(1) These transactions are the payout of 7,000 Performance Units. The Performance Units were granted for the 2011-2013 performance period pursuant to the MetLife International Performance Unit Incentive Plan. The award was multiplied by the performance factor for that performance period to arrive at the number of Performance Units payable. Each Performance Unit is settled in cash at the closing price of MetLife, Inc. common stock on the payout date, and is therefore the economic equivalent of one share of that stock.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
