Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On December 15, 2006, the Board of Directors (the "Board of Directors") of SkyTerra Communications, Inc. (the "Company") approved a form of Indemnification Agreement (the "Indemnification Agreement") to be entered into between the Company and its directors and officers. Effective as of December 18, 2006, the Company entered (or will enter) into a separate Indemnification Agreement with each of the following persons: Andrew Africk, Alexander Good, Jeffrey Killeen, Jeffrey Leddy, Robert Lewis, Scott Macleod, William Stasior, Aaron Stone and Michael Weiner. The Company may from time to time enter into additional indemnification agreements with future directors and officers of the Company or other key personnel.

Each of the Indemnification Agreements provides, among other things, that the Company will, to the extent permitted by applicable law, indemnify and hold harmless each indemnitee if, by reason of such indemnitee's status as a director or officer of the Company, such indemnitee was, is or is threatened to be made a party or a participant (as a witness or otherwise) in any threatened, pending or completed proceeding, whether of a civil, criminal, administrative or investigative nature, against all losses, judgments, fines, penalties and amounts paid in settlement (if such settlement is approved in writing in advance by the Company) and incurred by such indemnitee in connection with such proceeding. In addition, each of the Indemnification Agreements provides for the advancement of expenses incurred by the indemnitee in connection with any proceeding covered by the agreement, subject to certain exceptions. None of the Indemnification Agreements precludes any other rights to indemnification or advancement of expenses to which the indemnitee may be entitled, including but not limited to, any rights arising under the Company's governance documents, or any other agreement, any vote of the stockholders of the Company or any applicable law.

The above description of the Indemnification Agreements does not purport to be complete and is qualified in its entirety by reference to the form of Indemnification Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

In light of his performance during the preceding year, including his role in accomplishing the exchange transactions with Motient Corporation and the other partners in Mobile Satellite Ventures LP (MSV), and the minority holders of the Company s MSV Investors, LLC subsidiary, as well as the pending transaction with Bell Canada and the spin-off of Hughes Communications, Inc., on December 6, 2006, the Compensation Committee of the Board of Directors recommended to the Board of Directors the award and payment of a cash bonus to Jeffrey Leddy, the Company s Chief Executive Officer and President, in the amount of \$2,250,000, less applicable taxes and withholdings. The Board of Directors approved the recommendation of the Compensation Committee on December 15, 2006.

Further, in light of the elevation of Scott Macleod to the offices of Executive Vice President, Chief Financial Officer and Treasurer of the Company, as also described in Item 5.02(c) below, effective December 18, 2006, the employment of Craig Kaufmann, the Company's Controller and Treasurer, was terminated.

(c) Effective December 18, 2006, the Board of Directors unanimously appointed Alexander H. Good, the Chief Executive Officer, President and Vice Chairman of the Company's subsidiary, MSV, to the office of Chief Executive Officer and President of the Company. In 2002 and 2003, prior to joining MSV, Mr. Good served as the Executive Chairman of Affinity Internet and Executive Chairman of Nexverse Networks, Inc., now Veraz Networks, Inc., and also served as a director of NextLevel Communications, Inc. Mr. Good was Chairman and CEO of @Link Networks, Inc. from 1999 to 2001. @Link Networks, Inc. filed a Chapter 11 bankruptcy petition in 2001, which was subsequently withdrawn. Mr. Good was Executive Vice President of Bell Atlantic Corporation (now Verizon) from 1997 to 1999. He served as Senior Vice President of Corporate Development of Bell Atlantic Corporation from 1995 to 1997 and was Chairman and CEO of Bell Atlantic International from 1994 to 1997. Mr. Good served as Senior Vice President of Mtel Communications, Inc. and CEO of MTEL International from 1990 to 1994.

On December 18, 2006, Mr. Good was granted 400,000 restricted shares of the Company's Common Stock (the "Good Restricted Stock") under the 2006 Equity and Incentive Plan (the "Plan"), subject to a registration statement on Form S-8 (or such other form as may be appropriate) covering equity awards pursuant to the Plan becoming effective and the execution of an award agreement (the "Good Award Agreement"). On December 15, 2006, the fair value of the Company's stock, based on the average of the closing bid and asked prices on the Over the Counter Bulletin Board, was \$13.305 per share. The Good Restricted Stock will vest as follows: (i) 33.34% of the shares of Good Restricted Stock (133,334 shares) on December 18, 2009; (ii) 33.33% of the shares of Good Restricted Stock (133,333 shares) on the first day following the twentieth consecutive trading day on which the last sale price of the Company's Common Stock or, if unavailable, the average of the closing bid and asked prices per share of the Common Stock exceeds \$20 per share; and (iii) 33.33% of the shares of Good Restricted Stock (133,333 shares) on the first day following the twentieth consecutive trading day on which the last sale price of the Company's Common Stock or, if unavailable, the average of the closing bid and asked prices per share of the Common Stock exceeds \$25 per share.

Under the employment agreement, Mr. Good will be entitled to a special bonus payment of \$267,800, payable upon the earlier to occur of: (i) Mr. Good's TerreStar stock options (or successor options) becoming freely exercisable, marketable or "liquid" or (ii) Mr. Good's employment being terminated by MSV other than for "cause" (as defined in the employment agreement). Effective on the date of commencement of his employment (March 1, 2004) Mr. Good was granted an option with respect to 600,000 MSV units at a strike price of \$6.45, 400,000 of which first vested on the first year anniversary of the date of grant, and 200,000 of which first vested on the second anniversary of the date of grant.

Effective December 18, 2006, the Board of Directors unanimously appointed Scott Macleod, the Chief Financial Officer of the Company's subsidiary, MSV, to the office of Executive Vice President, Chief Financial Officer and Treasurer of the Company. Mr. Macleod will continue to serve as the Executive Vice President and Chief Financial Officer of MSV.

Mr. Macleod, 44, has served as MSV's Executive Vice President and the Chief Financial Officer since January 2006. From May 2003 to January 2006, Mr. Macleod served as a Managing Director of

From May 1999 to January 2003, Mr. Macleod was Chief Corporate Development Officer of XO Communications, and from 1992 to 1999, worked in Merrill Lynch's Global Communications Group, serving most recently as Managing Director of such group. The Macleod Award Agreement provides that: (i) upon the termination by the Company of Mr. Macleod's employment other than for Cause, as defined in the Macleod Award Agreement, all vesting restrictions will lapse with respect to any time vesting shares, and performance vesting shares shall remain outstanding on such terms as are set forth in the Macleod Award Agreement; (ii) upon the termination by the Company of Mr. Macleod's employment for Cause, the Macleod Restricted Stock, to the extent not vested, shall be forfeited; and (iii) the shares of Macleod Restricted Stock, to the extent not otherwise vested three and one-half years following December 18, 2006, shall be forfeited. Effective on the date of commencement of his employment (January 27, 2006) Mr. Macleod was granted the following equity awards: 1) an option with respect to MSV units at a strike price of \$56.33, with three-year vesting; and 2) a phantom unit grant relating to MSV units in the amount of 50,000 units, vesting over a five year period, with 40% vesting on the second anniversary grant (i.e. January 27, 2008) and 20% each year thereafter, to be settled either in units of MSV (if a public market exists at such time) or in cash in an amount equal to the fair market value of the underlying units on the date the phantom units vest.

In addition, Mr. Macleod entered into a change of control agreement with MSV. Under the change of control agreement, if a "change of control" (as defined in the agreement) occurs and, within two years following such change of control, MSV terminates Mr. Macleod's employment without cause or Mr. Macleod terminates his employment for good reason, Mr. Macleod would be entitled to (i) a lump sum severance payment in an amount equal to the sum of Mr. Macleod's annual base salary and his average bonus; (ii) full vesting of all options and phantom units, with such options remaining exercisable for two
