Item 2.05. Costs Associated with Exit or Disposal Activities.

(a) Since signing an operating agreement with the U.S. Department of Education in July 2014, Corinthian Colleges, Inc. (the “Company”) has been focused on completing the orderly sale or wind-down of all of its schools. In February 2015, the Company completed the sale of 53 Everest and WyoTech campuses to Zenith Education Group, Inc., a subsidiary of ECMC Group. As part of that sale, Zenith also agreed to conclude the teach-out process at 12 additional schools that were being closed. In parallel, the Company had been in advanced negotiations with several parties to both sell Heald College and to arrange for teach-out partners to allow its Everest College and WyoTech students in California to continue their education. These negotiations were unsuccessful largely as a result of federal and state regulators seeking to impose financial penalties and conditions on buyers and teach-out partners. As a result, on April 26, 2015, the Company announced that it has ceased substantially all operations and discontinued instruction at its remaining 28 ground campuses (the “Campus Closure”). In connection with the Campus Closure, the Company expects to incur material cash and non-cash charges related to the impairment of its non-liquid assets. Such charges cannot be reasonably estimated at this time, beyond the Company’s expectation that the charges will be material.

(b)-(d) The Company is unable in good faith to determine the type of costs it will incur in connection with the Campus Closure or to estimate the total amount or range of amounts expected to be incurred in connection with the Campus Closure and for each major type of cost associated with the Campus Closure, including any portion that will result in future cash expenditures. The Company will file an amended report on Form 8-K under this Item 2.05 within four business days after it makes a determination of such costs and an estimate or range of estimates for such costs, including any portion that will result in future cash expenditures.

Item 2.06. Material Impairments.

(a) Item 2.05 of this Form 8-K, including the description of the anticipated impairment charge in connection with the Campus Closure, is incorporated by reference in this Item 2.06.

(b)-(c) The Company is unable in good faith to determine the amount or range of amounts of the impairment charge expected to be incurred in connection with the Campus Closure, including any portion that will result in future cash expenditures. The Company will file an amended report on Form 8-K under this Item 2.06 within four business days after it makes a determination of an estimate or range of estimates for such impairment charge, including any portion that will result in future cash expenditures.

Item 7.01. Regulation FD Disclosure.

On April 26, 2015, the Company issued the press release furnished herewith as Exhibit 99.1.

Item 9.01. Financial Statements and Exhibits

(d) Exhibits.

99.1 Press Release dated April 26, 2015.
