**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 28, 2008, the Compensation Committee of the Board of Directors of Allied World Assurance Company Holdings, Ltd (the "Company") approved an amendment to the Supplemental Executive Retirement Plan (the "SERP") of Allied World Assurance Company (U.S.) Inc., a subsidiary of the Company, effective as of April 1, 2008. All of our current named executive officers participate in the SERP. The purpose of the SERP is to provide specified benefits to a group of senior management of the Company's operating subsidiaries who pay U.S. income tax and who contribute materially to the continued growth, development and future business success of the Company's operating subsidiaries (the "participating employers"). The SERP is intended to comply with Section 409A ("Section 409A") of the Internal Revenue Code of 1986 (the "Code") and shall be interpreted and administered, as necessary, to comply with such provisions. The trust under the SERP is a grantor trust for the benefit of participants in the SERP and remains subject to the claims of creditors.

Prior to the amendment of the SERP, a participating employer made a contribution equal to 10% of a participant's annual base salary, subject to a cap based on the maximum amount of annual compensation which could be taken into account under a qualified plan under the Code, as established by the Internal Revenue Service from time to time (the "IRS Compensation Limit"). For 2007, the annual base salary cap was \$200,000.

Under the amended SERP, a participating employer will contribute up to 10% of a participant's annual base salary in excess of the then-effective IRS Compensation Limit, with an annual base salary cap of \$600,000. Starting in 2008, this means that a participating employer will start making contributions under the SERP to a participant only after such participant has earned annual base salary in excess of the IRS Compensation Limit (\$230,000 in 2008) and will stop making such contributions once a participant has earned \$600,000. All employees who will no longer participate in the SERP, or who will be eligible to participate to a lesser extent, as a result of the annual base salary modification described herein, will be eligible to receive one-time additional benefits in 2008 to compensate for the loss of such SERP benefit. Other than the amendment described herein, there were no additional changes made to the SERP.
