Item 5.02 Departure of Director or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 11, 2008, the Compensation Committee (the “Committee”) of the Board of Directors of Celanese Corporation (the “Company”) approved a long-term incentive program (the “2008 LTIP”) pursuant to which the Company made time-vesting cash awards to all of its executive officers and certain other key employees (each, a “Participant”), an award of Performance Units to Mr. Weidman and grants of performance-vesting restricted stock units (“Performance RSUs”) to the Participants (other than Mr. Weidman). The Performance RSUs were granted under the Company’s 2004 Stock Incentive Plan. The Committee approved awards under the 2008 LTIP to the Company’s named executive officers in the following amounts:

Executive Officer	Number of Performance RSUs at Target	Number of Performance Units at Target	Value of Time-Vesting Cash LTI Award (\$)
David N. Weidman	N/A	200,000	\$1,000,000
Steven M. Sterin	13,400	N/A	\$1,800,000
James S. Alder	16,700	N/A	\$750,000
John J. Gallagher	21,700	N/A	\$975,000
III D o u g l a s M . Madden	21,700	N/A	\$975,000
Jay C. Townsend	8,400	N/A	\$375,000
John A. O’Dwyer	8,400	N/A	\$375,000

Performance-Based Restricted Stock Units

In connection with the approval noted above, the Company will enter into a Performance Restricted Stock Unit Award Agreement with each of the Participants (other than Mr. Weidman). The percentage of the target number of Performance RSUs awarded that may vest on October 14, 2010, is subject to the achievement of specified levels of (i) Operating EBITDA during the 2009 and 2010 fiscal years and (ii) “Total Shareholder Return” as compared to peer companies during the period that commenced December 1, 2008 through September 30, 2011, and is set forth in the following schedule:

Operating EBITDA Achieved	Below Threshold	Relative TSR Achieved		
		Below Threshold	Target	Stretch
Below Threshold		0%	0%	0%
Target		50%	100%	150%
Stretch		75%	150%	225%

Upon the termination of a Participant’s employment with the Company by reason of death or disability, Performance RSUs in an amount equal to (i) the target number of Performance RSUs granted multiplied by (ii) a fraction, the numerator of which is the number of full months between December 11, 2008 and the date of such termination, and the denominator of which is thirty-four, such product to be rounded down to the nearest whole number (the “Prorated Amount”), shall immediately vest and become deliverable to the Participant. Upon the termination of a Participant’s employment with the Company without Cause, Performance RSUs in an amount equal to the Prorated Amount shall vest and be deliverable to the Participant on the scheduled vesting date, subject to adjustment for the achievement of the performance goals outlined above and as applied to all other Participants. Upon the termination of a Participant’s

employment with the Company for any other reason, the Performance RSU award shall be forfeited and cancelled without consideration.

If a Participant's employment with the Company is terminated without Cause during the 12-month period following a Change in Control, the Performance RSU award will immediately vest and become payable to the Participant. If the Award is not assumed by the Participant's new employer in connection with a Change in Control, or a substitute award is not made, the Performance RSU award will fully vest upon the Change in Control, and shall be paid to the Participant within 30 days after the Change in Control occurs.

Performance Unit Award Agreement with David N. Weidman

In connection with the approved noted above, the Company made a grant of Performance Units to be settled in cash, rather than a grant of Performance RSUs, to Mr. Weidman. The terms of the Performance Unit Award Agreement with Mr. Weidman are substantially similar to the Performance Restricted Stock Unit Award Agreement entered into with the other executive officers, except as otherwise noted in this section. The value of each Performance Unit is equivalent to the value of one share of the Company's Series A Common Stock ("Common Stock") and any amounts that may vest under the Performance Unit Award Agreement are to be settled in cash, rather than shares of Common Stock. Notwithstanding the foregoing, at any time the Committee may elect to convert all or any portion of the Performance Unit award to an award of an equivalent value of Performance RSUs. If the Committee elects to convert the Performance Units, Mr. Weidman shall receive a number of Performance RSUs equal to the number of Performance Units granted to Mr. Weidman.

Time-Vesting Cash LTI Awards

In connection with the approval noted above, the Company will also enter into a Time-Vesting Cash Award Agreement with each of the Participants (including Mr. Weidman). Each award of cash vests 30% on October 14, 2009, 30% on October 14, 2010 and 40% on October 14, 2011.

Upon the termination of an Participant's employment with the Company by reason of death or disability or by the Company without Cause, cash in amount equal to (i) the value of the cash award granted multiplied by (ii) a fraction, (x) the numerator of which is the number of full months between December 11, 2008 and the date of such termination, and (y) the denominator of which is thirty-four, such product to be rounded down to the nearest whole number, and reduced by (iii) the value of any cash award that previously vested, shall immediately vest and become payable to the Participant. Upon the termination of a Participant's employment with the Company for any other reason, any unvested portion of the cash award shall be forfeited and cancelled without consideration.

If a Participant's employment with the Company is terminated without Cause during the 12-month period following a Change in Control, the cash award will immediately vest and become payable to the Participant. If the cash award is not assumed by the Participant's new employer in connection with a Change in Control, or a substitute award is not made, the cash award will fully vest upon the Change in Control, and shall be paid to the Participant within 30 days after the Change in Control occurs.

The Committee may elect at any time to convert all or any portion of the cash award into time-vesting restricted stock units. If the Committee elects to convert the cash award, the Participant shall receive a number of time-vesting restricted stock units equal to (i) the value of the unvested portion of the cash award being converted divided by (ii) the average of the high and low sale price of the Common Stock on the day of such election.

Long-Term Incentive Claw-Back Agreement

In connection with the 2008 LTIP and the awards of Performance RSUs, Performance Units and cash thereunder, each Participant is required to execute a Long-Term Incentive Claw-Back Agreement. The Long-Term Incentive

Claw-Back Agreements contain provisions prohibiting the Participant from (i) disclosing confidential or proprietary information and (ii) soliciting customers of, or competing with, the Company for a period of one year following the termination of the Participant's employment with the Company for any reason. If the Participant violates any of these provisions, the Participant will (i) cease vesting and forfeit any rights or interest in cash LTI awards, restricted stock units, stock options or any other form of equity award that was granted on or after December 11, 2008 and that vested during the period one year prior to the earlier of (a) the Participant's violation of the terms of the Long-Term Incentive Claw-Back Agreement and (b) the termination of the Participant's employment with the Company and (ii) be required to deliver to the Company any amount received under any cash LTI award or gain realized on any stock option exercises or any other transaction relating to an equity grant by the Company on or after December 11, 2008 that were consummated during the period one year prior to the earlier of (x) the Participant's violation of the terms of the Long-Term Incentive Claw-Back Agreement and (y) the termination of the Participant's employment with the Company.
