Item 1.01. Entry into a Material Definitive Agreement

In October 16, 2012, Yi Gao Shanghai Advertising Limited ("Yi Gao"), a wholly owned subsidiary of Network CN Inc. (the "Company"), entered into a co-operation agreement with Lek Pak Company Limited ("Lek Pak"). The agreement grants Yi Gao the exclusive right to operate the 276 square meter advertising area located on the first floor of the Union Building at the entrance of Zhuhai sub-zone of Zhuhai-Macau Cross Border Industrial Zone (the "Area") for a period of a 34-month ending July 31, 2015. The Company agreed to pay to Lek Pak a fixed annual fee of RMB3,974,400 (approximately US\$624,000) together with a variable fee of 80% of after-tax revenue, net of the fixed annual fee.

On same date, Yi Gao entered an agreement with Windcom Advertising and Trading ("Windcom"), pursuant to which Yi Gao agreed Windcom to operate the Area for the same 34 month period ending July 31, 2015. Windcom agreed to pay to Yi Gao an amount equal to the fixed fee Yi Gao owes under the Lek Pak agreement, or RMB3,974,400, together with a variable fee at 90% of after-tax revenue, net of the fixed annual fee. The Company anticipates that it will begin to generate advertising revenues immediately.

The Company is actively exploring new media projects such as the Lek Pak and Windcom agreements in order to provide a wider range of media and advertising services, rather than focusing primarily on LED media. The Company has identified several such potential projects which it intends to aggressively pursue in the coming year.

The agreements are subject to the laws of the People's Republic of China and the ability of Yi Gao and Windcom to publish advertisements is subject to applicable rules and regulations in China regarding advertising generally, and public out-of-home advertisements in particular.
