Only holders of record of our common stock on May 20, 2016 (the "Record Date") are entitled to vote at the meeting. If your shares are owned of record in the name of a broker or other nominee, you should follow the voting instructions provided by your nominee. Each holder of record of our common stock at the close of business on the Record Date is entitled to one vote per share on each matter to be voted upon by our shareholders at the meeting. As of the Record Date there were 13,320,246 shares of common stock issued and outstanding.

Our Board is soliciting the accompanying proxy for use at the meeting. Shareholders of record as of the Record Date can vote their proxy via one of three ways. It is not necessary to mail your proxy card if you are voting by internet or fax. Attendance at the meeting will not in itself constitute the revocation of a proxy. Prior to the meeting, any written notice of revocation should be sent to Crexendo, Inc., 1615 South 52nd Street, Tempe, AZ, 85281 Attention: Corporate Secretary. Any notice of revocation that is delivered at the meeting should be hand delivered to our corporate secretary before the vote is taken. A stockholder may be requested to present identification documents for the purpose of establishing such stockholder's identity. The last valid vote you submit chronologically will supersede your prior vote(s).

Shares of our common stock, represented by properly executed proxies, will be voted in accordance with the instructions indicated on such proxies. If no specific instructions are given, the shares will be voted FOR the election of each of the nominees for director set forth herein and FOR ratification. In addition, if other matters come before the meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters. We are not aware of any other matters to be submitted to a vote of shareholders at the meeting.

One or more inspectors of election, duly appointed for that purpose, will count and tabulate the votes cast and report the results of the votes at the meeting to our management. Your vote at the meeting will not be disclosed except as needed to permit the inspector to tabulate and certify the votes, or as is required by law.

Quorum, Voting Requirements and Effect of Abstentions and Broker Non-Votes

At the meeting, the inspector of election will determine the presence of a quorum and tabulate the results of the voting by shareholders. The holders of a majority of the total number of outstanding shares of our common stock that are

entitled to vote at the meeting (at least 6,660,123 shares) must be present in person or by proxy in order to have the quorum that is necessary for the transaction of business at the meeting. Shares of our common stock represented in person or by proxy (including shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for purposes of determining whether a quorum exists. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

The nominees for director who receive a plurality of the votes cast by the holders of our common stock, in person or by proxy at the meeting, will be elected. Abstentions and broker “non- votes” are not counted for purposes of the election of directors. A “non-vote” occurs, with respect to a proposal, when a broker or nominee holding shares for a beneficial owner does not have discretionary voting power and has not received instructions from the beneficial owner. Approval of the proposal to give the Board of Directors the authority to change the State of Incorporation from Delaware to Nevada requires that the votes cast in favor of the proposal must exceed the votes cast against the proposal. Advisory approval of the proposal for compensation of the Company’s named executive officers requires that the votes cast in favor of the proposal must exceed the votes cast against the proposal. Abstentions and broker “non-votes” will not affect the outcome of the vote on those five proposals. A broker “non-vote” is not counted for purposes of approving a proposal. Shareholders have no dissenters’ or appraisal rights in connection with the proposals to be presented at the meeting.

Expense of Solicitation of Proxies

We will pay the cost of soliciting proxies for the meeting. In addition to solicitation by mail, our directors, officers and employees, without additional pay, may solicit proxies by telephone, telecopy, e-mail or in person. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals, and we will reimburse them for their expenses in so doing.

PROPOSAL I
ELECTION OF DIRECTORS

At the meeting, three Class I directors are to be elected for a term ending at the 2022 annual meeting of our shareholders, or until each of their respective successors has been duly elected and qualified. Additionally, two Class II directors are to be elected for a term ending at the 2019 annual meeting of our shareholders, or until each of their respective successors has been duly elected and qualified. Our bylaws provide for a classified board (also known as a “staggered board”). We currently plan to hold our shareholder meetings every three years. Therefore, we are electing our Class I directors for six years and our Class II directors for three years to establish our staggered board. One-half of the directors are elected at each annual meeting of shareholders. The Class I directors elected at the meeting will serve until our 2022 annual meeting of shareholders. The Class II directors elected at the meeting will serve until our 2019 annual meeting of shareholders.

We intend that valid proxies received will be voted, unless contrary instructions are given, to elect the three nominees named in the following table to serve as Class I and Class II directors. Should any nominee decline or be unable to accept such nomination to serve as a director, an event that we do not currently anticipate, the persons named in the enclosed proxy reserve the right, in their discretion, to vote for a lesser number of or for substitute nominees designated by our Board, to the extent consistent with our certificate of incorporation and our bylaws.

Nominees

Our Board has nominated the following individuals to serve as Class I and Class II directors until our 2022 and 2019, respectively, annual meeting of shareholders or until their respective successors are elected. Each of the nominees has agreed to be named in this Proxy Statement and to serve if elected.

CORPORATE GOVERNANCE

Board Meetings

During the year ended December 31, 2015, our Board met seven times. Each director attended at least 75% of the aggregate of the total number of meetings of our Board and the total number of all meetings held by committees on which he served during the year ended December 31, 2015. All of our directors are invited, but not required, to attend the annual meeting. One director attended the 2014 annual meeting.

Information about Committees of our Board of Directors

Our Board of Directors has established three committees, the Audit Committee, comprised of Messrs. Williams (chairman), Goergen and Dr. Puri, the Compensation Committee comprised of Messrs. Goergen (chairman) and Bash, and the Nominating Committee, comprised of Messrs. Bash (chairman), Goergen, and Williams. Our Board of Directors has determined that each of these persons is “independent” under the rules of the OTCQX Marketplace and applicable regulatory requirements.

Audit Committee

Mr. Williams serves as Chairman of our Audit Committee. Our Audit Committee held four meetings during the year ended December 31, 2015 and operates under a charter adopted by our Board on March 23, 2004 and amended and restated on August 9, 2006. The charter is available on our website at www.crexendo.com. Our Audit Committee is responsible for reviewing and discussing our audited financial statements with management, discussing information with our auditors relating to the auditors' judgments about the quality of our accounting policies and procedures, recommending to our Board that the audited financials be included in our Annual Report on Form 10-K and overseeing compliance with the Securities and Exchange Commission requirements for disclosure of auditors' services and activities.

Our Board of Directors has determined that David Williams, Chairman of our Audit Committee, is an audit committee financial expert as defined in Item 407(d) of Regulation S-K under the Securities Exchange Act of 1934, as amended. No Audit Committee member serves on more than three publicly-traded companies.

Compensation Committee

Mr. Goergen serves as Chairman of our Compensation Committee. The Compensation Committee held two meetings during the year ended December 31, 2015 and evaluates the performance of executives, pursuant to the Compensation Committee Charter, a copy of which is posted on our website at www.crexendo.com. The Compensation Committee recommends to our Board policies for executive compensation and approves the remuneration of all our officers, including our Chief Executive Officer. It also administers our stock option and incentive compensation plans and recommends the establishment of and monitors the compensation and incentive program for all our executives.

The Compensation Committee did not retain a compensation consultant during the years ended December 31, 2015 and 2014.

Our senior management works closely with the Compensation Committee to evaluate and recommend compensation for our other officers and employees. In addition, the CEO makes recommendations to the Compensation Committee regarding compensation for other executives.

Nominating Committee

Mr. Bash serves as the Chairman of our Nominating Committee. Our Nominating Committee, which held one meeting since our last annual meeting, reviews and suggests candidates for election or appointment to our Board, and operates pursuant to our Nominating Committee Charter, a current copy of which is posted on our website at www.crexendo.com. Our Nominating Committee may attempt to recruit persons who possess the appropriate skills and characteristics required of members of our Board. Our Nominating Committee may use any reasonable means for recruitment of potential members including their own expertise or the use of one or more third-party search firms to assist with this purpose.

In the course of reviewing potential director candidates, the Nominating Committee considers nominees recommended by our shareholders. When considering a potential candidate for service as a director, the Nominating Committee may consider, in addition to the minimum qualifications and other criteria approved by our Board, all facts and circumstances that the Nominating Committee deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her availability, depth and breadth of business experience or other background characteristics, his or her independence and the needs of our Board. At a minimum, each nominee, whether proposed by a stockholder or any other party, is expected to have the highest personal and professional integrity, demonstrate sound judgment and possesses the ability to effectively interact with other members of our Board to serve the long-term interests of our company and shareholders. In addition, the Nominating Committee may consider whether the nominee has direct experience in our industry or in the markets in which we operate and whether the nominee, if elected, assists in achieving a mix of Board members that represent a diversity of background and experience. The procedures to be followed by shareholders in submitting such recommendations are described below in the section entitled “Submission of Securities Holder Recommendations for Director Candidates.”

Independence of our Board of Directors

Under the OTCQX Marketplace listing standards, a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by its board of directors. Our Board consults with our legal counsel to ensure that our Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of the OTCQX Marketplace, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and our company, our senior management and our independent auditors, our Board has affirmatively determined that the following four directors are independent directors within the meaning of the applicable rules of the OTCQX Marketplace: Mr. Goergen, Mr. Williams, Mr. Bash and Dr. Puri. In making this determination, our Board found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company.

Leadership Structure

Our Chief Executive Officer serves as the Chairman of the Board. We believe that this leadership structure is appropriate due to the nature of our business. Mr. Mihaylo’s experience in leadership positions throughout our company during his tenure, as well as his role in developing and executing the strategic plan, is critical to our future results. Mr. Mihaylo was able to utilize his in-depth knowledge and perspective gained in running our company to effectively and efficiently guide the full Board by recommending Board and committee meeting agendas, leading Board discussions on critical issues and creating a vital link among the Board, management and shareholders. Our Board believes this structure serves our shareholders by ensuring the development and implementation of our company’s strategies.

Risk Oversight

Our primary risk consists of managing our operations within the current environment of being a start-up hosted telecom service provider. Our Telecommunication Services segment products and services are sold nationwide and our success is dependent on that being managed effectively. In general, our Board, as a whole and also at the committee level, oversees our risk management activities. Our Board annually reviews management’s long-term strategic plan and the annual budget that results from that strategic planning process. Using that information, our Compensation Committee establishes both the short-term and long-term compensation programs that include all our executives (including the named executive officers identified in the Summary Compensation Table on page 19 (the

“NEOs”)). These compensation programs are ratified by our Board, as a whole. The compensation programs are designed to focus management on the performance metrics underlying the operations of the Company, while limiting risk exposure to our company. Our Board receives periodic updates from management on the status of our operations and performance (including updates outside of the normal Board meetings). Finally, as noted below, our Board is assisted by our Audit Committee in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing and financial reporting practices. Thus, in performing its risk oversight our Board establishes the performance metrics, monitors on a timely basis the achievement of those performance metrics, and oversees the mechanisms that report those performance metrics.

Code of Business Conduct

We have adopted a Code of Business Conduct and Ethics applicable to our directors, officers and employees. A copy of this code is posted on our website at www.crexendo.com. In the event that we amend or waive any of the provisions of the Code of Business Conduct and Ethics applicable to our Chief Executive Officer, Chief Financial Officer, we intend to satisfy our disclosure obligations under Item 5.05 of Form 8-K by posting such information on our website.

Certain Relationships and Related Transactions

Our Audit Committee is responsible for review and, as it determines appropriate, approval or ratification of “related-party transactions” between our company and related persons or entities, other than executive compensation decisions which are addressed by our Compensation Committee. We have adopted policies and procedures that apply to any transaction or series of transactions in which our company or a subsidiary is a participant, the amount involved exceeds \$10,000, and a related person or entity has a direct or indirect material interest. Our Audit Committee has determined that, barring additional facts or circumstances, a related person or entity does not have a direct or indirect material interest in any of the following categories of transactions:

- any transaction with another company for which a related person’s only relationship is as an employee (other than an executive officer), director, or beneficial owner of less than 10% of that company’s shares, if the amount involved does not exceed \$10,000;
- any charitable contribution, grant, or endowment by the company to a charitable organization, foundation, or university for which a related person’s only relationship is as an employee (other than an executive officer) or a director, if the amount involved does not exceed \$10,000;
- compensation to directors, for service as directors, determined by our Board;
- transactions in which all securities holders receive proportional benefits; or
- banking-related services involving a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar service.

Transactions involving related persons or entities that are not included in one of the above categories are reviewed by our Audit Committee. Our Audit Committee determines whether the related person or entity has a material interest in a transaction and may approve, not approve or take other action with respect to the transaction in its discretion.

Stockholder Communications

Shareholders and other interested parties who wish to communicate with non-management directors of the Company should send their correspondences to: Crexendo Non-Management Directors, Crexendo, Inc., 1615 South 52nd Street, Tempe, Arizona 85281, or by email to nonmanagementdirectors@crexendo.com. All communications are forwarded directly to the appropriate non-management director.

Submission of Security Holder Recommendations for Director Candidates

All security holder recommendations for director candidates must be submitted in writing to the Secretary of our company, Jeffrey G. Korn, at 1615 South 52nd Street, Tempe, Arizona 85281, who will forward all recommendations to the Nominating Committee. All security holder recommendations for director candidates must be submitted to our company not less than 120 calendar days prior to the date on which the company’s Proxy Statement was released to shareholders in connection with the previous year’s annual meeting of shareholders. All security holder recommendations for director candidates must include (1) the name and address of record of the security holder, (2) a representation that the security holder is a record holder of our security, or if the security holder is not a record holder,

evidence of ownership in accordance with Rule 14a-8(b), (2) of the Securities Exchange Act of 1934, (3) the name, age, business and residential address, educational background, public company directorships, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate, (4) a description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for directors approved by our Board from time to time, (5) a description of all arrangements or understandings between the security holder and the proposed director candidate, (6) the consent of the proposed director candidate to be named in the proxy statement, to have all required information regarding such director candidate included in the applicable proxy statement, and to serve as a director if elected, and (7) any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the Securities and Exchange Commission.

Director Compensation

The annual pay package for non-employee directors is designed to attract and retain highly qualified professionals to represent our shareholders. We also reimburse our directors for travel, lodging and related expenses they incur on company-related business, including Board and committee meetings. In setting director compensation, we consider the amount of time that directors spend in fulfilling their duties to the Company as well as the skill level required by our directors. Directors who are also employees receive no additional compensation for serving on our Board. For the years ended December 31, 2015 and 2014, non-employee director compensation consisted of the following.

Cash Compensation. For the years ended December 31, 2015 and 2014, our non-employee directors did not receive any cash compensation.

Stock Options and Restricted Shares. On March 4, 2014, we granted to each non-employee director an option to purchase 10,000 shares of common stock at an exercise price of \$3.19, which price was not less than 100% of the fair market value of an underlying share of common stock on the date of grant. Each such option was fully vested and exercisable on the date of grant. In conformity with accounting guidance, the option awards to our non-employee directors were valued using the Black-Scholes option-pricing model on the date of grant, which were valued at \$1.43 per share.

Each such option was fully vested and exercisable on the date of grant. In conformity with accounting guidance, the option awards to our non-employee directors were valued using the Black-Scholes option-pricing model on the date of grant, which were valued at \$0.83 per share.

On December 31, 2015, we granted to each non-employee director an option to purchase 25,000 shares of common stock at an exercise price of \$1.11, which price was not less than 100% of the fair market value of an underlying share of common stock on the date of grant. Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent registered public accounting firm. The policy generally provides for the pre-approval of the scope of and fees for services in the defined categories of audit services, audit-related services, and tax services. Pre-approval is usually provided by the Audit Committee on a project-by-project basis before the independent registered public accounting firm is engaged to provide that service, and for de minimus projects only, pre-approval is provided with a not-to-exceed fee level determined for a group of such de minimus projects. The

pre-approval of services may be delegated to the Chairman of the Audit Committee, but the decision must be reported to and ratified by the full Audit Committee at its next meeting.

BENEFICIAL OWNERSHIP OF SHARES

The following table sets forth, as of May 20, 2016, the number of shares of our common stock beneficially owned by each of the following persons and groups and the percentage of the outstanding shares owned by each person and group including: (i) each person who is known by us to be the owner of record or beneficial owner of more than 5% of the outstanding shares of our common stock; (ii) each director and nominee; (iii) each of our NEO's; and (iv) all of our current directors and executive officers as a group.

With respect to certain of the individuals listed below, we have relied upon information set forth in statements filed with the Securities and Exchange Commission pursuant to Section 13(d) or 13(g) of the Securities Exchange Act of 1934. Except as otherwise noted below, the address of each person identified in the following table is c/o Crexendo, Inc., 1615 South 52nd Street, Tempe, Arizona, 85281.

- (1) Reflects warrants or options that will be exercisable or vested, as the case may be, as of May 20, 2016, or within 60 days thereafter.
- (2) Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission, based upon 13,320,246 shares of common stock outstanding on May 20, 2016. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options held by that person that are currently exercisable or become exercisable within 60 days following May 20, 2016 are deemed outstanding. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. The persons and entities named in the table have sole voting and sole investment power with respect to the shares set forth opposite such stockholder's name.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based on a review of reports and representations submitted to us, all reports regarding beneficial

ownership of our securities required to be filed under Section 16(a) for the year ended December 31, 2015 were timely filed.

PROPOSAL II
CHANGE STATE OF INCORPORATION

On May 11, 2016, the board of directors of the Company unanimously adopted, declared advisable and submitted for shareholder approval a change in our state of incorporation from Delaware to Nevada by means of a merger of the Company with and into a wholly-owned Nevada subsidiary (the “Reincorporation”). The Company has formed a corporation under the Nevada corporate code (“Crexendo Nevada”). Subject to the approval of our shareholders and certain other conditions, the Company will merge with and into Crexendo Nevada, and each outstanding share of common stock of the Company will be converted into the right to receive one (1) share of common stock of Crexendo Nevada. The name of the Company after the Reincorporation will remain Crexendo, Inc. For purposes of the discussion below, the Company as it currently exists as a corporation organized under the laws of the State of Delaware is sometimes referred to as (“Crexendo Delaware”).

The primary reason for the change of our jurisdiction of incorporation is the cost associated with being incorporated in the State of Delaware. The Company currently spends approximately \$45,000.00 annually in expenses to the State of Delaware. The expected costs in the State of Nevada should be less than \$5,000.00.

The primary benefit of Delaware incorporation is that the State is recognized for adopting comprehensive, modern and flexible corporate laws that are periodically revised to respond to the changing legal and business needs of corporations. Consequently, the Delaware judiciary has become particularly familiar with corporate law matters, and a substantial body of court decisions has developed construing Delaware law. Delaware corporate law, accordingly, has been, and is likely to continue to be, interpreted in many significant judicial decisions.

The board of directors believes that the changing the State of incorporation is in the best interests of the Company and will help maximize shareholder value. The Company has been working to reach cash flow break even and positive EBITDA. The costs savings of moving from Delaware should assist in that regard.

The Board of Directors recommends a vote “FOR” the proposal to change our state of incorporation from Delaware to Nevada identified above.

State of Incorporation Discussion and Analysis

You are urged to read this proposal carefully, including all of the related exhibits referenced below and attached to this proxy statement, before voting on the issue. The following discussion summarizes material provisions associated with the redomestication to the Nevada corporate code. This summary is subject to and qualified in its entirety by the Agreement and Plan of Merger (the “Reincorporation Agreement”) that will be entered into by Crexendo Delaware and Crexendo Nevada in substantially the form attached hereto as Appendix A, the Certificate of Incorporation of Crexendo Nevada to be effective immediately following the Reincorporation (the “Nevada Certificate”), in substantially the form attached hereto as Appendix B, and the Bylaws of Crexendo Nevada to be effective immediately following the Reincorporation (the “Nevada Bylaws”), in substantially the form attached hereto as Appendix C. Copies of the Articles of Incorporation of Crexendo Delaware filed in Delaware, as amended to date (the “Delaware Articles”), and the Amended and Restated Bylaws of Crexendo Delaware, as amended to date (the “Delaware Bylaws”), have been filed on the Securities and Exchange Commission’s EDGAR databased as exhibits to the SEC Form S-1 June 1st 1999, respectively. These documents are also available for inspection at our principal executive offices. Copies will be sent to shareholders free of charge upon written request to Crexendo, Inc.

Reasons for the Reincorporation

Our board of directors and management believe that it is essential for us to become cash flow positive and experience positive EBITDA as quickly as possible. The Company has been very proactive in reducing costs and waste. Although the State of Delaware is often considered to have advantages due to its legal structure for public companies, that advantage comes with substantially higher costs. We believe that our shareholders will benefit from the cost reductions and the ability to more rapidly reach cash flow break even and positive EBITDA. The Board considered the perceived advantages of Delaware law and determined that the substantial cost saving of reincorporating in Nevada, together with the similarity in benefits between Delaware and Nevada law, provided superior benefit to the Company and its stockholders.

Significant Differences between the Corporation Laws of Nevada and Delaware.

The Reincorporation will affect the legal domicile of the Company, which will result in the Company being subject to Section 78 of the Nevada Revised Statutes, rather than Delaware General Corporation Law. Although the corporate statutes of Nevada and Delaware are similar, certain differences exist. Set forth below is a table summarizing the material differences in the rights of the shareholders of the Company before and after the Reincorporation is effective as a result of the differences between Nevada and Delaware law. This table does not address each difference between the two different sets of state laws, but focuses on those differences which the Company believes are most relevant to the existing shareholders. This chart is not intended as an exhaustive list of all differences, and is qualified in its entirety by reference to the Section 78 of the Nevada Revised Statutes and the Delaware General Corporation Law.

Provisions	Nevada	Delaware
Action by Shareholders Without a Meeting	Nevada law provides that unless otherwise provided in the articles of incorporation or the bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding at least a majority of the voting power, except	Delaware law permits shareholders action by less than unanimous written consent and provides that any action that could be taken at an annual or special meeting of shareholders (including the election of directors) may be taken without a meeting, without prior notice and

that if a different proportion of voting power is required for such an action at a meeting, then that proportion of written consents is required.

without vote, if written consents are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Delaware law provides that, in order to be effective, all written consents must be delivered to the corporation within 60 days after the earliest dated consent delivered to the corporation, and prompt notice of the actions by written consent must be given to those shareholders who have not consented in writing and who, if the action had been taken at a meeting would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents were signed by a sufficient number of shareholders to take the action were delivered to Company.

Special Meetings of Shareholders	Under Nevada law, a special meeting of shareholders may be called as set forth in the corporation's bylaws. A Corporation may eliminate such actions by written consent in its articles of incorporation or bylaws.	Under Delaware law, a special meeting of shareholders may be called by the corporation's board of directors or by such persons as may be authorized by the corporation's certificate of incorporation or bylaws.
Quorum	Nevada law provides that, unless the articles of incorporation or the bylaws provide for a greater or lesser proportion, a majority of the board of directors of the corporation then in office, at a meeting duly assembled, is necessary to constitute a quorum for the transaction of business, and the act of directors holding a majority of the voting power of the directors, present at a meeting at which a quorum is present, is the act of the board of directors.	Delaware law provides that, unless the corporation's certificate of incorporation or bylaws provide otherwise, a majority of the votes entitled to be cast on a matter constitutes a quorum for action on that matter. Unlike Nevada law, Delaware law provides that in no event shall a quorum consist of less than one-third of the shares entitled to vote at a meeting.
Removal of Directors	Nevada law allows any director to be removed from office by the vote of shareholders representing not less than two-thirds of the voting power of the class or series of stock of the corporation entitled to elect such director, unless the articles of incorporation provide for cumulative voting or a larger percentage of voting stock. If a Nevada corporation's articles of incorporation provide for cumulative voting, a director may not be removed except upon the vote of shareholders owning sufficient voting power to have prevented such director's election in the first instance.	Delaware law provides that any director may be removed, with or without cause, by a majority of the shares then entitled to vote at an election of directors; however, Delaware law also provides that, so long as a Delaware corporation has a classified board of directors, unless otherwise provided in the corporation's certificate of incorporation, shareholders may effect such removal only for cause.

Authorized Number of Directors	Nevada requires a corporation to have at least one director, and may provide in its articles of incorporation or in its bylaws for a fixed number of directors or a variable number of directors, and for the manner in which the number of directors may be increased or decreased.	Delaware law requires that a corporation must have a minimum of one director and may provide in its articles of incorporation or in its bylaws for a fixed number of directors or a variable number of directors, and for the manner in which the number of directors may be increased or decreased.
Indemnification of Directors	Nevada laws require a corporation to indemnify a director, except as detailed in Section 78.751(3)(a) and requires the corporation to indemnify a director who has been successful on the merits or otherwise in defense of any civil action.	Delaware law requires a corporation to indemnify a director who was successful, on the merits or otherwise, in the defense of any claim, issue or matter, to which he or she was a party because of his or her status as a director of the corporation, against reasonable expenses incurred in connection with the proceeding or claim with respect to which he or she was successful.
Amendments to the Articles (Certificate) of Incorporation	Nevada law provides that the board of directors must adopt a resolution setting forth the amendment proposed and either call a special meeting of the stockholders entitled to vote on the amendment or direct that the amendment be voted on at the next annual meeting of the stockholders. Stockholders constituting at least a majority of the voting power must vote in favor of the amendment.	Under Delaware law, shareholders are not entitled to enact an amendment to the certificate of incorporation without appropriate action taken by the board of directors. Amendments to the certificate of incorporation generally require that the board of directors adopt a resolution setting forth the amendment, declaring its advisability and submitting it to a vote of the shareholders.
Dissenters' (Appraisal) Rights	Under Nevada law a shareholder of a corporation participating in certain major corporate transactions may, under varying circumstances, be entitled to appraisal rights pursuant to which such shareholder may receive cash in the amount of the fair market	Delaware law provides appraisal rights only in the case of certain mergers or consolidations. Thus, under Delaware law, shareholders have no appraisal rights in the event of a sale, lease or

value of his or her shares in lieu of the consideration he or she would otherwise receive in the transaction. Nevada law, dissenters' (or appraisal) rights are not available in a merger or share exchange if the shares held by the shareholders prior to the share exchange or merger were either listed on a national securities exchange or held by at least 2,000 shareholders of record, unless the articles of incorporation of the corporation provide for dissenters' rights or the shareholders are required to accept under the plan of merger or share exchange anything other than cash, shares of the surviving corporation, shares of a publicly traded or widely held corporation, or a combination of these.

exchange of all or substantially all of a corporation's assets. Appraisal rights in Delaware are available only to record holders. No appraisal rights exist, however, for corporations whose shares are listed on a national securities exchange or held of the record by more than 2,000 shareholders unless the articles of incorporation provides otherwise or the shareholders are to receive in the merger or consolidation anything other than (a) share of stock of the corporation surviving or resulting from such merger or consolidation, (b) shares of stock of any other corporation which at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 shareholders, (c) cash in lieu of fractional shares of the corporation described in the foregoing clauses (a) and (b), or (d) any combination of clauses (a), (b), or (c).

Delaware law permits a shareholder who has received notice of appraisal rights, and who has submitted a written demand for appraisal, to file a petition with the Court of Chancery of the State of Delaware to demand a determination of the fair value of such shareholder's shares. Such petition must be filed within 120 days after the effective date of a merger or consolidation.

Dividends

Nevada law prohibits a distribution (including dividends, purchases, redemptions or other acquisition of shares, distributions of indebtedness, or otherwise) if, after giving effect to the distribution, (i) the corporation would not be able to pay its debts as they become due in the usual course of business or (ii) except as provided in the articles of incorporation, the corporation's total assets would be less than the sum of its total liabilities plus the amount that would be needed, if the corporation were to be dissolved at the time of distribution, to satisfy the preferential rights upon dissolution of shareholders whose preferential rights are superior to those receiving the distribution.

Delaware law provides the same provisions with respect to declaration of dividends as Nevada law. Delaware law defines surplus as the excess of the net assets of the corporation over its capital. Unless the corporation's board of directors determines otherwise, the capital of the corporation is equal to the aggregate par value of the issued shares of stock having par value. Therefore, Delaware law permits a corporation to declare and pay dividends out of surplus or, if there is no surplus, out of the net profits for the fiscal year in which the dividend is declared and/or for the preceding fiscal year.

Anti-Takeover Provisions

Nevada has adopted special laws designed to make certain kinds of "unfriendly" corporate takeovers, or other transactions involving a corporation and one or more of its significant shareholders, more difficult. This act related to public companies either listed on an exchange or with at least 2,000 shareholders.

Nevada law prohibits a Nevada corporation from engaging in a "combination" with an "interested stockholder" for three years following the date that such person becomes an interested shareholder and place certain restrictions on such combinations even after the expiration of the three-year period. With certain exceptions, an interested stockholder is a person or group that owns 10% or more of the corporation's outstanding voting power (including stock with respect to which the person has voting rights

Delaware law prohibits a Delaware corporation that is (a) listed on a national securities exchange; (b) authorized for quotation on the NASDAQ Stock Market; or (c) held of record by more than 2,000 shareholders from engaging in any "business combination" with any "interested stockholder" for a period of three years from the date that such person became an interested stockholder. A Delaware corporation subject to the above may engage in a "business combination" with an "interested stockholder" under certain circumstances in which, prior to the person becoming an interested stockholder, the corporation's board of directors approves the "business combination" with the interested stockholder or

and any rights to acquire stock pursuant to an option, warrant, agreement, arrangement, or understanding or upon the exercise of conversion or exchange rights) or is an affiliate or associate of the corporation and was the owner of 10% or more of such voting stock at any time within the previous three years.

A Nevada corporation may elect not to be governed by these provisions in its articles of incorporation.

Nevada has a control shares act. See 78.378 et seq. which

the transaction in which the person becomes an interested stockholder. A “business combination” is defined as, among other things, a merger or consolidation of the corporation or any subsidiary with the interested stockholder or with any other corporation if such transaction is caused by the interested stockholder and as a result of such merger or consolidation Section 203 of the DGCL is not applicable to the surviving corporation. An “interested stockholder” is defined as any person that (a) owns 15% or more of the corporation voting stock at any time within the three-year period immediately previous to the date on which it is sought to be determined whether such person is an interested stockholder.

Potential Disadvantages of Reincorporation

The board of directors has also considered the potential disadvantages of the Reincorporation. Operating as a Delaware corporation provides certain perceived benefits. For example, Delaware law is perceived to be highly developed and predictable. Delaware has adopted comprehensive and flexible corporate laws that are revised regularly to meet changing business circumstances. The Delaware legislature is particularly sensitive to issues regarding corporate law and is especially responsive to developments in modern corporate law. In addition, Delaware offers a system of specialized Chancery Courts to deal with corporate law questions, which have streamlined procedures and processes that help provide relatively quick decisions. These courts have developed considerable expertise in dealing with corporate issues, as well as a substantial and influential body of case law construing Delaware's corporate law. In addition, the Delaware Secretary of State is particularly flexible, highly experienced and responsive in its administration of the filings required for mergers, acquisitions and other corporate transactions.

Delaware law is the preferred state of incorporation for institutional investors and underwriters. Such entities are familiar with its provisions and prefer to assist or invest in companies who corporate law provisions they understand.

Delaware has become the preferred state of incorporation for most major American corporations, and Delaware law and administrative practices have become comparatively well-known and widely understood. Delaware case law provides a well-developed body of law defining the proper duties and decision making process expected of a board of directors in evaluating potential and proposed corporate takeover offers and business combinations. Our board of directors believes however that the substantial cost savings are more important than what may be the minor advantages of Delaware law.

Effect of the Reincorporation

The Reincorporation will be effected by the merger of Crexendo Delaware with and into Crexendo Nevada, a wholly owned subsidiary of the Company that will be incorporated for purposes of the Reincorporation. The Company as it currently exists as a Delaware corporation will cease to exist as a result of the merger, and Crexendo Nevada will be the surviving corporation and will continue to operate our business as it existed prior to the Reincorporation. The existing holders of our common stock will own all of the outstanding shares of Crexendo Nevada common stock, and no change in ownership will result from the Reincorporation. Assuming approval by our shareholders, we currently intend to cause the Reincorporation to become effective as soon as reasonably practicable following the Annual Meeting but not later than December 31, 2016 so the Company would not be required to pay fees in Delaware in 2017.

At the effective time of the Reincorporation (the "Effective Time"), we will be governed by the Nevada Certificate, the Nevada Bylaws and the laws of the state of Nevada. Although the Nevada Certificate and the Nevada Bylaws contain many provisions that are similar to the provisions of the Delaware Articles and the Delaware Bylaws, they do include certain provisions that are different from the provisions contained in the Nevada Articles and the Nevada Bylaws. The laws under which Crexendo Delaware operated and Crexendo Nevada will operate are described in more detail below.

Other than the change in the state of incorporation, the Reincorporation will not result in any change in the business, physical location, management, assets, liabilities or net worth of the Company, nor will it result in any change in location of our current employees, including management. Upon consummation of the Reincorporation, our daily business operations will continue as they are presently conducted at our principal executive offices in Tempe Arizona. The consolidated financial statements of Crexendo Nevada immediately after consummation of the Reincorporation will be the same as those of Crexendo Delaware immediately prior to the consummation of the Reincorporation. In addition, upon the effectiveness of the merger, the board of directors of Crexendo Nevada will consist of those persons elected to the board of directors of Crexendo Delaware and will continue to serve for the term of their respective elections to our Board, and the individuals serving as executive officers of Crexendo Delaware immediately

prior to the Reincorporation will continue to serve as executive officers of Crexendo Nevada, without a change in title or responsibilities. Upon effectiveness of the Reincorporation, Crexendo Nevada will be the successor in interest to Crexendo Delaware, and the shareholders will become shareholders of Crexendo Nevada.

If the Reincorporation is approved, each outstanding share of common stock of Crexendo Delaware will automatically be converted into one share of common stock of Crexendo Nevada when the Reincorporation is affected. Certificates for shares in Crexendo Delaware will automatically represent shares in Crexendo Nevada upon completion of the merger, and shareholders will not be required to exchange stock certificates as a result of the Reincorporation. All of our employee benefit and incentive compensation plans immediately prior to the Reincorporation will be continued by Crexendo Nevada, and each outstanding option to purchase shares of Crexendo Delaware's common stock will be converted into an option to purchase an equivalent number of shares of Crexendo Nevada's common stock on the same terms and subject to the same conditions. The registration statements of Crexendo Delaware on file with the Securities and Exchange Commission immediately prior to the Reincorporation will be assumed by Crexendo Nevada, and the shares of Crexendo Nevada will continue to be listed on The OTCQX as "CXDO".

Abandonment or Amendment to Reincorporation Agreement

The Reincorporation Agreement provides that our board of directors may abandon the Reincorporation at any time prior to the Effective Time if the Board determines that the Reincorporation is inadvisable for any reason. The Company is unaware of any specific material considerations that would necessitate such an action.

The boards of directors of Crexendo Nevada and Crexendo Delaware may amend the Reincorporation Agreement at any time prior to the filing of the Certificate of Merger with the Secretary of State of the State of Nevada, provided that an amendment made subsequent to the adoption of this Agreement by the stockholders or shareholders of either entity shall not: (a) alter or change the amount or kind of shares, securities, cash, property and/or rights to be received in exchange for or on conversion of all or any of the shares of any class or series thereof, (b) alter or change any term of the Certificate of Incorporation of Crexendo Nevada, or (c) alter or change any of the terms and conditions of the Reincorporation Agreement if such alteration or change would adversely affect the holders of any class or series of capital stock of either entity.

Capitalization of Company before and after the Reincorporation

As of May 20, 2016, we were authorized to issue up to 25 million shares of common stock and 5 million share of preferred stock, par value \$0.001 per share, of which 13,320,246 common shares were issued and outstanding and no preferred shares were issued and outstanding. An additional 6,339,047 common shares have been reserved to be issued upon exercise of outstanding options. As of May 20, 2016, we have 4,155,024 issues and outstanding common stock options and 2,184,023 available for future issuance under equity compensation plans. Subsequent to the reincorporation, the Company will have authorized to issue up to 25 million shares of common stock and 5 million share of preferred stock, par value \$0.001 per share. An additional 6,339,047 common shares will be reserved for existing Equity Compensation Plans.

Holders of common stock and stock options will not be required to exchange their Crexendo Delaware stock certificates or stock options, respectively, and should not destroy any stock certificate or stock option or submit any stock certificate or stock option to the Company unless they are requested to do so. Any Crexendo Delaware stock certificates submitted to the Company for transfer after the Effective Time, whether pursuant to a sale or otherwise, will be exchanged automatically for Crexendo Nevada stock certificates.

Dissenters' or Appraisal Rights

The shareholders of the Company will not be entitled to dissenters' rights or appraisal rights as a result of the Reincorporation.

Material U.S. Federal Income Tax Consequences

The following discussion summarizes the material U.S. federal income tax consequences of the Reincorporation to holders of our common stock. This summary is not a comprehensive description of all of the federal tax consequences of the Reincorporation that may be relevant to holders. We urge you to consult your own tax advisor regarding your particular circumstances and the U.S. federal income and estate tax consequences to you of the Reincorporation, as well as any tax consequences arising under the laws of any state, local, foreign or other tax jurisdiction and the possible effects of changes in U.S. federal or other tax laws.

The Reincorporation provided for in the Reincorporation Agreement is intended to be a tax-free reorganization under Section 368(a) of the U.S. Internal Revenue Code. Assuming the reincorporation qualifies as a tax-free reorganization within the meaning of Section 368(a) of the U.S. Internal Revenue Code, and subject to the qualifications and assumptions described in this proxy statement: (a) holders of Crexendo Delaware common stock will not recognize any gain or loss as a result of the consummation of the Reincorporation, (b) the aggregate tax basis of shares of Crexendo Delaware common stock immediately following consummation of the Reincorporation will be equal to the aggregate tax basis of the shares of Crexendo Delaware common stock immediately before consummation of the Reincorporation, and (c) the holding period for the shares of Crexendo Nevada common stock following the Reincorporation will include the holding period of Crexendo Delaware common stock converted therefor.

Accounting Consequences Associated with the Reincorporation

We expect that the Reincorporation will have no effect on the Company from an accounting perspective because there is no change in the entity as a result of the Reincorporation. As such, the historical financial statements of the Company, which have previously been reported to the SEC on our periodic reports, as of and for all periods through the date of this proxy statement, will remain the financial statements of Crexendo Nevada following the Reincorporation.

PROPOSAL III
ADVISORY APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED
EXECUTIVE OFFICERS

Shareholders have an opportunity to cast an advisory vote on compensation of executives as disclosed in this Proxy Statement. This proposal, commonly known as a "Say on Pay" proposal, gives shareholders the opportunity to approve, reject or abstain from voting with respect to our fiscal 2015 executive compensation programs and policies and the compensation paid to the named executive officers.

As discussed in the "Compensation Discussion and Analysis" section of this Proxy Statement, the primary objective of our compensation program, including our executive compensation program, is to help create long-term value for our shareholders by attracting and retaining talented executives, rewarding superior operating and financial performance, and aligning the long-term interests of our executives with those of our shareholders.

This proposal allows our shareholders to express their opinions regarding the decisions of the Compensation Committee on the prior year's annual compensation to the named executive officers. Your advisory vote will serve as an additional tool to guide the Board of Directors and the Compensation Committee in continuing to improve the alignment of the Company's executive compensation programs with the interests of the Company and its shareholders, and is consistent with our commitment to high standards of corporate governance.

If a quorum is present, approval of this proposal requires the affirmative vote of the holders of a majority of the shares present and entitled to vote on the proposal. Abstentions will have the effect of a vote "against" the proposal and broker non-votes will have no effect on the outcome of the vote.

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions by the Board of Directors; it will not create or imply any additional fiduciary duty on the part of the Board of Directors, and it will not restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation. The vote on this proposal is provided as required pursuant to section 14A of the Securities Exchange Act, as amended. The Compensation Committee will take into account the outcome of the vote when considering future compensation arrangements for our named executive officers.

Shareholders are being asked to vote on the following resolution:

RESOLVED: that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the "Compensation Discussion and Analysis" section of this Proxy Statement, compensation tables and the accompanying narrative, is hereby approved.

The Board recommends a vote "FOR" the executive compensation of our
named executive officers as disclosed in this proxy statement.

EXECUTIVE COMPENSATION AND OTHER MATTERS

Compensation Discussion and Analysis

The overall objective of our executive compensation program is to help create long-term value for our shareholders by attracting and retaining talented executives, rewarding superior operating and financial performance, and aligning the long-term interests of our executives with those of our shareholders. Accordingly, our executive compensation program incorporates the following principles:

- We believe that retaining experienced, competent, goal-oriented executives and minimizing executive turnover is in our shareholders' best interests;
- We believe that a portion of our executives' compensation should be tied to measures of performance of our business as a whole and that such measures of performance should be non-discretionary;
- We believe that a portion of our executives' compensation should be tied to measures of performance within each executive's specific job responsibilities and that those measures should be as non-discretionary as possible;
- We believe that the interests of our executives should be linked with those of our shareholders through the risks and rewards of owning our common stock;
- We believe that a meaningful portion of each executive's long-term incentives, and merit increases will vary based upon individual performance;
- We believe that each executive's performance against corporate and individual objectives for the previous year should be periodically reviewed, and that the difficulty of achieving desired results in any particular year must be considered; and
- We believe that we should consider the ability of each executive to support our long-term performance goals; as well as each executive's ability to fulfill his or her management responsibilities and his or her ability to work with and contribute to our executive management team.

Executive Compensation Procedures

In conjunction with our efforts to achieve the executive compensation objectives and implement the underlying compensation principles described above, we follow the procedures described below:

Role of the Compensation Committee

The Compensation Committee periodically requests and receives survey data from our human resource department on the compensation levels and practices of companies that need executive officers with skills and experience similar to what we require, companies that are in the same or similar industries as us, and companies with market capitalizations and revenues similar to us. The Compensation Committee uses this broad based survey information as a check on whether our compensation packages are consistent with current industry practices and are at a level that will enable us to attract and retain capable executive officers. We did not retain the services of a compensation consulting firm in 2015 or 2014.

With respect to executives other than the Chief Executive Officer, the Compensation Committee seeks and receives recommendations from the Chief Executive Officer with respect to performance and appropriate levels of compensation. The Committee does not request or accept recommendations from the Chief Executive Officer concerning his own compensation.

The Compensation Committee's conclusions and recommendations on the compensation packages for our executive officers are based on the total mix of information from the sources described above, as well as the Committee Members' general knowledge of executive compensation practices and their personal evaluations of the likely effects

of compensation levels and structure on the attainment of our business and financial objectives.

Each year, our senior management prepares a business plan and establishes goals for our company. The Compensation Committee reviews, modifies (if necessary), occasionally sets, and ultimately approves these goals, which are then incorporated into the company's business plan. Periodically throughout the year, the Compensation Committee compares Company goals against actual circumstances and accomplishments. The Compensation Committee may revise the Company's goals and business plan if they determine that circumstances warrant.

The Compensation Committee relies on its judgment in making compensation recommendations and decisions after reviewing our company's overall performance and evaluating each executive's performance against established goals, leadership ability, responsibilities within the company, and current compensation arrangements. The compensation program for NEOs and the Compensation Committee assessment process are designed to be flexible so as to better respond to the evolving business environment and individual circumstances.

The Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Compensation Committee consisting of one or more members of the committee. In particular, the Compensation Committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the committee who are (a) "Non-Employee Directors" for the purpose of Rule 16b-3 under the Securities Exchange Act of 1934, as in effect from time to time, and (b) "outside directors" for the purposes of Section 162(m) of the Internal Revenue Code, as in effect from time to time.

Elements of our Compensation Programs: What our Compensation Programs are Designed to Award and Why We Choose Each Element

Elements of Compensation. We implement the executive compensation objectives and principles described above through the use of the following elements of compensation, each of which is described in greater detail below:

- Base Salary
- Stock Option Awards
- Retirement Benefits
- Other Personal Benefits

The Compensation Committee evaluates overall compensation levels for each NEO in relation to other executives within our company and in relation to the NEO's prior year compensation. The Compensation Committee also considers competing offers made to NEOs, if any. The Compensation Committee considers each element of compensation collectively with the other elements when establishing the various forms and levels of compensation for each NEO. The Compensation Committee approves compensation programs which it believes are competitive with our peers, such that the combination of base pay and performance-based bonuses results in an aggregate rate of cash salary, bonus compensation, equity awards and other benefits for our NEOs within competitive market standards.

In determining long-term equity awards to executives, the Compensation Committee considers total equity awards available under the Plan, the number of equity awards to be granted to each executive in relation to other executives, the overall compensation objective for each executive, and the number and type of awards to executives in prior years.

Base Pay. Base salaries of the NEOs are set at levels that the Compensation Committee believes are generally competitive with our market peers so as to attract, reward, and retain executive talent. The Compensation Committee may opt to pay higher or lower amounts depending on individual circumstances. The Compensation Committee sets the base pay of the Chief Executive Officer and the other NEOs after reviewing recommendations from our Chief Executive Officer. Annual adjustments are influenced by growth of our operations, revenues and profitability, individual performance, changes in responsibility, and other factors. The table below summarizes base pay for our NEOs as of December 31, 2015 and 2014:

Name	Base Pay	Position
Steven G. Mihaylo	\$-	Chief Executive Officer and Chairman of the Board
Doug Gaylor	\$200,000	Chief Operating Officer and President
Satish Bhagavatula	\$180,000	Chief Technology Officer
Jeff Korn	\$150,000	Chief Legal Officer
Ron Vincent	\$150,000	Chief Financial Officer

Stock Option Awards. The Compensation Committee grants discretionary, long-term equity awards to our NEOs under the Plan. These awards have historically been in the form of stock options. The Compensation Committee believes that stock option awards align the interests of NEOs with the interests of our shareholders and will incentivize the NEOs to provide stockholder value. The Compensation Committee believes that such grants provide long-term performance-based compensation, help retain executives through the vesting periods, and serve to align management and stockholder interests. In making awards under the Plan, the Compensation Committee considers grant size. Options vest only to the extent that the NEO remains a company employee through the applicable vesting dates, typically monthly over three - four years. We believe the three - four year vesting schedule assists in retaining executives and encourages the NEOs to focus on long-term performance.

We have granted stock options to our NEOs with an exercise price equal to the closing price per share on the date of the grant. We do not grant options with an exercise price below 100% of the trading price of the underlying shares of our common stock on the date of grant. Stock options only have a value to the extent the value of the underlying shares on the exercise date exceeds the exercise price. Accordingly, stock options provide compensation only if the underlying share price increases over the option term and the NEO's employment continues with us until the vesting date.

In granting stock options to the NEOs, we also consider the impact of the grant on our financial performance, as determined in accordance with accounting guidance. For share-based equity awards, we record expense in accordance with accounting guidance. The amount of expense we record pursuant to accounting guidance may vary from the corresponding compensation value we use in determining the amount of the awards.

Retirement and Other Personal Benefits. All of our NEOs receive similar retirement and other personal benefits. We sponsor the Crexendo, Inc. Retirement Savings Plan (the "401(k) Plan") for eligible employees. Our NEOs participate in the 401(k) Plan. The 401(k) Plan is a broad-based, tax-qualified retirement plan under which eligible employees, including the NEOs, may make annual pre-tax salary reduction contributions, subject to the various limits imposed under the Internal Revenue Code of 1986, as amended (the "Code"). We make matching contributions under the 401(k) Plan on behalf of eligible participants, including the NEOs, at the rate of 100% of the first one percent and 50% of each additional percentage of each participating NEO's salary up to a six percent deferral, with a two-year vesting schedule for the matched portion. Matching contributions are not subject to non-discrimination requirements imposed by the Code. The 401(k) Plan is intended to help us attract and retain qualified executives through the offering of competitive employee benefits. We do not maintain any other pension or retirement plans for the NEOs.

We provide other traditional benefits and limited perquisites to our NEOs in order to achieve a competitive pay package as detailed in the Summary Compensation Table. The Compensation Committee believes that these benefits, which are detailed in the Summary Compensation Table under the heading "All Other Compensation", are reasonable, competitive, appropriate, and consistent with our overall executive compensation program. Other than our company's contributions to the 401(k) Plan, these benefits consist principally of employer-paid premiums on health insurance, personal automobile reimbursements, and mobile phone communications charges.

Compensation of Steven G. Mihaylo, Chief Executive Officer. Mr. Mihaylo is primarily responsible for investor relations activities and the general management of our NEOs. Mr. Mihaylo receives a small base salary to cover

personal insurance premiums. Mr. Mihaylo does not participate in any non-equity incentive plans, but is eligible to receive stock option awards or other equity compensation. The Compensation Committee believes Mr. Mihaylo's interests are directly aligned with the interests of our shareholders because of Mr. Mihaylo's significant equity holdings in our company and his eligibility to participate in stock option awards or other equity compensation.

Compensation of Ronald Vincent, Chief Financial Officer. Mr. Vincent has general responsibility for our accounting, finance, and human resource functions. Mr. Vincent receives a base salary similar to the other NEOs. Mr. Vincent also receives retirement and other personal benefits similar to the other NEOs. Mr. Vincent receives stock options or other equity compensation similar to Messrs. Gaylor and Korn.

Compensation of Doug Gaylor, President and Chief Operating Officer. Mr. Gaylor has general responsibility for our operations. Mr. Gaylor receives a base salary similar to the other NEOs. Mr. Gaylor also receives retirement and other personal benefits similar to the other NEOs. Mr. Gaylor receives stock options or other equity compensation similar to Messrs. Korn and Vincent.

Compensation of Jeffrey G. Korn, Chief Legal Officer. Mr. Korn has general responsibility for our regulatory and legal compliance. Mr. Korn receives a base salary similar to the other NEOs. Mr. Korn also receives retirement and other personal benefits similar to the other NEOs. Mr. Korn receives stock options or other equity compensation similar to Messrs. Gaylor and Vincent.

Deductibility of Executive Compensation. Section 162(m) of the Code imposes a \$1 million annual limit on the amount that a public company may deduct for compensation paid to its chief executive officer during a tax year or to any of its three other most highly compensated executive officers who are still employed at the end of the tax year. The limit does not apply to compensation that meets the requirements of Code Section 162(m) for “qualified performance-based” compensation (i.e., compensation paid only if the executive meets pre-established, objective goals based upon performance criteria approved by the shareholders).

The Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code. In certain situations, the Compensation Committee may approve compensation that will not meet the requirements of Code Section 162(m) in order to ensure competitive levels of total compensation for our executive officers. We do not have a stockholder approved non-equity incentive compensation plan. As a result, all bonus amounts paid to the NEOs do not constitute qualified performance-based compensation for purposes of Code Section 162(m). For the years ended December 31, 2015 and 2014, the compensation paid to the NEOs did not exceed the limitations imposed by Code Section 162(m).

Potential Payments upon Termination or Change-in-Control

Acceleration of Vesting of Options and Other Stock Awards upon Change in Control. All outstanding stock options awarded to the NEOs become fully vested upon a “change in control,” without regard to whether the NEO terminates employment in connection with or following the change in control.

If a change in control results in acceleration of vesting of an NEO's otherwise unvested stock options and other stock awards, and if the value of such acceleration exceeds 2.99 times the NEO's average W-2 compensation from employment with the company for the five taxable years preceding the year of the change in control (the "Base Period Amount"), the acceleration would result in an excess parachute payment under Code Section 280G equal to the value of such acceleration which is in excess of the NEO's average W-2 compensation from employment with the company for the five taxable years preceding the year of the change in control. An NEO would be subject to a 20% excise tax under Code Section 4999 on any such excess parachute payment and we would be unable to deduct the excess parachute payment.

AUDIT COMMITTEE REPORT

In accordance with the Audit Committee Charter adopted by our Board on March 23, 2004 and amended and restated on August 9, 2006, the Audit Committee is responsible for reviewing and discussing our audited financial statements with management, discussing information with our independent registered public accounting firm relating to such firm's judgments about the quality of our accounting policies and practices, recommending to our Board that the audited financials be included in our Annual Report on Form 10-K and overseeing compliance with the Securities and Exchange Commission requirements for disclosure of such firm's services and activities. Currently the Audit Committee is comprised of Goergen, Kamm and Williams. Our Board has determined that each of these persons is independent. The Audit Committee Charter is in compliance with all regulatory requirements, and is published on our website.

Our management has the primary responsibility for our financial statements as well as our financial reporting process, policies and internal controls. Our independent registered public accounting firm is responsible for performing an audit of our financial statements and expressing an opinion as to the fair presentation of such financial statements in accordance with U.S. generally accepted accounting principles. Our Audit Committee is responsible for, among other things, reviewing the results of the audit engagement with our independent registered public accounting firm; reviewing the adequacy, scope and results of the internal accounting controls and procedures; reviewing the degree of independence of our independent registered public accounting firm; reviewing the fees of such firm; and recommending the engagement of our independent registered public accounting firm to the full Board.

In this context, the Audit Committee reviewed and discussed our audited financial statements as of and for the years ended December 31, 2015 and 2014 with management and our independent registered public accounting firm. The Audit Committee discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. In addition, the Audit Committee received written confirmation, in accordance with standards of the Public Company Accounting Oversight Board, and discussed with our independent registered public accounting firm their independence from our company. The Audit Committee has also considered whether such firm's provision of non-audit services to us is compatible with maintaining such firm's independence.

The members of the Audit Committee are not engaged in the accounting or auditing profession. In the performance of their oversight function, the members of the Audit Committee necessarily relied upon the information, opinions, reports and statements presented to them by our management of and by our independent registered public accounting firm. As a result, the Audit Committee's oversight and the review and discussions referred to above do not assure that management has maintained adequate financial reporting processes, policies and internal controls, that our financial statements are accurate, that the audit of such financial statements has been conducted in accordance with the standards of the Public Company Accounting Oversight Board or that our independent registered public accounting firm meets the standards for auditor independence.

Based on the review and discussions above, the Audit Committee recommended that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015.

Section 1.02 Books and Records. Any records maintained by the Corporation in the regular course of its business, including its stock ledger, books of account and minute books, may be maintained on any information storage device or method; provided that the records so kept can be converted into clearly legible paper form within a reasonable time. The Corporation shall so convert any records so kept upon the request of any person entitled to inspect such records pursuant to applicable law.

ARTICLE II
MEETINGS OF THE SHAREHOLDERS

Section 2.01 Place of Meetings. All meetings of the shareholders shall be held at such place, if any, either within or without the State of Nevada, as shall be designated from time to time by resolution of the Board of Directors and stated in the notice of meeting.

Section 2.02 Annual Meeting. A meeting of the shareholders for the election of directors and for the transaction of such other business as may properly come before the meeting shall be held at such date, time and place, if any, as shall be determined by the Board of Directors and stated in the notice of the meeting.

Section 2.03 Special Meetings. Special meetings of shareholders for any purpose or purposes shall be called pursuant to a resolution approved by the Chairman of the Board of Directors, the Chief Executive Officer, affirmative vote of the Board of Directors, or upon a written request of any stockholder of shareholders holding in the aggregate one-tenth of the voting power of all shareholders delivered in person or sent by registered mail to the Chairman of the Board, the Chief Operation Officer, the Chief Financial Officer or Chief Legal Officer and may not be called by any other person or persons. The only business which may be conducted at a special meeting shall be the matter or matters set forth in the notice of such meeting. Such meeting must be called within sixty (60) days of the verified request.

Section 2.04 Adjournments. Any meeting of the shareholders, annual or special, may be adjourned from time to time to reconvene at the same or some other place, if any, and notice need not be given of any such adjourned meeting if the time, place, if any, thereof and the means of remote communication, if any, are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting. If after the adjournment a new record date is fixed for shareholders entitled to vote at the adjourned meeting, the Board of Directors shall fix a new record date for notice of the adjourned meeting and shall give notice of the adjourned meeting to each stockholder of record entitled to vote at the adjourned meeting as of the record date fixed for notice of the adjourned meeting.

Section 2.05 Notice of Meetings. Notice of the place, if any, date, hour, the record date for determining the shareholders entitled to vote at the meeting (if such date is different from the record date for shareholders entitled to notice of the meeting) and means of remote communication, if any, of every meeting of shareholders shall be given by the Corporation not less than ten days nor more than 60 days before the meeting (unless a different time is specified by law) to every stockholder entitled to vote at the meeting as of the record date for determining the shareholders entitled to notice of the meeting. Notices of special meetings shall also specify the purpose or purposes for which the meeting has been called. Except as otherwise provided herein or permitted by applicable law, notice to shareholders shall be in writing and delivered personally or mailed to the shareholders at their address appearing on the books of the Corporation. Without limiting the manner by which notice otherwise may be given effectively to shareholders, notice of meetings may be given to shareholders by means of electronic transmission in accordance with applicable law. Notice of any meeting need not be given to any stockholder who shall, either before or after the meeting, submit a waiver of notice or who shall attend such meeting, except when the stockholder attends for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any stockholder so waiving notice of the meeting shall be bound by the proceedings of the meeting in all respects as if due notice thereof had been given.

Section 2.06 List of Shareholders. The officer of the Corporation who has charge of the stock ledger shall prepare a complete list of the shareholders entitled to vote at any meeting of shareholders (provided, however, if the record date for determining the shareholders entitled to vote is less than ten days before the date of the meeting, the list shall reflect the shareholders entitled to vote as of the tenth day before the meeting date), showing the address of each stockholder and the number of shares of each class of capital stock of the Corporation registered in the name of each stockholder at least ten days before any meeting of the shareholders. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, on a reasonably accessible electronic network if the information required to gain access to such list was provided with the notice of the meeting or during ordinary business hours, at the principal place of business of the Corporation for a period of at least ten days before the meeting. If the meeting is to be held at a place, the list shall also be produced and kept at the time and place of the meeting the whole time thereof and may be inspected by any stockholder who is present. If the meeting is held solely by means of remote communication, the list shall also be open for inspection by any stockholder during the whole time of the meeting as provided by applicable law. Except as provided by applicable law, the stock ledger of the Corporation shall be the only evidence as to who are the shareholders entitled to examine the stock ledger and the list of shareholders or to vote in person or by proxy at any meeting of shareholders.

Section 2.07 Quorum. Unless otherwise required by law, the Corporation's Certificate of Incorporation (the "Certificate of Incorporation") or these by-laws, at each meeting of the shareholders, a majority in voting power of the shares of the Corporation entitled to vote at the meeting, present in person or represented by proxy, shall constitute a quorum. If, however, such quorum shall not be present or represented at any meeting of the shareholders, the shareholders entitled to vote thereat, present in person or represented by proxy, shall have power, by the affirmative vote of a majority in voting power thereof, to adjourn the meeting from time to time, in the manner provided in Section 2.04, until a quorum shall be present or represented. A quorum, once established, shall not be broken by the subsequent withdrawal of enough votes to leave less than a quorum. At any such adjourned meeting at which there is a quorum, any business may be transacted that might have been transacted at the meeting originally called.

Section 2.08 Conduct of Meetings. The Board of Directors subject to Nevada law may adopt by resolution such rules and regulations for the conduct of the meeting of the shareholders as it shall deem appropriate. At every meeting of the shareholders, the Chief Executive Officer, or in his or her absence or inability to act, an alternate Corporate Officer, shall act as chairman of, and preside at, the meeting. The secretary or, in his or her absence or inability to act, the person whom the chairman of the meeting shall appoint secretary of the meeting, shall act as secretary of the meeting and keep the minutes thereof. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chairman of any meeting of the shareholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board of Directors or prescribed by the chairman of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) the determination of when the polls shall open and close for any given matter to be voted on at the meeting; (c) rules and procedures for maintaining order at the meeting and the safety of those present; (d) limitations on attendance at or participation in the meeting to shareholders of record of the corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (e) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (f) limitations on the time allotted to questions or comments by participants.

Section 2.09 Voting; Proxies. Unless otherwise required by law or the Certificate of Incorporation the election of directors shall be by decided by a plurality of the votes cast at a meeting of the shareholders by the holders of stock entitled to vote in the election. Unless otherwise required by law, the Certificate of Incorporation or these by-laws, any matter, other than the election of directors, brought before any meeting of shareholders shall be decided by the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the matter. Each stockholder entitled to vote at a meeting of shareholders or to express consent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by delivering to the secretary of the Corporation a revocation of the proxy or a new proxy bearing a later date. Voting at meetings of shareholders need not be by written ballot.

Section 2.10 Inspectors at Meetings of Shareholders. The Board of Directors, in advance of any meeting of shareholders, may, and shall if required by law, appoint one or more inspectors, who may be employees of the Corporation, to act at the meeting or any adjournment thereof and make a written report thereof. The Board of Directors may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall (a) ascertain the number of shares outstanding and the voting power of each, (b) determine the shares represented at the meeting, the existence of a quorum and the validity of proxies and ballots, (c) count all votes and ballots, (d) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors and (e) certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. The inspectors may appoint or retain other persons or entities to assist the inspectors in the performance of their duties. Unless otherwise provided by the Board of Directors, the date and time of the opening and the closing of the polls for each matter upon which the shareholders will vote at a meeting shall be announced at the meeting. No ballot, proxies, votes or any revocation thereof or change thereto, shall be accepted by the inspectors after the closing of the polls unless the Court of Chancery of the State of Nevada upon application by a stockholder shall determine otherwise. In determining the validity and counting of proxies and ballots cast at any meeting of shareholders, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for office at an election may serve as an inspector at such election.

Section 2.11 Written Consent of Shareholders Without a Meeting. Any action to be taken at any annual or special meeting of shareholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action to be so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered (by hand or by certified or registered mail, return receipt requested) to the Corporation by delivery to its registered office in the State of Nevada, its principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of shareholders are recorded. Every written consent shall bear the date of signature of each stockholder who signs the consent, and no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated consent delivered in the manner required by this Section 2.11, written consents signed by a sufficient number of holders to take action are delivered to the Corporation as aforesaid. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall, to the extent required by applicable law, be given to those shareholders who have not consented in writing, and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for notice of such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Corporation.

Section 2.12 Fixing the Record Date.

(a) In order that the Corporation may determine the shareholders entitled to notice of or to vote at any meeting of shareholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than 60 nor less than ten days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the shareholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of shareholders of record entitled to notice of or to vote at a meeting of shareholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the determination of shareholders entitled to vote at the adjourned meeting and in such case shall also fix as the record date for shareholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for the determination of shareholders entitled to vote therewith at the adjourned meeting.

(b) In order that the Corporation may determine the shareholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining shareholders entitled to consent to corporate action in writing without a meeting: (i) when no prior action by the Board of Directors is required by law, the record date for such purpose shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery (by hand, or by certified or registered mail, return receipt requested) to its registered office in the State of Nevada, its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of shareholders are recorded and (ii) if prior action by the Board of Directors is required by law, the record date for such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) In order that the Corporation may determine the shareholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the shareholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining shareholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

ARTICLE III BOARD OF DIRECTORS

Section 3.01 General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. The Board of Directors may adopt such rules and procedures, not inconsistent with the Certificate of Incorporation, these by-laws or applicable law, as it may deem proper for the conduct of its meetings and the management of the Corporation.

Section 3.02 Number; Term of Office. The Board of Directors shall consist of one or more members. Each director shall hold office until a successor is duly elected and qualified or until the director's earlier death, resignation, disqualification or removal.

Section 3.03 Newly Created Directorships and Vacancies. Any newly created directorships resulting from an increase in the authorized number of directors and any vacancies occurring in the Board of Directors, maybe filled by the affirmative votes of a majority of the remaining members of the Board of Directors, although less than a quorum, or by a sole remaining director. A director so elected shall be elected to hold office until the earlier of the expiration of the term of office of the director whom he or she has replaced, a successor is duly elected and qualified or the earlier of such director's death, resignation or removal.
