The reporting person undertakes to provide upon request by the staff of the Securities and Exchange Commission, full information regarding the number of shares sold at each separate price.

(1) The amount of securities beneficially owned represents the number of shares of common stock indirectly held for the account of the reporting person under The PNC Financial Services Group, Inc. Shares of PNC common stock are not directly allocated to ISP participants, but instead are held in a unitized fund, approximately 98% of which consists of PNC common stock, and the remainder of which is invested in a money market fund. The percentage of assets in the unitized fund investment option that are deemed to be invested in PNC common stock may vary from time to time.
