ITEM 2.02 Results of Operations and Financial Condition.

On March 16, 2009, Resource Capital Corp. (the "Company") issued a press release announcing that it had revised the valuation of the commercial mortgage backed securities held in its portfolio. The revision lowered the valuation by \$17.6 million, or approximately 0.9% of the Company's total assets. As a result, certain items in the Company's balance sheet, issued as part of the Company's press release dated March 3, 2009, have also been revised. The revision did not impact the Company's reported operating results or related statement of operations for the fourth quarter and year ended December 31, 2008. A copy of the March 16, 2009 press release, including the revised March 3, 2009 press release, is furnished with this report as an exhibit. The information in this report, including the exhibit hereto, is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information in this report shall not be incorporated by reference into any registration statement or other document filed pursuant to the Securities Act of 1933, as amended.
