This Proxy Statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our Board of Directors for use at the 2018 annual meeting of stockholders of Kindred Biosciences, Inc., a Delaware corporation (the “Company”), and any postponements, adjournments or continuations thereof (the “Annual Meeting”). The Annual Meeting will be held on Friday, June 22, 2018 at 8:00 a.m. Pacific Daylight Time, at the office of Kindred Biosciences, Inc, 1555 Bayshore Highway, Suite 100, Burlingame, California 94010. The Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access this Proxy Statement and our annual report are first being mailed on or about May 1, 2018 to all stockholders entitled to vote at the Annual Meeting. The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this Proxy Statement. You should read this entire Proxy Statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this Proxy Statement and references to our website address in this Proxy Statement are inactive textual references only.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR ANNUAL MEETING

What matters am I voting on?

You will be voting on:

• the election of two Class II directors to serve until the 2021 annual meeting of stockholders and until their respective successors are duly elected and qualified;

• a proposal to approve the Kindred Biosciences, Inc. 2018 Equity Incentive Plan;

• a proposal to amend the Kindred Biosciences, Inc. 2014 Employee Stock Purchase Plan to increase the number of shares authorized for issuance by 300,000 shares;

• a proposal to ratify the appointment of KMJ Corbin & Company LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018; and

• any other business as may properly come before the Annual Meeting.

How does the Board of Directors recommend I vote on these proposals?

Our Board of Directors recommends a vote:

• “FOR” the election of Raymond Townsend and Ervin Veszprémi as Class II directors;

• “FOR” the approval of the Kindred Biosciences, Inc. 2018 Equity Incentive Plan;

• “FOR” the approval of the amendment to the Kindred Biosciences, Inc. 2014 Employee Stock Purchase Plan to increase the number of shares authorized for issuance by 300,000 shares; and

• “FOR” the ratification of the appointment of KMJ Corbin & Company LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

Who is entitled to vote?

Table of Contents

Holders of our common stock as of the close of business on April 24, 2018, the record date, may vote at the Annual Meeting. As of the record date, there were 28,203,060 shares of our common stock outstanding. In deciding all matters at the Annual Meeting, each stockholder will be entitled to one vote for each share of our common stock held by them on the record date. We do not have cumulative voting rights for the election of directors.

Registered Stockholders. If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

Street Name Stockholders. If shares of our common stock are held on your behalf in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of those shares held in “street name,” and the Notice was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee how to vote your shares.

Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock in person at the Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use. Throughout this proxy, we refer to stockholders who hold their shares through a broker, bank or other nominee as “street name stockholders.”

How many votes are needed for approval of each proposal?

Proposal No. 1: The election of each Class II director requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. “Plurality” means that the nominee who receives the largest number of votes cast “for” is elected as a director. As a result, any shares not voted “for” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. You may vote “for” or “withhold” on the nominees for election as a director.

Proposal No. 2: The approval of the Kindred Biosciences, Inc. 2018 Equity Incentive Plan requires the affirmative vote of a majority of the shares of our common stock that are cast affirmatively or negatively (excluding abstentions and broker non-votes) on the proposal. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Proposal No. 3: The approval of the amendment to the Kindred Biosciences, Inc. Employee Stock Purchase Plan to increase the number of shares authorized for issuance by 300,000 shares requires the affirmative vote of a majority of the shares of our common stock that are cast affirmatively or negatively (excluding abstentions and broker non-votes) on the proposal. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Proposal No. 4: The ratification of the appointment of KMJ Corbin & Company LLP requires the affirmative vote of a majority of the shares of our common stock that are cast affirmatively or negatively (excluding abstentions and broker non-votes) on the proposal. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the Annual Meeting to be properly held under our amended and restated bylaws and Delaware law. The presence, in person or by proxy, of a majority of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions, withheld votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

Table of Contents

How do I vote?

If you are a stockholder of record, there are four ways to vote:

- by Internet at <http://www.proxyvote.com>, 24 hours a day, seven days a week, until 11:59 p.m. on June 21, 2018 (have your proxy card in hand when you visit the website);
- by toll-free telephone at 1-800-690-6903 (have your proxy card in hand when you call);
- by completing and mailing your proxy card (if you received printed proxy materials); or
- by written ballot at the Annual Meeting.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning an instruction card, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a street name stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

Can I change my vote?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- entering a new vote by Internet or by telephone;
- returning a later-dated proxy card;
- notifying the Secretary of Kindred Biosciences, Inc., in writing, at Kindred Biosciences, Inc., 1555 Bayshore Highway, Suite 200, Burlingame, California 94010; or
- completing a written ballot at the Annual Meeting.

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

What do I need to do to attend the Annual Meeting in person?

If you plan to attend the meeting, you must be a record or street name holder of Company shares as of the record date of April 24, 2018.

On the day of the meeting, each shareholder will be required to present a valid picture identification such as a driver's license or passport and you may be denied admission if you do not. Seating will begin at 7:30 a.m., and the meeting will begin at 8:00 a.m. Use of cameras, recording devices, computers and other personal electronic devices will not be permitted at the Annual Meeting.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board of Directors. Richard Chin and Denise Bevers have been designated as proxies by our Board of Directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board of Directors as described above. If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the proxy holders will use

Table of Contents

their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (“SEC”), we have elected to furnish our proxy materials, including this Proxy Statement and our annual report, primarily via the Internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about May 1, 2018 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact of our annual meetings of stockholders.

How are proxies solicited for the Annual Meeting?

Our Board of Directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending our proxy materials to you if a broker or other nominee holds shares of our common stock on your behalf.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole “routine” matter: the proposal to ratify the appointment of KMJ Corbin & Company LLP. Your broker will not have discretion to vote on the election of directors, the Kindred Biosciences, Inc. 2018 Equity Incentive Plan or the amendment to the Kindred Biosciences, Inc. 2014 Employee Stock Purchase Plan, each of which is a “non-routine” matter absent direction from you.

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to this Current Report on Form 8-K as soon as they become available.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, our proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the Notice and, if applicable, our proxy materials, such stockholder may contact us at the following address:

Kindred Biosciences, Inc.

Attention: Investor Relations

1555 Bayshore Highway, Suite 200

Stockholders who beneficially own shares of our common stock held in street name may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our Proxy Statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our Proxy Statement for our 2019 annual meeting of stockholders, our Secretary must receive the written proposal at our principal executive offices not later than January 2, 2019. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to: Kindred Biosciences, Inc.

Attention: Corporate Secretary

1555 Bayshore Highway, Suite 200

Burlingame, California 94010

Stockholders intending to present a proposal at the 2019 Annual Meeting of Stockholders, but not to include the proposal in our Proxy Statement, or to nominate a person for election as a director, must comply with the requirements set forth in our amended and restated bylaws. Our amended and restated bylaws require, among other things, that our Secretary receive written notice from the stockholder of record of their intent to present such proposal or nomination not later than the close of business on the 90th day and not earlier than the close of business on the 120th day prior to the anniversary of the preceding year's annual meeting. Therefore, the Company must receive notice of such a proposal or nomination for the 2019 Annual Meeting of Stockholders no earlier than the close of business on February 22, 2019 and no later than the close of business on March 24, 2019. The notice must contain the information required by the amended and restated bylaws, a copy of which is available upon request to our Secretary. In the event that the date of the 2019 Annual Meeting of Stockholders is more than 30 days before, or 60 days after, June 22, 2019, then our Secretary must receive such written notice not earlier than the close of business on the 120th day prior to the 2019 Annual Meeting and not later than the close of business on the 90th day prior to the 2019 Annual Meeting or, if later, the 10th day following the day on which public disclosure of the date of such meeting is first made by the Company. SEC rules permit management to vote proxies in their discretion in certain cases if the stockholder does not comply with this deadline and, in certain other cases notwithstanding the stockholder's compliance with this deadline.

Nomination of Director Candidates

You may propose director candidates for consideration by our Nominating and Corporate Governance Committee. Any such recommendations should include the nominee's name and qualifications for membership on our Board of Directors and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Board of Directors and Corporate Governance—Stockholder Recommendations for Nominations to the Board of Directors."

In addition, our amended and restated bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our amended and restated bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our amended and restated bylaws, which, in general, require that the notice be received by our Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

Availability of Bylaws

A copy of our amended and restated bylaws is available on our website at <http://www.kindredbio.com/#!/investors/c1cx1/>. You may also contact our Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

Table of Contents

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

In accordance with our amended and restated certificate of incorporation, our Board of Directors is divided into three staggered classes of directors, with each class having a three-year term. Vacancies on the Board of Directors and newly created directorships may be filled only by the remaining directors. A director elected by the Board of Directors to fill a vacancy (including a vacancy created by an increase in the number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until the director's successor is elected and has duly qualified, or until such director's earlier death, resignation or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors.

Our Board of Directors is currently composed of six members. There are two nominees for Class II directors who, if elected, will each serve until the 2021 Annual Meeting of Stockholders and until their respective successor is elected and duly qualified, or until his or her death, resignation or removal. Each nominee is currently a director whose term of office expires in 2018 and is being nominated for re-election. A director is elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below.

Nominees

Our Nominating and Corporate Governance Committee has recommended, and our Board of Directors has approved, Raymond Townsend, Pharm D. and Ervin Veszprémi as nominees for election as Class II directors at the Annual Meeting. If elected, Dr. Townsend and Mr. Veszprémi will each serve as a Class II director until the 2021 annual meeting of stockholders and until their respective successor is duly elected and qualified. Dr. Townsend and Mr. Veszprémi are currently directors of our company. For information concerning the nominees, please see the section titled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote by telephone or over the Internet but do not give instructions with respect to the voting of directors, your shares will be voted "FOR" the re-election of Dr. Townsend and Mr. Veszprémi. We expect that Dr. Townsend and Mr. Veszprémi will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxy will be voted for any nominee who shall be designated by our Board of Directors to fill such vacancy. If you are a street name stockholder and you do not give voting instructions to your broker or nominee, your broker will leave your shares unvoted on this matter.

Vote Required

The election of a director requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Broker non-votes and abstentions will have no effect on this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE NOMINEES NAMED ABOVE.

Mr. Montgomery has taken three companies public and has served as financial advisor of technology, product and services companies over the last 30 years. Mr. Montgomery holds a Master of Science degree in Management and a Bachelor of Science degree in Finance from California State University, Northridge. Mr. Montgomery was the Chairman of The Institute for OneWorld Health from 2000 - 2010. Because of his extensive experience in senior management roles, including in the pharmaceutical industry, to his financial expertise, Mr. Montgomery is well qualified to serve on our Board.

Richard Chin, M.D., is one of our co-founders and has served as our President and Chief Executive Officer since October 2012. From October 2008 until December 2011, he was Chief Executive Officer of OneWorld Health, a Bill and Melinda Gates Foundation-funded nonprofit organization engaged in developing drugs for neglected diseases. From July 2006 until October 2008, Dr. Chin was President and Chief Executive Officer of Oxigene, a biotechnology company. From June 2004 to July 2006, he served at Elan Pharmaceuticals, initially as Senior Vice President of Medical Affairs, and then as Senior Vice President of Global Development. From March 1999 to June 2004, Dr. Chin served in various roles at Genentech, Inc., now a Division of Roche Group, culminating in his last position as the Head of Clinical Research for Biotherapeutics Unit, overseeing clinical development of all Genentech products except for oncology products. Dr. Chin currently serves as an adjunct professor at the University of California at San Francisco. Dr. Chin received his M.D. from Harvard University and also holds a law degree from Oxford University, where he studied as a Rhodes Scholar. drug development, and his experience serving on public company boards of directors, Dr. Chin is well-suited to serve as a member of our Board of Directors.

Director Independence

8

Table of Contents

Our Board of Directors currently consists of six members. Dr. Chin is not considered an independent director, because he serves as our President and Chief Executive Officer. Our Board of Directors has determined that each of our other directors is an independent director in accordance with the listing requirements of The NASDAQ Stock Market. Pursuant to NASDAQ rules, our Board must consist of a majority of independent directors. The NASDAQ independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In addition, as required by NASDAQ rules, our Board of Directors has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board of Directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. There are no family relationships among any of our directors or executive officers.

Classified Board of Directors

In accordance with our amended and restated certificate of incorporation, our Board of Directors is divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Our directors are classified as follows:

- the Class I directors are Ernest Mario and Herbert Montgomery, and their terms will expire at our 2020 annual meeting of stockholders;

- the Class II directors are Raymond Townsend and Ervin Veszprémi, with terms expiring at our 2018 annual meeting of stockholders; and

- the Class III directors are Richard Chin and Joseph McCracken, and their terms will expire at the 2019 annual meeting of stockholders.

Our Board of Directors has not appointed a Chairman of the Board, and Dr. Chin, our President and Chief Executive Officer, generally chairs meetings of our Board. Our amended and restated certificate of incorporation provides that the authorized number of directors may be changed only by resolution of the Board of Directors. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board of Directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our company.

Leadership Structure of the Board

Our directors may be removed only for cause by the affirmative vote of the holders of at least two-thirds of our outstanding voting stock entitled to vote in the election of directors. Our amended and restated bylaws and corporate governance guidelines provide our Board of Directors with flexibility in its discretion to combine or separate the positions of Chairman of the Board and Chief Executive Officer, if we elect to appoint a Chairman of the Board. Currently we do not have a Chairman of the Board or a lead director. Our Board believes that oversight of our company is the responsibility of our Board as a whole, and that this responsibility can be properly discharged without a Chairman or lead director.

Board Meetings and Committees

During our fiscal year ended December 31, 2017, the Board of Directors held six meetings (including regularly scheduled and special meetings), and each director attended 100% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he has been a director and (ii) the total number of meetings held by all committees of our Board of Directors on which he served during the periods that he served.

Although we do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of stockholders, we encourage, but do not require, our directors to attend. Each of our directors attended our 2017 Annual Meeting of Stockholders, either in person or by means of teleconference.

Code of Ethics and Business Conduct

We have adopted a written code of ethics and business conduct that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions. Our code of ethics and business conduct is available under the Corporate Governance section of our website at www.kindredbio.com. In addition, we intend to post on our website all disclosures that are required by law or the listing standards of The NASDAQ Stock Market concerning any amendments to, or waivers from, any provision of the code. Considerations in Evaluating Director Nominees

Table of Contents

Our Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our Nominating and Corporate Governance Committee will consider the current size and composition of our Board of Directors and the needs of our Board of Directors and the respective committees of our Board of Directors. Some of the qualifications that our Nominating and Corporate Governance Committee considers include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, potential conflicts of interest and other commitments. Nominees must also have the ability to offer advice and guidance to our Chief Executive Officer based on past experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are affiliated. Director candidates must have sufficient time available in the judgment of our Nominating and Corporate Governance Committee to perform all Board of Directors and committee responsibilities. Members of our Board of Directors are expected to prepare for, attend, and participate in all board of directors and applicable committee meetings. Other than the foregoing, there are no stated minimum criteria for director nominees, although our Nominating and Corporate Governance Committee may also consider such other factors as it may deem, from time to time, are in our and our stockholders' best interests.

Although our Board of Directors does not maintain a specific policy with respect to Board diversity, our Board of Directors believes that our Board of Directors should be a diverse body, and our Nominating and Corporate Governance Committee considers a broad range of backgrounds and experiences. In making determinations regarding nominations of directors, our Nominating and Corporate Governance Committee may take into account the benefits of diverse viewpoints. Our Nominating and Corporate Governance Committee also considers these and other factors as it oversees the annual board of directors and committee evaluations. After completing its review and evaluation of director candidates, our Nominating and Corporate Governance Committee recommends to our full Board of Directors the director nominees for selection.

Stockholder Recommendations for Nominations to the Board of Directors

Our Nominating and Corporate Governance Committee will consider candidates for director recommended by stockholders so long as such recommending stockholder was a stockholder of record both at the time of giving notice and at the time of the annual meeting, and such recommendations comply with our amended and restated certificate of incorporation and amended and restated bylaws and applicable laws, rules and regulations, including those promulgated by the SEC. The Nominating and Corporate Governance Committee will evaluate such recommendations in accordance with its charter, our amended and restated bylaws, our policies and procedures for director candidates, as well as the regular director nominee criteria described above. This process is designed to ensure that our Board of Directors includes members with diverse backgrounds, skills and experience, including appropriate financial and other expertise relevant to our business. Eligible stockholders wishing to recommend a candidate for nomination should contact the Secretary in writing. Our Nominating and Corporate Governance Committee has discretion to decide which individuals to recommend for nomination as directors.

Any nomination should be sent in writing to our Secretary at Kindred Biosciences, Inc., 1555 Bayshore Highway, Suite 200, Burlingame, California 94010. To be timely for our 2018 annual meeting of stockholders, our Secretary must receive the nomination by the date specified in the "Stockholder Proposals" section above.

Communications with the Board of Directors

Interested parties wishing to communicate with our Board of Directors or with an individual member or members of our Board of Directors may do so by writing to our Board of Directors or to the particular member or members of our Board of Directors, and mailing the correspondence to our Secretary at Kindred Biosciences, Inc., 1555 Bayshore Highway, Suite 200, Burlingame, California 94010. Each communication should set forth (i) the name and address of the stockholder, as it appears on our books, and if the shares of our common stock are held by a nominee, the name and address of the beneficial owner of such shares, and (ii) the number of shares of our common stock that are owned of record by the record holder and beneficially by the beneficial owner.

Our Secretary in consultation with appropriate members of our Board of Directors as necessary, will review all incoming communications and, if appropriate, all such communications will be forwarded to the appropriate member or members of our Board of Directors, or if none is specified, to Richard Chin.

Role of Board in Risk Oversight Process

Risk assessment and oversight are an integral part of our governance and management processes. Our Board of Directors encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks we face. Throughout the year, senior management reviews these risks with the Board of Directors at regular Board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks. Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through standing committees of the Board of Directors that will address risks inherent in their respective areas of oversight. In particular, our Audit Committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also monitors compliance with legal and regulatory requirements and considers and approves or disapproves any related-person transactions. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking by our management.

Director Compensation

Our director compensation program is intended to enable us to attract and retain qualified and experienced individuals to serve as directors and to align our directors' interests with those of our stockholders. Directors who are also employees of our company do not receive compensation for their service on our Board of Directors.

Non-employee directors do not receive cash for their services. Non-employee directors receive a retainer paid in stock options for service on the Board of Directors or for service on each committee of which the director is a member. The chairman of each committee receives a higher retainer for such service. The stock options vest quarterly over a period of one year measured from the date of grant. All options are granted with an exercise price equal to the fair market value of our common stock on the date of grant. The stock options awarded in 2017 to non-employee directors for service on the Board of Directors and for service on each committee of the Board of Directors on which the director is a member were as follows:

Name	Member Chairman	
	Annual Grant	Annual Grant
Board of Directors	37,500	
Audit Committee	3,100	3,100
Compensation Committee	3,100	3,100
Nominating and Corporate Governance Committee	3,100	3,100

In January 2017, we granted to each of Mr. Veszprémi, Mr. Montgomery and Dr. Townsend a stock option to purchase 49,900 shares of our common stock at an exercise price of \$6.40 per share.

The following table sets forth information regarding the compensation of our non-employee directors earned during 2017:

EXECUTIVE COMPENSATION

Processes and Procedures for Compensation Decisions

Our Compensation Committee is responsible for the executive compensation programs for our executive officers and reports to our Board of Directors on its discussions, decisions and other actions. Typically, our Chief Executive Officer makes recommendations to our Compensation Committee and is involved in the determination of compensation for the respective

Table of Contents

executive officers that report to him. Our Chief Executive Officer does not determine his own compensation. Our Chief Executive Officer makes recommendations to our Compensation Committee regarding short- and long-term compensation for all executive officers based on our results, an individual executive officer's contribution toward these results and performance toward individual goal achievement. Our Compensation Committee then reviews the recommendations and other data and makes decisions as to total compensation for each executive officer as well as each individual compensation component.

2017 Cash Bonuses

Our named executive officers' employment agreements establish their target annual cash bonuses, expressed as a percentage of base salary. Cash bonuses are typically prorated to reflect a partial year of service, and our Compensation Committee retains discretion to adjust bonuses for our named executive officers. The following table sets forth the target bonus percentages for our named executive officers:

Name	Target Bonus (Percentage of Base Salary)
Richard Chin, M.D. President and Chief Executive Officer	50%
Denise M. Bevers Chief Operating Officer	40%
Wendy Wee Chief Financial Officer	30%

Corporate objectives for the 2017 cash bonus plan were established in January 2017 by our Board of Directors in consultation with management. Stock Options

We offer stock options to our employees, including our executive officers, as the long-term incentive component of our compensation program. We generally grant equity awards to new hires upon their commencing employment with us and on an annual basis. Our stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as “incentive stock options” for U.S. federal income tax purposes. Generally, the stock options we grant to employees vest as to 25% of the total number of

Table of Contents

option shares on the first anniversary of the date of grant and as to the remaining option shares in equal monthly installments over the ensuing 36 months, subject to the employee's continued employment or service with us on the vesting date.

We sometimes also offer stock options and stock awards to our consultants in lieu of cash. We typically grant equity awards to consultants on a quarterly basis, based on the number of hours they have worked in the prior quarter multiplied by their hourly rate. Our stock options allow consultants to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and are not be intended to qualify as "incentive stock options" for U.S. federal income tax purposes. Generally, the stock options we grant to consultants for prior services rendered vest in full on the grant date.

Stock options and stock awards granted to our executive officers may be subject to accelerated vesting in certain circumstances. For additional discussion, please see "Executive Officer Employment Agreements" above.

Retirement Plans

We have established a 401(k) retirement savings plan that allows eligible employees to defer a portion of their compensation, within limits prescribed by the Internal Revenue Code, on a pre-tax basis through contributions to the plan. Our executive officers are eligible to participate in the 401(k) plan on the same terms as other full-time employees generally. We may elect to match contributions made by participants in the 401(k) plan up to a specified percentage, and any matching contributions may, or may not be, fully vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making matching contributions, may enhance our executive compensation package and afford appropriate incentives our employees, including our executive officers, consistent with the interests of our stockholders.

No Tax Gross-Ups

We do not make gross-up payments to cover our executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our company.

Equity Incentive Plans

2012 Equity Incentive Plan

The Kindred Biosciences, Inc. 2012 Equity Incentive Plan was terminated in May 2016 and replaced by the 2016 Equity Incentive Plan. All awards made under the 2012 Equity Incentive Plan shall remain subject to the terms of that plan.

2016 Equity Incentive Plan

General

The Kindred Biosciences, Inc. 2016 Equity Incentive Plan, which we refer to as the 2016 Plan, provides for awards of incentive stock options, non-statutory stock options, stock appreciation rights, or SARs, restricted stock awards, restricted stock unit awards, performance stock awards, performance cash awards and other stock awards. Subject to the provisions of the 2016 Plan relating to adjustments upon changes in our common stock, an aggregate of 3,000,000 shares of common stock have been reserved for issuance under the 2016 Plan, including shares issued to date and shares underlying stock options granted to date.

Purpose

Our Board adopted the 2016 Plan to provide a means by which our employees, directors and consultants may be given an opportunity to benefit from increases in the value of our common stock, to assist in attracting and retaining the services of such persons, to bind the interests of eligible recipients more closely to our company's interests by offering them opportunities to acquire shares of our common stock and to afford such persons stock-based compensation opportunities that are competitive with those afforded by similar businesses. Our stockholders approved the 2016 Plan at the annual meeting in May 2016.

Administration

Our Compensation Committee administers the 2016 Plan. Subject to the provisions of the 2016 Plan, the committee has the power in its discretion: (i) To determine from time to time: (a) which of the persons eligible under the 2016 Plan shall be granted Awards; (b) when and how each Award shall be granted; (c) what type or combination of types of Awards shall be granted; (d) the provisions of each Award granted (which need not be identical), including the time or times when a person shall be permitted to receive cash or Common Stock pursuant to a Stock Award; (e) the number of shares of Common Stock with respect to which a Stock Award shall be granted to each such person; and (f) the Fair Market Value applicable to a Stock Award; (ii) To construe and interpret the 2016 Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for its administration; the Board, in the exercise of this power, may correct any defect, omission or inconsistency in the 2016 Plan or in any Stock Award Agreement or in the written terms of a Performance Cash Award, in a manner and to the extent it shall deem necessary or expedient to make the 2016 Plan or Award fully effective; (iii) To settle all controversies regarding the 2016 Plan and Awards granted under it; (iv) To accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the 2016 Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest; (v) To amend, suspend or terminate the 2016 Plan at any time; provided that amendment, suspension or termination of the 2016 Plan shall not impair rights and obligations under any Award granted while the 2016 Plan is in effect except with the written consent of the affected Participant; (vi) To submit any amendment to the 2016 Plan for stockholder approval, including, but not limited to, amendments to the 2016 Plan intended to satisfy the requirements of (a) Section 422 of the Code regarding “incentive stock options,” or (b) Rule 16b-3 under the Exchange Act; (vii) to approve forms of Award Agreements for use under the 2016 Plan and to amend the terms of any one or more Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Award Agreement, subject to any specified limits in the 2016 Plan that are not subject to Board discretion; provided, however, that except with respect to amendments that disqualify or impair the status of an Incentive Stock Option, a Participant’s rights under any Award shall not be impaired by any such amendment unless (a) the Company requests the consent of the affected Participant and (b) such Participant consents in writing; notwithstanding the foregoing, subject to the limitations of applicable law, if any, the Board may amend the terms of any one or more Awards without the affected Participant’s consent if necessary to maintain the qualified status of the Award as an Incentive Stock Option or to bring the Award into compliance with Section 409A of the Code; (viii) to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the 2016 Plan or Awards; and (ix) to adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the 2016 Plan by Employees, Directors or Consultants who are foreign nationals or employed outside the United States.

As permitted by the 2016 Plan and the Delaware General Corporation Law, our Board of Directors has given our Chief Executive Officer the authority to grant options to purchase shares of our common stock to employees and non-executive officers, provided that no more than 250,000 total shares of common stock shall be issuable under options granted by the Chief Executive Officer during the 12-month period ending January 21, 2019 and each option grant must satisfy certain other requirements established by the Board.

Eligibility

Incentive stock options may be granted under the 2016 Plan only to employees of our company and its affiliates. Employees, directors and consultants of our company and its affiliates are eligible to receive all other types of awards under the 2016 Plan.

Terms of Options and SARs

The exercise price of incentive stock options may not be less than the fair market value of our common stock subject to the option on the date of the grant and, in some cases, may not be less than 110% of such fair market value. The exercise price of nonstatutory options also may not be less than the fair market value of our common stock on the date of grant.

Options granted under the 2016 Plan may be exercisable in increments, or “vest,” as determined by our Compensation Committee. The committee has the power to accelerate the time as of which an option may vest or be exercised, with

the consent of the optionee. The maximum term of options and SARs under the 2016 Plan is ten years, except that in certain cases

21

Table of Contents

the maximum term is five years. Options and SARs awarded under the 2016 Plan generally will terminate 90 days after termination of the participant's service, subject to certain exceptions.

A recipient may not transfer an incentive stock option otherwise than by will or by the laws of descent and distribution. During the lifetime of the recipient, only the recipient may exercise an option or SAR. The committee may grant nonstatutory stock options and SARs that are transferable to the extent provided in the applicable written agreement.

Terms of Restricted Stock Awards

Our Compensation Committee may issue shares of restricted stock under the 2016 Plan as a grant or for such consideration, including services, and, subject to the Sarbanes-Oxley Act of 2002, promissory notes, as determined in its sole discretion.

Shares of restricted stock acquired under a restricted stock purchase or grant agreement may, but need not, be subject to forfeiture to us or other restrictions that will lapse in accordance with a vesting schedule to be determined by the committee. In the event a recipient's employment or service with our company terminates, any or all of the shares of common stock held by such recipient that have not vested as of the date of termination under the terms of the restricted stock agreement may be forfeited to our company in accordance with such restricted stock agreement.

Rights to acquire shares of common stock under the restricted stock purchase or grant agreement shall be transferable by the recipient only upon such terms and conditions as are set forth in the restricted stock agreement, as the committee shall determine in its discretion, so long as shares of common stock awarded under the restricted stock agreement remain subject to the terms of such agreement.

Adjustment Provisions

If our common stock is changed by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification, then the number and class of shares of stock subject to each option and each SAR outstanding under the 2016 Plan, and the exercise price of each outstanding option and the base value of SAR, will be automatically and proportionately adjusted, except that our company will not be required to issue fractional shares as a result of any such adjustments. Such adjustment in any outstanding option or SAR will be made without change in the total price applicable to the unexercised portion of the option or SAR, but with a corresponding adjustment in the price for each share covered by the unexercised portion of the option or SAR.

Effect of Certain Corporate Events

Except as otherwise provided in the applicable agreement, in the event of (i) a liquidation or dissolution of our company, (ii) a merger or consolidation of our company with or into another corporation or entity (other than a merger with a wholly-owned subsidiary), or (iii) a sale of all or substantially all of the assets of our company in a single transaction or a series of related transactions, all options and SARs will terminate upon consummation of the transaction unless the Compensation Committee determines that they will survive. If the committee determines that outstanding options and SARs will survive, and if our company will not be the surviving entity in the transaction, the committee will provide that the outstanding options and SARs will be assumed or an equivalent option or SAR substituted by an applicable successor entity or any affiliate of the successor entity. If outstanding options and SARs are to terminate upon consummation of the corporate transaction, any options or SARs outstanding immediately prior to the consummation of the corporate transaction will be deemed fully vested and exercisable immediately prior to the consummation of the corporate transaction (provided that the option or SAR has not expired by its terms and that the grantee takes all steps necessary to exercise the option or SAR prior to the corporate transaction as required by the agreement evidencing the option or SAR).

Duration, Amendment and Termination

Our Board may suspend or terminate the 2016 Plan without stockholder approval or ratification, subject to certain restrictions, at any time or from time to time. Unless sooner terminated, the 2016 Plan will terminate ten years from the date of its approval by our stockholders, or on May 23, 2026.

Table of Contents

Our Board may also amend the 2016 Plan at any time, and from time to time. However, except as relates to adjustments upon changes in common stock, no amendment will be effective unless approved by our stockholders to the extent stockholder approval is necessary to preserve incentive stock option treatment for federal income tax purposes or to the extent such amendment is required by NASDAQ's rules or other applicable laws. Our Board may submit any other amendment to the 2016 Plan for stockholder approval in its discretion.

As of December 31, 2017, we have awarded or granted under the 2016 Plan options to purchase a total of 1,258,425 shares of our common stock and 1,488,450 shares of our common stock remain available for issuance under the 2016 Plan.

2014 Employee Stock Purchase Plan

Additional long-term equity incentives are provided through our 2014 Employee Stock Purchase Plan, or ESPP. The ESPP is intended to be an "employee stock purchase plan" within the meaning of Section 423 of the Internal Revenue Code. Under the ESPP, all of our employees and officers (other than 5% owners of our common stock) are eligible participants. The ESPP permits participants to purchase our common stock through payroll deductions of between 1% and 20% of the participant's compensation, up to a maximum of 2,000 shares per purchase period. The ESPP contains consecutive offering periods of approximately six (6) months duration. The price of the common stock purchased will be the lower of 85% of the fair market value of the common stock at the beginning of an offering period or at the end of the purchase period.

2018 Base Salaries and Target Bonuses

Our Compensation Committee recently undertook a review of our compensation program for named executive officers. The Compensation Committee developed its determinations in consultation with Dr. Chin and based upon a database of executive salaries of comparable companies provided by Equilar, and upon comparison with a comparable public company, Aratana Therapeutics. The changes included adjustments to our named executive officers' base salaries as well as grants of equity incentive awards intended to reward performance while promoting the creation of long-term stockholder value. We have historically established base salaries for our named executive officers through negotiations with each named executive officer, generally at the time the named executive officer commenced employment with us, with the intent of providing base salaries at a level sufficient to attract and retain individuals with superior talent. As part of the January 22, 2018 compensation review, our Compensation Committee considered each named executive officer's individual performance, tenure with the company and level and scope of responsibility and experience, as well as market pay practices. Based on the foregoing considerations, our Compensation Committee approved the following increases to our named executive officers' base salaries effective as of January 1, 2018:

Name	2018	2018
	Base Salary (\$)	Target Bonus (\$)
Richard Chin, M.D. President and Chief Executive Officer	\$520,000	\$260,000
Denise M. Bevers Chief Operating Officer	\$410,000	\$205,000
Wendy Wee Chief Financial Officer	\$330,000	\$99,000

2018 Equity Incentive Awards

Our Board of Directors and Compensation Committee believe that employees in a position to make a substantial contribution to the long-term success of our company should have a significant and ongoing stake in our success and that the size of such stake should reflect an employee's ability to influence our long-term performance. Equity incentive awards not only compensate but also motivate and encourage retention of our named executive officers by providing an opportunity to participate in the ownership of the company while promoting long-term value creation for our stockholders by aligning the

Table of Contents

interests of named executive officers with the interests of our stockholders. As a result of the January 22, 2018 compensation review, our Compensation Committee approved grants of the following equity incentive awards to our named executive officers, Dr. Chin, Ms. Bevers and Ms. Wee:

Name	Number of Option Shares	Number of Restricted Stock Units
Richard Chin, M.D. President and Chief Executive Officer	175,000	150,000
Denise M. Bevers Chief Operating Officer	100,000	110,000
Wendy Wee Chief Financial Officer	75,000	30,000

The options granted to our named executive officers have an exercise price per share equal to the closing market price of our common stock on the date of grant, which was \$8.75 per share, and vest as to 25% of the total number of option shares on the first anniversary of the date of grant and in equal monthly installments over the ensuing 36 months.

Restricted stock unit awards have an exercise price of \$8.75 equal to the closing market price of our common stock on the date of grant, and vest 25% per year over four years.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below sets forth certain information with respect to beneficial ownership of our securities as of April 20, 2018 by:

- persons known by us to be the beneficial owners of more than 5% of our issued and outstanding common stock;
- each of our named executive officers, directors and director nominees; and
- all of our executive officers and directors as a group.

The number of shares beneficially owned by each stockholder is determined in accordance with SEC rules. Under these rules, beneficial ownership includes any shares as to which a person has sole or shared voting power or investment power. Percentage ownership is based on 28,198,477 shares of our common stock outstanding on April 20, 2018. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to stock options, warrants or other rights held by such person that are currently convertible or exercisable or will become convertible or exercisable within 60 days of April 20, 2018 are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person.

Unless otherwise stated, the address of each 5% or greater beneficial holder is c/o Kindred Biosciences, Inc., 1555 Bayshore Highway, Suite 200, Burlingame, California 94010. We believe, based on information provided to us, that each of the stockholders listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

PROPOSAL NO. 2 - APPROVAL OF THE KINDRED BIOSCIENCES, INC.

2018 EQUITY INCENTIVE PLAN

We are asking our stockholders to approve the Kindred Biosciences, Inc. 2018 Equity Incentive Plan (the “2018 Plan”) at the Annual Meeting. On April 20, 2018, the 2018 Plan was adopted by our Board of Directors, subject to approval by our stockholders. The 2018 Plan is intended to be the successor to the Kindred Biosciences, Inc. 2016 Equity Incentive Plan (the “2016 Plan”).

Why We Are Asking Our Stockholders to Approve the 2018 Plan

Currently, we maintain the 2016 Plan to grant stock options, restricted stock, restricted stock units and other stock awards in order to provide long-term incentives to our employees, directors and consultants. Our Board of Directors decided to adopt and seek approval of the 2018 Plan as the successor to the 2016 Plan because it wanted to update the plan provisions to conform to current market practices and changes in applicable tax law.

Furthermore, as of April 20, 2018, only 76,344 shares of our common stock remained available for new awards under the 2016 Plan, and we therefore need our stockholders to approve an increase in the number of shares of common stock that are authorized for issuance under our equity incentive plan.

Approval of the 2018 Plan by our stockholders will allow us to continue to grant stock options, restricted stock, restricted stock units and other stock awards at levels determined to be appropriate by our Board of Directors or Compensation Committee. The 2018 Plan will also allow us to continue to use a varied array of equity incentives in order to secure and retain the services of our employees, directors and consultants and to align their interests with the interests of our stockholders.

As described below in Proposal 3, we also maintain a 2014 Employee Stock Purchase Plan (the “ESPP”) that enables employees to purchase our common stock at a 15% discount, although the number of shares of common stock that each employee is permitted to purchase under that plan is limited and that plan alone does not enable us to achieve the goals described above.

Requested Shares

If the 2018 Plan is approved by our stockholders, the aggregate number of shares of common stock available for issuance will be 3,000,000 shares, which represents approximately 9% of the shares of our fully-diluted common stock outstanding as of April 20, 2018. Based on historic grant practices, our Board of Directors estimates that this number of shares should be sufficient to enable us to grant equity awards to our employees, directors and consultants for approximately two more years.

Why You Should Vote to Approve the 2018 Plan

Equity Awards Are an Important Part of Our Compensation Philosophy.

The 2018 Plan is critical to our ongoing effort to build stockholder value through retaining and motivating key employees, directors and consultants. The purpose of the adoption of the 2018 Plan is to provide us with a sufficient reserve of common stock to offer appropriate incentives to our employees, directors and consultants. We are a biopharmaceutical company focused on saving and improving the lives of pets. Our success in developing marketable products and implementing our current initiatives depends on our ability to attract and retain qualified personnel in areas requiring specific technical, medical or commercial expertise. Like many drug development companies, we actively compete for highly qualified employees. Our equity programs are key components of our strategy to attract and retain those individuals. We continue to believe that equity compensation is a critical component to motivate key employees and directors and effectively aligns their compensation with stockholder interests. Traditionally, stock options have been the primary focus of our equity program. The potential value of stock options is realized only if our share price increases, and so we believe stock options provide a strong incentive for

Table of Contents

individuals to work to grow our business and build stockholder value, and are most attractive to individuals who share our entrepreneurial spirit.

We Have Experienced a Substantial Increase in the Number of Our Employees Who Are Eligible to Receive Equity Awards.

The 2016 Plan was approved by our stockholders on May 23, 2016. On that date, we had approximately 38 employees. As of April 20, 2018, we had 83 employees and, as we begin to implement the commercialization of our products, we anticipate that we will have at least 102 employees by June 30, 2018.

Because only 76,344 shares of our common stock remained available for new awards under the 2016 Plan as of April 20, 2018, we will be unable to attract, retain and motivate our increased employee base without an increase in the number of shares of common stock that are available for issuance under our equity incentive program.

While we could increase cash compensation if we are unable to grant equity incentives, we believe that equity awards are a more effective executive compensation vehicle than cash at a growth-oriented, entrepreneurial company because they deliver high potential value with a smaller impact on current income and cash flow. Therefore, we are asking our stockholders to approve the 2018 Plan.

We Manage Our Equity Award Use Carefully, and the Dilution that Will Result Under the 2018 Plan is Reasonable.

We continue to believe that equity awards such as stock options are a vital part of our overall compensation program.

Our compensation philosophy reflects broad-based eligibility for equity incentive awards, and we grant awards to a majority of our employees. However, we recognize that equity awards dilute existing stockholders and that, therefore, we must responsibly manage the growth of our equity compensation program. We are committed to effectively managing our equity compensation share reserve, including our “burn rate,” to ensure that we maximize stockholder value by granting the appropriate number of equity incentive awards necessary to attract and reward employees, directors and consultants. The tables below show our responsible overhang and burn rate percentage.

The 2018 Plan Combines Compensation and Governance Best Practices.

Our Board of Directors believes that the 2018 Plan contains provisions that are designed to protect our stockholders’ interests and to reflect compensation and corporate governance best practices, including:

Stockholder approval is required for additional shares. The 2018 Plan does not contain an annual “evergreen” provision that provides for automatic increases of shares on an ongoing basis. The 2018 Plan states that stockholder approval is required to issue any additional shares from the 2018 Plan once we have used all shares available for issuance.

No discounted stock options or stock appreciation rights. The 2018 Plan requires all stock options and stock appreciation rights to have an exercise price (or strike price) equal to or greater than the fair market value of our common stock on the date the stock option or stock appreciation right is granted.

Repricing is not allowed without stockholder approval. The 2018 Plan prohibits the repricing or exchange of underwater stock options and stock appreciation rights without prior stockholder approval.

Awards Subject to Clawback. All awards granted under the 2018 Plan are subject to recoupment in accordance with any clawback policy that we are required to adopt pursuant to the listing standards of any national securities exchange on which our common stock is listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, the 2018 Plan’s administrator

Table of Contents

may impose such other clawback, recovery or recoupment provisions in an award agreement as it determines are necessary or appropriate.

Limit on Annual Compensation to Non-Employee Directors. The 2018 Plan provides that the annual compensation payable by us to a non-employee director, including the grant date value of stock awards, cash retainers, committee fees and other compensation, shall not exceed \$500,000 in the aggregate. Furthermore, the 2018 Plan provides that a maximum of 100,000 shares of our common stock subject to options and other stock awards may be granted to any non-employee director during any calendar year.

Restrictions on Dividends. The 2018 Plan provides that (1) no dividends or dividend equivalents may be paid with respect to any shares of our common stock subject to an award before the date that such shares have vested, (2) any dividends or dividend equivalents that are credited with respect to any such shares will be subject to all of the terms and conditions applicable to such shares under the terms of the applicable award agreement (including, without limitation, any vesting conditions), and (3) any dividends or dividend equivalents that are credited with respect to any such shares will be forfeited to us on the date, if any, such shares are forfeited to or repurchased by us due to a failure to meet any vesting conditions under the terms of the applicable award agreement.

Stockholder Approval

Following stockholder approval of the 2018 Plan, no new awards will be made under the 2016 Plan. However, the 2016 Plan will continue to govern existing awards made under that plan.

Summary of the 2018 Plan

A copy of the 2018 Plan is attached as Appendix A to this Proxy Statement, and we urge stockholders to read it in its entirety. The summary of the principal features of the 2018 Plan that is set forth below is not a complete description of the 2018 Plan and is qualified by the full text of the 2018 Plan.

Types of Awards

The 2018 Plan provides for the following types of awards: incentive stock options, nonstatutory stock options, restricted stock awards, restricted stock unit awards, stock appreciation rights, performance stock awards, performance cash awards, and other stock-based awards. We refer to these stock awards in this Proposal 2 collectively as the stock awards or awards.

Eligibility

Stock awards may be granted under the 2018 Plan to employees (including officers) and consultants of KindredBio or our affiliates, and to members of our Board of Directors. Pursuant to applicable tax law, we may grant incentive stock options only to our employees (including officers) and employees of our subsidiaries. As of April 20, 2018, we had a total of 83 employees and 5 non-employee directors who would be eligible to be granted awards under the 2018 Plan. Annual Compensation to Non-Employee Directors; Limitation on Annual Stock Awards to Participants

The 2018 Plan provides that the compensation payable by us to a non-employee director for services performed as a non-employee director, including, without limitation, the grant date value (determined under U.S. generally accepted accounting principles) of stock awards, cash retainers, committee fees and other compensation, shall not exceed \$500,000 in the aggregate during any calendar year. Furthermore, the 2018 Plan provides that a maximum of 100,000 shares of our common stock subject to options and other stock awards may be granted to any non-employee director during any calendar year. The 2018 Plan also provides that no officer, employee or consultant may be granted stock awards covering more than 500,000 shares of our common stock during any calendar year pursuant to stock options, stock appreciation rights and other stock awards.

Administration

The 2018 Plan is administered by our Board of Directors, which may in turn delegate authority to administer the 2018 Plan to a committee. Our Board of Directors has delegated administration of the 2018 Plan to the Compensation Committee of the Board of Directors, but has retained the authority to concurrently administer the 2018 Plan with the Compensation Committee and may, at any time, re-vest in itself some or all of the powers previously delegated to the Compensation

Table of Contents

Committee. Subject to the terms of the 2018 Plan, the Compensation Committee may determine the recipients, numbers and types of stock awards to be granted, and terms and conditions of the stock awards, including the period of their exercisability and vesting. Subject to the limitations set forth below, the Compensation Committee also determines the fair market value applicable to a stock award and the exercise price of stock options and stock appreciation rights granted under the 2018 Plan.

Unless otherwise determined by the Board of Directors, the Compensation Committee shall be comprised of at least two directors, each of whom is (1) a “non-employee director” within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, as amended, and (2) an “independent director” under applicable rules of The NASDAQ Stock Market LLC, including the independence rules of such stock exchange relating to compensation committee members. The Compensation Committee has the authority to delegate its administrative powers under the 2018 Plan to a subcommittee consisting of members of the Compensation Committee. The 2018 Plan also permits delegation to one or more officers of the ability to determine the recipients, number of shares and types of stock awards (to the extent permitted by law) to be granted to employees other than our officers, subject to a maximum limit on the aggregate number of shares subject to stock awards that may be granted by such officers.

Stock Available for Awards

If this Proposal 2 is approved, the total number of shares of our common stock reserved for issuance under the 2018 Plan will consist of 3,000,000 shares (the “Share Reserve”). The closing price of our common stock on April 20, 2018, as reported on The NASDAQ Capital Market, was \$9.65 per share.

The shares of common stock subject to stock awards granted under the 2018 Plan that expire, are forfeited because of a failure to vest, or otherwise terminate without being exercised in full will return to the Share Reserve and be available for issuance under the 2018 Plan. All shares that are withheld to satisfy tax requirements or that are used to pay the exercise or purchase price of a stock award will return to the Share Reserve and be available for issuance under the 2018 Plan.

Appropriate adjustments will be made to the Share Reserve, to the limit on the number of shares that may be issued as incentive stock options, to the exercise price and number of outstanding options, and to the limit on the number of shares that may be awarded to any one person in any calendar year in the event of any change in our common stock without the receipt of consideration by the Company through reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, stock split, reverse stock split, spin-off, split-off, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or any similar equity restructuring transaction, other than the conversion of convertible securities.

Repricing

The 2018 Plan expressly provides that, without the approval of our stockholders, the Compensation Committee may not provide for either the cancellation of underwater stock options or stock appreciation rights outstanding under the 2018 Plan in exchange for the grant of new awards, or the amendment of outstanding stock options or stock appreciation rights to reduce their exercise price.

Dividends and Dividend Equivalents

The 2018 Plan provides that (1) no dividends or dividend equivalents may be paid with respect to any shares of our common stock subject to an award before the date that such shares have vested, (2) any dividends or dividend equivalents that are credited with respect to any such shares will be subject to all of the terms and conditions applicable to such shares under the terms of the applicable award agreement (including, without limitation, any vesting conditions), and (3) any dividends or dividend equivalents that are credited with respect to any such shares will be forfeited to us on the date, if any, such shares are forfeited to or repurchased by us due to a failure to meet any vesting conditions under the terms of the applicable award agreement.

Terms of Options

A stock option is the right to purchase shares of our common stock at a fixed exercise price during a specified period of time. Stock option grants may be incentive stock options or nonstatutory stock options. Each option is evidenced by a stock option agreement. The Compensation Committee determines the terms of a stock option including the exercise price, the form of consideration paid on exercise, the vesting schedule, restrictions on transfer and the term of the option.

Generally, the exercise price of a stock option may not be less than 100% of the fair market value of the stock subject to the option on the date of grant. Options granted under the 2018 Plan will vest at the rate specified in the option agreement.

The term of an option granted under the 2018 Plan will be determined by the Compensation Committee, but may not exceed ten years. The Compensation Committee will determine the time period, including the time period following a termination of an optionholder's continuous service relationship with us or any of our affiliates, during which an optionholder has the right to exercise a vested option. Unless the terms of an optionholder's stock option agreement provide otherwise, if an optionholder's continuous service relationship with us, or any of our affiliates, ceases for any reason other than disability or death, the optionholder may generally exercise any vested options for a period of three months following the cessation of service. Unless otherwise provided in the option agreement, if an optionholder's service relationship with us, or any of our affiliates, ceases due to disability or death, or an optionholder dies within a certain period following cessation of service, the optionholder or a beneficiary may generally exercise any vested options for a period of eighteen months in the event of disability and eighteen months in the event of death. The Compensation Committee has discretion to extend the term of any outstanding option and to extend the time period during which a vested option may be exercised following a termination of continuous service. The Compensation Committee also has discretion to accelerate the vesting of an option or a stock appreciation right following a participant's termination of continuous service or to provide in an award agreement for continued vesting of an option or a stock appreciation right following a termination of continuous service.

Acceptable forms of consideration for the purchase of our common stock issued under the 2018 Plan may include cash, payment pursuant to a "cashless" exercise program developed under Regulation T as promulgated by the Federal Reserve Board, common stock owned by the participant, payment through a net exercise feature, or other approved forms of legal consideration.

Generally, an optionholder may not transfer a stock option other than by will or the laws of descent and distribution or pursuant to a domestic relations order. However, to the extent permitted under the terms of the applicable stock option agreement, an optionholder may designate a beneficiary who may exercise the option following the optionholder's death.

Tax Limitations on Incentive Stock Options

The aggregate fair market value, determined at the time of grant, of shares of our common stock with respect to incentive stock options that are exercisable for the first time by an optionholder during any calendar year under all of our stock plans may not exceed \$100,000. The options or portions of options that exceed this limit are generally treated as nonstatutory stock options. In addition, the maximum number of shares that may be issued pursuant to the exercise of incentive stock options under the 2018 Plan is 3,000,000 shares. No incentive stock option may be granted to any person who, at the time of the grant, owns or is deemed to own stock possessing more than 10% of our total combined voting power or that of any affiliate unless the following conditions are satisfied:

• The option exercise price must be at least 110% of the fair market value of the stock subject to the option on the date of grant; and

• The term of any incentive stock option award must not exceed five years from the date of grant.

Table of Contents

Terms of Restricted Stock Awards

Restricted stock awards are awards of shares of our common stock. Each restricted stock award is evidenced by an award agreement that sets forth the terms and conditions of the award. A restricted stock award may be granted in consideration for cash, the recipient's services performed, or to be performed, for us or an affiliate of ours or other form of legal consideration. Shares of our common stock acquired under a restricted stock award may be subject to forfeiture in accordance with the vesting schedule determined at the time of grant. Rights to acquire shares of our common stock under a restricted stock award may be transferred only upon such terms and conditions as are set forth in the restricted stock award agreement.

Terms of Restricted Stock Unit Awards

A restricted stock unit is a right to receive stock or cash (or a combination of cash and stock) equal to the value of a share of stock at the end of a set period. No stock is issued at the time of grant. Each restricted stock unit award is evidenced by an agreement that sets forth the terms and conditions of the award. Restricted stock unit awards may be subject to vesting in accordance with a vesting schedule determined at grant. When a participant's continuous service with us or any of our affiliates terminates for any reason, the unvested portion of the restricted stock unit award will be forfeited unless otherwise provided in the restricted stock unit award agreement.

Terms of Stock Appreciation Rights

Stock appreciation rights will be granted pursuant to a stock appreciation rights agreement. Each stock appreciation right is denominated in common stock share equivalents. The Compensation Committee determines the strike price for a stock appreciation right, which generally cannot be less than 100% of the fair market value of our common stock on the date of grant. A stock appreciation right granted under the 2018 Plan vests at the rate specified in the stock appreciation right agreement as determined by the Compensation Committee.

When a stock appreciation right is exercised, the holder is entitled to an amount equal to the product of (1) the excess of the per share fair market value of our common stock on the date of exercise over the strike price, multiplied by (2) the number of shares of common stock with respect to which the stock appreciation right is exercised. We may pay the amount of the appreciation in cash or shares of our common stock or a combination of both.

The Compensation Committee determines the term of stock appreciation rights granted under the 2018 Plan, up to a maximum of ten years. Unless the terms of an optionholder's stock option agreement provide otherwise, if a participant's continuous service with us, or any of our affiliates, ceases for any reason other than disability or death, the participant may generally exercise any vested stock appreciation right for a period of three months following the cessation of service. If a participant's service relationship with us, or any of our affiliates, ceases due to disability or death, or a participant dies within a certain period following cessation of service, the participant or a beneficiary may generally exercise any vested stock appreciation right for a period of eighteen months in the event of disability and eighteen months in the event of death. The Compensation Committee has discretion to extend the term of any outstanding stock appreciation right and to extend the time period during which a vested stock appreciation right may be exercised following a termination of continuous service.

Terms of Performance Awards

The 2018 Plan provides for the grant of performance stock awards and performance cash awards. A performance award may vest or be exercised upon achievement of pre-determined performance goals during a specified period. A performance award may also require the completion of a specified period of continuous service. The length of any performance period, the performance goals to be achieved during the performance period, and the measure of whether and to what degree such performance goals have been attained will be determined by the Compensation Committee.

Table of Contents

Performance-based stock and cash awards may be made subject to one or more of the following criteria: (1) earnings (including earnings per share and net earnings); (2) earnings before interest, taxes and depreciation; (3) earnings before interest, taxes, depreciation and amortization; (4) total stockholder return; (5) return on equity or average stockholders' equity; (6) return on assets, investment or capital employed; (7) stock price; (8) margin (including gross margin); (9) income (before or after taxes); (10) operating income; (11) operating income after taxes; (12) pre-tax profit, operating profit or net operating profit; (13) operating cash flow; (14) sales or revenue targets; (15) increases in revenue or product revenue; (16) expenses and cost reduction goals; (17) improvement in or attainment of working capital levels; (18) economic value added (or an equivalent metric); (19) market share; (20) cash flow; (21) cash flow per share; (22) share price performance; (23) debt levels or debt reduction; (24) regulatory body approval for commercialization of a product; (25) implementation, completion or attainment of objectives relating to product research, product studies, product study results, product commercialization, regulatory approval and commercial or strategic milestones; (26) acquisition and development of manufacturing facilities for products; (27) measures of customer satisfaction or retention; (28) success in compliance with applicable laws and regulations and applicable accounting requirements; (29) investor relations activities and success; (30) stockholders' equity; (31) capital expenditures; (32) measures of workforce diversity or retention; (33) growth of net income or operating income; and (34) any other measures of performance selected by the Board.

The performance goals may be based on a company-wide basis, with respect to one or more business units, divisions, affiliates, or business segments, and in either absolute terms or relative to the performance of one or more comparable companies or the performance of one or more relevant indices. Unless specified otherwise (i) in the award agreement at the time the award is granted or (ii) in such other document setting forth the performance goals at the time the goals are established, the Compensation Committee may elect to make appropriate adjustments in the method of calculating the attainment of performance goals as follows: (1) to exclude restructuring and/or other nonrecurring charges; (2) to exclude exchange rate effects, as applicable, for non-U.S. dollar denominated goals; (3) to exclude the effects of changes to generally accepted accounting principles; (4) to exclude the effects of any statutory adjustments to corporate tax rates; (5) to exclude the effects of any "extraordinary items" as determined under generally accepted accounting principles; (6) to exclude the dilutive effects of acquisitions or joint ventures; (7) to assume that any business divested by us achieved performance objectives at targeted levels during the balance of a performance period following such divestiture; (8) to exclude the effect of any change in the outstanding shares of our common stock by reason of any stock dividend or split, stock repurchase, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of shares or other similar corporate change, or any distributions to common shareholders other than regular cash dividends; (9) to exclude the effects of stock based compensation and/or the award of bonuses under our bonus plans; (10) to exclude expenses incurred in the acquisition or disposition of businesses; and (11) to exclude the effect of any other unusual, non-recurring gain or loss or other extraordinary item. In addition, the Compensation Committee retains the discretion to reduce, eliminate or increase the amount that is payable upon attainment of the specified performance goals. The performance goals may differ from participant to participant and from award to award.

Terms of Other Stock Awards

The Compensation Committee may grant other forms of stock awards that are valued in whole or in part by reference to the value of KindredBio common stock. Subject to the provisions of the 2018 Plan, the Compensation Committee has the authority to determine the persons to whom and the dates on which such other stock awards will be granted, the number of shares of common stock (or cash equivalents) to be subject to each award, and other terms and conditions of such awards. Such awards may be granted either alone or in addition to other stock awards granted under the 2018 Plan. Such other forms of stock awards may be subject to vesting in accordance with a vesting schedule determined at grant.

Corporate Transactions; Changes in Control

Corporate Transaction. In the event of certain significant corporate transactions, the Compensation Committee has the discretion to take one or more of the following actions with respect to outstanding stock awards under the 2018 Plan:

- Arrange for assumption, continuation, or substitution of a stock award by a surviving or acquiring entity (or its parent company);

Table of Contents

- Arrange for the assignment of any reacquisition or repurchase rights applicable to any shares of our common stock issued pursuant to a stock award to the surviving or acquiring corporation (or its parent company);
- Accelerate the vesting and exercisability of a stock award followed by the termination of the stock award;
- Arrange for the lapse of any reacquisition or repurchase rights applicable to any shares of our common stock issued pursuant to a stock award; and
- Arrange for the surrender of a stock award in exchange for a payment equal to the excess of (1) the value of the property the holder of the stock award would have received upon the exercise of the stock award, over (2) any exercise price payable by such holder in connection with such exercise.

The Compensation Committee need not take the same action for each stock award.

For purposes of the 2018 Plan, a corporate transaction will be deemed to occur in the event of (1) the consummation of a sale of all or substantially all of our consolidated assets, (2) the consummation of a sale of at least 90% of our outstanding securities, (3) the consummation of a merger or consolidation in which we are not the surviving corporation, or (4) the consummation of a merger or consolidation in which we are the surviving corporation but shares of our outstanding common stock are converted into other property by virtue of the transaction.

Change in Control. A stock award may be subject to additional acceleration of vesting and exercisability upon or after specified change in control transactions (as defined in the 2018 Plan), as provided in the stock award agreement or in any other written agreement between us or any affiliate and the participant.

Duration, Suspension, Termination and Amendment of the 2018 Plan

The Board of Directors may suspend or terminate the 2018 Plan at any time. Unless sooner terminated by our Board of Directors, the 2018 Plan shall automatically terminate on April 19, 2028, which is the day before the tenth anniversary of the date the 2018 Plan was adopted by the Board of Directors. No awards may be granted under the 2018 Plan while the 2018 Plan is suspended or after it is terminated.

The Board of Directors may amend the 2018 Plan at any time. However, no amendment, suspension or termination of the plan will adversely affect any rights under awards already granted to a participant unless agreed to by the affected participant. Furthermore, without stockholder approval, the Board of Directors does not have the right or authority (1) to increase the aggregate number of shares of common stock (including upon the exercise of incentive stock options) that may be issued under the 2018 Plan, other than in connection with specified capitalization adjustments such as stock splits and stock dividends and the other transactions described above under “Stock Available for Awards,” (2) to amend the provisions in the 2018 Plan relating to a prohibition on the repricing of stock awards, (3) to amend the 2018 Plan in any respect that requires stockholder approval under applicable stock exchange rules, or (4) to amend the 2018 Plan in any respect that requires stockholder approval under the Internal Revenue Code of 1986, as amended (the “Code”), or any other applicable law.

Tax Withholding

The Compensation Committee may require a participant to satisfy any federal, state, local, or foreign tax withholding obligation relating to a stock award by (1) causing the participant to tender a cash payment, (2) withholding shares of common stock from the shares of common stock issued or otherwise issuable to the participant in connection with the award, (3) withholding cash from an award settled in cash or from other amounts payable to the participant, (4) withholding payment from any amounts otherwise payable to the participant, or (5) by other method set forth in the award agreement.

U.S. Federal Income Tax Consequences

The following is a summary of the principal United States federal income tax consequences to participants and KindredBio with respect to participation in the 2018 Plan. The summary is not intended to be exhaustive and does not discuss the income tax laws of any local, state or foreign jurisdiction in which a participant may reside. The information is based upon

Table of Contents

current federal income tax rules and therefore is subject to change when those rules change. Because the tax consequences to any participant may depend on his or her particular situation, each participant should consult the participant's tax adviser regarding the federal, state, local, and other tax consequences of the grant or exercise of an award or the disposition of stock acquired under the 2018 Plan. The 2018 Plan is not qualified under the provisions of Section 401(a) of the Code, and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974. Our ability to realize the benefit of any tax deductions described below depends on our generation of taxable income as well as the satisfaction of our tax reporting obligations.

Incentive Stock Options

The 2018 Plan provides for the grant of stock options that qualify as "incentive stock options," as defined in Section 422 of the Code. Under the Code, an optionholder generally is not subject to ordinary income tax upon the grant or exercise of an incentive stock option. If the optionholder holds a share received on the exercise of an incentive stock option for more than two years from the date the option was granted and more than one year from the date the option was exercised, which is referred to as the required holding period, the difference, if any, between the amount realized on a sale or other taxable disposition of that share and the holder's tax basis (for regular tax purposes, the tax basis is generally the exercise price, and for alternative minimum tax purposes, the tax basis is generally the exercise price plus any spread treated as an item of adjustment for alternative minimum tax purposes) in that share will be long-term capital gain or loss.

If, however, an optionholder disposes of a share acquired on exercise of an incentive stock option before the end of the required holding period, which is referred to as a disqualifying disposition, the optionholder generally will recognize ordinary income in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the share on the date the incentive stock option was exercised over the exercise price. However, if the sales proceeds are less than the fair market value of the share on the date of exercise of the option, the amount of ordinary income recognized by the optionholder will not exceed the gain, if any, realized on the sale. If the amount realized on a disqualifying disposition exceeds the fair market value of the share on the date of exercise of the option, that excess will be short-term or long-term capital gain, depending on whether the holding period for the share exceeds one year. For purposes of the alternative minimum tax, the amount by which the fair market value of a share of stock acquired on exercise of an incentive stock option exceeds the exercise price of that option generally will be an adjustment included in the optionholder's alternative minimum taxable income for the year in which the option is exercised. If, however, there is a disqualifying disposition of the share in the year in which the option is exercised, there will be no adjustment for alternative minimum tax purposes with respect to that share. In computing alternative minimum taxable income, the tax basis of a share acquired on exercise of an incentive stock option is increased by the amount of the adjustment taken into account with respect to that share for alternative minimum tax purposes in the year the option is exercised.

We will not be allowed an income tax deduction with respect to the grant or exercise of an incentive stock option or the disposition of a share acquired on exercise of an incentive stock option after the required holding period. If there is a disqualifying disposition of a share, however, we will generally be allowed an income tax deduction in an amount equal to the taxable ordinary income realized by the optionholder, subject to the provisions of Section 162(m) of the Code summarized below and provided either that the optionholder includes that amount in income or we timely satisfy our tax reporting requirements with respect to that amount.

Nonstatutory Stock Options

Generally, there is no taxation upon the grant of a nonstatutory stock option if the option is granted with an exercise price equal to, or greater than, the fair market value of the underlying stock on the grant date. On exercise, an optionholder will recognize ordinary income equal to the excess, if any, of the fair market value on the date of exercise of the stock over the exercise price. Generally, the optionholder's tax basis in those shares will be equal to their fair market value on the date of exercise of the option, and the optionholder's capital gain holding period for those shares will begin on that date. Subject to the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to an income tax deduction equal to the taxable ordinary income realized by the optionholder.

Table of Contents

Restricted Stock

Generally, the recipient of a restricted stock award will recognize ordinary income at the time the stock is received equal to the excess, if any, of the fair market value of the stock received over any monetary amount paid by the recipient in exchange for the stock. If, however, the stock is not vested when it is received (for example, if the employee is required to work for a period of time in order to have the right to keep the stock), the recipient generally will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any monetary amount paid by the recipient in exchange for the stock. A recipient may, however, file an election with the Internal Revenue Service, within 30 days of his or her receipt of the stock award, to recognize ordinary income, as of the date the recipient receives the award, equal to the excess, if any, of the fair market value of the stock on the date the award is granted over any monetary amount paid by the recipient in exchange for the stock. The recipient's basis for the determination of gain or loss upon the subsequent disposition of shares acquired from a restricted stock award will be the monetary amount paid for such shares plus any ordinary income recognized either when the stock is received or when the stock becomes vested.

Subject to the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to an income tax deduction equal to the taxable ordinary income realized by the recipient of the restricted stock award.

Restricted Stock Units

Generally, no taxable income is recognized upon receipt of a restricted stock unit award. The recipient will recognize ordinary income in the year in which the shares subject to that unit are actually issued to the participant (or cash in lieu of shares is delivered to the recipient) in an amount equal to the fair market value of the shares on the date of delivery. Subject to the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we generally will be entitled to an income tax deduction equal to the amount of taxable ordinary income recognized by the recipient.

Stock Appreciation Rights

Generally, stock appreciation rights are subject to similar tax rules as nonstatutory stock options. This means that, generally, no taxable income is realized upon the receipt of a stock appreciation right. Upon exercise of the stock appreciation right, the fair market value of the shares (or cash in lieu of shares) received, less any strike price paid for such shares, is recognized as ordinary income to the recipient in the year of such exercise. Subject to the provisions of Section 162(m) of the Code and the satisfaction of a tax reporting obligation, we will generally be entitled to an income tax deduction equal to the amount of taxable ordinary income recognized by the participant.

Section 162(m) of the Code

Section 162(m) of the Code, as amended by the Tax Cuts and Jobs Act of 2017, limits the U.S. federal income tax deductibility of compensation paid by us to any covered employee to \$1,000,000 per taxable year. A "covered employee" is any individual who (1) is our principal executive officer or principal financial officer at any time during the taxable year, (2) is one of our executive officers (other than the principal executive officer or principal financial officer) whose compensation is required to be reported in our proxy statement's summary compensation table by reason of such officer being among our highest compensated officers during the taxable year, or (3) was a covered employee described in clause (1) or (2) in any prior fiscal year beginning after December 31, 2016. Prior to 2018, an exception to the limitation on the deductibility of compensation applied for performance-based compensation. The performance-based compensation exception to the limitation on the deductibility of compensation in excess of \$1,000,000 was repealed with respect to any compensation paid in any taxable year commencing on or after December 31, 2017, except that a transition rule provides that the amendments to Section 162(m) of the Code enacted in the Tax Cuts and Jobs Act do apply to any compensation which is provided pursuant to a written binding contract in effect on November 2, 2017 and which was not materially modified at any time after November 2, 2017.

Section 409A of the Code

Some awards under the 2018 Plan may be considered to be deferred compensation subject to special U.S. federal income tax rules under Section 409A of the Code. Failure to satisfy the applicable requirements under these provisions for awards considered deferred compensation would result in the acceleration of income and additional income tax liability to the recipient, including certain penalties. The 2018 Plan is intended to be designed and administered so that awards under the 2018 Plan are exempt from Section 409A of the Code or, alternatively, that any awards under the 2018 Plan that are considered to be deferred compensation will not give rise to any negative tax consequences to the recipient under these provisions.

PROPOSAL NO. 3 - APPROVAL OF AN AMENDMENT TO THE KINDRED BIOSCIENCES, INC. 2014 EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE BY 300,000 SHARES

The Kindred Biosciences, Inc. 2014 Employee Stock Purchase Plan (the “ESPP”) was adopted by our Board of Directors on October 11, 2014 and was approved by our stockholders on December 1, 2014.

The purpose of the ESPP is to provide our employees with an opportunity to buy shares of our common stock on favorable terms. The ESPP is intended to qualify as an “employee stock purchase plan” under Section 423 of the Internal Revenue Code of 1986, as amended (the “Code”).

The maximum aggregate number of shares that may be issued under the ESPP is 200,000 shares. On April 20, 2018, our Board of Directors approved an amendment to the ESPP increasing to 500,000 shares the maximum aggregate number of shares that may be issued under the ESPP. This increase of 300,000 shares from the current number of 200,000 authorized shares is subject to stockholder approval and will not become effective unless and until our stockholders approve the amendment at the Annual Meeting.

A copy of the ESPP, including the amendment to Sections 12(a) and 23 of the ESPP approved by our Board of Directors on April 20, 2018, is attached as Appendix B to this Proxy Statement, and we urge stockholders to read it in its entirety. The summary of the principal features of the ESPP that is set forth below is not a complete description of the ESPP and is qualified by the full text of the ESPP.

Reasons for the Amendment to the ESPP; Shares Authorized for Issuance

The ESPP is designed to provide our eligible employees with the opportunity to purchase shares of our common stock on periodic purchase dates through accumulated payroll deductions. The ESPP allows employees to purchase common stock at a discounted price and in a manner that receives favorable tax treatment under Section 423 of the Code.

Our Board of Directors and management believe that maintaining the ESPP is an important element in recruiting, motivating, and retaining our employees. The ESPP is intended to align the interests of our employees with those of our stockholders by encouraging employees to invest in our common stock and to help our employees share in our success through the appreciation in the value of their purchased ESPP shares.

As of April 20, 2018, approximately 65 of our employees were eligible to participate in the ESPP and we anticipate that as of June 1, 2018, 73 employees will be eligible to participate. As of April 20, 2018, 25 of our employees participated in the ESPP, which represents approximately 43% of our employees who are eligible to participate in the ESPP. The closing price of our common stock on April 20, 2018, as reported on The NASDAQ Capital Market, was \$9.65.

As of April 20, 2018, 137,542 shares of common stock had been issued under the ESPP and only 62,458 shares of common stock remained available for issuance under the ESPP. The number of our employees eligible to participate in the ESPP has increased by approximately 87% since the approval by our stockholders of the ESPP on December 1, 2014. We anticipate that by June 1, 2018, the increase in employee eligibility will be approximately 135% since approval by our stockholders. Because our Board of Directors and management believe that the continued operation of the ESPP is clearly in the best interests of our stockholders, the Board has proposed that our stockholders approve at the Annual Meeting an increase in the number of shares that are authorized for issuance under the ESPP.

To determine the number of additional shares needed to permit the continued successful operation of the ESPP, our Board of Directors and management considered a number of factors, including (1) the number of employees that we estimate will participate in the ESPP over the life of the ESPP, (2) the number of shares that have been issued annually under the ESPP, (3) the structure of the employee stock purchase plans of similar companies, and (4) the number of shares of our common stock currently issued and outstanding and the number of shares of common stock currently authorized for issuance under our certificate of incorporation.

Table of Contents

The proposed increase of 300,000 shares in the number of shares of common stock that are authorized for issuance under the ESPP represents approximately 1.064% of our 28,198,477 outstanding shares of common stock as of April 20, 2018. Assuming that our stockholders approve the proposed amendment to the ESPP increasing to 500,000 shares the maximum aggregate number of shares that may be issued under the ESPP, that number of authorized shares will represent approximately 1.77% of our outstanding shares of common stock as of April 20, 2018 and approximately 0.5% of our 100,000,000 total authorized shares of common stock under our certificate of incorporation.

The number of shares of common stock that may be issued under the ESPP is subject to adjustment for stock splits, reverse stock splits, stock dividends, combinations or reclassifications of our common stock, mergers, consolidations, acquisitions of property or stock, spin-offs or other distributions of stock or property, reorganizations, liquidations, or any similar transactions.

Eligibility

Employees of the Company and its subsidiaries designated by our Board of Directors, who have completed at least three months of service, are eligible to participate in the ESPP. However, no employee may participate if his or her participation would result in ownership by the employee of capital stock or options to purchase stock possessing 5% or more of the voting power or the value of our capital stock. Additionally, no employee may be granted a right under the ESPP, which we refer to as an “option,” to purchase more than \$25,000 worth of stock in any calendar year based on the fair market value of our stock on the grant date. The maximum number of shares of common stock that may be purchased by a participating employee during an offering period is 2,000 shares, subject to adjustment upon an event described above. Participation in the ESPP is voluntary on the part of employees.

Administration

The ESPP is administered by our Board of Directors or a committee of our Board. The ESPP administrator has the right to determine questions that may arise regarding the interpretation and application of plan provisions and to make, administer, and interpret such rules as it deems necessary or advisable.

Terms of Participation

The ESPP provides for two six-month offering periods each year. Participating employees will be granted on the first day of an offering period the option to purchase common stock on the last day of the offering period. Each participant may request a specific percentage (from 1% to 20%) of his or her compensation to be withheld each payroll period for the offering period. If an employee is a participant in the ESPP on the last day of the offering period, he or she will be deemed to have exercised the option granted to him or her for that period, and we will apply the balance of the employee’s withholding account to the purchase of shares. The purchase price of shares issued pursuant to exercise will be 85% of the lower of our common stock’s fair market value at the beginning of an offering period or on the purchase date.

Payroll deductions will be made on an after-tax basis. A participant may at any time prior to exercise cancel all of his or her option by written notice to us and receive a return of the balance of the participant’s withholding account. Upon termination of employment, a participant’s option will be cancelled automatically, and the balance of his or her withholding account will be returned.

Plan Benefits

Participation in the ESPP is voluntary, and each eligible employee makes his or her own decision whether and to what extent to participate in the ESPP. Therefore, we cannot determine the benefits or the number of shares of common stock that will be received in the future by individual employees or groups of employees under the ESPP.

The following table shows, as to the listed individuals and groups, the number of shares of common stock purchased under the ESPP during our 2017 fiscal year.

Table of Contents

Name and Position	Number of Purchased Shares
Named Executive Officers:	
Richard Chin, M.D., President and Chief Executive Officer (1)	—
Denise M. Bevers, Chief Operating Officer	—
Wendy Wee, Chief Financial Officer	4,000
All current executive officers as a group (4 persons)	8,000
All current directors who are not executive officers as a group (5 persons) (2)	—
All current employees who are not executive officers as a group (3)	35,361

(1)Dr. Chin is not eligible to participate in the ESPP because he owns more than 5% of our common stock.

(2)Non-employee directors are not eligible to participate in the ESPP.

(3)This amount reflects purchases by 19 employees. As of April 20, 2018, we had 79 employees who were not executive officers.

U.S. Federal Income Tax Consequences Relating to the ESPP

The following is a summary of the principal United States federal income tax consequences to employees and KindredBio with respect to participation in the ESPP. The summary is not intended to be exhaustive and does not discuss the income tax laws of any local, state or foreign jurisdiction in which an employee may reside. The information is based upon

current federal income tax rules and therefore is subject to change when those rules change. Because the tax consequences to any employee may depend on his or her particular situation, each employee who participates in the ESPP should consult his or her tax adviser regarding the federal, state, local, and other tax consequences of participation in the ESPP. Our ability to realize the benefit of any tax deductions described below depends on our generation of taxable income as well as the satisfaction of our tax reporting obligations.

Neither the grant of options nor the purchase of shares of common stock under the ESPP will result in taxable income to the employee or in a tax deduction for us. An employee who sells or otherwise disposes of the shares of common stock more than two years after the first day of the offering period in which the shares were acquired and more than one year after the actual purchase date of those shares will recognize ordinary income in the year of sale or disposition equal to the lesser of (1) the amount by which the fair market value of the shares on the sale or disposition date exceeded the purchase price paid for those shares or (2) an amount equal to 15% of the fair market value of the shares of common stock on the first day of that offering period. Any additional gain or loss recognized by the employee in connection with the sale or disposition will be treated as a long-term capital gain or loss. No deduction will be available to us with respect to these amounts.

An employee who sells or otherwise disposes of the purchased shares before having held them for the one-year and two-year holding periods described in the preceding paragraph will recognize ordinary income in the year of sale or other disposition equal to the excess of the fair market value of the shares on the date of purchase over the purchase price. A corresponding deduction will be available to us. Any additional gain or loss recognized in connection with the sale or other disposition will be treated as a long-term or short-term gain or loss depending on how long the shares have been held from the date of purchase.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” APPROVAL OF THE AMENDMENT TO THE 2014 EMPLOYEE STOCK PURCHASE PLAN TO INCREASE THE NUMBER OF SHARES AUTHORIZED FOR ISSUANCE BY 300,000 SHARES.

Our Audit Committee has appointed KMJ Corbin & Company LLP (“KMJ”), an independent registered public accounting firm, to audit our consolidated financial statements for our fiscal year ending December 31, 2018. Notwithstanding the appointment of KMJ and even if our stockholders ratify the appointment, our Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during our fiscal year if our Audit Committee believes that such a change would be in the best interests of Kindred Biosciences, Inc. and its stockholders. At the Annual Meeting, our stockholders are being asked to ratify the appointment of KMJ as our independent registered public accounting firm for our fiscal year ending December 31, 2018. Our Audit Committee is submitting the appointment of KMJ to our stockholders because we value our stockholders’ views on our independent registered public accounting firm and as a matter of good corporate governance. Representatives of KMJ are not expected to be present at the Annual Meeting.

If our stockholders do not ratify the appointment of KMJ, our Audit Committee may reconsider the appointment.

Auditor Independence

In our fiscal year ended December 31, 2017, there were no other professional services provided by KMJ, other than those listed above, that would have required our Audit Committee to consider their compatibility with maintaining the independence of KMJ.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF KMJ CORBIN & COMPANY LLP.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee provides assistance to our Board of Directors in fulfilling its oversight responsibility to the company's stockholders, potential stockholders, the investment community, and others relating to our financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of our financial statements and the ethics programs when established by our management and our Board of Directors. The Audit Committee has the sole authority (subject, if applicable, to stockholder ratification) to appoint or replace the outside auditors and is directly responsible for determining the compensation of the independent auditors.

The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention, with full access to all of our books, records, facilities and personnel, and to retain its own legal counsel and other advisers as it deems necessary or appropriate.

KMJ currently serves as our independent registered public accounting firm and audited our financial statements for the year ended December 31, 2017. KMJ does not have and has not had any financial interest, direct or indirect, in our company, and does not have and has not had any connection with our company except in its professional capacity as our independent auditors. The Audit Committee also has selected KMJ as our independent registered public accountants for 2018.

The Audit Committee has reviewed the Company's audited financial statements for the fiscal year ended December 31, 2017 and has discussed those financial statements with management and KMJ. The Audit Committee has also received from, and discussed with, KMJ various communications that such independent registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed by statement on Auditing Standards No. 1301, as adopted by the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee also discussed with KMJ matters relating to its independence, including a review of audit and non-audit fees and the letter and written disclosures made by KMJ to the Audit Committee pursuant to PCAOB Rule 3526 (Communications with Audit Committees Concerning Independence).

Audit and non-audit services to be provided by KMJ are subject to the prior approval of the Audit Committee. In general, the Audit Committee's policy is to grant such approval where it determines that the non-audit services are not incompatible with maintaining the independent registered public accounting firm's independence and there are cost or other efficiencies in obtaining such services from the independent registered public accounting firm as compared to other possible providers.

In addition, the Audit Committee reviewed initiatives aimed at strengthening the effectiveness of our internal control structure. As part of this process, the Audit Committee continued to monitor and review staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Based on these reviews and discussions, the Audit Committee recommended to our Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, filed with the SEC.

Respectfully submitted,

Audit Committee:

- (iv) To accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest;
 - (v) To amend, suspend or terminate the Plan at any time; provided that amendment, suspension or termination of the Plan shall not impair rights and obligations under any Award granted while the Plan is in effect except with the written consent of the affected Participant;
 - (vi) To submit any amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of (A) Section 422 of the Code regarding “incentive stock options” or (B) Rule 16b-3 under the Exchange Act;
 - (vii) To approve forms of Award Agreements for use under the Plan and to amend the terms of any one or more Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; provided, however, that a Participant’s rights under any Award shall not be impaired by any such amendment unless (A) the Company requests the consent of the affected Participant and (B) such Participant consents in writing; notwithstanding the foregoing, subject to the limitations of applicable law, if any, the Board may amend the terms of any one or more Awards without the affected Participant’s consent if necessary to maintain the qualified status of the Award as an Incentive Stock Option or to bring the Award into compliance with Section 409A of the Code;
 - (viii) To exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Awards; and
 - (ix) To adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Employees, Directors or Consultants who are foreign nationals or employed outside the United States.
- (c) Delegation to a Committee.
- (i) General. The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee shall have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise, subject, however, to such resolutions, not inconsistent with the provisions of the Plan, as may be adopted from time to time by the Board. The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated. If administration of the Plan is delegated to a Committee, references in the Plan to the Board shall, as applicable, refer to the Committee or subcommittee to the extent consistent with the Board’s delegation of Plan administration to the Committee.
 - (ii) Members of the Committee. Unless otherwise determined by the Board, the Committee shall be comprised of at least two Directors, each of whom shall be an Outside Director. The failure of the Committee to be comprised solely of Outside Directors shall not affect the validity of any action of the Committee (including the grant of any Award) that otherwise complies with the terms of the Plan.
- (d) Delegation to an Officer. The Board may delegate to one or more Officers the authority to do one or both of the following: (i) designate Employees who are not Officers to be recipients of Options and Stock Appreciation Rights (and, to the extent permitted by applicable law, other Stock Awards) and the terms thereof, and (ii) determine the number of shares of Common Stock to be subject to such Stock Awards granted to such Employees; provided, however, that the Board resolutions regarding such delegation shall specify the total number of shares of Common Stock that may be subject to the Stock Awards granted by such Officer and

Table of Contents

that such Officer may not grant a Stock Award to himself or herself. Notwithstanding the foregoing, the Board may not delegate authority to an Officer to determine Fair Market Value pursuant to Section 13(v)(iii).

(e)Effect of the Board’s Determinations. All determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

(f)No Repricing of Stock Awards or Cancellation and Re-Grant of Stock Awards. Except with respect to adjustments that are made in accordance with Section 9, neither the Board nor any Committee shall have the authority to (i) reduce the exercise price of any outstanding Option or SAR or take any other action that would be treated, for accounting purposes, as a “repricing” of any outstanding Stock Award under the Plan or (ii) cancel and re-grant any outstanding Stock Award under the Plan, unless the stockholders of the Company approve such reduction, cancellation, re-grant or other action within twelve months before or after such reduction, cancellation, re-grant or other action.

(g)Dividends and Dividend Equivalents. Dividends or dividend equivalents may be paid or credited, as applicable, with respect to any shares of Common Stock subject to a Stock Award (other than an Option or SAR), as determined by the Board and contained in the applicable Stock Award Agreement; provided, however, that (i) no dividends or dividend equivalents may be paid with respect to any such shares before the date such shares have vested under the terms of such Stock Award Agreement, (ii) any dividends or dividend equivalents that are credited with respect to any such shares will be subject to all of the terms and conditions applicable to such shares under the terms of such Stock Award Agreement (including, without limitation, any vesting conditions), and (iii) any dividends or dividend equivalents that are credited with respect to any such shares will be forfeited to the Company on the date, if any, such shares are forfeited to or repurchased by the Company due to a failure to meet any vesting conditions under the terms of such Stock Award Agreement.

3. SHARES SUBJECT TO THE PLAN.

(a)Share Reserve. Subject to Section 9(a) relating to Capitalization Adjustments, the aggregate number of shares of Common Stock that may be issued pursuant to Stock Awards granted under the Plan from and after the Effective Date shall not exceed 3,000,000 shares (the “Share Reserve”), of which up to 3,000,000 shares may be issued pursuant to Incentive Stock Options. To the extent permitted by NASDAQ Listing Rule 5635(c)(3) or other applicable national stock exchange rule, shares of Common Stock may be issued by the Company in connection with a merger or acquisition without reducing the number of shares available for issuance under the Plan. Furthermore, if a Stock Award or any portion thereof (i) expires or otherwise terminates without all of the shares covered by such Stock Award having been issued or (ii) is settled in cash (i.e., the Participant receives cash rather than stock), such expiration, termination or settlement shall not reduce (or otherwise offset) the number of shares of Common Stock that may be available for issuance under the Plan.

(b)Reversion of Shares to the Share Reserve. If any shares of Common Stock issued pursuant to a Stock Award are forfeited back to or repurchased by the Company because of the failure to meet a contingency or condition required to vest such shares in the Participant, then the shares that are forfeited or repurchased shall revert to and again become available for issuance under the Plan. Any shares reacquired or withheld by the Company pursuant to Section 8(g) or as consideration for the exercise of an Option shall also revert to and again become available for issuance under the Plan.

(c)Annual Compensation to Non-Employee Directors; Limitation on Annual Stock Awards to Participants.

(i)In no event shall the compensation payable by the Company to a Non-Employee Director for services performed as a Non-Employee Director, including, without limitation, the grant date value (determined under U.S. generally accepted accounting principles) of Awards, cash retainers, Committee fees and other compensation, exceed \$500,000 in the aggregate during any calendar year, and in no event shall the

Table of Contents

number of shares of Common Stock subject to Stock Awards (including, without limitation, Options) granted to any Non-Employee Director, subject to the provisions of Section 9(a) relating to Capitalization Adjustments, exceed 100,000 shares during any calendar year.

(ii) Subject to the provisions of Section 9(a) relating to Capitalization Adjustments, a maximum of 500,000 shares of Common Stock subject to Stock Awards (including, without limitation, Options) may be granted to any Participant other than a Non-Employee Director during any calendar year.

(d) Source of Shares. The stock issuable under the Plan shall be shares of authorized but unissued or reacquired Common Stock, including shares repurchased by the Company on the open market or otherwise.

4. ELIGIBILITY.

(a) Eligibility for Specific Stock Awards. Incentive Stock Options may be granted only to employees of the Company or a “parent corporation” or “subsidiary corporation” thereof (as such terms are defined in Sections 424(e) and 424(f) of the Code). Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants; provided, however, that Stock Awards may not be granted to Employees, Directors and Consultants who are providing Continuous Service only to any “parent” of the Company, as such term is defined in Rule 405 of the Securities Act, unless the stock underlying such Stock Awards is treated as “service recipient stock” under Section 409A of the Code because the Stock Awards are granted pursuant to a corporate transaction (such as a spin-off transaction) or unless such Stock Awards comply with the distribution requirements of Section 409A of the Code.

(b) Ten Percent Stockholders. A Ten Percent Stockholder shall not be granted an Incentive Stock Option unless the exercise price of such Option is at least 110% of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five years from the date of grant.

5. PROVISIONS RELATING TO OPTIONS AND STOCK APPRECIATION RIGHTS.

Each Option or SAR shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. All Options shall be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant and, if certificates are issued, a separate certificate or certificates shall be issued for shares of Common Stock purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, then the Option shall be a Nonstatutory Stock Option. The provisions of separate Options or SARs need not be identical; provided, however, that each Option Agreement or Stock Appreciation Right Agreement shall conform to (through incorporation of provisions hereof by reference in the applicable Award Agreement or otherwise) the substance of each of the following provisions:

(a) Term. The term of each Option and SAR shall be set by the Board in its sole discretion; provided, however, that the term shall not be more than ten years from the date the Option or SAR is granted or five years from the date an Incentive Stock Option is granted to a Ten Percent Stockholder. The Board shall determine the time period, including the time period following any termination of a Participant's Continuous Service, during which the Participant has the right to exercise a vested Option or SAR, which time period may not extend beyond the expiration date of the Option or SAR term. Except as limited by the requirements of Section 409A or Section 422 of the Code and regulations and rulings thereunder, the Board may extend the term of any outstanding Option or SAR, and may extend the time period during which a vested Option or SAR may be exercised, in connection with any termination of the Participant's Continuous Service, and may amend any other term or condition of such Option or SAR relating to such a termination of Continuous Service, provided, however, that such term or time period shall not be extended beyond the date described in the first sentence of this paragraph.

(b) Exercise Price. Subject to the provisions of Section 4(b) regarding Ten Percent Stockholders, the exercise price (or strike price) of each Option or SAR shall be not less than 100% of the Fair Market Value of

Table of Contents

the Common Stock subject to the Option or SAR on the date the Option or SAR is granted. Notwithstanding the foregoing, an Option or SAR may be issued with an exercise price (or strike price) lower than 100% of the Fair Market Value of the Common Stock subject to the Option or SAR if such Option or SAR is issued pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Corporate Transaction and in a manner consistent with the provisions of Section 409A of the Code and, if applicable, Section 424(a) of the Code. Each SAR will be denominated in shares of Common Stock equivalents.

(c)Purchase Price for Options. The purchase price of Common Stock acquired pursuant to the exercise of an Option shall be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board shall have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to utilize a particular method of payment. The permitted methods of payment are as follows:

(i)By cash, check, bank draft or money order payable to the Company;

(ii)Pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of the stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

(iii)By delivery to the Company (either by actual delivery or attestation) of shares of Common Stock;

(iv)If the option is a Nonstatutory Stock Option, by a “net exercise” arrangement pursuant to which the Company will reduce the number of shares of Common Stock issuable upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price; provided, however, that the Company shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued; provided, further, that shares of Common Stock will no longer be subject to an Option and will not be exercisable thereafter to the extent that (A) shares issuable upon exercise are reduced to pay the exercise price pursuant to the “net exercise,” (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; and

(v)In any other form of legal consideration that may be acceptable to the Board and specified in the applicable Award Agreement.

(d)Exercise and Payment of a SAR. To exercise any outstanding SAR, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such SAR. The appreciation distribution payable on the exercise of a SAR will be not greater than an amount equal to the excess of (i) the aggregate Fair Market Value (on the date of the exercise of the SAR) of a number of shares of Common Stock equal to the number of Common Stock equivalents in which the Participant is vested under such SAR and with respect to which the Participant is exercising the SAR on such date over (ii) the strike price that will be determined by the Board at the time of grant of the SAR. The appreciation distribution in respect to a SAR may be paid in Common Stock, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Stock Appreciation Right Agreement evidencing such SAR.

(e)Transferability of Options and SARs. The Board may, in its sole discretion, impose such limitations on the transferability of Options and SARs as the Board shall determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options and SARs shall apply:

Table of Contents

(i)Restrictions on Transfer. An Option or SAR shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Participant only by the Participant; provided, however, that the Board may, in its sole discretion, permit transfer of the Option or SAR in a manner that is not prohibited by applicable tax and securities laws upon the Participant's request. Except as explicitly provided herein, neither an Option nor a SAR may be transferred for consideration.

(ii)Domestic Relations Orders. Notwithstanding the foregoing, an Option or SAR may be transferred pursuant to a domestic relations order; provided, however, that if an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer.

(iii)Beneficiary Designation. Notwithstanding the foregoing, the Participant may, by delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company and any broker designated by the Company to effect Option exercises, designate a third party who, in the event of the death of the Participant, shall thereafter be entitled to exercise the Option or SAR and receive the Common Stock or other consideration resulting from such exercise. In the absence of such a designation, the executor or administrator of the Participant's estate shall be entitled to exercise the Option or SAR and receive the Common Stock or other consideration resulting from such exercise.

(f)Vesting Generally. The total number of shares of Common Stock subject to an Option or SAR may vest and therefore become exercisable in periodic installments that may or may not be equal. The Option or SAR may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of Performance Goals or other criteria) as the Board may deem appropriate. The vesting provisions of individual Options or SARs may vary. The provisions of this Section 5(f) are subject to any Option or SAR provisions governing the minimum number of shares of Common Stock as to which an Option or SAR may be exercised.

(g)Termination of Continuous Service. Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company or except as otherwise extended by the Board, if a Participant's Continuous Service terminates (other than for Cause or upon the Participant's death or Disability), the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Award as of the date of termination of Continuous Service) but only within such period of time ending on the earlier of (i) the date three months following the termination of the Participant's Continuous Service (or such longer or shorter period specified in the applicable Award Agreement) or (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR within the time specified herein or in the Award Agreement (as applicable), the Option or SAR shall terminate except as otherwise determined by the Board. Notwithstanding any provision in the Plan to the contrary, the Board may, in its discretion and subject to whatever terms and conditions it elects, accelerate the vesting of an Option or SAR following a termination of Continuous Service or provide in the Award Agreement for continued vesting of an Option or SAR following a termination of Continuous Service.

(h)Extension of Termination Date. If the exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause or upon the Participant's death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act, then the Option or SAR shall terminate on the earlier of (i) the expiration of a total period of three months (that need not be consecutive) after the termination of the Participant's Continuous Service during which the exercise of the Option or SAR would not be in violation of such registration requirements or (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement or as otherwise determined by the Board. In addition, unless otherwise provided in a Participant's Award Agreement or as otherwise determined by the Board, if the sale of any Common Stock

Table of Contents

received upon exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause) would violate the Company's insider trading policy, then the Option or SAR shall terminate on the earlier of (i) the expiration of a period equal to the applicable post-termination exercise period after the termination of the Participant's Continuous Service during which the sale of the Common Stock received upon exercise of the Option or SAR would not be in violation of the Company's insider trading policy or (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement.

(i) Disability of a Participant. Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company or except as otherwise extended by the Board, if a Participant's Continuous Service terminates as a result of the Participant's Disability, the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Option or SAR as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date eighteen months following such termination of Continuous Service (or such longer or shorter period specified in the Award Agreement) or (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR within the time specified herein or in the Award Agreement (as applicable), the Option or SAR (as applicable) shall terminate except as otherwise determined by the Board.

(j) Death of a Participant. Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company or except as otherwise extended by the Board, if (i) a Participant's Continuous Service terminates as a result of the Participant's death or (ii) the Participant dies within the period (if any) specified in the Award Agreement after the termination of the Participant's Continuous Service for a reason other than death, then the Option or SAR may be exercised (to the extent the Participant was entitled to exercise such Option or SAR as of the date of death) by the Participant's estate, by a person who acquired the right to exercise the Option or SAR by bequest or inheritance or by a person designated to exercise the Option or SAR upon the Participant's death, but only within the period ending on the earlier of (i) the date eighteen months following the date of death (or such longer or shorter period specified in the Award Agreement) or (ii) the expiration of the term of such Option or SAR as set forth in the Award Agreement. If, after the Participant's death, the Option or SAR is not exercised within the time specified herein or in the Award Agreement (as applicable), the Option or SAR shall terminate except as otherwise determined by the Board.

(k) Termination for Cause. Except as explicitly provided otherwise in a Participant's Award Agreement or except as otherwise extended by the Board, if a Participant's Continuous Service is terminated for Cause, the Option or SAR shall terminate upon the date on which the Participant's Continuous Service terminated, and the Participant shall be prohibited from exercising his or her Option or SAR from and after the date of such termination of Continuous Service.

6. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS AND SARS.

(a) Restricted Stock Awards. Each Restricted Stock Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. To the extent consistent with the Company's Bylaws, at the Board's election, shares of Common Stock may be (i) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse or (ii) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award Agreements need not be identical; provided, however, that each Restricted Stock Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. A Restricted Stock Award may be awarded in consideration for (A) cash, check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or

Table of Contents

(C) any other form of legal consideration (including future services) that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

(ii) Vesting. Shares of Common Stock awarded under the Restricted Stock Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

(iii) Termination of a Participant's Continuous Service. If a Participant's Continuous Service terminates, the Company may receive through a forfeiture condition or a repurchase right any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination of Continuous Service under the terms of the Restricted Stock Award Agreement.

(iv) Transferability. Rights to acquire shares of Common Stock under the Restricted Stock Award Agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Award Agreement, as the Board shall determine in its sole discretion, so long as Common Stock awarded under the Restricted Stock Award Agreement remains subject to the terms of the Restricted Stock Award Agreement.

(b) Restricted Stock Unit Awards. Each Restricted Stock Unit Award Agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Restricted Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit Award Agreements need not be identical; provided, however, that each Restricted Stock Unit Award Agreement shall conform to (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(i) Consideration. At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Common Stock subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Common Stock subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

(ii) Vesting. At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions on or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.

(iii) Payment. A Restricted Stock Unit Award may be settled by the delivery of shares of Common Stock, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement.

(iv) Additional Restrictions. At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the shares of Common Stock (or their cash equivalent) subject to a Restricted Stock Unit Award to a time after the vesting of such Restricted Stock Unit Award.

(v) Termination of a Participant's Continuous Service. Except as otherwise provided in the applicable Restricted Stock Unit Award Agreement, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

(c) Performance Awards.

(i) Performance Stock Awards. A Performance Stock Award is a Stock Award that may vest or may be exercised contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Stock Award may, but need not, require the completion of a specified period of Continuous Service. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Board, in its sole discretion. The Board may provide for or,

Table of Contents

subject to such terms and conditions as the Board may specify, may permit a Participant to elect for, the payment of any Performance Stock Award to be deferred to a specified date or event. In addition, to the extent permitted by applicable law and the applicable Award Agreement, the Board may determine that cash may be used in payment of Performance Stock Awards.

(ii)Performance Cash Awards. A Performance Cash Award is a cash award that may be paid contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Cash Award may also require the completion of a specified period of Continuous Service. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained shall be conclusively determined by the Board, in its sole discretion. The Board may provide for or, subject to such terms and conditions as the Board may specify, may permit a Participant to elect for, the payment of any Performance Cash Award to be deferred to a specified date or event. The Board may specify the form of payment of Performance Cash Awards, which may be cash or other property, or may provide for a Participant to have the option for his or her Performance Cash Award, or such portion thereof as the Board may specify, to be paid in whole or in part in cash or other property.

(iii)Discretion. The Board shall have the right to reduce, eliminate or increase the amount that is payable under a Performance Stock Award or Performance Cash Award by taking into account additional factors that the Board may deem relevant, including the assessment of individual or corporate performance for the Performance Period.

(d)Other Stock Awards. Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Common Stock, including the appreciation in value thereof may be granted either alone or in addition to Stock Awards provided for under Section 5 and the preceding provisions of this Section 6. Subject to the provisions of the Plan, the Board shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of shares of Common Stock (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards.

7. COVENANTS OF THE COMPANY.

(a)Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock reasonably required to satisfy such Stock Awards.

(b)Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise of the Stock Awards; provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock upon exercise of such Stock Awards unless and until such authority is obtained. A Participant shall not be eligible for the grant of a Stock Award or the subsequent issuance of Common Stock pursuant to the Stock Award if such grant or issuance would be in violation of any applicable securities law.

(c)No Obligation to Notify or Minimize Taxes. The Company shall have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Stock Award. Furthermore, the Company shall have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of a Stock Award or a possible period in which the Stock Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of a Stock Award to the holder of such Stock Award.

Table of Contents

8. MISCELLANEOUS.

(a) Use of Proceeds from Sales of Common Stock. Proceeds from the sale of shares of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

(b) Corporate Action Constituting the Grant of Stock Awards. Corporate action constituting a grant by the Company of a Stock Award to any Participant shall be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Stock Award is communicated to, or actually received or accepted by, the Participant.

(c) Stockholder Rights. No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to a Stock Award unless and until (i) such Participant has satisfied all requirements for exercise of the Stock Award pursuant to its terms, if applicable, and (ii) the issuance of the Common Stock subject to such Stock Award has been entered into the books and records of the Company.

(d) No Employment or Other Service Rights. Nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without Cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.

(e) Incentive Stock Option \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds \$100,000, the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreements.

(f) Investment Assurances. The Company may require a Participant, as a condition of exercising or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Stock Award, and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (A) the issuance of the shares upon the exercise or acquisition of Common Stock under the Stock Award has been registered under a then-currently effective registration statement under the Securities Act or (B) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then-applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Common Stock.

(g) Withholding Obligations. Unless prohibited by the terms of an Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash

Table of Contents

payment; (ii) withholding shares of Common Stock from the shares of Common Stock issued or otherwise issuable to the Participant in connection with the Award; provided, however, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law (or such lesser amount as may be necessary to avoid classification of the Stock Award as a liability for financial accounting purposes); (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; or (v) by such other method as may be set forth in the Award Agreement.

(h)Electronic Delivery. Any reference herein to a “written” agreement or document shall include any agreement or document delivered electronically, filed publicly at www.sec.gov (or any successor website thereto) or posted on the Company’s intranet.

(i)Deferrals. To the extent permitted by applicable law, the Board, in its sole discretion, may determine that the delivery of Common Stock or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals by Participants shall be made in accordance with Section 409A of the Code. Consistent with Section 409A of the Code, the Board may provide for distributions while a Participant is still an Employee or otherwise providing services to the Company or an Affiliate. The Board is authorized to make deferrals of Awards and determine when, and in what annual percentages, a Participant may receive payments, including lump sum payments, following the Participant’s termination of Continuous Service, and implement such other terms and conditions consistent with the provisions of the Plan and in accordance with applicable law.

(j)Compliance with Section 409A of the Code. To the extent that the Board determines that any Award granted hereunder is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall be deemed to incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if a Participant holding an Award that constitutes “deferred compensation” under Section 409A of the Code is a “specified employee” for purposes of Section 409A of the Code, no distribution or payment of any amount shall be made upon a “separation from service” before a date that is six months following the date of such Participant’s “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) or, if earlier, the date of the Participant’s death, unless such distribution or payment can be made in a manner that complies with Section 409A of the Code.

(k)Clawback Provisions. All Awards granted under the Plan shall be subject to recoupment in accordance with any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange on which the Company’s securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Board determines necessary or appropriate, including but not limited to a reacquisition right in respect of previously acquired shares of Common Stock or other cash or property upon the occurrence of an event constituting Cause. No recovery of compensation under such a clawback policy shall be an event giving rise to a right to resign for “good reason” or “constructive termination” (or similar term) under the Plan or any agreement with the Company.

9. ADJUSTMENTS UPON CHANGES IN THE COMMON STOCK; OTHER CORPORATE EVENTS.

(a)Capitalization Adjustments. In the event of a Capitalization Adjustment, the Board shall appropriately and proportionately adjust (i) the class(es) and maximum number of securities subject to the Plan

The Board shall make such adjustments, and its determination shall be final, binding and conclusive.

(b)Dissolution or Liquidation. Except as otherwise provided in the Stock Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Stock Awards (other than Stock Awards consisting of vested and outstanding shares of Common Stock not subject to a forfeiture condition or the Company's right of repurchase) shall terminate immediately prior to the completion of such dissolution or liquidation, and the shares of Common Stock subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Stock Award is providing Continuous Service; provided, however, that the Board may, in its sole discretion, cause some or all Stock Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Stock Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

(c)Corporate Transaction. The following provisions shall apply to Stock Awards in the event of a Corporate Transaction unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the holder of the Stock Award or unless otherwise expressly provided by the Board at the time of grant of a Stock Award. In the event of a Corporate Transaction, then, notwithstanding any other provision of the Plan, the Board shall take one or more of the following actions with respect to Stock Awards, contingent upon the closing or completion of the Corporate Transaction:

(i)Arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Stock Award or to substitute a similar stock award for the Stock Award (including, but not limited to, an award to acquire the same consideration paid to the stockholders of the Company pursuant to the Corporate Transaction);

(ii)Arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Common Stock issued pursuant to the Stock Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);

(iii)Accelerate the vesting of the Stock Award (and, if applicable, the time at which the Stock Award may be exercised) to a date prior to the effective time of such Corporate Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five days prior to the effective date of the Corporate Transaction), with such Stock Award terminating if not exercised (if applicable) at or prior to the effective time of the Corporate Transaction;

(iv)Arrange for the lapse of any reacquisition or repurchase rights held by the Company with respect to the Stock Award; and

(v)Make a payment, in such form as may be determined by the Board equal to the excess, if any, of (A) the value of the property the Participant would have received upon the exercise of the Stock Award immediately prior to the effective time of the Corporate Transaction over (B) any exercise price payable by such holder in connection with such exercise.

The Board need not take the same action or actions with respect to all Stock Awards or portions thereof or with respect to all Participants.

(d)Change in Control. A Stock Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant.

(c) No Impairment of Rights. Unless otherwise provided in the applicable Award Agreement, the amendment, suspension or termination of the Plan shall not impair rights and obligations under any Award that is granted prior to such amendment, suspension or termination, except with the written consent of the affected Participant.

11. EFFECTIVE DATE OF THE PLAN.

The Plan shall become effective on the Effective Date. The Plan shall be submitted for the approval of the Company's stockholders at the 2018 annual meeting of stockholders. Awards may be granted prior to such stockholder approval; provided that such Awards shall not be exercisable, shall not vest, the restrictions thereon shall not lapse and no shares of Common Stock shall be issued pursuant to such Awards prior to the date that the Plan is approved by the Company's stockholders. If such stockholder approval is not obtained at the 2018 annual meeting of stockholders, all Awards previously granted under the Plan shall be cancelled and become null and void.

Notwithstanding the foregoing, the conversion of any convertible securities of the Company shall not be treated as a Capitalization Adjustment.

(f)“Cause” shall have the meaning ascribed to such term in any written agreement between the Participant and the Company or an Affiliate defining such term and, in the absence of such agreement, such term shall mean, with respect to a Participant, the occurrence of any of the following events: (i) the Participant’s commission of an act of fraud, embezzlement or dishonesty that has a material adverse impact on the Company or an Affiliate; (ii) the Participant’s conviction of, or plea of “guilty” or “no contest” to, a felony; (iii) the Participant’s unauthorized use or disclosure of confidential information or trade secrets of the Company or an Affiliate that has a material adverse impact on such entity; or (iv) the Participant’s intentional misconduct that has a material adverse impact on the Company or an Affiliate. (i)Any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company’s then-outstanding securities other than by virtue of a merger, consolidation or similar transaction; notwithstanding the foregoing, a Change in Control shall not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company’s securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, or (C) solely because the level of Ownership held by any Exchange Act Person (the “Subject Person”) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this clause) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then-outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

(ii)There is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than 50% of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction;

(iv) Individuals who, on the date the Plan is adopted by the Board, are members of the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board.

Notwithstanding the foregoing or any other provision of this Plan, (i) the term Change in Control shall not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company, and (ii) the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant shall supersede the foregoing definition with respect to Awards subject to such agreement; provided, however, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition shall apply.

Service solely as a Director, or payment of a fee for such service, shall not cause a Director to be considered a “Consultant” for purposes of the Plan.

(m) “Continuous Service” means that the Participant’s service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, shall not terminate a Participant’s Continuous Service; provided, however, if the Entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Board, in its sole discretion, such Participant’s Continuous Service shall be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. To the extent permitted by law, the Board or the Chief Executive Officer of the Company, in that party’s sole discretion, may determine whether Continuous Service shall be considered interrupted in the case of (i) any leave of absence approved by the Board or Chief Executive Officer, including sick leave, military leave or any other personal leave or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence shall be treated as Continuous Service for purposes of vesting in an Award only to such extent as may be provided in the Company’s leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law.

To the extent permitted by Section 1.423-2(a)(1) of the Treasury regulations issued under Section 423 of the Code, the terms of each Offering need not be identical provided that the terms of the Plan and the Offering together satisfy Sections 1.423-2(a)(2) and (a)(3) of such Treasury regulations.

(a) Any person who is an Employee as of the Offering Date of a given Offering Period shall be eligible to participate in such Offering Period under the Plan, subject to the requirements of Section 5(a) and the limitations imposed by Section 423(b) of the Code. No individual who is not an Employee shall be eligible to participate in the Plan.

(b) Any provisions of the Plan to the contrary notwithstanding, no Employee shall be granted an option under the Plan (i) if, immediately after the grant, such Employee (or any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own capital stock of the Company and/or hold outstanding options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of any Parent or Subsidiary, or (ii) if such option would permit his or her rights to purchase stock under all

employee stock purchase plans (described in Section 423 of the Code) of the Company and its Parents or Subsidiaries to accrue at a rate which exceeds Twenty-Five Thousand Dollars (\$25,000) of the Fair Market Value of such stock (determined at the time such option is granted) for each calendar year in which such option is outstanding at any time. The determination of the accrual of the right to purchase stock shall be made in accordance with Section 423(b)(8) of the Code and the regulations thereunder.

4. Offerings, Offering Periods and Purchase Periods.

(a) Offering Periods. Beginning on the Effective Date, the Plan shall be implemented by consecutive Offering Periods of approximately six (6) months duration, with new Offering Periods commencing on or about June 1 and December 1 of each year (or at such other time or times as may be determined by the Administrator) and ending on the following November 30 and May 31, respectively. The Plan shall continue until terminated in accordance with Section 19 hereof. The Administrator shall have the power to change the duration and/or the frequency of Offering Periods with respect to future offerings without stockholder approval if such change is announced at least five (5) days prior to the scheduled beginning of the first Offering Period to be affected.

(b) Offerings. Each option will be granted under the same Offering unless the Administrator otherwise designates separate Offerings for the Employees of one or more Designated Parents or Subsidiaries, in which case, each Participant's option will be granted under the Offering designated for the Employees of the Designated Parent or Subsidiary that employs the Participant.

5. Participation.

(a) An eligible Employee may become a Participant in the Plan by completing a subscription agreement authorizing payroll deductions on the form provided by the Company (which may be similar to the form attached hereto as Exhibit A) and filing it with the designated payroll office of the Company (or by following an electronic or other procedure prescribed by the Administrator) within the time period specified by the Administrator for all eligible Employees with respect to the Offering Period in which such participation will commence. The subscription agreement shall set forth the percentage of the Participant's Compensation (subject to Section 6(a) below) to be paid as Contributions pursuant to the Plan.

(b) Payroll deductions shall commence on the first full payroll paid following the Offering Date and shall end on the last payroll paid on or prior to the last Purchase Period of the Offering Period to which the subscription agreement is applicable, unless sooner terminated by the Participant as provided in Section 10.

6. Method of Payment of Contributions.

(a) At the time a Participant files a subscription agreement, the Participant shall elect to have payroll deductions made on each payday during the Offering Period in an amount not less than one percent (1%) and not more than twenty percent (20%) (or such greater percentage as the Administrator may establish from time to time before an Offering Date) of such Participant's Compensation on each payday during an Offering Period. All payroll deductions made by a Participant shall be credited to his or her account under the Plan and will be withheld in whole percentages only. A Participant may not make any additional payments into such account.

(b) A Participant may discontinue his or her participation in the Plan as provided in Section 10, or, on one occasion only during an Offering Period may increase and on one occasion only during an Offering Period may decrease the rate of his or her Contributions with respect to the Offering Period, by completing and filing with the Company a new subscription agreement authorizing a change in the payroll deduction rate (or by following an electronic or other procedure prescribed by the Administrator). If a Participant has not followed such procedures to change the rate of payroll deductions, the rate of his or her payroll deductions will continue at the originally elected rate throughout the Offering Period and future Offering Periods (unless terminated as provided in Section 10). Any change in rate of Contributions pursuant to the preceding sentence shall be effective as of the beginning of the next calendar month following the date of filing of the new written or electronic instructions, provided the agreement indicating such change is filed at least ten (10) business days prior to such date

Table of Contents

and, if not, then as of the beginning of the next succeeding calendar month (unless the Administrator, in its sole discretion, elects to process a given change in payroll deduction rate more quickly).

(c) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b), a Participant's payroll deductions may be decreased by the Company to 0% at any time during an Offering Period. Payroll deductions shall re-commence at the rate in effect immediately prior to such reduction pursuant to the Participant's last written or electronic instructions at the time when permitted under Section 423(b)(8) of the Code and Section 3(b) herein, unless such participation is sooner terminated by the Participant as provided in Section 10. In addition, a Participant's payroll deductions may be decreased by the Company to 0% at any time during an Offering Period in order to avoid unnecessary payroll contributions as a result of the application of the maximum share limit set forth in Section 7, in which case payroll deductions shall re-commence at the rate provided in such Participant's subscription agreement at the beginning of the next Offering Period, unless terminated by the Participant as provided in Section 10.

7. Grant of Option. On the Offering Date of each Offering Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase (at the applicable Purchase Price) on each Purchase Date a number of Shares of the Company's Common Stock determined by dividing such Employee's Contributions accumulated prior to such Purchase Date and retained in the Participant's account as of the Purchase Date by the applicable Purchase Price; provided however that the maximum number of Shares an Employee may purchase during each Purchase Period shall be 2,000 Shares (subject to any adjustment pursuant to Section 18 below), and provided further that such purchase shall be subject to the limitations set forth in Sections 3(b) and 12. Exercise of the option shall occur as provided in Section 8, unless the Participant has withdrawn pursuant to Section 10, and the option, to the extent not exercised, shall expire on the last day of the Offering Period with respect to which such option was granted. Notwithstanding the foregoing, Shares subject to the option may only be purchased with accumulated payroll deductions credited to a Participant's account in accordance with Section 6 of the Plan. In addition, to the extent an option is not exercised on each Purchase Date, the option shall lapse and thereafter cease to be exercisable.

8. Exercise of Option. Unless a Participant withdraws from the Plan as provided in Section 10, his or her option for the purchase of Shares will be exercised automatically on each Purchase Date of an Offering Period, and the maximum number of full Shares subject to the option will be purchased at the applicable Purchase Price with the accumulated Contributions that remain in his or her account as of the Purchase Date. No fractional Shares shall be purchased; any payroll deductions accumulated in a Participant's account which are not sufficient to purchase a full Share shall be retained in the Participant's account for the subsequent Offering Period, subject to earlier withdrawal by the Participant as provided in Section 10 below. Any other amounts left over in a Participant's account after a Purchase Date shall be returned to the Participant. During his or her lifetime, a Participant's option to purchase Shares hereunder is exercisable only by him or her.

9. Delivery. As soon as reasonably practicable after each Purchase Date of each Offering Period, the Company shall arrange for the delivery to each Participant, as appropriate, of the Shares purchased upon exercise of his or her option in a form determined by the Administrator (in its sole discretion) and pursuant to rules established by the Administrator. The Company may permit or require that Shares be deposited directly with a broker designated by the Company or to a designated agent of the Company, and the Company may utilize electronic or automated methods of share transfer. The Company may require that Shares be retained with such broker or agent for a designated period of time and/or may establish other procedures to permit tracking of disqualifying dispositions of such Shares.

10. Voluntary Withdrawal; Termination of Employment.

(a) A Participant may withdraw all but not less than all the Contributions credited to his or her account under the Plan at any time prior to each Purchase Date by giving written notice to the Company. All of the Participant's Contributions credited to his or her account will be paid to him or her promptly after receipt of his or her notice of withdrawal and his or her option for the current period will be automatically terminated, and no further Contributions for the purchase of Shares will be made during the Offering Period. If a Participant withdraws from an Offering Period, payroll deductions will not resume at the beginning of the succeeding Offering Period unless the Participant delivers to the Company a new subscription agreement.

Table of Contents

(b) Upon termination of the Participant's Continuous Status as an Employee prior to the Purchase Date of an Offering Period for any reason, including retirement or death, the Contributions credited to his or her account will be returned to him or her or, in the case of his or her death, to the person or persons entitled thereto under Section 14, and his or her option will be automatically terminated.

(c) In the event an Employee fails to remain in Continuous Status as an Employee of the Company for at least twenty (20) hours per week during the Offering Period in which the employee is a Participant, he or she will be deemed to have elected to withdraw from the Plan and the Contributions credited to his or her account will be returned to him or her and his or her option terminated.

(d) A Participant's withdrawal from an offering will not have any effect upon his or her eligibility to participate in a succeeding offering or in any similar plan which may hereafter be adopted by the Company.

11. Interest. No interest shall accrue on the Contributions of a Participant in the Plan.

12. Stock.

(a) Subject to adjustment as provided in Section 18, the maximum number of Shares which shall be made available for sale under the Plan on Purchase Dates occurring on or after the Effective Date shall be 500,000 (Five Hundred Thousand) Shares. If the Administrator determines that, on a given Purchase Date, the number of Shares with respect to which options are to be exercised may exceed (i) the number of Shares that were available for sale under the Plan on the Offering Date of the applicable Offering Period, or (ii) the number of Shares available for sale under the Plan on such Purchase Date, the Administrator may in its sole discretion provide (x) that the Company shall make a pro rata allocation of the Shares available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants exercising options to purchase Shares on such Purchase Date, and continue all Offering Periods then in effect, or (y) that the Company shall make a pro rata allocation of the Shares available for purchase on such Offering Date or Purchase Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants exercising options to purchase Shares on such Purchase Date, and terminate any or all Offering Periods then in effect pursuant to Section 19 below. The Company may make pro rata allocation of the Shares available on the Offering Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional Shares for issuance under the Plan by the Company's stockholders subsequent to such Offering Date.

(b) The Participant shall have no interest or voting right in Shares covered by his or her option until such Shares are actually purchased on the Participant's behalf in accordance with the applicable provisions of the Plan. No adjustment shall be made for dividends, distributions, or other rights for which the record date is prior to the date of such purchase.

(c) Shares to be delivered to a Participant under the Plan will be registered in the name of the Participant or in the name of the Participant and his or her spouse.

13. Administration. The Plan shall be administered by the Administrator, which shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Administrator shall, to the full extent permitted by Applicable Law, be final and binding upon all persons. Notwithstanding any provision to the contrary in this Plan, the Administrator may adopt rules or procedures relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures for jurisdictions outside of the United States. Without limiting the generality of the foregoing, the Administrator is specifically authorized to adopt rules and procedures regarding eligibility to participate, the definition of Compensation, handling of payroll deductions, making of contributions to the Plan (including, without limitation, in forms other than payroll deductions), establishment of bank or trust accounts to hold payroll deductions, payment of interest, conversion of local currency, obligations to pay payroll tax, determination of beneficiary designation requirements, withholding procedures and handling of stock certificates which vary with local requirements.

14. Designation of Beneficiary.

(a) A Participant may file a written designation of a beneficiary who is to receive any Shares and cash, if any, from the Participant's account under the Plan in the event of such Participant's death subsequent to the end of a Purchase Period but prior to delivery to him or her of such Shares and cash. In addition, a Participant may file a written designation of a beneficiary who is to receive any cash from the Participant's account under the Plan in the event of such Participant's death prior to the Purchase Date of an Offering Period. If a Participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the Participant (and his or her spouse, if any) at any time by written notice. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such Shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

(c) All beneficiary designations will be in such form and manner as the Administrator may designate from time to time.

15. Transferability. Neither Contributions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive Shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 14) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 10.

16. Use of Funds. All Contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such Contributions. All Contributions received or held by the Company may be subject to the claims of the Company's general creditors. Participants shall have the status of general unsecured creditors of the Company. Any amounts payable to Participants pursuant to the Plan shall be unfunded and unsecured obligations for all purposes, including, without limitation, Title I of the Employee Retirement Income Security Act of 1974, as amended. The Company shall retain at all times beneficial ownership of any investments, including trust investments, which the Company may make to fulfill its payment obligations hereunder. Any investments or the creation or maintenance of any trust or any Participant account shall not create or constitute a trust or fiduciary relationship between the Administrator, the Company or any Designated Parent or Subsidiary and a Participant, or otherwise create any vested or beneficial interest in any Participant or the Participant's creditors in any assets of the Company or a Designated Parent or Subsidiary. The Participants shall have no claim against the Company or any Designated Parent or Subsidiary for any changes in the value of any assets that may be invested or reinvested by the Company with respect to the Plan.

17. Reports. Individual accounts will be maintained for each Participant in the Plan. Statements of account will be given to participating Employees at least annually, which statements will set forth the amounts of Contributions, the per Share Purchase Price, the number of Shares purchased and the remaining cash balance, if any.

18. Adjustments Upon Changes in Capitalization; Corporate Transactions.

(a) Adjustment. Subject to any required action by the stockholders of the Company, the number of Shares covered by each option under the Plan which has not yet been exercised and the number of Shares which have been authorized for issuance under the Plan but have not yet been placed under option (collectively, the "Reserves"), as well as the maximum number of Shares which may be purchased by a Participant in a Purchase Period, the number of Shares set forth in Section 12(a) above, and the price per Share covered by each option under the Plan which has not yet been exercised, shall be proportionately adjusted for (i) any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock (including any such change in the number of Shares effected in

Table of Contents

connection with a change in domicile of the Company), (ii) any other increase or decrease in the number of Shares effected without receipt of consideration by the Company, or (iii) any other transaction with respect to Common Stock including a corporate merger, consolidation, acquisition of property or stock, separation (including a spin-off or other distribution of stock or property), reorganization, liquidation (whether partial or complete) or any similar transaction; provided however that conversion of any convertible securities of the Company shall not be deemed to have been “effected without receipt of consideration.” Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an option.

(b)Corporate Transactions. In the event of a dissolution or liquidation of the Company, any Purchase Period and Offering Period then in progress will terminate immediately prior to the consummation of such action, unless otherwise provided by the Administrator. In the event of a Corporate Transaction, each option outstanding under the Plan shall be assumed or an equivalent option shall be substituted by the successor corporation or a parent or Subsidiary of such successor corporation. In the event that the successor corporation refuses to assume or substitute for outstanding options, each Purchase Period and Offering Period then in progress shall be shortened and a new Purchase Date shall be set (the “New Purchase Date”), as of which date any Purchase Period and Offering Period then in progress will terminate. The New Purchase Date shall be on or before the date of consummation of the transaction and the Administrator shall notify each Participant in writing, at least ten (10) days prior to the New Purchase Date, that the Purchase Date for his or her option has been changed to the New Purchase Date and that either:

(i)the Participant’s option will be exercised automatically on the New Purchase Date, unless prior to such date the Participant has withdrawn from the Offering Period as provided in Section 10; or

(ii)the Company shall pay to the Participant on the New Purchase Date an amount in cash, cash equivalents, or property as determined by the Administrator that is equal to the difference in the Fair Market Value of the shares subject to the option and the Purchase Price due had the Participant’s option been exercised automatically under Subsection (b)(i) above.

For purposes of this Section 18, an option granted under the Plan shall be deemed to be assumed, without limitation, if, at the time of issuance of the stock or other consideration upon a Corporate Transaction, each holder of an option under the Plan would be entitled to receive upon exercise of the option the same number and kind of shares of stock or the same amount of property, cash or securities as such holder would have been entitled to receive upon the occurrence of the transaction if the holder had been, immediately prior to the transaction, the holder of the number of Shares covered by the option at such time (after giving effect to any adjustments in the number of Shares covered by the option as provided for in this Section 18); provided however that if the consideration received in the transaction is not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in Fair Market Value to the per Share consideration received by holders of Common Stock in the transaction.

19.Amendment or Termination.

(a)The Administrator may at any time and for any reason terminate or amend the Plan. Except as provided in Section 18, no such termination of the Plan may affect options previously granted, provided that the Plan or an Offering Period may be terminated by the Administrator on a Purchase Date or by the Administrator’s setting a new Purchase Date with respect to an Offering Period and Purchase Period then in progress if the Administrator determines that termination of the Plan and/or the Offering Period is in the best interests of the Company and the stockholders or if continuation of the Plan and/or the Offering Period would cause the Company to incur adverse accounting charges as a result of a change after the Effective Date in the generally accepted accounting rules applicable to the Plan. Except as provided in Section 18 and in this Section 19, no amendment to the Plan shall make any change in any option previously granted which adversely affects the rights of any Participant. In addition, to the extent necessary to comply with Applicable Laws, the Company shall obtain stockholder approval in such a manner and to such a degree as so required.

Table of Contents

(b) Without stockholder consent and without regard to whether any Participant rights may be considered to have been adversely affected, the Administrator shall be entitled to limit the frequency and/or number of changes in the amount withheld during Offering Periods, change the length of Purchase Periods within any Offering Period, determine the length of any future Offering Period, determine whether future Offering Periods shall be consecutive or overlapping, designate separate Offerings for the Employees of one or more Designated Parents or Subsidiaries, in which case the Offerings will be considered separate even if the dates of each such Offering are identical and the provisions of the Plan will separately apply to each Offering, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, establish additional terms, conditions, rules or procedures to accommodate the rules or laws of applicable foreign jurisdictions, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with amounts withheld from the Participant's Compensation, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable and which are consistent with the Plan, in each case to the extent consistent with the requirements of Code Section 423 and other Applicable Laws.

20. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

21. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such Shares pursuant thereto shall comply with all Applicable Laws, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, applicable state securities laws and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

In addition, no options shall be exercised or Shares issued hereunder before the Plan shall have been approved by stockholders of the Company as provided in Section 23.

22. Term of Plan; Effective Date. The Plan became effective on October 11, 2014, which is the date as of which the Board adopted the Plan. It shall continue in effect for a term of ten (10) years from the Effective Date unless sooner terminated under Section 19.

23. Stockholder Approval. Continuance of the Plan shall be subject to approval by the stockholders of the Company within twelve (12) months before or after the date the Plan is adopted or, in the case of an increase in the number of shares available for issuance pursuant to Section 12 (a), within twelve (12) months before or after the date that the Board adopts such share increase (with respect to the increased shares). Such stockholder approval shall be obtained in the degree and manner required under Applicable Laws.

24. No Employment Rights. The Plan does not, directly or indirectly, create any right for the benefit of any employee or class of employees to purchase any Shares under the Plan, or create in any employee or class of employees any right with respect to continuation of employment by the Company or a Designated Parent or Subsidiary, and it shall not be deemed to interfere in any way with such employer's right to terminate, or otherwise modify, an employee's employment at any time.

25. No Effect on Retirement and Other Benefit Plans. Except as specifically provided in a retirement or other benefit plan of the Company or a Designated Parent or Subsidiary, participation in the Plan shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or a Designated Parent or Subsidiary, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a "Retirement Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.

26. Effect of Plan. The provisions of the Plan shall, in accordance with its terms, be binding upon, and inure to the benefit of, all successors of each Participant, including, without limitation, such Participant's estate and the executors, administrators or trustees thereof, heirs and legatees, and any receiver, trustee in bankruptcy or representative of creditors of such Participant.

27. Governing Law. The Plan is to be construed in accordance with and governed by the internal laws of the State of California (as permitted by Section 1646.5 of the California Civil Code, or any similar successor provision) without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than the internal laws of the State of California to the rights and duties of the parties, except to the extent the internal laws of the State of California are superseded by the laws of the United States. Should any provision of the Plan be determined by a court of law to be illegal or unenforceable, the other provisions shall nevertheless remain effective and shall remain enforceable.
