Item 11. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

References in this section to Employment Agreements are to the employment agreement in effect for each Named Executive Officer for the applicable period, giving effect to any and all amendments, unless context requires otherwise.

Overview

The Compensation Committee is composed of Kenneth McSweeney, Walter Paulick, Eric Rosenfeld and Terry Stinson (Chairman), each of whom is an independent director under NYSE MKT standards. The Compensation Committee oversees the compensation and employee benefit plans and practices of the Company, including its executive and non-employee director compensation plans. The Compensation Committee's goal is to ensure that executive compensation is competitive yet reasonable, supportive of organizational objectives and shareholder interests and designed to align the interests of executive officers with the Company's long-term performance and increase shareholder value.

This Compensation Discussion and Analysis concerns the compensation of Douglas McCrosson our Chief Executive Officer and Vincent Palazzolo our Chief Financial Officer, who are our Named Executive Officers.

At our 2012 annual meeting of shareholders, we conducted an advisory "Say on When Pay" vote, in which shareholders determined that a "Say on Pay" vote should be held every three years. In accordance with the shareholder vote, we held a "Say on Pay" vote at our 2015 annual meeting, in which shareholders approved the then-current compensation of our Named Executive Officers. The next "Say on When Pay" vote will take place at our annual meeting to be held in 2018. The Compensation Committee considers the results of shareholder advisory votes regarding compensation when reviewing compensation and making compensation decisions.

In 2013, the Compensation Committee modified the process for determining annual salary increases for the Named Executive Officers. In 2014, the Compensation Committee determined separation benefits and consulting compensation arrangements for Edward J. Fred in connection with his resignation as President and Chief Executive Officer of the Company.

During 2015, the Compensation Committee determined to reevaluate the Company's compensation policies and is in the process of finalizing new compensation policies for our Named Executive Officers. The Compensation Committee has engaged a compensation consultant to advise and assist it with developing compensation structures for Messrs. McCrosson and Palazzolo that strike an appropriate balance between maintaining competitive, yet reasonable, compensation levels and benefits and aligning pay with performance. The new compensation structures will include changing the Company's practice of providing long-term employment contracts to the Named Executive Officers in favor of at-will employment with industry competitive severance and other benefits. The new compensation structures will also provide the Compensation Committee with the flexibility to refocus cash and equity performance incentives annually. The Compensation Committee's objective in revising its compensation policies is to provide compensation incentives to its Named Executive Officers that will contribute significantly to the Company's performance.

Existing Compensation Policies and Practices

The Compensation Committee met four times during 2015 to review and discuss executive compensation matters. It has been the Company's practice to enter into three-year employment agreements with our Named Executive Officers and, if considered appropriate by our board of directors, to extend the term of the employment agreements for two additional years in the fourth quarter of the year prior to their expiration. In October 2013, the board extended the term of the Employment Agreements with each of Messrs. McCrosson and Palazzolo from December 31, 2015 to December 31, 2016. In connection therewith, the Compensation Committee tied annual base salary increases for the Named Executive Officers to achievement of performance goals established by the Compensation Committee, as described below.

In March 2014, Mr. McCrosson was appointed President and Chief Executive Officer and the Company entered into an amended and restated Employment Agreement with him.

Determinations of executive compensation are not based on a rigid formula, but focus on both objective and subjective factors that the Compensation Committee believes indicative of a Named Executive Officer's success as an officer of the Company. The Compensation Committee assesses the value of each Named Executive Officer's contribution to the Company, the Company's financial performance during recent fiscal years in light of prevailing business conditions, the Company's goals for the ensuing fiscal years, prevailing compensation levels of the chief executive officer at companies considered to be comparable to the Company and, with respect to each other executive officer, their total compensation relative to the chief executive officer's total compensation.

The Compensation Committee considers recent shareholder approval votes with respect to executive compensation. As mentioned above, the Compensation Committee is in the process of finalizing new compensation policies for the Named Executive Officers and has engaged a compensation consultant to advise and assist it with developing new compensation structures for Messrs. McCrosson and Palazzolo.

The Compensation Committee considers recommendations, if any, from our chief executive officer relating to the compensation of our other executive officers.

Existing Compensation Components

Each of the Employment Agreements, as amended, provides for three primary compensation components: base salary, a performance-based annual bonus and perquisites and other personal benefits, each of which is discussed in detail below.

Base Salary. In addition to the factors addressed above, the Compensation Committee focuses on whether the base salary of each Named Executive Officer is commensurate with the level of responsibility his position entails and with his experience. When determining base salary, the Compensation Committee endeavors to maintain a balance in the range of base salaries of the Named Executive Officers and their respective responsibilities. For fiscal years ended December 31, 2013, 2014 and 2015, Messrs. McCrosson's and Palazzolo's base salary under their respective Employment Agreements was:

	2013	2014	2015
Executive Officer			
	(\$)	(\$)	(\$)
Douglas McCrosson	253,000	313,462	333,125
Vincent Palazzolo	253,000	263,000	269,575

Before his appointment as President and Chief Executive Officer, Mr. McCrosson was the Company's Chief Operating Officer and his Employment Agreement provided for an annual base salary of \$265,000 for 2014. Upon his appointment as President and Chief Executive Officer, the Compensation Committee determined to increase his base salary to an annual rate of \$325,000 for the remainder of 2014 in consideration of his increased level of responsibility. Mr. McCrosson was paid 10 weeks of salary as COO and 42 weeks of salary as CEO in 2014.

The Compensation Committee's past practice has been to set annual base salary increases for each year during the term of the Employment Agreements. When renewing Employment Agreements in October 2013, the Compensation Committee determined that Messrs. McCrosson's and Palazzolo's annual base salary increases for 2015 and 2016 would now be tied to the achievement of individual performance goals. Accordingly, Messrs. McCrosson's and Palazzolo's Employment Agreements provide for discretionary base salary increases in 2015 and 2016, not to exceed 5% of the prior year's base salary, based upon the attainment of individual performance goals. Such goals are established by the Compensation Committee after consultation with Messrs. McCrosson and Palazzolo for the applicable year. The Compensation Committee believes that rewarding management based on achievement of individual performance goals provides additional incentives aligning the executive's goals with the Board's direction for the Company and the Company's overall performance. Based on Messrs. McCrosson's and Palazzolo's performance in relation to the 2014 performance goals, the Compensation Committee determined to increase each of their base salaries by 2.5% for 2015. Based on Messrs. McCrosson's and Palazzolo's performance in relation to the 2015 performance goals, the Compensation Committee determined to increase each of their base salaries by 3.0% for 2016.

Performance-Based Annual Bonus. Each of the Employment Agreements provides for an annual non-discretionary bonus based on changes in our revenues and earnings before interest, taxes, depreciation, and amortization ("EBITDA") from the prior year. Per each Employment Agreement, 25% of the bonus amount is determined by revenues and 75% by EBITDA. If growth targets are met on each metrics, each executive receives his baseline bonus. The current baseline bonus for Mr. McCrosson is 60% of 100% of his base salary, an increase from 45% of his base salary as provided in his Employment Agreement prior to appointment as President and Chief Executive Officer. The current baseline bonus for Mr. Palazzolo is 45% of 100% of his base salary.

The percent of base salary used to calculate the bonus amount decreases or increases depending upon the percent increase or decrease in revenues and EBITDA. For example, if EBITDA and revenues both increase by a 25% margin for a fiscal year ending on or before December 31, 2015, then Mr. McCrosson would receive a bonus equal to (1) 75% of 60% of 110% of his base salary plus (2) 25% of 60% of 110% of his base salary. If EBITDA decreases by 5% and revenues remain the same for a fiscal year ending on or before December 31, 2015, then Mr. McCrosson would receive a bonus equal to (1) 75% of 60% of 50% of his base salary plus (2) 25% of 60% of 75% of his base salary. The performance targets and corresponding percentage of base salary used to calculate the bonus (for the applicable fiscal year) are listed in the tables below. The amounts are adjusted pro ratably in the event EBITDA or revenue growth falls between two targets.

Fiscal Years Ending on or before December 31, 2014		Fiscal Years Beginning on or after January 1, 2015	
	Percent of Base Salary Used to		Percent of Base Salary Used to
Growth	Calculate Bonus Amount	Growth	Calculate Bonus Amount
Decrease 15% or Greater	No Bonus	Decrease 15% or Greater	No bonus
Decrease 10%	75% Decrease	Decrease 10%	75% Decrease
Decrease 5%	50% Decrease	Decrease 5%	50% Decrease
Flat	25% Decrease	Flat	25% Decrease
Increase 5%	10% Decrease	Increase 2%	10% Decrease
Increase 10%	Baseline	Increase 5%	Baseline
Increase 15%	5% Increase	Increase 10%	10% Increase
Increase 25%	10% Increase	Increase 20%	25% Increase
Increase 50%	50% Increase	Increase 30%	50% Increase
Increase 100% or Greater	75% Increase	Increase 50% or Greater	75% Increase

Each executive receives part of his bonus in cash, and the balance in shares of the Company's common stock valued at the volume weighted average price of the common stock on NYSE MKT for the five consecutive trading days ending

two trading days before issuance. Shares of common stock are issued pursuant to the Company's Performance Equity Plan 2009 (described below). Under Mr. McCrosson's current Employment Agreement, the first \$100,000 of his bonus is paid in cash and the balance is paid half in cash and half in shares of common stock. For years prior to his appointment as President and Chief Executive Officer, however, the first \$75,000 of his bonus was paid in cash and the balance paid half in cash and half in shares. Under Mr. Palazzolo's Employment Agreement, the first \$75,000 of his bonus is paid in cash and the balance is paid half in cash and half in shares of common stock. The bonus structure discussed here is set forth in the Employment Agreements and remains unchanged, except for the modification of growth targets for years beginning on or after January 1, 2014, since the Employment Agreements became effective.

Primarily as a result of the change in estimate on the Company's A-10 contract in 2014, for 2014 there was a decrease of more than 15% in both EBITDA and revenues from 2013. Accordingly, Messrs. McCrosson and Palazzolo were not entitled to performance-based annual bonuses for 2014.

Considering challenges addressed by Messrs. McCrosson and Palazzolo during 2014, particularly, the transition to a new Chief Executive Officer and the A-10 change in estimate, in December 2014, the Compensation Committee awarded discretionary merit bonuses to Messrs. McCrosson and Palazzolo in the amounts of \$50,000 and \$30,000, respectively. Accordingly, the discretionary bonuses were awarded subject to Messrs. McCrosson and Palazzolo agreeing to a reduction by such amounts of performance-based annual bonuses earned by them for 2015. Accordingly, Messrs. McCrosson and Palazzolo's bonuses in 2015 were reduced by \$50,000 and \$30,000, respectively.

(1) Total bonus awarded does not include \$50,000 and \$30,000 paid to Messrs. McCrosson and Palazzolo, respectively, as discretionary bonuses for 2014.

Perquisites and Other Personal Benefits. We maintain various employee benefit plans, including medical, dental, life and disability, and these plans are available to all of the Company's key employees. Each of Messrs. McCrosson and Palazzolo is reimbursed for expenses related to the use of an automobile to be used in connection with Company business. Such expenses include lease and insurance costs, repairs and maintenance. The Company maintains a corporate golf club membership that is made available to key employees, including Messrs. McCrosson and Palazzolo. The perquisites and other personal benefits provided to Messrs. McCrosson and Palazzolo are set forth in the Employment Agreements.

Termination and Change in Control Payments

Potential Payments under Current Employment Agreements

Mr. McCrosson's current Employment Agreement provides that if, during the employment term, we terminate him without "cause" or he terminates his employment for "good reason" (as such terms are defined therein), we will be required to pay him his base salary through the end of the employment term and for up to six months thereafter, his medical and dental premiums for continued coverage on our benefit plans as permitted under the Consolidated Omnibus Budget Reconciliation Act of 1985. Mr. Palazzolo's Employment Agreement provides that if, during the employment term, we terminate him without "cause" or he terminates his employment for "good reason" (as such terms are defined therein), we will be required to pay Mr. Palazzolo his base salary through the end of the employment term. We believe such termination payments are reasonable and appropriate in light of non-competition provisions in such executives' Employment Agreements, which prohibit them from competing with the Company for a period of two years following their employment with us.

Mr. McCrosson's current Employment Agreement contains an additional provision, which provides for certain compensation in the event of a change of control (as such term is defined in the agreement) if, within 18 months of such change of control, Mr. McCrosson's employment is terminated by us without "cause" or by Mr. McCrosson for "good reason." In such event and at Mr. McCrosson's option, in lieu of the above-discussed compensation, we will pay him a lump sum equal to 2 times the lesser of (a) the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment or (b) the average of his total compensation (including salary and bonus) for the five calendar years ending before the change of control. We believe that providing Mr. McCrosson with benefits in the face of a change of control will help us retain him and most importantly, ensure his objectivity in connection with potential transactions that may result in a change of control of the Company.

Other Compensation Matters

Risk Assessment. The Compensation Committee has also reviewed whether the Company's compensation policies and practices might encourage inappropriate risk taking by the Company's Named Executive Officers. The Compensation Committee determined that the current compensation structure aligns the Named Executive Officers' interests with those of the Company without providing rewards for excessive risk-taking by awarding a mix of fixed and incentive compensation, with the compensation structure related to the Company's performance counterbalancing revenue and EBITDA goals, as discussed above.

Tax Considerations. Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million. Certain performance-based compensation, however, is specifically

exempt from the deduction limit. At this time, the Compensation Committee has not taken steps to qualify compensation for deductibility primarily because at current base salaries and bonus potential, it is unlikely that any of our Named Executive Officers would exceed the \$1 million limit in a given year.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended that the Compensation Discussion and Analysis be included in this Annual Report on Form 10-K.

Compensation Arrangements for Named Executive Officers

Douglas McCrosson

On December 16, 2009, we entered into an employment agreement with Douglas McCrosson, which provided for Mr. McCrosson to be employed as our Chief Operating Officer from January 1, 2010 until December 31, 2012. On each of November 4, 2011 and October 31, 2013, we amended our employment agreement with Mr. McCrosson to extend his term ultimately through December 31, 2016. On March 5, 2014, we entered into an amended and restated employment agreement with Mr. McCrosson in connection with his appointment as our President and Chief Executive Officer, which supersedes his prior employment agreement with the Company.

Under his prior employment agreement, Mr. McCrosson's annual base salary was \$253,000 and \$265,000 during 2013 and 2014, respectively. However, beginning with the effectiveness of his amended and restated employment agreement beginning March 5, 2014, Mr. McCrosson's annual base salary is \$325,000 for fiscal year 2014. For each of fiscal year 2015 and 2016, Mr. McCrosson's annual base salary will be at least equal to his base salary for the prior fiscal year, subject to a merit increase of up to five percent to be determined at the discretion of the Company's Compensation Committee on the basis of Mr. McCrosson's attainment of individual performance goals set by the Compensation Committee (after consultation with Mr. McCrosson). Mr. McCrosson also receives a performance-based annual bonus upon the attainment of certain Company growth targets measured by EBITDA and revenue. The manner of calculating and paying such bonus is set forth in the "Compensation Discussion and Analysis" above. For the year ended December 31, 2013, Mr. McCrosson's performance-based compensation was \$11,389, paid all in cash. For the year ended December 31, 2014, Mr. McCrosson's received no performance based compensation though he received a \$50,000 one-time discretionary bonus subject to him agreeing to a reduction in such amount from the annual bonus earned by him under his employment agreement for the year ended December 31, 2015. Accordingly, for the year ended December 31, 2015, Mr. McCrosson's performance-based compensation was \$37,445 after it was reduced by the \$50,000 discretionary bonus paid to him in 2015.

Under both his prior and current employment agreement, Mr. McCrosson is prohibited from disclosing confidential information about us and he has agreed not to compete with us during the term of his employment and for two years thereafter. Mr. McCrosson's current employment agreement provides for certain payments upon termination and a change of control addressed in the section below entitled "Payments Upon Termination or Change in Control."

Vincent Palazzolo

On December 16, 2009, we entered into an employment agreement with Vincent Palazzolo, which provides for Mr. Palazzolo to continue to be employed as our Chief Financial Officer until December 31, 2012. On each of November

4, 2011 and October 31, 2013, we amended our employment agreement with Mr. Palazzolo to extend his term ultimately through December 31, 2016. Under his employment agreement, as amended, Mr. Palazzolo's annual base salary for 2013 was \$253,000 and \$263,000 for 2014. For fiscal years beginning January 1, 2015, the Compensation Committee determined to increase his base salary by 2.5%, based upon the attainment of individual performance goals established each fiscal year for Mr. Palazzolo.

Mr. Palazzolo also receives a performance-based annual bonus upon the attainment of certain Company growth targets measured by EBITDA and revenue. The manner of calculating and paying such bonus is set forth in the "Compensation Discussion and Analysis" above. For the year ended December 31, 2013, Mr. Palazzolo's performance-based compensation was \$11,329, paid all in cash. For the year ended December 31, 2014, Mr. Palazzolo's did not receive any performance based compensation, though he did receive a one-time discretionary bonus of \$30,000 subject to him agreeing to a reduction in such amount from the annual bonus earned by him under his employment agreement for the year ended December 31, 2015. Accordingly, for the year ended December 31, 2015, Mr. Palazzolo's performance-based compensation was \$23,073 after it was reduced by the \$30,000 discretionary bonus paid to him in 2015.

Under his employment agreement, Mr. Palazzolo is prohibited from disclosing confidential information about us and he has agreed not to compete with us during the term of his employment and for two years thereafter. Mr. Palazzolo's employment agreement does not contain any change in control provisions, but does provide for certain termination payments addressed in the section below entitled "Payments Upon Termination or Change in Control."

Payments Upon Termination or Change in Control

Compensation Arrangements as of December 31, 2015

The employment agreements in effect as of December 31, 2015 with each of Messrs. Palazzolo and McCrosson provided for varying types and amounts of payments and additional benefits upon termination of employment during the term of such employment agreements, depending on the circumstances of the termination.

The following is a brief description of such termination payments and circumstances as of December 31, 2015 under the then-current employment agreement of Mr. Palazzolo.

Death. In the event that Mr. Palazzolo's employment terminated by his death, we would have had to pay to his estate an amount equal to (a) base salary due through date of death, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay. We would also have had to pay to Mr. Palazzolo, in the event of termination by such executive's death, any bonus which would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12. A "full calendar month" for this purpose means any month such executive worked at least two weeks.

Disability. We could terminate Mr. Palazzolo if, by reason of illness or incapacity, he failed to perform his duties contemplated by the agreement for a period of six months consecutively. Such termination would have had to have been made by written notice and constitute a termination by reason of disability. The Company would have had to pay to the Mr. Palazzolo an amount equal to (a) base salary due through date of termination, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay. We would also have had to pay to Mr. Palazzolo, in the event of termination by such executive's disability, any bonus which would have been paid for the year of his termination on a prorated basis by multiplying the full amount of such bonus by the number of full calendar months he worked in the termination year divided by 12. A "full calendar month" for this purpose means any month such executive worked at least two weeks.

By Company for "Cause." If the Company had terminated Mr. Palazzolo by written notice for "cause," he would be entitled to receive only (a) his base salary through the date of termination, (b) valid expense reimbursements and (c) any unused vacation through the date of termination required by law to be paid. Generally, "cause" as defined in the employment agreements means (i) a failure to carry out his duties as an officer that are material to the performance of his position, (ii) a material breach of the employment agreement, (iii) fraud or dishonesty in any dealings or business related to the Company or (iv) conviction of a felony under federal or state law. Mr. Palazzolo would have had to be given the opportunity to eliminate a problem giving rise to "cause" within 30 days' notice that such problem exists, but he would not have been entitled to more than two such periods to cure in any 12 month period.

By Executive with "Good Reason." Upon proper notice, if Mr. Palazzolo had terminated his employment for "good reason," we would have had to pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay.

By Company without "Cause." If the Company terminates Mr. Palazzolo without "cause," we generally must pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay.

Under the employment agreements in effect as of December 31, 2015, Mr. Palazzolo did not have a duty to mitigate awards payable under the above conditions and any compensation paid from any source other than the Company does not offset or terminate the Company's obligations to make such payments.

In connection with his appointment as our President and Chief Executive Officer, the Company entered into an amended and restated employment agreement with Mr. McCrosson, which included some changes to the payments due Mr. McCrosson upon termination and a change of control. Below is a summary of payments to be made to Mr. McCrosson under his current employment agreement.

Death. In the event of Mr. McCrosson's death, we will pay to his estate an amount equal to (a) base salary due through date of death, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay.

Disability. We may terminate Mr. McCrosson for reason of illness or incapacity if he fails to perform his duties contemplated by the agreement for a period of six months consecutively. Such termination will be made by written notice and constitute a termination by reason of disability. Upon such termination, the Company shall pay to Mr. McCrosson an amount equal to (a) base salary due through date of termination, (b) all earned and approved, but unpaid bonus for any year prior to the year of termination, (c) all valid expense reimbursements and (d) all accrued but unused vacation pay.

•

By Company for "Cause." If the Company terminates Mr. McCrosson by written notice for "cause", he will receive only (a) his base salary through the date of termination, (b) valid expense reimbursements and (c) any unused vacation through the date of termination required by law to be paid. "Cause" as defined in the Employment Agreements means (i) a failure by such person to carry out his duties as an officer that are material to the performance of his position, (ii) a material breach of the employment agreement or a material violation of established policies of the Company, (iii) fraud or dishonesty in any dealings or business related to the Company or (iv) conviction of a felony under federal or state law. Mr. McCrosson must be given the opportunity to eliminate a problem giving rise to "cause" within 30 days' notice that such problem exists, but will not be entitled to more than two such periods to cure in any 12 month period.

By Executive with "Good Reason." Upon proper notice, Mr. McCrosson may terminate his employment for "good reason" and will be entitled to an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. The Company must also provide payment of monthly premium cost of continued coverage under our medical and dental insurance under COBRA for six months following the date of termination. "Good Reason" generally means (i) a demotion by way of a materially adverse change in his duties, responsibilities or title, (ii) material breach by the Company of the Employment Agreement, (iii) failure by the Company to make a payment to the executive when such payment is due or (iv) liquidation, bankruptcy or receivership of the Company. The Company must be given the opportunity to correct any problem identified as "good reason" within 30 days of being notified of such problem, but shall not be entitled to more than two such periods to cure in any 12 month period.

By Company without "Cause." If the Company terminates Mr. McCrosson without "cause," we generally must pay an amount equal to (a) his base salary through the end of his employment term, (b) all earned and previously approved but unpaid bonuses, (c) all valid expense reimbursements, plus (d) all accrued but unused vacation pay. The Company must also provide payment of monthly premium cost of continued coverage under our medical and dental insurance under COBRA for six months following the date of termination.

Change in Control. In the event of a change of control prior to a termination by the Company without "cause" or by Mr. McCrosson for "good reason," then, at Mr. McCrosson's option if he is terminated without "cause" or for "good reason" within 18 months of such change of control, in lieu of the above compensation and benefits, we will pay him an amount equal to two times the lesser of (a) the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment or (b) the average of his total compensation (including salary and bonus) for the five calendar years before the change of control. Such payment will be made in two installments — the first to be paid on his date of termination, the remainder to be paid six months after the date of termination. A "change in control" occurs when any person or entity other than the Company and/or any officers or directors of the Company as of the date of his Employment Agreement acquires securities of the Company (in one or more transactions) having 50% or more of the total voting power of all the Company's securities then outstanding.

Mr. McCrosson does not have a duty to mitigate the above-described payments, however, if he receives a payment for (a) termination by the Company without cause or (b) termination by him for good reason, then any compensation paid to him from sources other than the Company will offset or terminate the Company's obligation to make such payment. Additionally, the Company's obligation to pay insurance premiums for Mr. McCrosson upon a termination without cause or by Mr. McCrosson for good reason ends upon Mr. McCrosson's eligibility for group insurance coverage from other employment (whether or not he elects such coverage).

The following table summarizes the amounts payable upon termination of employment for each of Messrs. Palazzolo and McCrosson assuming termination occurred on December 31, 2015 under the then-current employment agreements with each Named Executive Officer. For purposes of presenting amounts payable over a period of time (e.g., salary continuation), the amounts are shown as a single total but not as a present value (i.e., the single sum does not reflect any discount).

The annual cash compensation due each director was paid quarterly as has been the Company's past practice. The balance of the non-employee director compensation is paid in restricted stock units ("RSUs") that vest quarterly. Item 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Related-Party Policy. Our Code of Ethics requires us to avoid, wherever possible, all related-party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by our board of directors (or our audit committee). Securities and Exchange Commission rules generally define related-party transactions as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any (a) executive officer, director or nominee for election as a director, (b) greater than 5% beneficial owner of our common stock, or (c) immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest (other than solely as a result of being a director or a less than 10% beneficial owner of another entity). A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. Our audit committee considers all relevant factors when determining whether to approve a related-party transaction, including whether the related-party transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related-party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related-party, but that director is required to provide our audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire annually that elicits information about related-party transactions. These procedures are intended to determine whether any such related-party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

Related-Party Transactions. We did not engage in any related party transactions in the fiscal year ended December 31, 2015 as required to be reported pursuant to rules of the Securities and Commission Exchange.

Independence of Directors

Our common stock is listed on the NYSE MKT. As a result, we follow the rules of the NYSE MKT in determining whether a director is independent. The current NYSE MKT listing standards define an "independent director" generally as a person, other than an officer or employee of the Company, who does not have a relationship with the Company that would interfere with the director's exercise of independent judgment. Our board of directors consults with our legal counsel to ensure that our board of directors' determinations are consistent with the NYSE MKT rules and all relevant securities and other laws and regulations regarding the independence of directors. Consistent with these considerations, our board of directors has determined that Kenneth McSweeney, Walter Paulick, Harvey J. Bazaar, Eric Rosenfeld, Michael Faber and Terry Stinson will be independent directors of the Company for the ensuing year. The remaining director, Douglas McCrosson, is not independent because he is currently employed by us. All members of our audit, compensation and nominating and corporate governance committees are independent.
