GWG HOLDINGS, INC.

This prospectus supplement no. 6 filed under Rule 424(b)(3) restates in its entirety and supersedes our prospectus dated April 12, 2016 and all earlier prospectus supplements to that prospectus. You should read this prospectus supplement in its entirety since the information contained herein supplements, amends and restates the information contained in the prospectus. Among other things, this prospectus supplement updates the disclosure in the prospectus based upon the contents of our Annual Report on Form 10-K for the year ended December 31, 2016 (filed with the Commission on March 15, 2017), and the contents of certain other filings made by us under the Securities Exchange Act of 1934.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS SUPPLEMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

GWG HOLDINGS, INC.

1,000,000 Units of L Bonds
(\$1,000,000,000)

GWG Holdings, Inc., through its subsidiaries, invests in life insurance assets in the secondary marketplace. Our objective is to earn returns from our investments in life insurance assets that are greater than the costs necessary to purchase, finance and service those policies to their maturity.

We are offering up to 1,000,000 Units of L Bonds (the “L Bonds”) at \$1,000 principal amount per whole Unit, representing \$1,000,000,000 in aggregate principal amount of L Bonds. This is a continuous offering and there is no minimum amount of L Bonds that must be sold before we can use any of the proceeds. The proceeds from the sale of the L Bonds will be paid directly to us following each sale and will not be placed in an escrow account. We will use the net proceeds from the offering of the L Bonds primarily to purchase and finance additional life insurance assets, and to service and retire other outstanding debt obligations. The minimum investment in L Bonds is 25 Units, or \$25,000. Investments in excess of such minimum amount may be made in any number of whole or fractional Units. The L Bonds will be sold with varying maturity terms, interest rates and frequency of interest payments, all as set forth in this prospectus and in supplements we publish from time to time. Depending on our capital needs and the amount of your investment, L Bonds with certain terms may not always be available. Although we will periodically establish and change interest rates on unsold L Bonds offered pursuant to this prospectus, once an L Bond is sold, its interest rate will not change during its term (subject, however, to the extension and renewal provisions contained in such L Bond). Upon maturity, subject to the terms and conditions described in this prospectus, the L Bonds will be automatically renewed for the same (or lesser) term at the interest rate we are offering at that time to other investors with similar aggregate L Bond portfolios for L Bonds of the same maturity, unless redeemed upon maturity at our or your election.

The L Bonds are secured by the assets of GWG Holdings, Inc. and a pledge of all of the common stock by our largest stockholders. Importantly, GWG Holdings’ most significant assets are cash and its investment in subsidiaries. Obligations under the L Bonds are secured by substantially all the assets of GWG Holdings, a pledge of all our common stock held individually by our largest stockholders, and by a guarantee and corresponding grant of a security interest in substantially all the assets of GWG Life. As a guarantor, GWG Life has fully and unconditionally guaranteed the payment of principal and interest on the L Bonds. Substantially all of our life insurance policies are held by GWG DLP Funding III, LLC (DLP III), GWG DLP Funding IV, LLC (DLP IV) and GWG Life Trust (the Trust), which are subsidiaries of GWG Life. The policies held by DLP III, DLP IV and the Trust are not collateral for the L Bond obligations but serve instead as collateral for our senior credit facilities. These facts present the risk to investors that the collateral security we and our subsidiary have granted for our obligations under the L Bonds may be insufficient to repay the L Bonds upon an event of default. The security offered for the L Bonds will provide rights as to collateral that are pari passu with the holders of certain other secured debt previously issued by GWG Life and GWG Holdings. This generally means that claims for payment and entitlement to security among the holders of L Bonds and such other secured debt previously issued by GWG Life and GWG Holdings will be treated equally and without preference.

We may call and redeem the entire outstanding principal and accrued but unpaid interest of any or all of the L Bonds at any time without penalty or premium. L Bond holders will have no right to put (that is, require us to redeem) any L Bond prior to the due date unless in the case of death, bankruptcy or total disability. In the event we agree to redeem L Bond upon the request of an L Bond holder — other than after death, bankruptcy or total disability of such holder — we may impose a redemption fee of 6% against the outstanding principal balance of the redeemed L Bond. This redemption fee will be subtracted from the amount paid.

We do not intend to list our L Bonds on any securities exchange during the offering period, and we do not expect a secondary market in the L Bonds to develop. As a result, you should not expect to be able to resell your L Bonds regardless of how we perform. Accordingly, an investment in our L Bonds is not suitable for investors that require liquidity in advance of their L Bond's maturity date.

We maintain senior borrowing arrangements that subordinate the right to payment on, and shared collateral securing, the L Bonds to our senior secured lenders. From time to time we may add or replace senior lenders and the particular arrangements under which we borrow from them. In addition, these borrowing arrangements with senior lenders restrict, and are expected to continue to restrict, our cash flows and, subject to certain exceptions, distributions from our operating subsidiaries. These provisions will restrict cash flows available for payment of principal and interest on the L Bonds.

We are an “emerging growth company” under applicable law and are subject to reduced public company reporting requirements. Please read the disclosures on page 18 of this prospectus for more information. Investing in our L Bonds may be considered speculative and involves a high degree of risk, including the risk of losing your entire investment. See “Risk Factors” beginning on page 18 to read about the risks you should consider before buying our L Bonds. You should carefully consider the risk factors set forth in this prospectus. The L Bonds are only suitable for persons with substantial financial resources and with no need for liquidity in this investment.

Please read this prospectus before investing and keep it for future reference. We file annual, quarterly and current reports with the SEC. This information will be available free of charge by contacting us at 220 South Sixth Street, Suite 1200, Minneapolis, Minnesota 55402 or by phone at (612) 746-1944 or on our website at www.gwgh.com. The L Bonds will be offered and sold on a best-efforts basis by Emerson Equity LLC, a registered broker-dealer and member of the Financial Industry Regulatory Authority (“FINRA”). Emerson Equity will be our placement agent for the L Bonds in this offering for purposes of the Securities Act of 1933. Emerson Equity may retain other dealers to act as an agent on its behalf in the course of offering and selling L Bonds in this offering. We will pay Emerson Equity a selling commission ranging from 0.75% to 6.00% of the principal amount of L Bonds sold, depending on the L Bonds’ maturity date. We will also pay Emerson Equity additional compensation consisting of a dealer-manager fee, a wholesaling fee (payable only to wholesaling dealers), and an accountable expense allowance. Emerson Equity will share its commissions and accountable expense allowance with other dealers who may participate in the offering. We have also agreed to reimburse Emerson Equity for certain pre-offering expenses that we anticipate will aggregate to no more than \$30,000. The total amount of the selling commissions and additional compensation (including reimbursements, non-transaction-based and non-cash selling compensation) paid to Emerson Equity and any other FINRA member in the course of offering and selling L Bonds will not exceed 8.00% of the aggregate L Bonds. See “Plan of Distribution” and “Use of Proceeds” for further information.

	Units	Price to Investor	Aggregate Commissions, Fees, and Expense Allowances(1)(2)	Net Proceeds to Company
Minimum Investment	25	\$ 25,000	\$ 1,812	\$ 23,188 (3)
Offering	1,000,000	\$ 1,000,000,000	\$ 80,000,000	\$ 920,000,000 (4)

(1) Assumes an average sales commission of 5.00%, average dealer-manager fee of 0.50%, average wholesaling fees of 1.30%, and average accountable expense allowance of 1.20%. As explained above, actual commissions will vary based on the term of the L Bonds sold. Nevertheless, the total amount of selling commissions and additional compensation (consisting of dealer-manager fees, wholesaling fees and accountable expense allowance, together with non-transaction-based and non-cash selling compensation, if any) paid to the placement agent will not exceed 8.00% of the aggregate gross offering proceeds we receive from the sale of the L Bonds sold. Accordingly, and assuming our sale of all \$1,000,000,000 in principal amount of bonds offered hereby, the maximum amount of selling commissions we can pay is 6.00% of the gross offering proceeds we receive from the sale of the L Bonds (or \$60,000,000), the maximum dealer-manager fee we can pay is 0.50% of the gross offering proceeds we receive from the sale of the L Bonds (or \$5,000,000), and the maximum amount of aggregated accountable expenses, wholesaling fees, non-transaction-based and non-cash selling compensation we can pay will not exceed 2.50% of the aggregate gross offering proceeds we receive from the sale of the L Bonds. If all L Bonds sold have seven-year maturities resulting in sales commissions of 6.00%, then the maximum amounts of aggregate accountable expenses, wholesaling fees, non-transaction-based and non-cash selling compensation will not exceed 1.5%.

(2) Emerson Equity has agreed to offer the L Bonds on a “best efforts” basis.

(3) Net Proceeds to Company based on the Minimum Investment are calculated after deducting (i) selling commissions and (ii) additional compensation (consisting of a dealer-manager fee, wholesaling fee, an accountable expense allowance and non-transaction-based and non-cash selling compensation). We expect that our own offering expenses, consisting of legal, accounting, printing, mailing, registration, qualification and associated securities offering filing costs and expenses, will through the course of the offering aggregate to approximately \$1,500,500, but for purposes of illustrating the Net Proceeds to Company based on the Minimum Investment, those offering expenses of \$1,500,500 are not reflected.

(4) Net Proceeds to Company based on the offering of 1,000,000 L Bond Units (representing \$1,000,000,000 in aggregate principal amount) are calculated as described in fn. 3 above, but also before deducting our own expected offering expenses of \$1,500,500.

Edgar Filing: GWG Holdings, Inc. - Form 424B3

L Bonds will be sold as “Units,” with each whole Unit representing \$1,000 in principal amount of L Bonds. Throughout this prospectus, we refer to L Bond Units simply as “L Bonds.” We will issue the L Bond Units in book-entry form, certificated form, or in the form of a global certificate deposited with a depository. Depending on the manner in which you purchase L Bonds, you may not receive a physical certificate representing your L Bonds. In all cases, however, we will deliver written confirmation to purchasers of L Bonds. Bank of Utah will act as trustee for the L Bonds.

The current interest rates for the L Bonds based on the applicable maturity thereof is set forth in the table below.

Maturity Term	Interest Rate (%)
2 years	5.50
3 years	6.25
5 years	7.50
7 years	8.50

We may change the interest rates applicable to unsold L Bonds from time to time during this offering, in which case the applicable interest rates will be set forth in an interest rate supplement to this prospectus. Once an L Bond is sold, the interest rate will not change during its term (subject, however, to the extension and renewal provisions contained in such L Bond).

The information contained in this prospectus is complete and accurate only as of the date of this prospectus, regardless of the time of delivery of this prospectus or sale of our securities. The L Bonds will be issued under an indenture, as amended or supplemented from time to time (referred to herein collectively as the “indenture”). This prospectus is qualified in its entirety by the terms of that indenture filed with SEC as an exhibit to the registration statement of which this prospectus is a part. All material terms of the indenture are summarized in this prospectus. You may obtain a copy of the indenture upon written request to us or online at www.sec.gov.

The indenture trustee did not participate in the preparation of this prospectus and makes no representations concerning the L Bonds, the collateral, or any other matter stated in this prospectus. The indenture trustee has no duty or obligation to pay the L Bonds from their funds, assets or capital or to make inquiry regarding, or investigate the use of, amounts disbursed from any account.

INDUSTRY AND MARKET DATA

The industry and market data used throughout this prospectus have been obtained from our own research, surveys or studies conducted by third parties and industry or general publications. Industry publications and surveys generally state that they have obtained information from sources believed to be reliable, but do not guarantee the accuracy and completeness of such information. We believe that each of these studies and publications is reliable.

HOW TO PURCHASE L BONDS

If, after carefully reading this entire prospectus, obtaining any other information requested and available, and being fully satisfied with the results of pre-investment due-diligence activities, you would like to purchase L Bonds, you will have two different ways in which to consummate a purchase: (1) DTC settlement, and (2) direct settlement with the Company.

1. **Depository Trust Company Settlement (DTC settlement).** If your broker-dealer is a participant in the DTC system and makes DTC settlement available to you, then you can place an order for the purchase of L Bonds through your broker-dealer. A broker-dealer using this service will have an account with DTC in which your funds will be placed to facilitate the monthly closing cycle. Orders will be executed by your broker-dealer electronically and you must coordinate with your broker-dealer's registered representative to pay the full purchase price for the L Bonds by the final settlement date. Orders may be placed at any time, and the final settlement date will be the date on which your subscription agreement is accepted. You will be credited with ownership of an L Bond on the first business day following the month in which the subscription is made. However, interest will begin to accrue from the final settlement date. Your purchase price for L Bonds purchased in this way will not be held in escrow.

2. **Direct Settlement with the Company.** If you wish to purchase L Bonds through direct settlement with the Company, then you must complete, execute and return the Subscription Agreement to us together with a certified check or personal check payable to the order of "GWG Holdings, Inc. — Subscription Account" (or wire sent to the Subscription Account) equal to the principal amount of L Bonds you wish to purchase. If you are working with a broker-dealer, your subscription materials and the certified check or personal check should be delivered to your broker-dealer, who will deliver it to us at the following address:

GWG Holdings, Inc.
220 South Sixth Street, Suite 1200
Minneapolis, MN 55402

Your purchase is subject to our acceptance. All information provided is confidential and will be disclosed only to our directors, officers and employees who need to know, affiliates, managing broker-dealer, legal counsel and, if required, to governmental authorities and self-regulatory organizations or as otherwise required by law. Upon our receipt of the signed Subscription Agreement and acceptance of your purchase, we will notify you of such acceptance. We may, in our sole discretion, accept or reject any purchase, in whole or in part. In the event we do not accept your purchase of L Bonds for any reason, we will promptly return your payment. COVERED SECURITY

Our L Bonds are a “covered security.” The term “covered security” applies to securities exempt from state registration pursuant to Section 18 of the Securities Act of 1933. Generally, securities listed on national exchanges are the most common type of covered security exempt from state registration. A non-traded security also can be a covered security if it has a seniority greater than or equal to other securities from the same issuer that are listed on a national exchange. Our L Bonds are a covered security because they will be senior to our common stock, which is listed on The Nasdaq Capital Market, and therefore our offering of L Bonds is exempt from state registration.

Although the status of our L Bonds as a “covered security” will facilitate their purchase and sale to a broader range of investors than would otherwise be available to us, and although the offer and sale of a “covered security” generally involves fewer issuance costs to the issuer of such securities, our L Bonds are not a suitable purchase for all investors. Investors are urged to read carefully the risk factors relating to our business and our Company contained in the Risk Factors section of this prospectus beginning on page 18. In addition, investors should understand that because our L Bonds are a “covered security” exempt from state securities regulations, neither our Company, the L Bonds, or any other aspects of this offering have been the subject of any merit-based review by state securities regulators.

QUESTIONS AND ANSWERS ABOUT THIS OFFERING

The following questions and answers about this offering highlight material information regarding us and this offering that you may wish to review. Nevertheless, you should read this entire prospectus, including the section entitled “Risk Factors,” before deciding to purchase our L Bonds.

Can you explain and clarify the interplay between GWG Holdings, Inc. and GWG Life, LLC and its subsidiaries in relation to the L Bonds and the registration statement?

GWG Holdings, Inc. will be issuing the L Bonds, receiving all proceeds from the sale of L Bonds, and will be the only entity making regular payments on the L Bonds. Nevertheless, because a significant amount of the consolidated assets of the Company are held in GWG Life, LLC and its direct subsidiaries, GWG Life is a guarantor of the Company’s obligations under the L Bonds. As guarantor of the L Bonds, SEC rules require that GWG Life be included as a co-registrant under this registration statement. GWG Life will not, however, be otherwise involved in the offering of L Bonds.

It seems as though you are offering several bonds with different interest rates and maturities but calling them all L Bonds. Is this the case?

All bonds we issue in this offering will have identical terms, excepting the interest rate and the maturity length. In this regard, we have essentially created multiple classes of L Bonds, similar to how companies may have different classes of stocks with slightly different economic rights. Currently, we are offering four classes of L Bonds, as follows:

- “Class 2-2” L Bonds will mature two years from their issuance and accrue interest at 5.50% per annum.
- “Class 3-2” L Bonds will mature three years from their issuance and accrue interest at 6.25% per annum.
- “Class 5-2” L Bonds will mature five years from their issuance and accrue interest at 7.50% per annum.
- “Class 7-2” L Bonds will mature seven years from their issuance and accrue interest at 8.50% per annum.

The economic terms for each L Bond in any particular class will be identical to all other L Bonds in the same class (other than the date of maturity). In the event we adjust the interest rate for any class of bonds we offer, we will create a new class of L Bonds. Upon the renewal of any L Bonds we have sold, any new interest rate applied to an L Bond

will be applied to all L Bonds in the same class.

Your prospectus states that the interest rate for the L Bonds may be adjusted from time to time during the course of the offering. Will any such adjustment apply retroactively to L Bonds already issued?

No. Once you purchase an L Bond, the interest rate on that L Bond will not change during the entirety of its original term. The interest rate on an issued L Bond may, however, be adjusted upon renewal of that L Bond. In any such case, we will advise you of any different interest rate that may apply to your L Bond upon renewal. In sum, any new interest rates

3

for the L Bonds will apply only to newly issued L Bonds sold or renewed after the date of any interest rate change. Our decision to change interest rates depends on numerous factors, including but not limited to things such as market interest rates, our capitalization, demand for our L Bonds, the life settlement market in general, our capital requirements, and many other factors. We have not changed interest rates since January 2014, which was the only time we have changed the interest rates on our publicly offered L Bonds. Please see “Description of the L Bonds — Interest Rate.”

How do I subscribe for L Bonds, and what is the settlement process?

L Bonds may be purchased either directly from the Company or through a DTC participant once DTC settlement is permitted.

If you purchase directly from the Company, you will send your completed and executed Subscription Agreement, together with your subscription amount to us at the address listed in “How to Purchase L Bonds.” Your subscription amount is principal amount of L Bonds you wish to purchase, and should be paid through a certified check or personal check payable to the order of “GWG Holdings, Inc. — Subscription Account.” In lieu of paying by check, you may wire your subscription amount to the account referenced in “How to Purchase L Bonds.” If you are working with a broker-dealer or other investment professional, your broker-dealer or professional will gather and send in the required information on your behalf, and may facilitate your payment of the subscription amount. Once we have received your subscription amount and required documentation, we will either reject or accept your subscription. Once accepted, we will have immediate access to your subscription amount and you will start to accrue interest on your investment at the rate applicable to the L Bond you have purchased. Nevertheless, we will formally issue your L Bond on the first day of the month following the month in which your subscription is accepted. This means that if your subscription is accepted July 3, 2015, then your L Bond will be issued August 1, 2015. As indicated above, interest will nonetheless accrue on your L Bond from July 3, 2015 to July 31, 2015, and will be paid on August 15, 2015. If you purchase directly from the Company, your L Bond will ordinarily be issued in book-entry (or certificated) form and payments will be made directly into the account you indicate in your Subscription Agreement.

Purchasing through a DTC participant is a slightly different process. In this case, you will provide your order for the purchase of L Bonds to your broker-dealer, together with such other information as your broker-dealer may require. Your broker-dealer will ensure your order is electronically placed with the Company and that the Company timely receives your subscription amount. There is no need to furnish the Company with a Subscription Agreement when you purchase through a DTC participant. Once we have received your subscription amount, we will either reject or accept your subscription. Once accepted, we will have immediate access to your subscription amount and you will start to accrue interest on your investment at the rate applicable to the L Bond you have purchased. Nevertheless, we will formally issue your L Bond on the first day of the month following the month in which your subscription is accepted. This means that if your subscription is accepted July 3, 2015, then your L Bond will be issued August 1, 2015. As indicated above, interest will nonetheless accrue on your L Bond from July 3, 2015 to July 31, 2015, and will be paid on August 15, 2015. If you purchase through a DTC participant, your L Bond will be issued to DTC in the name of Cede & Co, as its nominee. In this sense, DTC will be the legal owner of the L Bond and you will be the beneficial owner. Your ownership of the L Bond should then appear on the brokerage or other investment statements you receive from your broker-dealer. Settling through a DTC participant will only be permitted if and when approved by DTC (The Depository Trust Company).

If and when DTC settlement is approved, we intend to issue each class of L Bonds a unique identifying number (CUSIP) each month to facilitate the settlement of L Bonds. Thus, Class 1-1 L Bonds issued in August 2015 (and maturing August 2016) will all have the same CUSIP, which will be different from the CUSIP applicable to Class 1-1 L Bonds issued in September 2015 (and maturing September 2016). In this way, all L Bonds belonging to a single CUSIP will be completely fungible, meaning that they will all mature on the same date and have identical terms so that one L Bond with a particular CUSIP is interchangeable with any other L Bond having the same CUSIP. This process helps us track L Bond issuances and creates a tracking system for the L Bonds to be issued to and transferred

through DTC.

What is the role of the trustee?

The Bank of Utah is the trustee for the L Bonds. The role of the trustee is essentially to enforce the terms of the L Bonds on behalf of bondholders, including direct and beneficial holders, and facilitate the relationship between our Company and the bondholders. We must notify the trustee of certain events as required under the indenture, and the trustee will in turn notify bondholders. The trustee has also been granted a security interest in all of the assets

4

of GWG Holdings and GWG Life for the benefit of the bondholders. The trustee has no duty to pay any obligations under L Bonds or to make inquiry regarding, or investigate the use of, amounts disbursed from any account. Upon an event of default under the indenture, and subject to those limitations in the indenture designed to benefit our senior creditors, the trustee may take action against us to enforce the rights of holders of the L Bonds.

What is the role of the paying agent?

The paying agent is the term ascribed to whomever it is that is making the payment to the holders of L Bonds. Presently, the Company itself is the paying agent and therefore responsible for tracking investors' respective payment dates and ensuring timely payment of principal and interest under the L Bonds. Under the indenture, we may designate a third party, such as a transfer agent registered with the SEC, or a banking institution, to serve as paying agent. The role of the paying agent is essentially mechanical, and does not ordinarily involve the exercise of discretion and judgment in the way that is typical for an indenture trustee.

Do I need to sign any paperwork in connection with renewal of my L Bond?

No. The terms of the L Bond allow for the automatic renewal into a new L Bond of an identical maturity, unless we receive notice from you. If we renew your L Bond, then we will notify you of our decision at least 30 days prior to the maturity date of your L Bond. After receiving such notice, you may yourself elect to be repaid. If you do not elect repayment at least 15 days prior to the maturity date of your L Bond, then your L Bond will be renewed. To effect a renewal, you are not required to sign or submit any new paperwork to us or your broker-dealer. Your L Bond will automatically renew in accordance with the terms of the indenture. Please see "Prospectus Summary — Renewal or Redemption at Maturity" and "Description of the L Bonds — Renewal or Redemption at Maturity."

Can I resell or transfer my L Bond after it has been purchased?

Yes. Since these L Bonds are being offered and sold pursuant to an effective registration statement, the L Bonds may be transferred so long as such transfer is documented in the form approved by us. We do not, however, expect a public trading market to develop for the L Bonds in the foreseeable future, if ever. If you wish to transfer your L Bond held in book-entry (or certificated) form, you should contact us. If you wish to transfer your L Bond held through DTC, you should contact your broker-dealer.

Will I be able to sell my L Bonds in the secondary market?

We do not intend to list the L Bonds on an exchange and do not expect a public trading market to develop for them in the foreseeable future. Because of the lack of a trading market for L Bonds, it is unlikely that holders will be able to sell their L Bonds easily. If you require liquidity from your L Bond investment, you should contact us about the possibility of an early redemption.

How will I receive interest and principal payments on my L Bonds?

This will depend on how you purchased your L Bond. If you purchased your L Bond directly from us, we will directly deposit our payments of interest and principal into the account indicated in your Subscription Agreement. If you purchased through DTC, all payments of principal and interest will be made to DTC, who will forward such payment to participating broker-dealers. Your participating broker-dealer will then forward such funds to you by crediting those funds to your account held with that broker-dealer. In this case, all accountings of what you have contributed and what you are owed will be the responsibility of your participating broker-dealer.

How does a "best efforts" offering work?

When securities, including the L Bonds, are offered to the public on a “best efforts” basis, the broker-dealers participating in the offering are only required to use their best efforts to sell the securities. These broker-dealers do not themselves have any obligation to purchase any of the L Bonds.

What is GWG Holdings, Inc.?

We are a specialty finance company and a leading purchaser of life insurance policies in the secondary market. We are a holding company, meaning that we hold interests in subsidiaries and the subsidiaries generate income through operations. Through our subsidiary GWG Life, we purchase and finance life insurance policies at a discount to the face value of the policy benefit. In addition, through our subsidiary GWG MCA Capital, we participate in the merchant cash advance business.

While our primary wholly owned operating subsidiary began operations in March 2006, we were formed and organized in Delaware in 2008. In September 2014, we consummated an initial public offering of our common stock. In connection with this offering, we started listing our common stock on The NASDAQ Capital Market under the ticker symbol "GWGH." We are based in Minneapolis, Minnesota.

Do you currently own any assets?

Our assets consist primarily of cash and equity interests in our subsidiaries. Nearly all of our life insurance assets are held through our subsidiaries. As of December 31, 2016, our consolidated assets totaled \$643.2 million, of which approximately \$78.5 million was cash and equivalents and approximately \$511.2 million was the fair value of our life insurance assets. Those life insurance assets had an aggregate face value of policy benefits approximating \$1.36 billion.

What is your business strategy?

Our business strategy is to purchase a large and well-diversified portfolio of life insurance policy assets at discounts to their face value of the policy benefits sufficient enough to generate profitable returns. In addition, we seek to bring the value of the secondary market for life insurance to a broader senior consumer market. In order to meet our goals, we have spent and intend to continue to spend significant resources: (i) developing a robust operational platform and systems for originating and purchasing life insurance policies; (ii) obtaining requisite licensure to participate in the life insurance secondary market; (iii) developing financing resources, strategies, and capabilities for servicing a large portfolio of life insurance policies; (iv) recruiting and developing a professional management team; and (v) establishing strategic relationships for delivering its services. We are currently focused on investments in universal life insurance policies.

Operationally, we generally transact directly with the policy owner who originally purchased the life insurance in the primary market through a network of life insurance agents, life insurance brokers, and licensed providers who assist policy owners in accessing the secondary market. We have been expanding our origination practice by marketing to consumers through various marketing initiatives.
