Item 8.01. Other Events

In connection with the monitoring of its investment securities portfolio, Glacier Bancorp, Inc. ("Company") has determined to reclassify obligations of state and local government securities with a fair value of approximately \$485 million, inclusive of a net unrealized gain of \$4.6 million, from available-for-sale ("AFS") classification to held-to-maturity ("HTM") classification. The reclassification occurred on January 1, 2014 and changed the allocation of the Company's entire investment securities portfolio from 100% AFS to approximately 85% AFS and 15% HTM. The future impact of this reclassification, if any, on the Company's financial condition and results of operations will depend on interest rate environments and other factors which are not estimable at this time.
