Item 1.01. Entry into a Material Definitive Agreement.

On January 25, 2013, German American Bancorp, Inc. (the "Company") and Stock Yards Bank & Trust Company (based in Louisville, Kentucky) (the "Lender") executed and delivered to each other a Loan Agreement dated January 25, 2013 ("Loan Agreement"). Under the Loan Agreement, the Lender has made available to the Company's parent company certain credit facilities, in the form of a term loan made by the Lender on January 25, 2013, in the principal amount of \$10 million and evidenced by a term loan promissory note (the "Term Note") and a revolving line of credit in a maximum principal amount of \$10 million and evidenced by a revolving loan promissory note (the "Revolving Note").

All obligations under the Loan Agreement are secured by a pledge by the parent company to the Lender of all of the stock of the Company's subsidiary bank.

The \$10 million term loan was advanced in its entirety on January 25, 2013, for the purpose of replenishing the parent company's working capital that was spent January 24, 2013, to repay indebtedness owed to the parent company's prior correspondent bank lender. See Item 8.01 of this report. The principal amount of the term loan (which may be prepaid at any time without premium or penalty) is payable in annual installments of \$3 million each on or before December 31 of each of the years 2013 and 2014, and the remaining \$4 million of principal is due on or before the maturity of the Term Note on December 30, 2105. Interest is payable quarterly at a floating rate based upon 90-day LIBOR plus a margin.

The \$10 million revolving line of credit will terminate, and the balances due under the related Revolving Note (if any) will mature, on December 31, 2013. Borrowings are available for general working capital purposes from time to time; no borrowings have yet been made under the revolving line of credit. Quarterly interest payments calculated at the same floating rate as then in effect for the Term Note will be payable in respect of any principal amounts advanced under the revolving line of credit.
