Fire in the DHT Unit in the Pasadena Refinery

Rio de Janeiro, March 7, 2016 – Petróleo Brasileiro S.A. – Petrobras hereby announces that, on March 5, 2016, a fire broke out in the Diesel Hydrotreating (DHT) Unit of Pasadena Refinery System Inc. (PRSI), in the United States.

The mutual cooperation plan between the PRSI and the local authorities was put into effect and the flames were brought under control. The quality of the air around the refinery was monitored and no outside impacts were identified.

During the fire, the navigation channel in the region of the PRSI was blocked as a preventive measure, but was reopened a few hours later.

The refinery continues to operate with the due operational authorizations and with an insurance coverage for the accident.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company’s expected business and financial performance, among other matters, contain words such as “believe,” “expect,” “estimate,” “anticipate,” “optimistic,” “intend,” “plan,” “aim,” “will,” “may,” “would,” “likely,” and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company’s actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the “Lava Jato Operation”; (iii) the effectiveness of the Company’s risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company’s Annual Report on Form 20-F for the year ended December 31, 2014, and the Company’s other filings with the U.S. Securities and Exchange Commission.
