ITEM 1.01 Entry into a Material Definitive Agreement

On April 6, 2009, Signet International Holdings, Inc., (the "Company"), as reported in its 8K filing of that date entered into an Exclusive Licensing Agreement with Kerner Broadcasting Corporation, a Nevada Corporation ("KBC"), for the exclusive rights to KBC's 3-D TV Technology.

On March 8, 2010, one of the principals of KBC confirmed to the Company that at the time it entered into the agreement with the Company, KBC did not own the rights to the above referenced 3D technology and that KBC has since ceased all operations and has been dissolved as a corporation. The Company and its legal counsel are considering all available legal remedies that may be available as a consequence of KBC's conduct relative to this matter.

The Company has begun confidential negotiations with two alternate 3D technology providers in an effort to obtain the required technology for the continued development of its 3D TV Network.
