The Credit Agreement Amendment amends Section 9.2 of the Amended and Restated Credit Agreement, dated as of January 13, 2012 as amended by the First Amendment to Amended and Restated Agreement, dated June 22, 2012, by and among the Trust, LCIF, and LCIF II, jointly and severally as borrowers, KeyBank, as agent, and each of the financial institutions initially a signatory thereto, which we refer to as the Credit Agreement, to add additional stated exceptions to certain restricted payments so long as no default or event of default under the Credit Agreement would result therefrom. The foregoing description of the Credit Agreement Amendment is qualified in its entirety by reference to the Credit Agreement Amendment, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K/A, which we refer to as this Current Report, and incorporated herein by reference.

On October 9, 2012, the Trust entered into the Second Amendment to Term Loan Agreement, which we refer to as the Term Loan Agreement Amendment, by and among the Trust, LCIF and LCIF II, each of the lenders party thereto, and Wells Fargo Bank, National Association, or Wells Fargo, as administrative agent. The Term Loan Agreement Amendment amends Section 9.2 of the Term Loan Agreement, dated as of January 13, 2012 and as amended by the First Amendment to Term Loan Agreement, dated as of June 22, 2012, by and among the Trust, LCIF and LCIF II, jointly and severally as borrowers, Wells Fargo, as agent, and each of the financial institutions initially a signatory thereto, to add additional stated exceptions to certain restricted payments so long as no default or event of default under the Term Loan Agreement would result therefrom. The foregoing description of the Term Loan Agreement Amendment is qualified in its entirety by reference to the Term Loan Agreement Amendment, a copy of which is attached as Exhibit 10.2 to this Current Report and is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

As disclosed in the Current Report on Form 8-K filed with the Securities and Exchange Commission, which we refer to as the SEC, by the Trust, on September 13, 2012, which we refer to as the Original Form 8-K, the Trust completed the acquisition of all of the limited partner interests in Net Lease Strategic Assets Fund L.P., which we refer to as NLS, that it did not already own pursuant to the Interest Purchase and Sale Agreement, dated August 31, 2012, among the Trust, LCIF, Inland American (Net Lease) Sub, LLC, LMLP GP LLC, a wholly-owned subsidiary of the Trust, and NLS.

As part of the Original Form 8-K, the Trust indicated that additional financial statements and pro forma financial information under Item 9.01 would be filed no later than 71 calendar days following the date that the Original Form 8-K was required to be filed. This Current Report contains the historical financial statements and pro forma financial information.

The description of the acquisition contained in this Item 2.01 is qualified in its entirety by reference to the full text of the Interest Purchase and Sale Agreement, which was filed as Exhibit 10.1 to the Original Form 8-K and is incorporated into herein by reference.

Item 7.01 Regulation FD Disclosure

On October 9, 2012, the Trust filed a preliminary prospectus supplement with the SEC in connection with a proposed underwritten public offering of its shares of beneficial interest, par value \$0.0001 per share, classified as common stock, which we refer to as common shares. The offering is being made pursuant to a prospectus supplement and an accompanying prospectus filed as part of an effective shelf registration statement filed with the SEC on Form S-3. The preliminary prospectus supplement includes a discussion of the Trust's Subsequent to Quarter End Highlights, Acquisition and Development Activity and the proposed Use of Proceeds of the offering as described below, some of which has been previously disclosed. All references to "we," "our" and "us" in this "Item 7.01. Regulation FD Disclosure" means the Trust and all entities owned or controlled by the Trust except where it is made clear that the term means only the parent company.

Subsequent to Quarter End Highlights

The following summarizes our significant transactions subsequent to June 30, 2012:

Investments

Acquired Inland American (Net Lease) Sub, LLC's interest in Net Lease Strategic Assets Fund L.P., which we refer to as NLS, for \$9.4 million. As a result, we now control, including through one of our operating partnership subsidiaries, 100% of NLS. At August 31, 2012, NLS had cash balances of \$8.1 million and approximately \$258.0 million of consolidated debt (including approximately \$57.5 million of debt that is currently prepayable without penalty). As of the date of this Current Report, NLS had 40 properties totaling 5.5 million square feet in 23 states, plus a 40% tenant-in-common interest in an office property.

- Entered into a build-to-suit arrangement with an \$8.4 million commitment to construct a 52,000 square foot retail property in Opelika, Alabama, which will be net-leased upon completion for a 15-year term.

Completed a 150,000 square foot build-to-suit office property in Jessup, Pennsylvania for a project cost of \$24.9 million. The property is net-leased for a 15-year term.

- Closed on the acquisition of a 99,000 square foot build-to-suit office property in St. Joseph, Missouri for a capitalized cost of \$17.6 million. The property is net-leased for a 15-year term.

Entered into a build-to-suit arrangement with a \$42.6 million commitment to construct a 813,000 square foot industrial property in Rantoul, Illinois, which will be net-leased upon completion for a 20-year term.

Entered into a contract, through a joint venture in which we have a minority ownership interest, to acquire a 120,000 square foot retail property in Palm Beach Gardens, Florida for \$29.8 million, which will be net-leased at closing for an approximately 15-year term. We can give no assurances that this acquisition will be consummated.

- Completed a 52,000 square foot build-to-suit retail property in Valdosta, Georgia for a project cost of approximately \$8.7 million. The property is net-leased for a 15-year term.
