Item 1.01 Entry into a Material Definitive Agreement.

On June 28, 2018, Avnet, Inc. (“Avnet”) entered into an Amended and Restated Credit Agreement (the “Amended Credit Agreement”) with Bank of America, N.A. as the administrative agent, swing line lender and a letter of credit issuer; BNP Paribas, The Bank of Nova Scotia, MUFG Bank, Ltd., Mizuho Bank, Ltd. and JPMorgan Chase Bank, N.A. as co-syndication agents; and various other lenders. The Amended Credit Agreement, which amended and extended Avnet’s existing Credit Agreement dated as of July 9, 2014, as amended (“Original Credit Agreement”), provides for a five-year \$1,250,000,000 senior unsecured revolving credit facility, with an option to increase commitments thereunder by up to \$250,000,000 provided no event of default exists and other conditions are met, and is scheduled to mature on June 28, 2023.

Under the Amended Credit Agreement, loans may be made in U.S. Dollars, Euros and British Pounds Sterling up to the aggregate principal amount of the facility, but is subject to a \$200,000,000 sublimit for aggregated issuances of Dollar denominated standby and commercial letters of credit and a \$300,000,000 sublimit for aggregated loans in other approved currencies, including Australian Dollars, Hong Kong Dollars, Singapore Dollars, Japanese Yen.

The interest rate applicable to any loan made in U.S. Dollars (other than swing line loans) is, at Avnet’s option, either (i) the “base rate” (defined as the highest of (i) the Federal Funds rate plus 0.50%, (ii) the Bank of America prime rate or (iii) one-month LIBOR plus 1.0%) plus an “applicable rate” (based on the debt rating by Moody’s Investors Service, Inc., Standard & Poor’s Financial Services LLC or Fitch, Inc. of Avnet’s non-credit-enhanced, senior unsecured long-term debt) or (ii) LIBOR plus an “applicable rate”. The interest rate for a loan denominated in any other currency, for a swing line loan or for a letter of credit are determined as specified under the Amended Credit Agreement. Under certain circumstances, including while an event a default exists, the applicable interest rate may be increased by 2.00% per annum.

Avnet’s ability to borrow under the Amended Credit Agreement is subject to certain conditions, including compliance with certain covenants and the making of certain representations and warranties. The failure to satisfy any of the covenants or the occurrence of other specified events that constitute an event of default could result in acceleration of Avnet’s repayment obligations under the Amended Credit Agreement. As previously permitted under the Original Credit Agreement, Avnet’s subsidiaries may become borrowers under the Amended Credit Agreement, subject to certain conditions including the guarantee by Avnet of the obligations of any such subsidiary borrower.

The description of the Amended Credit Agreement set forth above is only a summary of its material terms and does not purport to be complete, and is qualified in its entirety by reference to the full and complete terms contained in the Amended Credit Agreement, which is filed as Exhibit 10.1 to this Form 8-K and incorporated into this Item 1.01 by reference. The Amended Credit Agreement is not intended to be a source of factual, business or operational information about Avnet or its subsidiaries. The representations, warranties and covenants contained in the Amended Credit Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the parties, including being qualified by disclosures for the purpose of allocating contractual risk between the parties instead of establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Accordingly, investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties.

Some or all of the parties to the Amended Credit Agreement, or their affiliates, have in the past provided investment or commercial banking services to Avnet and its affiliates for which they received customary fees and expenses and they may provide similar services in the future.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure required hereunder is provided under Item 1.01 above and is incorporated herein by reference.
