**Brasil Telecom clarifies CVM's inquiries**

In compliance with the Brazilian Securities and Exchange Commission's (CVM - Comissão de Valores Mobiliários) letter CVM/SEP/GEA-2/No. 149-07, submitted on April 30, 2007, regarding news published on this date by the Valor Econômico newspaper (page A-2), under the title "Telefonica redefines the game in Brazil as it acquired a stake in Telecom Italia", Brasil Telecom Participações S.A. (the Company) clarifies that it does not have any participation in possible negotiations involving the transfer of shares of companies that belong to its corporate shareholder structure by its controlling shareholders. Furthermore, the Company restates that it has not established any understanding, even preliminary, about merger, acquisition or sale, regarding Telemar or any companies related to it.

The Company notifies, yet, that Brasil Telecom's control block companies in its corporate shareholder structure (Solpart Participações S.A., Techold Participações S.A., Invitel S.A. and Zain Participações S.A.) have not disclosed any information regarding the abovementioned clarified matter.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
