Item 1.01 Entry Into a Material Definitive Agreement.

On June 13, 2016, Erickson Incorporated (the “Company” or “Erickson”), EAC Acquisition Corporation, Udo Reider, former President and CEO of the Company, Hank Halter and Kenneth Lau, former members of the Company’s Board of Directors, Quinn Morgan, Gary Scott, James Welch and Meredith Siegfried Madden, current members of the Company’s Board of Directors, and ZM Private Equity Fund I, L.P., ZM Private Equity Fund II, L.P., ZM EAC LLC, Centre Lane Partners, LLC and 10<sup>th</sup> Lane Finance Co., LLC., and Edward Montgomery, on behalf of himself as a stockholder of the Company, a class of minority stockholders of the Company and derivatively on behalf of the Company entered into a Stipulation and Agreement of Compromise, Settlement and Release (the “Stipulation”) in connection with the previously announced stockholder class and derivative action filed in the Court of Chancery of the State of Delaware (the “Court”). The Stipulation was entered into for the sole purpose of resolving contested claims and disputes, as well as avoiding the costs, risk and uncertainties inherent in litigation. The Stipulation does not contain any finding of fault or admission of wrongdoing or liability on the part of the Company or any of the other defendants in the litigation.

ZM EAC LLC beneficially owns approximately 33.6% of the Company’s outstanding capital stock. Q&U Investments LLC is the managing member of ZM Private Equity Fund I, L.P., ZM Private Equity Fund II, L.P., and 10<sup>th</sup> Lane Finance Co, LLC, entities that beneficially own approximately 20.9% of the Company outstanding capital stock. Quinn Morgan and Kenneth Lau are managing members of ZM EAC LLC and Q&U Investments.

The terms of the Stipulation (a) include the creation of a settlement fund in the amount of \$18.5 million, a portion of which will be distributed to plaintiff’s counsel for attorneys’ fees and expenses, with 80% of the remaining funds to be distributed to the Class Members pursuant to the Plan of Allocation and 20% of the remaining funds to be distributed to the Company, and (b) require the Company to amend certain provisions of its Certificate of Incorporation with respect to certain change or control and related party transactions. In addition, under the terms of the Stipulation, the plaintiff and each stockholder of the Company shall be deemed to have released the defendants from any and all claims, including unknown claims, relating to the matters asserted or that could have been asserted in the litigation.

The portion of the Settlement Fund to be paid by the Company is expected to be covered by the Company’s existing D&O insurance policy and therefore, the Company does not expect any material impact on the Company’s financial condition.

The Stipulation is subject to and conditioned upon final approval by the Court, after public notice of the proposed settlement.

This summary of the Stipulation is not complete and is qualified in its entirety by reference to the Stipulation, a copy of which is filed as Exhibit 10.1 and incorporated herein by reference. Capitalized terms not defined in this Form 8-K have the meanings ascribed to them in the Stipulation.

This current report on Form 8-K contains certain statements that may constitute ‘forward-looking statements’ within the meaning of the Private Securities Litigation Reform Act of 1995. These statements involve a number of risks, uncertainties and other factors that could cause actual results to differ materially from those reflected in any forward-looking statement.
