify my vote?**

If you sign and return your **BLUE** proxy card or complete the Internet or telephone voting procedures but do not specify how you want to vote your shares, we will vote them:

FOR the election of each of the six nominees named in this proxy statement.

FOR ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the 2015 fiscal year.

FOR the non-binding advisory resolution to approve the compensation of our Named Executive Officers, as described in this proxy statement.

Can I change my mind and revoke my proxy?

Yes. Shareholders who submit a proxy may revoke their proxy or change their vote at any time prior to the Annual Meeting by:

submitting a new proxy bearing a later date in accordance with the instructions on your proxy card or provided by your broker or bank;

sending our Corporate Secretary a written notice of revocation dated later than the date of the proxy;

re-voting by telephone by calling the toll-free number located on your **BLUE** proxy card;

re-voting by the Internet by following the directions on your **BLUE** proxy card; or

attending the Annual Meeting and voting in person note that attendance at the Annual Meeting will not revoke a proxy if you do not actually vote at the Annual Meeting.

If you have previously signed a **WHITE** proxy card sent to you by Groveland, you may change your vote by marking, signing, dating and returning the enclosed **BLUE** proxy card in the accompanying postage-paid envelope or by voting by telephone or via the Internet by following the instructions on your **BLUE** proxy card. Submitting a Groveland proxy card will revoke votes you have previously made via the Company's **BLUE** proxy card.

What vote is required to approve each proposal?

Proposal 1: Election of six directors.

As a result of Groveland's declared intention to propose alternative director nominees, and assuming nominees of Groveland are in fact proposed for election at the Annual Meeting and have not been withdrawn by Groveland, there will be more than six nominees. This means that the six candidates receiving the highest number of **FOR** votes will be elected. This number is called a plurality. A properly executed proxy card marked **WITHHOLD** with respect to the election of a director nominee will be counted for purposes of determining if there is a quorum at the Annual Meeting, but will not be considered to have been voted for the director nominee.

THE ONLY WAY TO SUPPORT ALL SIX OF YOUR BOARD OF DIRECTORS NOMINEES IS TO VOTE FOR THE BOARD S NOMINEES ON THE BLUE PROXY CARD. PLEASE DO NOT SIGN, RETURN OR OTHERWISE VOTE GROVELAND S WHITE PROXY CARD, EVEN IF YOU VOTE WITHHOLD ON ITS DIRECTOR NOMINEES. DOING SO MAY CANCEL ANY PREVIOUS VOTE YOU CAST ON THE COMPANY S BLUE PROXY CARD.

Proposal 2: Ratification of selection of Deloitte & Touche LLP as our independent registered public accounting firm for the 2015 fiscal year.

The affirmative vote of a majority of the Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve Proposal 2, ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the 2015 fiscal year.

Proposal 3: Non-binding advisory resolution to approve the compensation of our Named Executive Officers, as described in this proxy statement.

The affirmative vote of a majority of the Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve Proposal 3, the advisory vote on executive compensation.

How do you recommend that I vote on these items?

The Board of Directors recommends that you vote:

FOR the election of each of the six nominees named in this proxy statement.

FOR ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the 2015 fiscal year.

FOR the non-binding advisory resolution to approve the compensation of our Named Executive Officers, as described in this proxy statement.

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

What should I do if I receive a proxy card from Groveland?

Groveland has proposed six alternative director nominees for election at the Annual Meeting in opposition to, and to replace all of, the nominees recommended by our Board. We expect that you will receive proxy solicitation materials from Groveland, including an opposition proxy statement and WHITE proxy card. Our Board of Directors unanimously recommends that you disregard it. We are not responsible for the accuracy of any information provided by or related to Groveland or its nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, Groveland or any other statements that Groveland may otherwise

make. If you have already voted using the WHITE proxy card, you have every right to change your vote by executing and returning the enclosed BLUE proxy card or by voting by telephone or via the Internet by following the instructions provided on the enclosed BLUE proxy card. Only the latest dated proxy you submit will be counted. If you withhold your vote on the Groveland nominees using the WHITE proxy card, your vote will not be counted as a vote for all six of the Board's nominees and will result in the revocation of any previous vote you may have cast on the Company's BLUE proxy card. If you wish to vote pursuant to the recommendation of the Board of Directors, you should disregard any proxy card that you receive other than the BLUE proxy card.

**If you have any questions or need assistance

PROPOSAL ONE: ELECTION OF DIRECTORS

The Governance, Compensation and Nominating Committee of the Board has concluded that the following directors are independent in accordance with the director independence standards of the New York Stock Exchange, and has determined that none of them has a material relationship with the Corporation which would impair his or her independence from management or otherwise compromise his or her ability to act as an independent director: Kenneth R. Cooper, William L. Johnson, James P. Mastrian and Ruth J. Person.

When the accompanying **BLUE** proxy card is properly executed and returned, the shares it represents will be voted in accordance with the directions indicated thereon or, if no direction is indicated, the shares will be voted **FOR** the election of the six nominees identified above. Each of our nominees has consented to being named in this proxy statement and has agreed to serve, if elected. The Corporation expects each nominee to be able to serve if elected, but if any nominee notifies the Corporation before the Annual Meeting that he or she is unable to do so, then the proxies will be voted for the remainder of those nominated and, as designated by the directors, may be voted for a substitute nominee or nominees.

OUR BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR EACH OF THE COMPANY'S SIX NOMINEES FOR DIRECTOR ON THE ENCLOSED BLUE PROXY CARD.

Background to Potential Contested Solicitation

On November 21, 2014, Groveland Master Fund Ltd. delivered to the Company a notice nominating six persons for election to the Board at the Annual Meeting (the Notice). As of the date of the Notice, Groveland and its nominees collectively beneficially owned approximately 0.16% of the Company's outstanding shares. Prior to delivering the Notice, Groveland had never communicated with nor reached out to the Company.

On December 3, 2014, Biglari Holdings' counsel delivered a letter to Nicholas J. Swenson of Groveland requesting that, in connection with the Company's evaluation whether the Notice satisfies applicable legal and disclosure requirements relating to the nomination of directors, Groveland should re-confirm certain information, including that no persons or entities other than Groveland and its nominees were known to be supporting Groveland's nominees and that the Notice includes all information regarding Groveland's nominees and their associates required by Regulation 14A under the Exchange Act. Biglari Holdings received no response from Groveland to this letter. Accordingly, Biglari Holdings' counsel followed with another letter to Groveland's nominees one week later. Following receipt of this second letter, Groveland responded in writing, asserting its contention that the Notice was accurate and complete.

On December 17, 2014, Biglari Holdings reached out by delivering a letter to Groveland, stating that the Company believes it would be in the best interests of shareholders for the principals of the Company and Groveland to meet in-person whereby Groveland can discuss its views on the Company. The Company's letter continued that it was interested in understanding Groveland's specific concerns and determining how they may be appropriately addressed. The Company arranged for an in-person meeting to be held in New York City on January 9, 2015.

On January 9, 2015, Sardar Biglari, Chairman and Chief Executive Officer of the Company, and Philip L. Cooley, Vice Chairman of the Company, held an in-person meeting in New York City with Mr. Swenson, Seth G. Barkett and Thomas R. Lujan, representatives of Groveland. The parties discussed certain proposals proffered by Groveland. Mr. Biglari inquired concerning Groveland's ideas regarding the Company's operating businesses, but the Groveland representatives claimed they did not want to divulge them at that time. Mr. Biglari requested that Groveland set forth its proposals in writing, in reasonable detail, so that these assertions could be shared with and considered by the entire Board. On January 13, 2015, Mr. Swenson delivered a letter addressed to the Board that outlined some of the proposals that had been discussed at the January 9 meeting.

During the next scheduled meeting of the Board, the directors discussed each of the Groveland proposals, including the actions the Board had taken to enhance shareholder value and corporate governance. After a comprehensive discussion, the directors unanimously concurred that the proposals reflected within the Groveland letter were not in the best long-term interests of the Company's shareholders.

On January 25, 2015, William L. Johnson, in his capacity as Lead Independent Director and on behalf of the Board, delivered a letter to Mr. Swenson advising him that the Board had considered the proposals contained in Groveland's January 13, 2015 letter and unanimously determined that their implementation is not in the best interests of the Company's long-term shareholders. The letter reinforced the conviction that the

Edgar Filing: BIGLARI HOLDINGS INC. - Form PRER14A

economic objective of the Company is to maximize per-share intrinsic value over the long term, as well as to reaffirm that the Board's actions have all been in furtherance of this purpose. The letter concluded that it is abundantly clear to the Board that Groveland neither shares the Company's concern for this objective nor appreciates the substantial long-term value that has been created for all shareholders.

Board Meetings, Committees and Nominations

The Board held two formal meetings during fiscal year 2014. Each director during fiscal year 2014 attended at least 75% of all meetings of the Board and of the committees of the Board on which he or

she served. Directors are encouraged but not required to attend annual meetings of the Corporation's shareholders. All directors of the Corporation attended the 2014 Annual Meeting of Shareholders.

PROPOSAL ONE: ELECTION OF DIRECTORS

The Board has established an Audit Committee in accordance with Section 3(a)(58)A of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee consists of Kenneth R. Cooper, William L. Johnson, James P. Mastrian and Ruth J. Person. The Board has determined that each of William L. Johnson, James P. Mastrian and Ruth J. Person meets the definition of "audit committee financial expert" as that term is used in Item 407(d)(5) of Regulation S-K promulgated under the Exchange Act. All current members of the Audit Committee meet the criteria for independence set forth in Rule 10A-3 under the Exchange Act and in Section 303A of the New York Stock Exchange Listed Company Manual. The Audit Committee assists the Board with oversight of a) the integrity of the Corporation's financial statements, b) the Corporation's compliance with legal and regulatory requirements and c) the qualifications and independence of the Corporation's independent public accountants and the Corporation's internal audit function. The Audit Committee meets periodically with the Corporation's independent public accountants, internal auditors and members of management and reviews the Corporation's accounting policies and internal controls. The Audit Committee also selects the firm of independent public accountants to be retained by the Corporation to perform the audit. The Audit Committee held four formal meetings during fiscal year 2014. The Audit Committee Charter is available on the Corporation's website at www.biglariholdings.com and may also be obtained at no charge by written request to the attention of the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257.

The Board has established a Governance, Compensation and Nominating Committee and adopted a charter to define and outline the responsibilities of its members. A copy of the Governance, Compensation and Nominating Committee Charter is available on the Corporation's website at www.biglariholdings.com and may also be obtained at no charge by written request to the attention of the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257. The Governance, Compensation and Nominating Committee consists of Kenneth R. Cooper, William L. Johnson, James P. Mastrian and Ruth J. Person, all of whom are independent directors in accordance with the New York Stock Exchange director independence standards.

The role of the Governance, Compensation and Nominating Committee is to assist the Board by a) recommending governance guidelines applicable to the Corporation; b) identifying, evaluating and recommending the nomination of Board members; c) setting the compensation of the Corporation's Chief Executive Officer and performing other compensation oversight; d) reviewing related persons transactions; and e) assisting the Board with other related tasks, as assigned from time to time. The Governance, Compensation and Nominating Committee held three formal meetings during fiscal year 2014.

The Corporation does not have a policy regarding the consideration of diversity, however defined, in identifying nominees for director. Instead, in identifying director nominees, the Governance, Compensation and Nominating Committee looks for individuals who possess integrity, ownership mentality, business expertise and enterprise qualities that support an entrepreneurial culture. With respect to the selection of director nominees at the Annual Meeting, the Governance, Compensation and Nominating Committee recommended the Board nominate the six directors currently serving on the Board.

The Governance, Compensation and Nominating Committee has a policy under which it will consider recommendations presented by shareholders. A shareholder wishing to submit such a recommendation should send a letter to the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257. The mailing envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation". The Secretary must receive the recommendation not less than 120 days prior to the date we released our proxy materials for the preceding year's annual meeting for it to be considered by the Governance, Compensation and Nominating Committee for the 2016 Annual Meeting of Shareholders. The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications. At a minimum, candidates recommended for nomination to the Board must meet the director independence standards of the New York Stock Exchange. The Governance, Compensation and Nominating Committee's policy provides that candidates recommended by shareholders will be evaluated using the same criteria as are applied to all other candidates.

Board Leadership Structure and Role in Risk Oversight

Sardar Biglari is the Corporation's Chairman of the Board and Chief Executive Officer. The Corporation is a holding company owning subsidiaries engaged in a number of diverse business activities, including media, property and casualty insurance, as well as restaurants. The Corporation's largest operating subsidiaries are involved in the franchising and operating of restaurants. All major operating, investment, and capital allocation decisions are made by Mr. Biglari on behalf of the Company and its main operating subsidiaries. Because of the Company's holding company structure, along with the centralization of significant managerial and capital allocation decisions to Mr. Biglari, the most

Edgar Filing: BIGLARI HOLDINGS INC. - Form PRER14A

effective leadership model for the Corporation is to designate Mr. Biglari as holding both positions of Chairman and Chief Executive.

Since our 2014 Annual Meeting of Shareholders, we have met with a number of investors to solicit their feedback on issues of importance to shareholders. *In response to our active shareholder engagement, the Board appointed William L. Johnson as Lead Independent Director.* Mr. Johnson's responsibilities include presiding over Board meetings at which the Chairman is not present, including executive sessions of the independent directors, and serving as a liaison between the Chairman and the independent directors. Mr. Johnson's role thus facilitates effective communication between the Chairman and the independent directors, as well as our independent directors' involvement in significant matters concerning our shareholders' long-term interests. Mr. Johnson's duties also include ensuring the Board's emphasis on issues of corporate governance.

The full Board has responsibility for general oversight of relevant risks. Mr. Biglari bears responsibility for managing various risks faced by the Company. Furthermore, Mr. Biglari reviews with the

Board relevant possible risks. In addition, as part of its Charter, the Audit Committee reviews and discusses the Corporation's policies concerning risk assessment and risk management.

Director Compensation

Directors of Biglari Holdings do not receive grants of Company stock. We discontinued the practice of issuing stock options and restricted stock awards to avoid equity dilution of our shareholders. Effective April 1, 2009, all annual retainers have been paid in cash only.

Directors of the Corporation who are employees do not receive fees for attendance at directors' meetings. During fiscal year 2014, a director who was not an employee received an annual cash

retainer of \$45,000, and the Chairs of the Audit Committee and the Governance, Compensation and Nominating Committee each received an annual cash retainer of \$50,000. For his role as Vice Chairman of the Board and such other duties as designated by the Board, Dr. Cooley received an annual cash retainer of \$210,000. In addition, non-employee directors receive cash meeting attendance fees as follows:

\$3,500 for each in-person Board meeting attended

\$1,250 for each committee meeting attended in-person not held in conjunction with a Board meeting

\$500 for each committee meeting attended held in conjunction with a Board meeting and

\$500 for any meeting (Board or committee) in which the director participated by phone

We have retained Farient Advisors, LLC, an independent compensation consulting firm, to review our directors' compensation program.

The following table provides compensation information for the fiscal year ended September 24, 2014 for each non-management member of the Board who served on the Board during such fiscal year:

Name	Fees Earned or Paid in Cash	All Other Compensation	Total
Philip L. Cooley	\$217,500	\$	\$217,500
Kenneth R. Cooper	\$61,000	\$	\$61,000

Meetings of Independent Directors

In addition to the four meetings held by the Audit Committee and the three meetings held by the Governance, Compensation and Nominating Committee, both of which are comprised of all of the independent directors of the Company, the independent directors held one additional meeting during fiscal year 2014. A shareholder or other interested party wishing to contact the independent

directors, as applicable, should send a letter to the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257. The mailing envelope should contain a clear notation that the enclosed letter is to be forwarded to the Corporation's independent directors.

Shareholder Communications with the Board

Shareholders who wish to communicate with the Board or a particular director may send a letter to the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257. The mailing envelope should contain a clear notation that the enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All such letters should

identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Corporate Governance Guidelines

Guidelines also may be obtained at no charge by written request to the attention of the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257.

Code of Conduct may also be obtained at no charge by written request to the attention of the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257.

Non-Employee Director Stock Ownership Guidelines

Also stemming from the discussions we have held with our shareholders, and because the Company does not grant options or other stock awards to non-employee directors to avoid the dilution of our shareholders' ownership interests, the Board adopted stringent Stock Ownership Guidelines for our non-employee directors to ensure that the interests of our non-employee directors

are aligned with the interests of our shareholders in maximizing the long-term value of the Company. The policy requires our non-employee directors to own shares equal in value to at least five times their annual cash retainer. Directors have until four years from the adoption of the policy to meet this guideline.

Executive Officers

Our executive officers are appointed annually by the Board, or at such interim times as circumstances may require. Other than Mr. Biglari, the only executive officer of the Corporation during fiscal year 2014 was Bruce Lewis.

Mr. Lewis, age 50, joined the Company and was named Controller in January 2012. From 2007 to 2011, Mr. Lewis was Senior Vice President and Controller of Blockbuster Inc.

PROPOSAL TWO: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2015. Deloitte & Touche LLP has served in that capacity since fiscal 2003. A representative of Deloitte & Touche LLP will be present at the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to questions.

If the shareholders do not ratify the selection of Deloitte & Touche LLP, the Audit Committee will reconsider its choice, taking into consideration the views of the shareholders, and may (but will not be required to) appoint a different firm to serve in that capacity for fiscal 2015.

Required Vote

If a quorum is present, approval of the ratification of Deloitte & Touche LLP as the Corporation's independent registered public accounting firm for fiscal 2015 will require the affirmative vote of a majority of the Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting.

Our Board unanimously recommends that shareholders vote FOR the ratification of the selection by the Audit Committee of Deloitte & Touche LLP as the Corporation's independent registered public accounting firm for fiscal 2015. Properly dated and signed proxies will be so voted unless shareholders specify otherwise.

PROPOSAL THREE: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Background

The Corporation is providing shareholders an advisory vote on executive compensation as required by Section 14A of the Exchange Act. Section 14A was added to the Exchange Act by Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act").

The advisory vote on executive compensation is a non-binding vote on the compensation of the Corporation's Named Executive Officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules promulgated by the Securities and Exchange Commission (the "SEC"), including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure. The advisory vote on executive compensation is not a vote on the Corporation's general compensation policies, compensation of the Board, or the Corporation's compensation policies as they relate to

risk management. Pursuant to an advisory vote at our 2014 annual meeting, our shareholders elected to hold the advisory vote on executive compensation on an annual basis, and the Company intends to include an advisory shareholder vote on executive compensation in its proxy materials each year until the next shareholder vote on the frequency of the advisory vote to approve executive compensation.

The Governance, Compensation and Nominating Committee believes the Corporation's executive compensation program, including the Incentive Agreement with Mr. Biglari, reflects a strong pay-for-performance philosophy and is closely aligned with shareholders' long-term interests. The Compensation Discussion and Analysis section starting on page [____] of this proxy statement provides a more detailed discussion of the Corporation's executive compensation policies and practices.

Non-Binding Advisory Resolution

We are asking our shareholders to indicate their support for the Company's executive compensation program as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our shareholders the opportunity to express their views on our Named Executive Officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote "FOR" the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in this proxy statement is hereby APPROVED.

This advisory vote on executive compensation is not binding on the Board. However, the Board values the opinion of our shareholders and will take into account the result of the vote when making future decisions regarding executive compensation.

Required Vote

If a quorum is present, the affirmative vote of a majority of the Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required to approve this resolution.

Our Board recommends a vote FOR adoption of the advisory resolution approving the compensation of the Corporation's Named Executive Officers. Properly dated and signed proxies will be so voted unless shareholders specify otherwise.

Compensation Discussion and Analysis

The Compensation Discussion and Analysis is designed to provide shareholders with a better understanding of our compensation philosophy, core principles, and decision-making process. It explains the compensation-related actions taken regarding the

executive officers identified in the Summary Compensation Table (the Named Executive Officers). Details regarding the compensation we paid to the Named Executive Officers for fiscal 2014 are found in the tables and narrative that follow them.

Executive Summary

Biglari Holdings is composed of two distinct components: operating businesses and investments. The Company conducts its operations through its wholly-owned subsidiaries, including Steak n Shake Operations, Inc., Western Sizzlin Corporation, First Guard Insurance Company and Maxim Inc. The Company holds its investments mainly by means of limited partner interests in The Lion Fund. The general partner of The Lion Fund is Biglari

Capital Corp., a private investment firm owned by Mr. Biglari, who is both CEO of the Company and serves as the managing partner of The Lion Fund. As CEO of Biglari Holdings, he oversees the Company's operating businesses, and as Chairman of Biglari Capital, the general partner of these investment partnerships, he is responsible for their investment decisions.

Highlights for fiscal 2014 include:

Operating Businesses

Steak n Shake recorded its 23rd consecutive quarterly increase in same-store sales.

Purchased First Guard Insurance Company, a direct underwriter of commercial trucking insurance. First Guard has never experienced an underwriting loss in its 17-year history.

Acquired Maxim, a leading men's magazine published in approximately 75 countries.

Compensation and Governance Enhancements and Response to Shareholder Engagement

Biglari Holdings views our shareholders as true long-term partners in its business and wants their questions and suggestions to be considered fully, clearly, and accurately. We are committed to engaging with our shareholders on executive compensation and corporate governance matters. Since the Company's 2014 annual meeting, including its response concerning the results of the say on pay vote at the meeting, we have significantly increased our efforts to obtain feedback from our shareholders in order to gain an increased understanding of, and facilitate our responsiveness to, our shareholders' views on these important issues. Our active engagement included in-depth discussions with shareholders representing approximately 40% of our Common Stock. These efforts were led by our Chairman, Vice Chairman and Lead Independent Director, following his appointment as such. We value the opinions of our shareholders, and, as a result of these discussions, the Board has implemented the following changes:

Actions

Appointed William L. Johnson as Lead Independent Director

Mr. Johnson's responsibilities include presiding over Board meetings at which the Chairman is not present, including executive sessions of the independent directors; serving as a liaison between the Chairman and the independent directors; and ensuring the Board's focus on issues of corporate governance

Retained Farient Advisors, LLC (Farient), an independent compensation consulting firm, to conduct a comprehensive review of the Company's executive compensation program for 2015, including peer group development, incentive compensation design, pay and performance alignment, and foremost governance practices

A description of the analyses conducted by Farient is included below

EXECUTIVE COMPENSATION

Compensation of Chief Executive Officer

Chief Executive Officer Compensation for Managing the Operating Businesses

In his capacity as CEO of the Company, Mr. Biglari earned \$900,000 in total direct compensation for fiscal 2014, inasmuch as he did not receive any incentive compensation.

Operating Business Peer Group

In connection with the compensation review being conducted by the Governance, Compensation and Nominating Committee of the Board (the Committee) for 2015, Fariet evaluated potential peers for our operating businesses. In order to establish this peer group, the following criteria were used: publicly traded restaurant

companies, with revenues ranging from \$350 million to \$2.5 billion, and possessing business models similar to ours (e.g., operating similar dining concepts with a comparable mix of company-owned to franchised locations).

This evaluation resulted in a peer group consisting of the following 14 companies:

BJ's Restaurants, Inc.	DineEquity, Inc.	Ruby Tuesday, Inc.
Bob Evans Farms, Inc.	Fiesta Restaurant Group, Inc.	Sonic Corp.
Bravo Brio Restaurant Group, Inc.	Ignite Restaurant Group, Inc.	Texas Roadhouse, Inc.
Buffalo Wild Wings, Inc.	Luby's, Inc.	The Wendy's Company
Denny's Corporation	Red Robin Gourmet Burgers, Inc.	

The operating business peer group will be integral to the Committee's review of CEO compensation for 2015. Specifically, this peer group will be used to assess competitive levels of

compensation, to evaluate pay program design, and to validate whether our compensation programs are aligned with the performance of the Company's operating businesses.

Chief Executive Officer Compensation from Operations

The table below presents the amount of total direct compensation realized by our CEO over the preceding three-year period related to our operating businesses, including as compared to the above peer group. The compensation presented in the table is attributable only to our operating businesses, including Mr. Biglari's incentive compensation calculated solely by reference to the increase in our adjusted book value stemming directly from our operating businesses, and therefore differs from Mr. Biglari's three-year average total compensation reported in the summary compensation table, which includes amounts attributable to investment management prior to the divestiture of Biglari Capital.

Compensation Element	Three-Year Average
Base Salary	\$900,000
Incentive from Operations	\$533,333
Operations Total Direct Compensation	\$1,433,333

Percent Rank Relative to Peer Group 11th Percentile

Edgar Filing: BIGLARI HOLDINGS INC. - Form PRER14A

Based on Fairient's analysis, Mr. Biglari's three-year average realized total direct compensation for the operating component of our business ranked in the 11th percentile when compared to the CEO compensation target levels of our operating business peer group.

Base Salary

Mr. Biglari's current base salary of \$900,000 was set by the Compensation Committee of the Board of Directors (prior to being merged with the Governance and Nominating Committee).

Mr. Biglari's salary has not been increased since 2009.

Incentive Agreement

Philosophy. In designing the Incentive Agreement with Mr. Biglari, the Committee sought to embody the pay-for-performance ethos of the Company and its focus on maximizing long-term shareholder value. The Company's singular long-term strategic objective is to maximize its per-share intrinsic value, a subjective gauge of the progress of the business that the Company believes will eventually be reflected in its stock price. Therefore, the Committee conceives it was most appropriate to determine Mr. Biglari's compensation for our operating businesses by reference to the objective measure—adjusted book value growth—that most closely tied to the increase in intrinsic value. The book value metric is adjusted, as further described below, so that Mr. Biglari is compensated solely for the Company's true economic gains.

EXECUTIVE COMPENSATION

The Incentive Agreement operates as both a short- and long-term incentive plan. As a result of the High Water Mark and Hurdle Rate components of the Incentive Agreement discussed below, Mr. Biglari must build long-term, sustainable value for our shareholders in order to continue to receive compensation under the plan. In addition, the Company does not grant options or other stock awards to Mr. Biglari, thereupon avoiding the significant dilution of our shareholders' interests in the Company that could otherwise occur. *Rather, the Incentive Agreement obligates Mr. Biglari to purchase, in the open market, the Company's Common Stock using his own pre-tax incentive dollars (discussed in more detail below) and requires him to retain those shares for a period of three (3) years. His compensation is thus closely correlated to the long-term performance of the Company's Common Stock, firmly aligning Mr. Biglari's interests with the long-term interests of all shareholders.* Furthermore, inasmuch as the Company does not grant equity to our named executive officers, our shareholders receive the benefit of immediate tax deductibility under Section 162(m) of the Internal Revenue Code, rather than at the time of vesting or exercising equity awards.

Incentive Design. The Incentive Agreement establishes a performance-based annual incentive payment for Mr. Biglari contingent upon the growth in adjusted book value in each fiscal year attributable to our operating businesses. *The adjusted book value metric adopted by the Committee measures the Company's economic performance and thus is unaffected by non-economic factors.* For example, the consummation of the rights offerings conducted by the Company (despite having raised significant capital to further the Company's business objectives) had no impact on Mr. Biglari's compensation under the Incentive Agreement.

In order for Mr. Biglari to receive any incentive, our operating businesses must achieve annual adjusted book value growth in excess of 6% (the Hurdle Rate) above the previous highest level of book value (the High Water Mark). Mr. Biglari will receive 25% of any incremental book value created above the High Water Mark plus the Hurdle Rate (collectively, the Measuring Point). For example, if the previous highest recorded book value was \$100,000,000, the Company's operating businesses would need to attain adjusted book value of \$106,000,000 before any incentive could be earned. In any fiscal year in which book value declines, our operating businesses must completely recover their deficit from the previous High Water Mark, along with attaining the Hurdle Rate, before Mr. Biglari becomes eligible to receive any further incentive payment. The Incentive Agreement limits Mr. Biglari's incentive compensation to \$10 million in any one-year performance period.

Table of Contents

EXECUTIVE COMPENSATION

Further, the Incentive Agreement provides that Mr. Biglari must use at least 30% of his pre-tax incentive compensation (which equates to approximately 50% after tax, assuming a 40% tax rate) to purchase shares of the Company's Common Stock in the open market. Mr. Biglari is then required to hold such shares for a minimum of three years from the date of purchase, subject to

the Incentive Agreement. *These features ensure that the Incentive Agreement operates as both a short- and long-term incentive plan, with roughly 50% serving as a cash-based short-term incentive and 50% serving as an equity-based long-term incentive, on an after-tax basis.*

For example, if Mr. Biglari earned \$1,000,000 under the Incentive Agreement, he would have to purchase shares for an aggregate price of at least \$300,000. Assuming a 40% tax rate, Mr. Biglari would need to commit half of his after-tax cash incentive payment (\$600,000) to the purchase of shares. Thus, the program is split between cash and equity incentives on an after-tax basis. As a result of this provision of the Incentive Agreement, Mr. Biglari has purchased a total of 17,210 shares of our Common Stock. Mr. Biglari has never sold a share of stock accumulated under the Incentive Agreement or otherwise.

Economic Terms of Agreement. The Corporation initially entered into the Incentive Agreement with Mr. Biglari on April 30, 2010, but it was amended and restated on September 28, 2010. The Incentive Agreement was approved by 82% of the votes cast by our shareholders at our special meeting held on November 5, 2010. In connection with the sale of Biglari Capital to Mr. Biglari (the Biglari Capital Transaction), Biglari Holdings and Mr. Biglari

entered into the First Amendment, dated as of July 1, 2013, to the Incentive Agreement (the Incentive Agreement Amendment). The Incentive Agreement Amendment was designed to reflect the bifurcation of the Company's operating and investing activities as a result of the Biglari Capital Transaction which would more closely tie Mr. Biglari's incentive compensation to the Company's operating earnings. Accordingly, the Incentive Agreement Amendment excludes from the calculation of Biglari Holdings' adjusted book value, and therefore from the calculation of Mr. Biglari's incentive compensation, any realized or unrealized gains or losses, earnings and all other amounts attributable to any investments by Biglari Holdings (and its subsidiaries) in The Lion Fund (as well as any other investment partnerships of which Mr. Biglari or his affiliate is the general partner). To assure a fair, objective, and reasoned compensation system, the Committee retained Towers Watson, a nationally recognized compensation consultant, to assist in formulating the Incentive Agreement, including the amendment thereto.

Historical Incentive Payouts. As the chart below illustrates, payouts earned under the Incentive Agreement have closely aligned with corporate performance. In fiscal 2014, the decline in our book value resulted, to a significant extent, from expenses incurred in our continuing efforts to franchise the Steak n Shake concept and also to revitalize the Maxim brand, which we acquired in February 2014. These expenditures emphasize the Company's focus on creating sustainable long-term shareholder value, which may come at the expense of short-term results. Our executive compensation philosophy is intended to reward and promote such long-term growth for the benefit of all shareholders, and thus may result in Mr. Biglari's receipt of little or no compensation in years in which we incur significant expenses or take other actions towards the pursuit of this ultimate goal.

The CEO incentive payment is reviewed by the Committee and its advisors.

Overall, the Committee believes the incentive design for Mr. Biglari:

Aligns with our overriding objective of increasing the per-share intrinsic value of the enterprise

Provides challenging goals, since the threshold level of book value needed to earn an incentive is set at the High Water Mark plus the Hurdle Rate

Serves as both a short- and long-term incentive through the required purchase of our Common Stock in the open market and associated three (3)-year holding period

Ensures proper long-term alignment with our shareholders given the share purchase provisions and holding requirements, while avoiding the dilution associated with equity awards

Offers shareholders advantageous tax treatment since pre-tax cash incentive dollars are used to purchase shares in the open market

Avoids encouraging excessive risk taking by promoting action intended to create long-term, sustainable value for the benefit of all shareholders

EXECUTIVE COMPENSATION

Management of Investments

The Company holds its investments mainly through limited partner interests in The Lion Fund. The general partner of The Lion Fund does not charge Biglari Holdings management fees, only a performance fee; therefore, its fees are predicated solely on investment gains rather than assets under management. Income

from The Lion Fund is excluded in the calculation of Mr. Biglari's incentive compensation under the Incentive Agreement. The investments in The Lion Fund are more fully described under Related Person Transactions .

Compensation of Controller

The Committee has charged Mr. Biglari with the responsibility of reviewing and confirming the compensation of other executive officers, including senior executives of the Company's major subsidiaries. Factors considered are typically subjective, such as the executive's performance and any changes in that executive's functional responsibilities, which were the primary factors used in

determining the salary and bonus for the Company's Controller in fiscal 2014, 2013 and 2012. We may also utilize different incentive arrangements, with their terms dependent upon such elements as the economic potential or capital intensity of the business. The incentives could be large and will always be tied to the operating results for which an executive exercises authority.

Employment Agreements, Severance, and Change-in-Control Arrangements

Neither Mr. Biglari nor Mr. Lewis has an employment agreement with the Company and neither has been granted or holds any stock options or restricted stock awards from the Company.

Mr. Biglari's Incentive Agreement continues in effect during his service as Chief Executive Officer of the Company, but does not alter his at-will employment arrangement with the Company. If there is a change in control of the Corporation, Mr. Biglari is terminated by the Corporation without cause or Mr. Biglari resigns for good reason, Mr. Biglari will be entitled to receive a severance payment equal to 2.99x his average annual cash compensation (consisting of his base salary and incentive compensation), determined from the date of the Incentive Agreement, subject to reduction to the extent necessary so that no portion of the severance payment will

be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended. For purposes of the Incentive Agreement, a change in control includes the consummation of a merger of the Company in which the Company's shareholders do not own, directly or indirectly, at least 50% of the voting power of the surviving entity, a sale of all or substantially all of the Company's assets, the replacement of a majority of the Board over a two-year period with directors who have not been approved by the Board, or a transaction as a result of which any person, other than Mr. Biglari or his affiliates, becomes the beneficial owner of at least 50% of the voting power of the Company's securities. Accordingly, the election of four or more of Groveland's alternative director nominees to the Board would be deemed to constitute a change in control under the Incentive Agreement.

Benefits Provided, and Not Provided, by the Company

Edgar Filing: BIGLARI HOLDINGS INC. - Form PRER14A

The Committee does not bestow many traditional perquisites on the Named Executive Officers, such as auto allowances, health club memberships, executive physicals, country club memberships, personal financial planning services, and other similar benefits that do not closely relate to shareholder value creation.

During fiscal year 2010, we resolved to suspend, indefinitely, all future option grants and placed a moratorium on the issuance of restricted stock. The Committee does not believe in granting conventional incentives such as stock options and restricted stock, which would dilute shareholders' ownership in the Corporation.

In addition, Mr. Biglari is not entitled to receive any discretionary bonuses. The Committee therefore believes that Mr. Biglari's

incentive compensation is correlated solely to the performance of the Company's operating businesses.

The Company purchases hours for the use of aircraft for business purposes pursuant to a fractional ownership program. Any use of the aircraft for personal travel has been fully reimbursed to the Company; otherwise such amounts would be deemed to be compensation and reported in the summary compensation table. The use of these aircraft by Company personnel and the reimbursement of personal travel costs are reviewed by the Audit Committee and its advisors. This information regarding aircraft usage has been voluntarily provided to our shareholders.

Deductibility Cap on Executive Compensation

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to any publicly held corporation for compensation to the principal executive officer, principal financial officer, or any of the three other most highly compensated executive officers in excess of \$1 million in any taxable year. Payments made pursuant to the Incentive Agreement, however, are intended to qualify as performance based compensation, eligible

for continued deductibility with shareholder approval. To preserve the tax deductibility of such compensation, the Corporation sought and obtained approval of the Incentive Agreement at the November 5, 2010 special meeting of shareholders.

In fiscal 2014, we did not pay compensation that was not deductible under Section 162(m).

Compensation Policies Relating to Risk Management

The Committee believes that our compensation policies and practices, as a result of their emphasis on long-term value creation, do not encourage unnecessary or excessive risk taking and that

any risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on the Corporation.

Narrative Disclosure to Summary Compensation Table

As referenced above in the Compensation Discussion and Analysis section, Mr. Biglari, as CEO of the Company, oversees all aspects of its restaurant, insurance and media properties. As a result of the Biglari Capital Transaction and the bifurcation of the Company's operating and investing businesses, fiscal 2014 was the first full fiscal year in which there was a clear demarcation between Mr. Biglari's compensation for operations and fees paid to Biglari Capital for services related to managing the investments of the Company.

In fiscal 2014 Mr. Biglari was paid solely his base salary of \$900,000 for his multifaceted role as CEO of the Company's operating businesses. Mr. Biglari did not receive any compensation under the Incentive Agreement for fiscal 2014. Fees paid to Biglari Capital in fiscal 2014 are fully described under Related Person Transactions.

Plan-Based Award Grants; Outstanding Equity Awards; Award Exercise and Vesting

The Corporation does not grant any stock options or other awards under its equity incentive plans, which have been suspended indefinitely. Accordingly, neither of the Named Executive Officers has been granted or holds any stock options or restricted stock awards from the Company.

Under the terms of the Incentive Agreement, the maximum incentive payment that Mr. Biglari may receive with respect to fiscal 2015 is \$10 million.

Retirement Benefits

We maintain a 401(k) plan in which one of our Named Executive Officers participates. The Steak n Shake 401(k) Savings Plan (the 401(k) Plan) is a defined contribution plan covering substantially all employees, including the Named Executive Officers, after they have attained age 21 and completed six months of service and allows employees to defer up to 20% of their salaries. Discretionary

matching contributions were made in each of fiscal years 2014, 2013 and 2012. Discretionary contributions are based on the profitability of the Corporation and subject to quarterly revision. The Named Executive Officers and other highly compensated employees (as that term is defined by IRS regulations) are limited to contributing 1% of their cash compensation to the 401(k) Plan.

Mr. Biglari has not received any stock awards from the Corporation.

Mr. Lewis does not have any agreement with the Company providing for payments upon termination or in the event of a change in control of the Corporation. Mr. Lewis has not received any stock awards from the Corporation.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Corporation's officers and directors, and persons who own more than ten percent of a registered class of the Corporation's equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, and written representations from certain reporting persons that no Section 16(a) forms were required for those persons, the Corporation believes that during fiscal 2014 all filing requirements applicable to its officers, directors and greater than ten-percent shareholders were complied with.

RELATED PERSON TRANSACTIONS

Policy Regarding Related Person Transactions

The Governance, Compensation and Nominating Committee (the Committee) reviews each related person transaction (as defined below) and determines whether it will approve or ratify that transaction based on whether the transaction is in the best interests of the Company and its shareholders. Any Board member who has any interest (actual or perceived) will not be involved in the consideration.

A related person transaction is any transaction, arrangement or relationship in which we are a participant, the related person (defined below) had, has or will have a direct or indirect material interest and the aggregate amount involved is expected to exceed \$120,000 in any calendar year.

Related person includes (a) any person who is or was (at any time during the last fiscal year) an officer, director or nominee for election as a director; (b) any

person or group who is a beneficial owner of more than 5% of our voting securities; (c) any immediate family member of a person described in provisions (a) or (b) of this sentence; or (d) any entity in which any of the foregoing persons is employed, is a partner or has a greater than 5% beneficial ownership interest.

In determining whether a related person transaction will be approved or ratified, the Committee may consider factors such as (a) the extent of the related person's interest in the transaction; (b) the availability of other sources of comparable products or services; (c) whether the terms are competitive with terms generally available in similar transactions with persons that are not related persons; (d) the benefit to us; and (e) the aggregate value of the transaction.

Related Person Transactions

Investments in The Lion Fund

Since the year 2000, Mr. Biglari has served as Chairman of Biglari Capital, general partner of The Lion Fund. Biglari Capital, in its capacity as general partner, receives an annual incentive reallocation equal to 25% of the net profits allocated to the limited partners of The Lion Fund in excess of their applicable hurdle rate (6% for Biglari Holdings and its subsidiaries pursuant to the Shared Services Agreement (as described below) and 5% for other limited partners) over the previous high-water mark. *Biglari Capital does not receive any fees based on assets under management; its fees are predicated solely on investment gains.*

During the fiscal year that ended September 24, 2014, the Company contributed cash and securities owned with an aggregate value of \$174,418,240 in exchange for additional limited partner interests in The Lion Fund. For the year that ended December 31, 2013 (which coincides with the Company's 2014 fiscal year), the Company earned \$74,526,170 on its investment in The Lion Fund, which equaled approximately 33% return on capital. An incentive reallocation to Biglari Capital is determined as of December 31

of each year. For the year that ended December 31, 2013, the incentive reallocation from Biglari Holdings and its subsidiaries was \$14,701,852.

The Committee believes that The Lion Fund's fee structure demands greater performance for the incentive reallocation to be earned instead of the traditional 2 and 20 hedge fund model in which many of the hedge fund managers charge a flat fee equal to 2% of assets under management plus 20% of any profits (without having to exceed a hurdle rate). Thus, the Committee believes that the incentive reallocation under the terms of The Lion Fund's partnership agreements is consistent with the Company's pay-for-performance culture and philosophy.

For comparison purposes, if Biglari Capital were paid fees based on the typical 2 and 20 model for hedge fund managers, it would have received a management fee of \$4,488,508 plus a performance fee of \$14,007,532, for a total of \$18,496,040.

Edgar Filing: BIGLARI HOLDINGS INC. - Form PRER14A

Comparison of Fees	Typical 2 and 20 Hedge Fund	The Lion Fund
December 31, 2013	\$18,496,040	\$14,701,852

In order to gauge the competitiveness and the appropriateness of the incentive reallocation to Biglari Capital, Farient conducted a review of incentive arrangements at other diversified financial institutions and companies with similar investment businesses. Because the purpose of this group was to benchmark incentive

fee design but not to compare management or performance fee amounts, Farient evaluated companies with total assets under \$50 billion to yield an appropriate representative sample. The following 13 companies were selected based on an evaluation of business model:

Calamos Asset Management, Inc.	Greenlight Capital Re, Ltd.	Silvercrest Asset Management Group LLC
The Carlyle Group L.P.	Lazard Ltd	Steel Partners Holdings L.P.
Cohen & Steers, Inc.	Oaktree Capital Group, LLC	Third Point Reinsurance Ltd.

The majority of this peer group employs a fee-based structure, with fees earned premised on assets under management and/or investment gains. The competitive analysis of these fee arrangements showed that, unlike Biglari Capital, most of these companies compensated those responsible for capital allocation and investment decisions using both a management fee based on assets under management and a performance fee dependent on investment gains. Furthermore, few peer companies required investment performance to exceed a specified hurdle rate to

trigger payment of an incentive fee, and even fewer specified a hurdle rate in concert with achievement of a high water mark. *Therefore, the Company believes that this competitive analysis demonstrates that Biglari Capital's fee structure, whereby it does not charge a management fee and receives only an incentive reallocation from Biglari Holdings if its investment performance exceeds the previous high-water mark plus a 6% hurdle rate, represents industry best practices.*

Shared Services Agreement

Biglari Holdings and Biglari Capital have a Shared Services Agreement in which Biglari Holdings provides certain services to Biglari Capital, including use of space at the Company's corporate headquarters in San Antonio, in exchange for a 6% hurdle rate for Biglari Holdings and its subsidiaries (as compared to a 5% hurdle rate for all other limited partners) in order to determine the incentive reallocation to Biglari Capital, as general partner of The Lion Fund, under their respective partnership agreements. The incentive reallocation to Biglari Capital is equal to 25% of the net profits allocated to the limited partners in excess of their applicable hurdle rate over the previous

high-water mark. The Shared Services Agreement runs for an initial five-year term, and automatically renews for successive five-year periods, unless terminated by either party effective at the end of the initial or renewed term, as applicable. The term of the Shared Services Agreement coincides with the lock-up period for the Company's investments in The Lion Fund under their respective partnership agreements. During the fiscal year that ended September 24, 2014, the Company provided services for Biglari Capital under the Shared Services Agreement having an aggregate cost of \$1,590,000.

License Agreement

On January 11, 2013, the Company entered into a Trademark License Agreement (the "License Agreement") with Mr. Biglari. The License Agreement was unanimously approved by the Committee. In addition, the license under the License Agreement is provided on a royalty-free basis in the absence of specified extraordinary events described below. *Accordingly, the Company and its subsidiaries have paid no royalties to Mr. Biglari under the License Agreement since its inception.*

Under the License Agreement, Mr. Biglari granted to the Company an exclusive license to use the Biglari and Biglari Holdings names (the "Licensed Marks") in association with various products and services (collectively the "Products and Services"). Upon (a) the expiration of twenty years from the date of the License Agreement (subject to extension as provided in the License Agreement), (b) Mr. Biglari's death, (c) the termination of Mr. Biglari's employment by the Company for Cause (as defined in the License Agreement), or (d) Mr. Biglari's resignation from his employment with the Company absent an Involuntary Termination Event (as defined in the License Agreement), the Licensed Marks for the Products and Services will transfer from Mr. Biglari to the Company, without any compensation, if the Company is continuing to use the Licensed Marks in the ordinary course of its business. Otherwise, the rights will revert to Mr. Biglari.

If (i) a Change of Control (as defined in the License Agreement) of the Company; (ii) the termination of Mr. Biglari's employment by the Company without Cause; or (iii) Mr. Biglari's resignation from his employment with the Company due to an Involuntary Termination Event (each, a "Triggering Event") were to occur, Mr. Biglari would be entitled to receive a 2.5% royalty on Revenues with respect to the Royalty Period. The royalty payment to Mr. Biglari would not apply to all revenues received by Biglari Holdings and its subsidiaries nor would it apply retrospectively (*i.e.*, to revenues received with respect to the period prior to the Triggering Event). The royalty would apply to revenues recorded by the Company on an accrual basis under GAAP, solely with respect to the defined period of time after the Triggering Event

equal to the Royalty Period, from a covered Product, Service or business that (1) has used the Biglari Holdings or Biglari name at any time during the term of the License Agreement, whether prior to or after a Triggering Event, or (2) the Company has specifically identified, prior to a Triggering Event, will use the name Biglari or Biglari Holdings.

For purposes of the License Agreement, a change of control includes the consummation of a merger of the Company in which the Company's shareholders do not own, directly or indirectly, at least 50% of the voting power of the surviving entity, a sale of all or substantially all of the Company's assets, the replacement of a majority of the Board over a two-year period with directors who have not been approved by the Board, or a transaction as a result of which any person, other than Mr. Biglari or his affiliates, becomes the beneficial owner of at least 50% of the voting power of the Company's securities. Accordingly, the election of four or more of Groveland's alternative director nominees to the Board would be deemed to constitute a change of control under the License Agreement.

Revenues means all revenues received, on an accrual basis under GAAP, by the Company, its subsidiaries and affiliates from the following: (1) all Products and Services covered by the License Agreement bearing or associated with the names Biglari and Biglari Holdings at any time (whether prior to or after a Triggering Event). This category would include, without limitation, the use of Biglari or Biglari Holdings in the public name of a business providing any covered Product or Service; and (2) all covered Products, Services and businesses that the Company has specifically identified, prior to a Triggering Event, will bear, use or be associated with the name Biglari or Biglari Holdings.

The Committee unanimously approved the association of the Biglari name and mark with all of Steak n Shake's restaurants (including Company operated and franchised locations), products and brands. On May 14, 2013, the Company, Steak n Shake, LLC and Steak n Shake Enterprises, Inc. entered into a Trademark

RELATED PERSON TRANSACTIONS

Sublicense Agreement in connection therewith. Accordingly, revenues received by the Company, its subsidiaries and affiliates from Steak n Shake's restaurants, products and brands would come within the definition of Revenues for purposes of the License Agreement.

The Royalty Period is a defined period of time, after the Triggering Event, calculated as follows: (i) if, following three months after a Triggering Event, the Company or any of its subsidiaries or affiliates continues to use the Biglari or Biglari Holdings name in connection with any covered product or service, or continues to use Biglari as part of its corporate or public company name, then the Royalty Period will equal (a) the period of time during which the Company or any of its subsidiaries or affiliates continues any such use, plus (b) a period of time after the Company, its subsidiaries and affiliates have ceased all uses of the names Biglari and Biglari Holdings equal to the length of the term of the License Agreement prior to the Triggering Event, plus three years. As an example, if a Triggering Event occurs five years after the date of the License Agreement, and the Company ceases all uses of the Biglari and Biglari Holdings names two years after the Triggering Event, the Royalty Period will equal a total of ten years (the sum of two years after the Triggering Event during which the Biglari and Biglari Holdings names are being used, plus a period of time equal to the five years prior to the Triggering Event, plus three years); or (ii) if the Company, its subsidiaries and affiliates cease all uses of the Biglari and Biglari Holdings names within three

months after a Triggering Event, then the Royalty Period will equal the length of the term of the License Agreement prior to the Triggering Event, plus three years. As an example, if a Triggering Event occurs five years after the date of the License Agreement, and the Company ceases all uses of the Biglari and Biglari Holdings names two months after the Triggering Event, the Royalty Period will equal a total of eight years (the sum of the period of time equal to the five years prior to the Triggering Event, plus three years). Notwithstanding the above methods of determining the Royalty Period, the minimum Royalty Period is five years after a Triggering Event.

Except as set forth above, there are no transactions that would be required to be disclosed pursuant to Item 404(a) of Regulation S-K promulgated under the Exchange Act.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed the consolidated financial statements of the Corporation and its subsidiaries set forth in Item 8 of the Corporation's Annual Report on Form 10-K for the fiscal year ended September 24, 2014 with management of the Corporation and Deloitte & Touche LLP, independent public accountants for the Corporation.

In addition, the Audit Committee has received the written disclosures and the letter from Deloitte & Touche LLP required by the applicable PCAOB requirements for independent accountant communications with audit committees with respect to auditor independence and has discussed with Deloitte & Touche LLP its independence from the Corporation.

Based on the review and discussions with management of the Corporation and Deloitte & Touche LLP referred to above, the Audit Committee recommended to the Board that the Corporation include the consolidated financial statements of the Corporation

and subsidiaries for the fiscal year ended September 24, 2014 in the Corporation's Annual Report on Form 10-K for the fiscal year ended September 24, 2014.

It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and in accordance with generally accepted accounting principles; that is the responsibility of management and the Corporation's independent public accountants. In giving its recommendation to the Board, the Audit Committee has relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and (ii) the reports of the Corporation's independent public accountants with respect to such financial statements.
