Gentlemen,

Ref.: Special Stockholders Meeting of the Banco Bradesco S.A. - 9.12.2004 16h

In compliance with the Bolsa de Valores de São Paulo - BOVESPA's recommendation, in correspondence GAE-1836/04, dated December 6, 2004, we inform that a proposal to change the reference date to a new date, which will entitle stockholders to the stocks resulting from the splitting and to the subscription of new stocks through a capital increase, will be submitted to the examination of the Meeting previously mentioned. The Company will announce this to the market after the approval of stock splitting process by the Central Bank of Brazil, allowing the adjustment of stocks price to occur concurrently with the issuance and release of stocks deriving from the referred splitting.

Cordially,

Banco Bradesco S.A.
José Luiz Acar Pedro
Executive Vice President and
Investor Relations Director

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
