PROXY STATEMENT

This Proxy Statement contains information related to the 2014 Annual Meeting of Stockholders (“Meeting”) of Methes Energies International Ltd., a Nevada corporation (“we”, “us”, “our”, “Methes” or the “Company”), to be held at 4170 Sladeville Crescent, Unit 5, Mississauga, Ontario, L5L 0A1 Canada at 10:00 a.m. Eastern Time, Tuesday, October 28, 2014, and at any postponements or adjournments thereof. The approximate date of mailing for this proxy statement, proxy card and a copy of our annual report to stockholders for the year ended November 30, 2014, is September 18, 2014.

SOLICITATION AND REVOCATION OF PROXIES

We are furnishing a form of proxy to each stockholder which, in each case, is being solicited on behalf of the Board of Directors of the Company (the “Board”) for use at the Meeting. You are requested to complete, date and sign the accompanying proxy and return it to us promptly. Your execution of the enclosed proxy will not affect your right as a stockholder to attend the Meeting and to vote in person. You have the right to revoke a previously given proxy at anytime by (i) a later dated proxy, (ii) a written revocation sent to and received by our Corporate Secretary prior to the Meeting or (iii) attendance at the Meeting and voting in person.

The entire cost of soliciting these proxies will be borne by us. We may pay persons holding shares in their names or the names of their nominees for the benefit of others, such as brokerage firms, banks, depositories, and other fiduciaries for costs incurred in forwarding soliciting materials to their principals. Members of management may also solicit some stockholders in person, or by telephone, telegraph or telecopy, following their solicitation by the Proxy Statement, but will not be separately compensated for such solicitation services.

If your shares are registered directly in your name with Quicksilver Stock Transfer, LLC, our transfer agent, you are considered a stockholder of record. As a stockholder of record at the close of business on September 8, 2014 (the “Record Date”), you can vote in person at the Meeting or you can provide a proxy to be voted at the Meeting by signing and returning the enclosed proxy card. If you submit a proxy card, we will vote your shares as you direct. If you submit a proxy card without giving specific voting instructions, those shares will be voted as recommended by the Board.

If your shares are held in a stock brokerage account or other nominee, you are considered the beneficial owner of those shares, and your shares are held in “street name.” If you hold your shares in “street name,” you will receive instructions from your broker or other nominee describing how to vote your shares. If you do not instruct your broker or nominee how to vote such shares, they may vote your shares as they decide as to each matter for which they have discretionary authority under the rules of the New York Stock Exchange. On those matters as to which those rules do not permit brokers or other nominees to vote in the absence of instructions from the account holder, the broker or other nominee will not vote the shares on the matter (this is a “broker non-vote”).

STOCKHOLDER’S VOTING RIGHTS

Only holders of record of our common stock, par value \$0.001 per share (“Common Stock”), at the close of business on the Record Date will be entitled to notice of, and to vote at, the Meeting or at any adjournment or postponements

thereof. On the Record Date there were 11,460,431 shares of Common Stock outstanding with one vote per share.

A complete list of stockholders entitled to vote at the Meeting will be available for examination by any stockholder at our corporate headquarters, 3651 Lindell Road, Suite D-272, Las Vegas, Nevada 89103, during normal business hours for a period of ten days before the Meeting and at the time and place of the Meeting.

Our Bylaws provide that the holders of a majority of the shares of Common Stock issued and outstanding and entitled to vote at the Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum. With respect to the election of directors, abstentions and broker non-votes will be deemed not to have been cast and will have no legal effect on the election of directors. With respect to the other matters described herein, abstentions will have the same effect as a vote against such proposals and broker non-votes will be deemed not to have been cast and will have no legal effect on the proposals.

Voting Requirements

Election of Directors. The election of the director nominees will require a plurality of the votes cast on the matter at the Meeting. With respect to the election of directors, votes may be cast in favor of or withheld with respect to each nominee. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Advisory approval of the appointment of Independent Auditors. The affirmative vote of a majority of the votes cast on the matter by stockholders entitled to vote at the Meeting is required to approve the appointment, on an advisory basis, of our independent auditors for the fiscal year ending November 30, 2014. An abstention from voting on the ratification of auditors will be treated as “present” for quorum purposes. However, since an abstention is not treated as a “vote” for or against the matter, it will have no effect on the outcome of the vote on either matter.

CORPORATE GOVERNANCE AND BOARD COMMITTEES

The Board, acting through the Corporate Governance and Nominating Committee, is responsible for assembling for stockholder consideration a group of nominees that, taken together, have the experience, qualifications, attributes, and skills appropriate for functioning effectively as a board. The Corporate Governance and Nominating Committee regularly reviews the composition of the Board in light of changing circumstances, its assessment of the Board's performance, and the inputs of stockholders and other key constituencies.

The Corporate Governance and Nominating Committee looks for certain characteristics common to all Board members, including integrity, strong professional reputation and record of achievement, constructive and collegial personal attributes, and the ability and commitment to devote sufficient time and energy to Board service.

In addition, the Corporate Governance and Nominating Committee seeks to include on the Board a complementary mix of individuals with diverse backgrounds and skills reflecting the broad set of challenges that the Board confronts. These individual qualities can include matters like experience in our industry, technical experience, experience gained in situations comparable to ours and leadership experience.

Director Independence

In accordance with the listing standards of the Nasdaq, the Board must consist of a majority of independent directors. Each of Messrs. Ratnani, Pappain, Senthilnathan and Williams qualifies as independent as defined by the independence standards established under the applicable rules of the SEC and Nasdaq Rule 5605(a)(2). In making these determinations, the Board reviewed information provided by the directors to us with regard to each director's business and personal activities as they may relate to us and our management.

Board Meetings

The Board met or acted by unanimous consent eight times during fiscal 2013. All of the meetings of the Board during the 2013 fiscal year were attended by at least a majority of the directors then in office. None of the directors then in office attended less than 75% of these meetings. Absent special circumstance, each director is expected to attend the Meeting.

Committees of the Board of Directors

The Board has established three standing committees: an audit committee, a compensation committee and a corporate governance and nominating committee. Each committee is made up entirely of independent directors as defined in Nasdaq Rule 5605(a)(2).

Audit Committee. The audit committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with auditors and audits of financial statements. During the 2013 fiscal year, the audit committee met four times. Specifically, the audit committee's responsibilities include the following:

- selecting, hiring and terminating our independent auditors;
- evaluating the qualifications, independence and performance of our independent auditors;
- approving the audit and non-audit services to be performed by the independent auditors;

reviewing the design, implementation and adequacy and effectiveness of our internal controls and critical accounting policies;

overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to our financial statements and other accounting matters;

with management and our independent auditors, reviewing any earnings announcements and other public announcements regarding our results of operations; and

preparing the report that the SEC requires in our annual proxy statement.

The members of the audit committee consisted of Anthony T. Williams, who serves as chairman of the audit committee, John Pappain and Perichiyappan Senthilnathan. The Board has determined that Mr. Williams will be qualified to be an “audit committee financial expert,” as that term is defined in Item 407(d)(5) of Regulation S-K, and all audit committee members will be qualified to be “independent” for purposes of Nasdaq listing standards and Rule 10A-3(b) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Compensation Committee. The compensation committee assists the Board in determining the development plans and compensation of our officers, directors and employees. The members of the compensation committee consist of Messrs. Pappain, Ratnani and Senthilnathan. During the 2013 fiscal year, no meetings were held by the compensation committee. Specific responsibilities of the compensation committee include the following:

- approving the compensation and benefits of our executive officers;
- reviewing the performance objectives and actual performance of our officers; and
- administering our stock option and other equity and incentive compensation plans.

Corporate Governance and Nominating Committee. The corporate governance and nominating committee will assist the Board by identifying and recommending individuals qualified to become members of the Board. The members of the corporate governance and nominating committee consist of Messrs. Pappain, Ratnani and Senthilnathan. During the 2013 fiscal year, no meetings were held by the corporate governance and nominating committee. Specific responsibilities of this committee include the following:

- evaluating the composition, size and governance of our Board and its committees and make recommendations regarding future planning and the appointment of directors to our committees;
- establishing a policy for considering stockholder nominees to our Board;
- reviewing our corporate governance principles and making recommendations to the Board regarding possible changes; and
- reviewing and monitoring compliance with our code of ethics and insider trading policy.

We have adopted a charter establishing and governing each of the audit committee, compensation committee and the corporate governance and nominating committee. A copy of each committee’s charter is posted on our website at www.methes.com.

Stockholder Recommendation for Director Nominations

For a director nomination to be properly brought to the Meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Company. To be timely, such stockholder’s notice must be delivered to, or mailed to and received at, our principal executive offices not less than thirty (30) days and not more than sixty (60) days prior to the Meeting, regardless of any postponements, deferrals or adjournments of the Meeting to a later date; provided, however, that if less than forty (40) days’ notice or prior public disclosure of the date of the Meeting is given or made, notice by the stockholder, to be timely, must be so delivered or received not later than the close of business on the tenth (10th) day following the earlier of the day on which such notice of the date of the Meeting was mailed or the day on which such public disclosure was made. A stockholder’s notice to the Secretary shall set forth (A) as to each person whom the stockholder proposes to nominate for election to the Board, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to the SEC rules in a Proxy Statement soliciting proxies for the election of such candidate and a signed consent of the candidate to serve as our director if elected and (B) (i) the name and address, as they appear on our books, of the stockholder proposing such business and any other stockholders known by such stockholder to be supporting such nomination, (ii) the class and number of shares of our stock which are beneficially owned by the stockholder on the date of such stockholder’s notice and by any other

stockholders known by such stockholder to be supporting such nomination on the date of such stockholder's notice and (iii) any financial interest of the stockholder in such nomination.

Communications with Non-Management Members of the Board

Our Corporate Governance Policies set forth a process by which stockholders and other interested third parties can send communications to the non-management members of the Board. When interested third parties have concerns, they may make them known to the non-management directors by calling Stephen A. Zelnick, Esq. of Morse, Zelnick, Rose & Lander, LLP, Corporate and Securities Counsel to the Company, at (212) 838 8040. All such correspondence is provided to the presiding chairman at, or prior to, the next executive session held at a regular Board meeting.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Review and Approval of Related Person Transactions

The audit committee reviews statements of related parties required to be disclosed in the proxy statement. In evaluating related person transactions, the audit committee considers all factors it deems appropriate, including, without limitation, whether the related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, the extent of the related person's interest in the transaction, and whether products or services of a similar nature, quantity, or quality are readily available from alternative sources.

As required under the audit committee charter, our audit committee is responsible for reviewing and approving all related party transactions for potential conflict of interest situations. A related party transaction refers to transactions required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC.

Limitations of Directors' Liability and Indemnification

Our articles of incorporation provide that a director will not be personally liable to us or to our stockholders for monetary damages for breach of their fiduciary duty of care as a director, including breaches which constitute gross negligence. This provision does not eliminate or limit the liability of a director:

Our articles of incorporation also provide that we indemnify and hold harmless each of our directors and officers, to the fullest extent authorized by law, against all expense, liability and loss (including attorney's fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement), reasonably incurred or suffered by such person in connection their service as our director or officer. Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "Securities Act") may be permitted to directors, officers and controlling persons pursuant to our certificate of incorporation, bylaws or Nevada law, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

For the year ended November 30, 2012, Mr. Laporte was paid total compensation of \$5,000 and no executive officer received compensation in excess of \$100,000.

The primary objective of our executive compensation program is to attract and retain qualified, energetic managers who are enthusiastic about our mission and culture. A further objective of the compensation program is to provide incentives and reward each manager for their contribution. In addition, we strive to promote an ownership mentality among key leadership and the board of directors.

It is our intention to set total executive cash compensation at levels sufficient to attract and retain a strongly motivated leadership team. Each executive's current and prior compensation is considered in setting future compensation. In addition, we review the compensation practices of other companies. To some extent, our compensation plan is based on the market and the companies we compete against for executive management. The elements of our proposed compensation plan, base salary, bonus and stock options, are similar to the elements of compensation used by many companies.

Risks Arising from the Company's Compensation Policies and Practices

Messrs. Laporte and Ratnani have reviewed our compensation policies and practices, and based on their review, concluded that any risks associated with our compensation programs are not reasonably likely to have a material adverse effect on Methes.

Outstanding Equity Awards at Fiscal-Year End

The following table details all outstanding equity awards held by Mr. Laporte at November 30, 2013:

(1) Consists of stock option grants awarded under the 2008 Plan at fair market value on the date of grant.

Option Exercises

No options were exercised and no stock was awarded or vested.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serve as a member of the Board or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of the Board or compensation committee. None of the persons who are members of our compensation committee have ever been employed by us.

Equity Compensation Plan Information

In 2008, our stockholders approved the Amended and Restated Directors, Officers and Employees Stock Option Plan (the "2008 Plan") providing for the issuance of up to 391,134 shares through grants of incentive and non-qualified stock options, shares of restricted stock and tandem stock appreciation rights ("TSARs") to our employees, consultants and directors. In 2012, our stockholders approved the 2012 Equity Incentive Plan (the "2012 Plan and, collectively with the 2008 Plan, the "Plans") providing for the issuance of up to 400,000 shares. The 2012 Plan is identical to the 2008 Plan, except for its name, the number of shares which can be awarded thereunder, and a provision allowing Methes to satisfy TSARs either in cash or shares of common stock. The Plans give our Board the ability to provide incentives to attract and retain the personnel necessary for our success.

A total of 791,134 shares of our Common Stock are reserved for issuance under the Plans. If an award expires or terminates unexercised or is forfeited to us, the shares underlying the option award become available for further awards under the plan. The purpose of the Plans is to provide incentives to employees, directors and consultants whose performance will contribute to our long-term success and growth, to strengthen Methes' ability to attract and retain employees, directors and consultants of high competence, to increase the alignment of interests of such people with those of our stockholders and to help build loyalty to Methes through recognition and the opportunity for stock ownership. The Plans are administered by the compensation committee of the Board and, except as otherwise provided in the Plans, the compensation committee will have complete authority and discretion to determine the terms of awards.

Eligibility

Under the Plans, incentive stock options and TSARs may be granted only to employees and non-qualified stock options, TSARs and restricted stock may be granted to employees, directors and consultants.

Term and Amendment of the Plans

Unless terminated earlier, the 2008 Plan will expire in 2018 and the 2012 Plan will expire in 2022. Our Board may amend the Plans, provided that no amendment will be effective without approval of our stockholders if stockholder approval is required to satisfy any applicable statutory or regulatory requirements.

The following table sets forth the information about our Plans as of November 30, 2013:

Equity Compensation Plan Information

PROPOSAL NO. 2
ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

MNP LLP (“MNP”) was our independent auditor for the fiscal year ended November 30, 2013. Their audit report appears in our annual report for the fiscal year ended November 30, 2013. A representative of MNP will be at the Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

The Sarbanes-Oxley Act of 2002 requires the audit committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. Selection of the independent accountants is not required to be submitted to a vote of our stockholders for approval. However, the Board is submitting this matter to stockholders as a matter of good corporate practice. Our audit committee approved the engagement of MNP as our independent accountants for the fiscal year ending November 30, 2014. If the stockholders fail to approve the selection of MNP, the audit committee will take that into consideration and may retain another firm without re-submitting the matter to the stockholders, to audit our accounts for the 2014 fiscal year. Even if stockholders approve the selection of MNP, the audit committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the company and our stockholders.

The Board Unanimously Recommends a Vote FOR this Proposal
and Proxies that are Signed and Returned Will Be So Voted
Unless Otherwise Instructed

REPORT OF THE AUDIT COMMITTEE TO THE BOARD

Our audit committee was established to meet with management and our independent accountants, MNP, to determine the adequacy of internal controls and other financial reporting matters. The Board has adopted a written charter for the Audit Committee. The Audit Committee reviewed our audited financial statements for the year ended November 30, 2013, and met with management to discuss such audited financial statements. The Audit Committee has discussed with MNP the matters required to be discussed pursuant to Public Company Accountant Oversight Board Auditing Standard No. 16. The Audit Committee has received the written disclosures and the letter from MNP required by the Public Company Accountant Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence and has discussed with MNP its independence from Methes and management. MNP had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to the Board that the audited financial statements of Methes for the year ended November 30, 2013 be included in its Annual Report on Form 10-K for the year ended November 30, 2013 for filing with the SEC.

This report is submitted on behalf of the members of the audit committee:

Anthony T. Williams, Chairman
John Pappain
Perichiyappan Senthilnathan

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act or the Securities Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the foregoing Report of the audit committee shall not be incorporated by reference into any such filings.

PRINCIPAL INDEPENDENT ACCOUNTANT FEES AND SERVICES

Effective June 1, 2013, our then independent registered public accounting firm, MSCM LLP (“MSCM”) combined its practice (the “Merger”) with MNP. As a result of the Merger, MSCM effectively resigned as our independent registered public accounting firm and MNP, as the successor to MSCM following the Merger, was engaged as our independent registered public accounting firm. Our Audit Committee was notified of the Merger and the effective resignation of MSCM and approved the engagement of MNP.

The reports of MSCM on our financial statements for the years ended November 30, 2011 and 2012 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. In connection with its audits of the years ended November 30, 2011 and 2012 and reviews of our financial statements through June 1, 2013, there were no disagreements with MSCM on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of MSCM, would have caused them to make reference thereto in their report on the financial statements for such years.

During the fiscal years ended November 30, 2011 and 2012 and through June 1, 2013, we have not consulted with MNP on any matter that (i) involved the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, in each case where a written report was provided or oral advice was provided that MNP concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

Disclosure about Fees

The following table shows the aggregate fees that we paid or accrued for the audit and other services provided by MNP (successor of MSCM), our independent registered public accountants, for fiscal years 2013 and 2012:

	2013	2012
Audit fees	\$ 128,825	\$ 171,551
Audit related fees	—	—
Tax fees	\$ 3,640	—
All other fees	—	\$ 26,940
Total fees	\$ 132,465	\$ 198,491

Audit Fees: This category includes fees for (i) the audit of our annual financial statements and review of financial statements included in our quarterly reports on Form 10-Q; and (ii) services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements for the relevant fiscal years.

Audit-Related Fees: This category includes fees for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements that are not reported under the caption “Audit Fees.” We did not pay any audit-related fees to MNP for the fiscal years 2013 and 2012.

Tax Fees: This category consists of professional services rendered by MNP for tax compliance, planning, return preparation, research, and advice.

All Other Fees: This category includes the aggregate fees for products that are not reported under “Audit Fees,” “Audit-Related Fees,” or “Tax Fees.” We did not pay any other fees to MNP for the fiscal years 2013 and 2012 except that, in fiscal 2012, we were billed \$26,940 by MNP for services rendered in connection with our initial public offering completed on October 30, 2012.

Audit Committee Pre-Approval Policy

The Audit Committee has considered the compatibility of the non-audit-related services performed by and fees paid to MNP in fiscal year 2012 and the proposed non-audit related services and proposed fees for fiscal year 2012 and the possible effect of the performance of such services and payment of such fees on the independence of MNP. All audit and non-audit services were approved by the Audit Committee either specifically or in accordance with the Audit Committee's pre-approval policies and procedures prior to such services being rendered.

Other Information

The expenses of preparing and mailing this Proxy Statement and the accompanying proxy card and the cost of solicitation of proxies, if any, will be borne by us. In addition to the use of mailings, proxies may be solicited by personal interview, telephone and by our directors, officers and regular employees without special compensation therefore. We expect to reimburse banks, brokers and other persons for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of Common Stock.

Unless contrary instructions are indicated on the proxy card, all shares of Common Stock represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted "FOR" all of the proposals described in this Proxy Statement.

Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's proxy statement or annual report from us directly, please contact us by:
