Cidade de Deus, Osasco, SP, March 24<sup>th</sup>, 2008

Securities and Exchange Commission  
Office of International Corporate Finance  
Division of Corporate Finance  
Washington, DC

Dear Sirs,

Banco Bradesco S.A. announces to its stockholders, clients and the market in general that all matters examined in the Special Stockholders Meeting, held on this date, at 4:30 p.m., were approved as follows:

1. ratification of the Capital Stock increase resolved on the 210<sup>th</sup> Special Stockholders Meeting, held on January 4, 2008, in the amount of R\$1,200,000,000.00, increasing it from R\$19,000,000,000.00 to R\$20,200,000,000.00, by means of the subscription of 27,906,977 new non par registered book-entry stocks, of which 13,953,489 are common stocks and 13,953,488 are preferred stocks, and these shall be included in the stockholders position after the Brazilian Central Bank ratified the respective process;

2. increase of the capital stock in the amount of R\$2,800,000,000.00, increasing it from R\$20,200,000,000.00 to R\$23,000,000,000.00, by means of:

- capitalization of part of the balance of the Profit Reserve - Statutory Reserve account;

- 50% bonus stock, attributing to the Company's stockholders, free of charge, as stock bonus, 1 (one) new stock for each 2 (two) stocks held of the same type, including the stocks subscribed in the capital stock increase aforementioned in Item 1.

1,023,288,867 non-par registered book-entry stocks will be issued, of which 511,644,460 are common stocks and 511,644,407 are preferred stocks.

Concomitantly to the Brazilian Market operation, and in the same proportion, the stock bonus shall benefit DRs (Depository Receipts) holders in the U.S. (NYSE) and European (Latibex) Markets, and investors shall receive 1 (one) new DR for each 2 (two) DRs held, which shall continue to be traded at the ratio of 1 (one) preferred stock for 1 (one) DR, in the respective markets.

Stocks currently issued by the Company shall continue to be traded, entitled to bonus stock, until the Company announces to the Market the record date of such right, which shall occur after the Brazilian Central Bank approves the process.

---

The stocks resulting from the stock bonus shall not imply the increase in the distribution of monthly dividends and/or interest on own capital, since these only aim at improving their liquidity. Thus, the monthly dividends, to be declared after including the bonus stocks in the stockholders' position shall be adjusted from R\$0.018026250 to R\$0.01201750 per common stock, and from R\$0.019828875 to R\$0.013219250 per preferred stock, so that the stockholders will continue to receive equal amount of Dividends.

The unitary cost attributed to the bonus stocks is R\$2.736275251 pursuant to the provisions in Paragraph 1 of Article 25 of the Brazilian Internal Revenue Service Regulatory Instruction #25, as of 3.6.2001.

**Subscribed Bonus Stocks Rights** These are entitled to Monthly and possibly Complementary Dividends and/or Interest on Own Capital to be declared as of the date of the approval of the respective processes by the Brazilian Central Bank, as well as, fully, to possible advantages attributed to other stocks as of the aforementioned date.

3. amendment of the caput of Article 6 of the Company's Bylaws, as a result of the previous item.

These deliberations shall be effective after the necessary approval of the process by the Brazilian Central Bank.

Cordially,

Banco Bradesco S.A.  
*Milton Almicar Silva Vargas*  
*Executive Vice President and*  
*Investor Relations Officer*

./.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
