FOR IMMEDIATE RELEASE

RITE AID ANNOUNCES THIRD QUARTER RESULTS

REPORTS THIRD QUARTER NET LOSS OF \$.01 PER DILUTED SHARE
COMPARED TO NET LOSS OF \$.02 PER DILUTED SHARE IN PRIOR YEAR

REPORTS THIRD QUARTER ADJUSTED EBITDA OF \$160.8 MILLION
COMPARED TO ADJUSTED EBITDA OF \$141.3 MILLION IN PRIOR YEAR

Confirms Fiscal 2007 Guidance

CAMP HILL, PA, December 21, 2006 - Rite Aid Corporation (NYSE: RAD) today announced financial results for its third quarter ended December 2, 2006.

Revenues for the 13-week third quarter were \$4.32 billion versus revenues of \$4.15 billion in the prior year third quarter. Revenues increased 4.2 percent.

Same store sales increased 3.4 percent during the third quarter as compared to the year-ago like period, consisting of a 4.3 percent increase in pharmacy same store sales and a 1.9 percent increase in front-end same store sales. The number of prescriptions filled in comparable drugstores increased 2.3 percent. Prescription sales accounted for 64.3 percent of total sales, and third party prescription sales represented 95.5 percent of pharmacy sales.

Net income for the third quarter was \$1.1 million but a loss of \$.01 per diluted share because of the negative impact of preferred stock dividends. This was an improvement over last year's third quarter net loss of \$5.2 million or \$.02 per diluted share. The improvement was primarily due to a \$19.5 million increase in adjusted EBITDA (which is reconciled to net income (loss) on the attached table), partially offset primarily by a \$4.7 million increase in depreciation and amortization expense.

Edgar Filing: RITE AID CORP - Form DEFA14A

Adjusted EBITDA was \$160.8 million or 3.7 percent of revenues for the third quarter compared to \$141.3 million or 3.4 percent of revenues for the like period last year. The \$19.5 million increase was primarily the result of increased revenue and improvement in the ratio of expenses to revenue partially offset by a decrease in the gross margin rate.

Rite Aid FY'07 Q3 Results Press Release - page 2

In the third quarter, the company opened 10 stores, relocated 13 stores, closed 3 stores and remodeled 4 stores. Stores in operation at the end of the quarter totaled 3,322.

"We are pleased with our third quarter. A strong increase in pharmacy sales and continued prescription count growth showed once again that our emphasis on customer satisfaction and increased operational focus on pharmacy are delivering results. Our team also continued to do a good job of controlling expenses," said Mary Sammons, president and chief executive officer. "At the same time we continued to improve our existing business, we also made tremendous progress on our plans for the smooth integration of the Brooks and Eckerd drugstore chains into Rite Aid."

On August 24, 2006, Rite Aid announced that it had entered into a definitive agreement to acquire approximately 1,850 Brooks and Eckerd drugstores and six distribution centers, primarily on the East Coast and in the Mid-Atlantic states, from The Jean Coutu Group. The transaction, which is subject to review under the Hart-Scott Rodino Act, Rite Aid stockholder approval and other customary closing conditions, is expected to close shortly after the end of Rite Aid's fourth quarter, which ends March 3, 2007.

Special Stockholder Meeting Set for January 18, 2007

Other events in the quarter included the company's announcement that the special meeting of Rite Aid stockholders in connection with the pending acquisition of the Brooks and Eckerd chains will be held January 18, 2007. Among the proposals to be voted on by stockholders is the issuance of 250 million shares of Rite Aid common stock to The Jean Coutu Group as part of the purchase price.

Also during the quarter the company announced that as expected it had received a request for additional information from the Federal Trade Commission (FTC) as part of its regulatory review of the pending acquisition under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. Rite Aid said it is currently in the process of responding to what is commonly called the second request.

"This acquisition is a unique opportunity for Rite Aid and for our stockholders, and we encourage all that are eligible as of the record date to vote," Sammons said. "The acquisition will significantly expand the size of our company with good stores in attractive locations and give us the scale we need to compete more effectively. Greater scale will make Rite Aid better able to take advantage of the many opportunities for growth in our industry as well as better enable us to withstand both industry and competitive challenges to our business."

Company Confirms Fiscal 2007 Guidance

Edgar Filing: RITE AID CORP - Form DEFA14A

Rite Aid confirmed its fiscal 2007 guidance for sales, same store sales, net income (loss), adjusted EBITDA and capital expenditures. Sales are expected to be between \$17.40 billion and \$17.65 billion, with same store sales expected to improve 2 percent to 4 percent over fiscal 2006. Net income (loss) for fiscal 2007 is expected to be between a net loss of \$5 million and net income of \$40 million or a loss per diluted share of \$.07 to net income per diluted share of \$.02. Adjusted EBITDA (which is reconciled to net income (loss) on the attached table) is expected to be between \$650 million and \$725 million. Capital expenditures, excluding proceeds from sale and leaseback transactions, are expected to be between \$450 million and \$500 million. Proceeds from sale and leaseback transactions are expected to be between \$50 million and \$100 million.
