

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On April 15, 2010, T. Donaldson, President of Signet International Holdings, Inc. announced the company's appointment of Arnold J. Cestari, Jr. Esq. as its Chief Operating Officer. Mr. Cestari, a practicing Massachusetts attorney, brings the negotiating and organizational skills required by Signet to complete its acquisition of the technology necessary to the evolution of its subsidiary, AMG-TV, into one of the first 3D television networks.

"Under the leadership of its President, Terry Elaqua, AMG TV has shown impressive growth in these difficult economic times and we believe it will continue its growth due to the strength of its regularly scheduled programming. While that continues, Mr. Cestari and his staff will be securing the technological components necessary to launch a separate new 3-D TV network under the banner of the AMG TV Network," said Donaldson.

Some of the information contained in this filing contains "forward-looking statements". In many cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential," or "continue," or the negative of such terms and other comparable terminology. These statements are only predictions. Actual events or results may differ materially as a result of risks facing Signet International Holdings, Inc., or actual results differing from the assumptions underlying such statements.
