(7) Enso is a Cayman Islands exempted limited partnership. Enso Capital Management, Ltd. is a Cayman Island exempted company. Enso Capital Management LLC is a Delaware limited liability company. Mr. Fink is a United States citizen.

Item 3. Source and Amount of Funds or Other Consideration.

The Reporting Persons obtained beneficial ownership of the securities covered by this statement pursuant to a Subscription Agreement dated September 25, 2007 (the "Subscription Agreement"), between the Company and Enso. Pursuant to the Subscription Agreement, on September 25, 2007 Enso purchased a Series A 10% Secured Convertible Note due 2008 issued by the Company (a "Series A Note") having a principal amount of \$2,400,000 (the "Enso Note"). Enso purchased the Enso Note for \$2,400,000 out of its general funds.

Enso's purchase of the Enso Note was part of a private placement by the Company of Series A Notes in which three other investors purchased Series A Notes having an aggregate principal amount of \$10,276,500 (the "Private Placement"). In connection with the Private Placement, the Company entered into an Exchange Agreement dated September 19, 2007 (the "Exchange Agreement") with the holders of the Company's 6% Secured Convertible Notes due 2012 (the "Old Notes") pursuant to which such holders agreed to exchange the principal and accrued but unpaid interest in an aggregate amount of approximately \$5.6 million due under the Old Notes for new Series B 10% Secured Convertible Notes due 2008 in an aggregate principal amount of \$5.3 million (the "Series B Notes" and, together with the Series A Notes, the "Notes"). In connection with the Private Placement and the transactions consummated pursuant to the Exchange Agreement (the "Closing"), the Company, Enso and the other holders of Notes entered into an Investor Rights Agreement dated September 19, 2007 (the "Investor Rights Agreement").

The principal and accrued interest due under each Series A Note is convertible into (i) shares of Common Stock at a conversion price per share of Common Stock equal to \$0.706, and (ii) Class D Warrants (the "Warrants") for the purchase of shares of Common Stock in an amount equal to 50% of the number of shares of Common Stock issued upon conversion of the Series A Note. The exercise price for the Warrants is \$0.90 per share of Common Stock, and the Warrants may be exercised at any time after issuance for a period of 5 years. The principal and accrued interest due under each Series B Note is convertible into shares of Common Stock at a conversion price per share of Common Stock equal to \$0.706. All of the Notes will automatically convert on the twenty-first (21st) day after the Company sends or gives its stockholders a definitive Schedule 14C information statement relating to certain actions taken by stockholders

of the issuer by written consent (the "Automatic Conversion Date"). Pursuant to the Subscription Agreement and the Exchange Agreement, the Company is obligated to file a preliminary Schedule 14C information statement with the Securities and Exchange Commission (the "Commission") no later than October 4, 2007 and to file a definitive Schedule 14C information statement (the "Definitive Schedule 14C") with the Commission no later than the second business day after receiving confirmation that the Commission has no further comments on the preliminary Schedule 14C information statement.

Item 4. Purpose of Transaction.

The Reporting Persons consider the acquisition and ownership of the Enso Note and the Common Stock and Warrants to be received upon the conversion thereof to be an investment.

In satisfaction of a condition to the Closing, four of the Company's seven directors, including the Company's Executive Chairman, resigned on September 19, 2007. Also on September 19, 2007, Arthur Amron, a Vice President and Assistant Secretary of Lambda Investors LLC ("Lambda"), one of the three other investors in the Series A Notes, and a Partner and the Secretary of Wexford Capital, LLC ("Wexford Capital"), managing member of Lambda, and Dr. Paul Mieyal, an employee of Wexford Capital, were appointed to the Board in satisfaction of a condition to the Closing. We understand from the Company that it currently plans to elect an additional director to increase its board size to six members. Wexford Capital and Lambda will be involved in such election; however, it is expected that the person to be elected will not be an affiliate of Wexford Capital or Lambda.

To permit the issuance of the Common Stock issuable upon the conversion of the Notes and the exercise of the Warrants (the "Subject Securities"), the Company is in the process of amending its Certificate of Incorporation to increase its number of authorized shares of Common Stock from 40,000,000 shares to 60,000,000 shares (the "Certificate Amendment"). As a condition to the Closing, the Company was required to obtain written consents of stockholders of the Company sufficient to approve the Certificate Amendment and the issuance of the Subject Securities; however, such written consents will not become effective until 20 days after the Definitive Schedule 14C is given or sent to the Company's stockholders. The Certificate Amendment is expected to become effective on or before the Automatic Conversion Date.

As part of the Closing, the Company entered into a Registration Rights Agreement with the holders of the Notes (the "Registration Rights Agreement") pursuant to which the Company agreed to register the Subject Securities for resale under the Securities Act of 1933. Pursuant to the Registration Rights Agreement, the Company is obligated to file a registration statement for such purpose within 60 days after the date on which the Definitive Schedule 14C is filed and to use its commercially reasonable best efforts to cause such registration statement to become effective within 180 days after the date on which the Definitive Schedule 14C is filed. The Company is obligated to pay all expenses in connection with such registration. If the Company is unable to register all of the Subject Securities on a single registration statement, the Company is obligated to file successive registration statements and cause such registration statements to become effective until all of the Subject Securities have been registered, all in accordance with the rules of the Commission.

Except as set forth above, none of the Reporting Persons have any plans or proposals which relate to or would result in (i) the acquisition by any person of additional securities of the Company (other than upon the conversion of the Enso Note or the exercise of the Warrants received by Enso) or the disposition of securities of the Company, (ii) an extraordinary corporate transaction, such as a merger, reorganization, or liquidation, involving the Company or any of its securities, (iii) a sale or transfer of a material amount of the assets of the Company or any of its subsidiaries, (iv) any change in the present board of directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (v) any material change in the present capitalization or dividend policy of the Company, (vi) any other material change in the Company's business or corporate structure, (vii) changes in the Company's charter, bylaws, or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person, (viii) causing a class of the securities of the Company to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (ix) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act, or (x) any action similar to any of those enumerated above. However, Enso retains its rights to modify its plans with respect to the transactions described in this Item 4, to acquire or dispose of securities of the Company and to formulate plans and proposals that could result in the occurrence of any such events, subject to applicable laws and regulations.

Item 5. Interest in Securities of the Issuer.

The aggregate number and percentage of shares of Common Stock beneficially owned by each of the Reporting Persons calculated as described below are as follows:

- (a) Amount beneficially owned: 5,099,150
- (b) Percent of class: 12.9%
- (c) Number of shares as to which the person has:
 - (i) Sole power to vote or to direct the vote: 0
 - (ii) Shared power to vote or to direct the vote: 5,099,150
 - (iii) Sole power to dispose or to direct the disposition of: 0
 - (iv) Shared power to dispose or to direct the disposition of: 5,099,150

The information provided above (and in the cover pages to this Statement) is based on the number of shares of Common Stock that Enso will receive upon the conversion of the principal amount of the Enso Note (3,399,433 shares) and the number of shares of Common Stock underlying the Warrants that Enso will receive upon the conversion of the principal amount of the Enso Note (1,699,717 shares). The Enso Note accrues interest at a rate of 10% per annum, and the accrued interest will automatically be converted into shares of Common Stock on the Automatic Conversion Date. As a result, the number of shares of Common Stock that Enso will actually receive upon the conversion of the Enso Note and the number of shares of Common

Stock underlying the Warrants that Enso will actually receive upon the conversion of the Enso Note will be greater than the numbers reflected above based on the amount of interest that accrues prior to the Automatic Conversion Date.

The percent of class specified above (and in the cover pages to this Statement) is calculated on the basis of 12,317,992 shares of Common Stock issued and outstanding as reported in the Company's Form 10-QSB filed with the Commission on August 13, 2007, increased by the aggregate number of shares issuable upon the conversion of the principal amount of all of the Notes and the exercise of the Warrants that will be received by Enso as a result of the conversion of the principal amount of the Enso Note (i.e., shares of Common Stock issuable upon the exercise of Warrants by other holders of Series A Notes have not been taken into account). The shares of Common Stock issuable upon the conversion of all of the Notes (as opposed to only the Enso Note) have been taken into account notwithstanding Rule 13d-3(d)(1)(i) promulgated under the Exchange Act because all of the Notes will be converted on the Automatic Conversion Date. If the shares of Common Stock issuable upon conversion of the Notes other than the Enso Note were not taken into account, the percent of class for each Reporting Person would instead be 29.3%.

Pursuant to the Investor Rights Agreement and as further described in Item 6 below, the holders of the Notes other than Lambda have agreed to vote any shares of Common Stock or other voting securities of the Company held by them for the election (or removal if directed by Lambda) of two individuals nominated for election to the Board of Directors of the Company by Lambda. Each of such holders has granted Lambda an irrevocable proxy to vote such Common Stock or voting securities in connection with any vote on such matters. As a result of such rights, the Investor Rights Agreement may be deemed to create a group of which Enso is a member pursuant to Rule 13d-5 promulgated under the Exchange Act. If a group were to exist, based upon the conversion of the principal amount of the Notes the group would beneficially own 34,440,155 shares, representing a percent of class of 73.7%. Each of the Reporting Persons disclaims the existence of a group, and this Statement shall not be construed as an admission that a group exists.

Enso Capital Management, Ltd. may, by reason of its status as general partner of Enso, be deemed to beneficially own the shares of Common Stock beneficially owned by Enso. Enso Capital Management LLC may, by reason of its status as investment manager of Enso, be deemed to beneficially own the shares of Common Stock beneficially owned by Enso. Joshua A. Fink may, by reason of his status as controlling person of Enso Capital Management LLC, be deemed to beneficially own the shares of Common Stock beneficially owned by Enso. Each of Enso Capital Management, Ltd., Enso Capital Management LLC and Joshua A. Fink shares the power to vote and to dispose of the shares of Common Stock beneficially owned by Enso. Each of Enso Capital Management, Ltd., Enso Capital Management LLC and Mr. Fink disclaims beneficial ownership of the shares of Common Stock owned by Enso and this Statement shall not be construed as an admission that they are the beneficial owner of such securities, except, in the case of Mr. Fink, to the extent of his interests in each partner of Enso.

Except as set forth above, the Reporting Persons have not effected any transactions in the Common Stock during the 60 days preceding the date of this Statement.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Pursuant to the Subscription Agreement, the Company has agreed that at all times until the Investor Rights Agreement has terminated in accordance with its terms (the "Designation Period"), the Company will cause two individuals designated by Lambda (the individuals whom Lambda has so designated from time to time are referred to herein as the "Lambda Designees") to be members of the Board of Directors of the Company except to the extent that (i) Lambda otherwise consents in writing, or (ii) a member of the Board of Directors originally designated by Lambda resigns and Lambda has not yet designated a successor. Without limiting the generality of the Company's obligations, during the Designation Period the Company must cause the Lambda Designees to be elected or nominated to the Board of Directors, to promptly remove any Lambda Designee from the Board of Directors upon the written direction of Lambda, and to promptly elect or appoint any successor designated by Lambda having reasonably appropriate business experience and background to fill any vacancy caused by any Lambda Designee ceasing to be a member of the Board of Directors for any reason.

Pursuant to the Investor Rights Agreement, the Company has agreed to take such corporate actions as may be required to, among other things, entitle Lambda to (i) nominate the Lambda Designees to the Board of Directors, (ii) nominate each successor to the Lambda Designees, provided that any successor shall have reasonably appropriate experience and background, and (iii) direct the removal from the Board of any director nominated under the foregoing clauses (i) or (ii). The holders of Notes have agreed to vote any shares of Common Stock or other voting securities of the Company held by them for the election (or removal if directed by Lambda) of the Lambda Designees and have granted Lambda an irrevocable proxy to vote such Common Stock or voting securities in connection with any vote on such matters. The Investor Rights Agreement will automatically terminate if Lambda no longer owns shares of Common Stock and securities representing the right to acquire shares of Common Stock upon conversion, exchange or exercise (including the Warrants held by Lambda, "Equity Securities") that in the aggregate represent at least 10% of the sum of the number of outstanding shares of Common Stock plus the number of shares of Common Stock issuable to Lambda upon the exercise of Equity Securities. The parties to the Investor Rights Agreement are the Company, Lambda, Enso, 3V Capital Master Fund Ltd., Distressed/High Yield Trading Opportunities, Ltd., Southpaw Credit Opportunity Master Fund LP, Kudu Partners, L.P., LJHS Company, GPC 76 LLC and Lewis P. Schneider.

The disclosure concerning the Registration Rights Agreement contained in Item 4 is incorporated herein by reference. In addition, the Subscription Agreement, Registration Rights Agreement, Enso Note and form of Warrant attached to the Enso Note contain customary provisions relating to the transfer of the Enso Note and the Subject Securities. The parties to the Registration Rights Agreement are the same as the parties to the Investor Rights Agreement.

Except for the Subscription Agreement, the Investor Rights Agreement, the Registration Rights Agreement and the Enso Note, none of the Reporting Persons are a party to any contract, arrangement, understanding or relationship (legal or otherwise) with any person with respect to any securities of the Company, including, but not limited to, any agreement concerning (i) transfer or voting of any securities of the Company, (ii) finder's fees, (iii) joint venture, (iv) loan

or option arrangements, (v) puts or calls, (vi) guarantees of profits, (vii) divisions of profits or losses, or (viii) the giving or withholding of proxies.
