**FORWARD-LOOKING STATEMENTS**

Statements made by us in this report and in other reports and statements released by us that are not historical facts constitute “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended (the “Securities Act”) and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). These forward-looking statements are necessarily estimates reflecting the judgment of our senior management based on our current estimates, expectations, forecasts and projections and include comments that express our current opinions about trends and factors that may impact future operating results. Disclosures that use words such as “believe,” “anticipate,” “estimate,” “intend,” “could,” “plan,” “expect,” “project” or the negative of these, as well as similar expressions, are intended to identify forward-looking statements. These statements are not guarantees of future performance, rely on a number of assumptions concerning future events, many of which are outside of our control, and involve known and unknown risks and uncertainties that could cause our actual results, performance or achievement, or industry results to differ materially from any future results, performance or achievements, expressed or implied by such forward-looking statements. These risks and uncertainties may include the risks and uncertainties described elsewhere in this report and other filings with the Securities and Exchange Commission (the “SEC”), including the Item 1A. “Risk Factors” section of our annual report on Form 10-K for the year ended December 31, 2013. Any such forward-looking statements, whether made in this report or elsewhere, should be considered in the context of the various disclosures made by us about our businesses including, without limitation, the risk factors discussed in our filings with the SEC. Except as required under the federal securities laws and the rules and regulations of the SEC, we do not have any intention or obligation to update publicly any forward-looking statements, whether as a result of new information, future events, changes in assumptions, or otherwise.

**Assets Under Management or "AUM"**

AUM generally refers to the properties and other assets with respect to which we provide (or participate in) oversight, investment management services and other advice, and which generally consist of real estate properties or loans, and investments in joint ventures. Our AUM is principally intended to reflect the extent of our presence in the real estate market, not the basis for determining our management fees. Our AUM consist of the total estimated fair value of the real estate properties and other real estate related assets either owned by third parties, wholly owned by us or held by joint ventures and other entities in which our sponsored funds or investment vehicles and client accounts have invested. Committed (but unfunded) capital from investors in our sponsored funds is not included in our AUM. The estimated value of development properties is included at estimated completion cost.

**Operating Associates**

Operating associates generally refer to individuals that are employed by or affiliated with third-party consultants, contractors, property managers or other service providers that we manage and oversee on a day-to-day basis with respect to our investments and services businesses.
