### Board of Directors

To call for a Special Stockholders Meeting, to be held on November 11th, 2005, at 4:00 p.m., at the Company's head office, Cidade de Deus, Vila Yara, Osasco, São Paulo, in the Salão Nobre, on the 5th floor of Prédio Novo, in which the Board of Directors will present the proposals to:

Increase the capital stock in the amount of R\$3,000,000,000.00, from R\$10,000,000,000.00 to R\$13,000,000,000.00, by using a portion of the balance in the Profit Reserve - Statutory Reserve account, attributing to the Company's stockholders, on a free basis, as bonus stock held, 1 (one) new stock, of the same type, for each stock possessed. The bonus stock held on a date to be announced to the market by the Company, after the process is approved by the Central Bank of Brazil.

Simultaneously to the operation in the Brazilian Market, and in the same proportion, the bonus stock will benefit the DRs holders - Depositary Receipts in the U.S. (NYSE) and European (Latibex) Markets, as investors will receive one (1) new DR for each DR held, which will continue to be traded at the ratio of one (1) preferred stock for one (1) DR, in the respective markets.

The operation aims at providing an improved liquidity to the shares, with the subsequent adjustment to the quote value on the market to a more attractive level for trading, not implying an increase in the distribution of monthly dividends and/or interest on own capital.

Thus, the monthly interest on own capital to be declared after including the bonus stock in stockholders' positions, will have its value adjusted, from R\$0.057000 to R\$0.028500 per common stock and from R\$0.062700 to R\$0.031350 per preferred stock, so that the stockholders will continue receiving equal amount of Interests.

Current stocks issued by the Company will continue to be traded, entitled to bonus stock, and new stocks will be made available for trading after the approval of respective process by the Central Bank of Brazil and included in the stockholders' position, which will be purpose of announcement to the market.

The unit price to be attributed to the bonus stock, pursuant to the provisions in the Paragraph 1st of Article 25 of the Normative Ruling of the Brazilian Internal Revenue Service 25, as of 3.6.2001, will be informed on the date of the Meeting.

Dividends - Stocks resulting from the bonus stock will be entitled to monthly dividends and/or interest on own capital, and possibly complementary dividends and/or interests to be declared from the date the new stocks are included in the stockholders' position. They also will be fully entitled to possible attributed advantages to other stocks from the referred date.
