If answer is no, identify report(s). On August 15, 2005, the Company filed its Quarterly Report on Form 10-Q for the period ended June 30, 2005. As a result of significant increases in operations at World Airways, Inc. and the inclusion of the financial results of North American due to its recent acquisition on April 27, 2005, the Company anticipates having a significant change in the results of operations from the quarter ending September 30, 2005, compared to the quarter ending September 30, 2004. At this time, the Company expects that operating income will be approximately \$22 to \$24 million for the quarter ending September 30, 2005 compared to \$13.8 million for the corresponding period last year; however, management is currently in the process of completing pending reviews for this quarter.
