Item 1.01 Entry into a Material Definitive Agreement.

On February 10, 2014, Lion Oil Company ("Lion Oil"), a wholly owned subsidiary of the registrant, Delek US Holdings, Inc. ("Delek US"), completed a transaction (the "Sale") with Delek Logistics Operating LLC ("Logistics Operating"), a wholly-owned subsidiary of Delek Logistics Partners, LP ("Delek Logistics"), pursuant to which Lion Oil sold to Logistics Operating a refined products terminal, storage tanks and related assets adjacent to Delek US's El Dorado, Arkansas refinery (the "El Dorado Refinery").

El Dorado Throughput and Tankage Agreement

On February 10, 2014, in connection with the Sale, Lion Oil and Logistics Operating, and, for limited purposes, J. Aron & Company, entered into the El Dorado Throughput and Tankage Agreement (the "El Dorado Agreement"). Under the El Dorado Agreement, Logistics Operating will provide Lion Oil access to and use of the terminal and tanks for Lion Oil's receipt and shipment of products to and from the El Dorado Refinery in return for throughput and storage fees based on volume. Under the El Dorado Agreement, during each calendar quarter, Lion Oil is obligated to transport an aggregate volume of at least 11,000 barrels of refined products per day across the rack at a throughput fee of \$0.50 per barrel (the "Throughput Fee"). Lion Oil is also subject to a monthly storage fee of approximately \$1.3 million for the right to use of the active shell capacity of the tanks. Logistics Operating is obligated to maintain throughput and storage capacity sufficient to meet these minimum requirements. If Lion Oil does not throughput the aggregate amounts equal to the minimum throughputs described above during any calendar quarter, Lion Oil shall pay Logistics Operating a shortfall payment equal to the shortfall amount multiplied by the throughput fee. The initial term of the El Dorado Agreement expires on February 10, 2022 and Lion Oil, at its sole option, may extend the term for two renewal terms of four years each.

The foregoing description of the El Dorado Agreement is not complete and is qualified in its entirety by reference to the El Dorado Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
