On May 14, 2014 the Company's stockholders approved an amendment and restatement of the 2006 Equity Incentive Plan (the "2006 Plan") in the form of the Second Amended and Restated 2006 Equity Incentive Plan ("Restated Plan"). The Restated Plan will replace the 2006 Plan. The Restated Plan provides flexibility to the compensation committee to use various equity-based incentive awards as compensation tools to motivate the Company's workforce. The Restated Plan will expire on May 14, 2024.

Under the Restated Plan: (i) the maximum number of shares of common stock to be issued under the Restated Plan is 500,000 shares; (ii) shares tendered or held back for taxes will not be added back to the reserved pool under the Restated Plan. Upon the exercise of a stock appreciation right, the full number of shares underlying the Award will be charged to the reserved pool. Additionally, shares reacquired by the Company on the open market or otherwise using cash proceeds of option exercises will not be added to the reserved pool; (iii) the award of stock options (both incentive and non-qualified options), stock appreciation rights, restricted stock, restricted stock units, unrestricted stock, performance shares, dividend equivalent rights and cash-based awards is permitted; (iv) minimum vesting periods are required for grants of restricted stock, restricted stock units and performance share awards; (v) without stockholder approval, the exercise price of stock options and stock appreciation rights will not be reduced and stock options and stock appreciation rights will not be otherwise repriced through cancellation in exchange for cash, other awards or stock options or stock appreciation rights with a lower exercise price; and (vi) any material amendment to the Restated Plan is subject to approval by our stockholders.

The Plan was filed as Appendix A to the Company's definitive proxy statement filed April 4, 2014 and the terms thereof are incorporated herein by reference.
