PART I

Item 1 and Item 6. Description of Business and Managements Discussion and Analysis.

Edgar Filing: TELCOBLUE INC - Form 10KSB

The following discussion and analysis should be read in conjunction with TelcoBlue's financial statements and notes thereto included elsewhere in this Form 10-KSB.

Except for the historical information contained herein, the discussion in this Form 10-KSB as amended contains certain forward looking statements that involve risks and uncertainties, such as statements of TelcoBlue's plans, objectives, expectations and intentions. The cautionary statements made in this Form 10-KSB should be read as being applicable to all related forward statements wherever they appear in this Form 10-KSB. TelcoBlue's actual results could differ materially from those discussed here.

Nature of Business. TelcoBlue, Inc., formerly Better Call Home, Inc. ("BCH"), a development stage company, was formed in Nevada on August 2, 2002, to operate an Internet based long distance telephony network using state of the art Voice over Internet Protocol.

On August 29, 2002, BCH entered into a reorganization with Wave Power.net, Inc., an inactive public company, whereby Wave Power acquired all of the issued and outstanding shares of BCH's common stock by issuing to BCH's shareholders, pro rata, 16,000,000 shares of Wave Power common stock. At that time, Wave Power had 14,000,000 shares outstanding. The combined entity changed its name to TelcoBlue, Inc. on August 29, 2002.

On January 22, 2004, TelcoBlue, Inc. acquired all the issued and outstanding stock of Promotional Containers Manufacturing, Inc. ("PCM"), a private Nevada company in exchange for 28,700,000 shares of TelcoBlue, Inc. ("TELCO") common stock through a tax-free stock exchange, the terms and conditions set forth in an Agreement and Plan of Reorganization ("Agreement and Reorganization"). The company presently trades on the Over the Counter Bulletin Board stock exchange under the symbol, "TBLU". (Promotional Containers Manufacturing, Inc. was incorporated under the laws of Nevada on January 24, 2003 with authorized common stock of 75,000,000 with a par value of \$0.001.)

In the spring of 2003, PCM acquired the assets of GMB in El Paso, Texas, whose product offerings ranged from photomounts and other related paper packaging items to padded folios, wedding albums and baby albums.

On December 10, 2003, the Company purchased the assets of Show Me Ink, LLC, an entity owned by the Company's Chief Executive Officer and majority stockholder in exchange for \$450,000, which was contributed by the Chief Executive Officer to the Company. In addition, the Company forgave debt owed by Show Me Ink, LLC totaling \$1,588,521.

On December 30, 2003, Telco Blue, Inc. ("TBLU") consummated an agreement to acquire all of the outstanding capital stock of Promotional Containers Manufacturing, Inc., in exchange for 28,700,000 shares of the Company's common stock ("TBLU Transaction"). Prior to the TBLU Transaction, TBLU was a non-operating public shell company with no operations, nominal assets and 5,482,075 shares of common stock issued and outstanding; and Promotional Containers Manufacturing, Inc was a professional photo packaging operation, specializing in wedding albums, baby albums and photo mounts from its factory in Lexington, Kentucky.

Edgar Filing: TELCOBLUE INC - Form 10KSB

The TBLU Transaction is considered to be a capital transaction in substance, rather than a business combination. Inasmuch, the TBLU Transaction is equivalent to the issuance of stock by Promotional Containers Manufacturing, Inc. for the net monetary assets of a non-operational public shell company (TBLU), accompanied by a recapitalization.

In 2005, the Company's intention was to re-structure its manufacturing process, digitizing its operations in order to become competitive with similar businesses. Funds to enact these changes did not materialize. As a consequence, we conducted no business in the year 2005. We will continue to seek funding from viable sources which would help the company accomplish this change-over.

These conditions give rise to substantial doubt about the Company's ability to continue as a going concern. These financial statements do not include adjustments relating to the recoverability and classification of reported asset amounts or the amount and classification of liabilities that might be necessary should the Company be unable to continue as a going concern. The Company's

continuation as a going concern is dependent upon its ability to obtain additional financing or sale of its common stock as may be required and ultimately to attain profitability.

The Company had \$0 revenues from continuing operations for the twelve months ended December 31, 2005. For the twelve months ended December 31, 2005, the Company incurred a net loss from continuing operations of \$289,882.

As of December 31, 2005, the Company had an accumulated deficit of \$2,208,252 negative working capital of \$1,317,049, The Company expects to continue to incur significant losses and negative cash flows from operating activities through at least December 31, 2006, primarily due to the company's inability to generate revenues sufficient to finance its operations.

These factors, as well as the risk factors set out elsewhere in the Company's financial statements raise substantial doubt about the Company's ability to continue as a going concern. The accompanying financial statements do not include any adjustments that might result from the outcome of this uncertainty. Management intends to continue operations through the issuance of equity. There can be no assurance that management's plans will be successful.

Definition of fiscal year - The Company's fiscal year end is December 31.

Item 2. Description of Property.

TelcoBlue offices at 3288 Eagle View Lane, #290, Lexington, KY 40509. On February 13, 2006, we entered into a lease through 2010 for \$2391.33/mo. In August 2006, we extended our lease at 2111 Wyoming St., El Paso, Texas, for \$8437.50 through 8/31/2007.

Item 3. Legal Proceedings.

On February 11, 2004, Creative Containers filed suit against "TelcoBlue, Inc." (sic), in Case No. 2004-631, in the 120th Judicial District Court in and for El Paso County, Texas on sworn pleadings for unpaid invoices for goods delivered. Telcolue did not appear and wholly defaulted. Creative Containers was awarded a judgment against TelcoBlue on April 30th, 2004, in the amount of \$8,158, plus attorneys fees in the amount of \$1,500.

The judgment accrues interest at the rate of 10% per annum. Creative Containers is currently seeking post-

judgment enforcement, to include a hearing for turnover relief. On January 31, 2005, a settlement regarding the debt was reached between the parties in the amount of \$3,000, relieving the corporation from any and all indebtedness to Creative Containers

On December 23, 2003, Philip Moseman filed suit against Mid-America, GMB, Ltd., and Mid-America Photographics of Kansas, Inc., in the 327th Judicial District Court, in and for El Paso County, Texas, seeking damages from alleged breaches of employment agreements. Moseman later amended his suit to include "TelcoBlue, Inc." (sic) as a party defendant. Moseman had originally been hired by the two predecessor Mid-America employers and claimed that his employment agreement with Mid-America had carried over to his new employer, Promotional Containers Manufacturing, Inc. (PCM). He claimed that TelcoBlue, Inc., by merger, stepped into the shoes of PCM and is thus was liable. On June 15, 2006, the parties settled the matter in full and the case was dismissed with prejudice.

Effective January 1, 2005 these notes payable were converted to 4,758,725 shares of subscribed common stock. As of December 31, 2004, these notes had accrued interest of \$82,920. Effective January 1, 2005, this accrued interest was forgiven. This forgiveness of debt has been included as other income in the statement of operations.

Results of Operations

Edgar Filing: TELCOBLUE INC - Form 10KSB

For the year ended December 31, 2005, TelcoBlue had \$0.00 revenues as opposed to \$195,457 for the year ended 2004. Net loss for the year ended December 31, 2005 was \$(246,382) and the basic and diluted income per share was \$(0.01) as opposed to \$(1,026,127) for the year ended 2004 when the basic loss per share was \$(0.03). The Company had general and administrative expenses of \$289,282 for the year ended December 31, 2005 as opposed to \$985,476 for the year ended 2004. During 2005, the Company entered into settlement agreements with various vendors that resulted in the reduction of its accounts payable of \$312,837. This forgiveness of debt has been included as other income in the statement of operations.

Our "Total Liabilities and Stockholder's Equity" for year ending 2005 was \$244,482 as opposed to \$271,898 for year ended 2004.

We do not expect to purchase or sell any significant equipment, engage in product research or development and do not expect any significant changes in the number of employees.

We believe that our existing capital will not be sufficient to meet our cash needs, including the costs of compliance with the continuing reporting requirements of the Securities Exchange Act of 1934, as amended. Even with the merger of PCM, we anticipate that our existing capital will not be sufficient to allow us to expand the PCM operations. Any required cash flows will most likely be supplied by officers.

Item 7. Financial Statements

The Financial Statements required by this Item is attached hereto at the end of this report on page F-1 through F-13 and is hereby incorporated by reference.

Item 8. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On October 21, 2005 we engaged Mendoza Berger & Company, LLP, to prepare our audit of the annual financial statements for the year ended December 31, 2005.

Item 8A. Controls and Procedures

Evaluation of TelcoBlue's Disclosure Controls. James N. Turek, our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of TelcoBlue's disclosure controls and procedures (as defined in the Exchange Act Rules 13a-15(e) and 15d-15(e)) as of the end of the period covered by this annual report (the "Evaluation Date"). They have concluded that, as of the

Evaluation Date, these disclosure controls and procedures were effective to ensure that material information relating to TelcoBlue would be made known to them by others within those entities and would be disclosed on a timely basis.

Changes in internal control over financial reporting. As of the end of the period covered by this annual report, there were no changes in TelcoBlue's internal control over financial reporting that occurred during the period covered by this annual report that have materially affected or are reasonably likely to materially affect TelcoBlue's internal control over financial reporting.

Limitations on the effectiveness of controls. TelcoBlue's management, James N. Turek and James Bonn (the company's Secretary), do not expect that TelcoBlue's disclosure controls and procedures will prevent all error and fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met.

Notes to the Financial Statements

1. Description of Organization

General - TelcoBlue, Inc. (the "Company" or "TBLU"), a Nevada corporation, is a professional photo packaging operation, specializing in wedding albums, baby albums and photo mounts.

History On December 30, 2003, the Company consummated an agreement to acquire all of the outstanding capital stock of Promotional Containers Manufacturing, Inc., in exchange for 28,700,000 shares of the Company's common stock (TBLU Transaction). Prior to the TBLU Transaction, TBLU was a non-operating public company with no operation, nominal assets and 5,482,075 shares of common stock issued and outstanding; and Promotional Containers Manufacturing, Inc. was a professional photo packaging operation, specializing in wedding albums, baby albums and photo mounts. The TBLU Transaction is considered to be a capital transaction in substance, rather than a business combination. Inasmuch, the TBLU Transaction is equivalent to the issuance of stock by Promotional Containers Manufacturing, Inc. for the net monetary assets of a non-operational public company (TBLU), accompanied by a recapitalization. TBLU issued 28,700,000 shares of its

Edgar Filing: TELCOBLUE INC - Form 10KSB

common stock for all of the issued and outstanding common stock of Promotional Containers Manufacturing, Inc. The accounting for the TBLU Transaction is identical to that resulting from a reverse acquisition, except goodwill or other intangible assets will not be recorded. Accordingly, these financial statements are the historical financial statements of Promotional Containers Manufacturing, Inc. Promotional Containers Manufacturing, Inc. was incorporated on January 24, 2003. Therefore, these financial statements reflect activities from January 24, 2003 (Date of Inception for Promotional Containers Manufacturing, Inc.) and forward.

On December 10, 2003 prior to the TBLU Transaction, Promotional Containers Manufacturing, Inc. purchased the assets of Show Me Ink, LLC, an entity owned by the Company's Chief Executive Officer and majority stockholder in exchange for \$450,000, which was contributed by the Chief Executive Officer to the Company. In addition, the Company forgave debt owed by Show Me Ink, LLC totaling \$793,134.

2. Summary of Significant Accounting Policies

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. The following is a summary of the significant accounting policies followed by the Company in the preparation of its financial statements.

2. Summary of Significant Accounting Policies, continued

Fixed Assets

Fixed assets are stated at cost less accumulated depreciation. Depreciation is provided principally on the straight-line method over the estimated useful lives of the assets, which is primarily 3 to 5 years. The cost of repairs and maintenance is charged to expense as incurred. Expenditures for property betterments and renewals are capitalized. Upon sale or other disposition of a depreciable asset, cost and accumulated depreciation are removed from the accounts and any gain or loss is reflected in other income (expense).

The Company periodically evaluates whether events and circumstances have occurred that may warrant revision of the estimated useful lives of fixed assets or whether the remaining balance of fixed assets should be evaluated for possible impairment. The Company uses an estimate of the related undiscounted cash flows over the remaining life of the fixed assets in measuring their recoverability.

Revenue and Expense Recognition

Revenues are recorded upon shipment of products to customers. Costs and expenses are recognized during the period in which they are incurred.

Shipping and Handling Costs

The Company accounts for certain shipping and handling costs related to the acquisition of goods from its vendors as cost of revenue. Additionally, shipping and handling costs related to the shipment of goods to its customers is classified as cost of revenue.

Advertising and Marketing Costs

The Company recognizes advertising expenses in accordance with Statement of Position 93-7 Reporting on Advertising Costs. Accordingly, the Company expenses the costs of producing advertisements at the time production occurs, and expenses the costs of communicating advertisements in the period in which the advertising space or airtime is used. Advertising expenses incurred for the years ended December 31, 2005 and 2004 were \$0 and \$2,415, respectively.

Income Taxes

The Company accounts for its income taxes in accordance with Statement of Financial Accounting Standards No. 109, which requires recognition of deferred tax assets and liabilities for future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and tax credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change on tax rates is recognized in income in the period that includes the enactment date.

2. Summary of Significant Accounting Policies, continued

As of December 31, 2005, the Company has available net operating loss carryforwards that will expire in various periods throughout 2024. Such losses may not be fully deductible due to the significant amounts of non-cash service costs and the change in ownership rules under Section 382 of the Internal Revenue Code. The Company has established a valuation allowance for the full tax benefit of the operating loss carryovers due to the uncertainty regarding realization.

Fair Value of Financial Instruments

The carrying amounts and estimated fair values of the Company's financial instruments approximate their fair value due to the short-term nature.

Earnings (Loss) Per Common Share

Basic earnings (loss) per share excludes any dilutive effects of options, warrants and convertible securities. Basic earnings (loss) per share is computed using the weighted-average number of outstanding common shares during the applicable period. Diluted earnings (loss) per share is computed using the weighted average number of common and common stock equivalent shares outstanding during the period. Common stock equivalent shares are excluded from the computation if their effect is antidilutive.

New Accounting Pronouncements

In November 2004, the FASB issued SFAS No. 151, Inventory Costs (an amendment of Accounting Research Bulletin No. 43, Chapter 4). SFAS No. 151 seeks to clarify the accounting for abnormal amounts of idle facility expense, freight, handling costs, and wasted material (spoilage) in the determination of inventory carrying costs. The statement requires such costs to be treated as a current period expense and is effective for fiscal years beginning after July 15, 2005. The Company does not believe the adoption of SFAS No. 151 will have a significant impact on its financial position or results of operations.

In December 2004, the FASB issued SFAS No. 123 (revised 2004), Share-Based Payment.

New Accounting Pronouncements, continued

SFAS No. 123R replaced SFAS No. 123 and superceded ABP Opinion No. 25. SFAS No. 123R will require compensation costs related to share-based payment transactions to be recognized in the financial statements. The adoption of SFAS No. 123 (revised 2004) should not have a significant impact on the Company's financial position or results of operations until such time the Company has share-based payments. The Company will adopt the provisions of SFAS No. 123R at that time.
