(the “Company”) reported on a Form 8-K that Karlyn Knieriem, formerly serving as Senior Vice President and Head of Enterprise Risk Management of the Company was to succeed Stephen Ulenberg as Executive Vice President and Chief Risk Officer effective June 15, 2018, and that the Company and Ms. Knieriem entered into an Employment Agreement on May 1, 2018 (“Agreement”) which was subject to approval of the Company’s board of directors. On July 25, 2018, the Company’s board of directors approved the Agreement. The following summary description of the Agreement is qualified in its entirety by reference to the full text thereof, which is attached as Exhibit 10.1 and incorporated by reference. Unless defined herein, capitalized terms have the meaning given them in the Agreement.

The Agreement is for an unspecified duration and constitutes “at will” employment. Ms. Knieriem will be paid a base salary of \$255,000 per year, (“Base Salary”). The Base Salary for Ms. Knieriem will be reviewed at least annually and may be increased at any time for any reason by the Compensation Committee or the Board, as applicable.

Beginning with the fiscal year ending September 30, 2018, Ms. Knieriem will be entitled to receive an annual cash incentive bonus (“Bonus”) which Bonus will range from zero percent (0%) to two hundred percent (200%) of her target Bonus opportunity based on actual performance against performance metrics established by the Compensation Committee. Ms. Knieriem’s target Bonus opportunity will be thirty percent (30%) of her Base Salary. Thereafter, the Compensation Committee or the Board, as applicable, may establish different performance metrics for future fiscal years.

Consistent with the Agreement, Ms. Knieriem has been granted an annual long-term incentive compensation award (“LTI Award”) for Fiscal Year 2018 with a value of \$85,000, fifty percent (50%) in the form of time-based restricted stock units, which vest in three equal annual installments and fifty percent (50%) in the form of performance-based restricted stock units which vest based on performance over a three (3)-year performance period. For any fiscal year ending during Ms. Knieriem’s employment following the 2018 Fiscal Year, she will be eligible to receive an LTI Award in form and amount determined in the sole discretion of the Compensation Committee or the Board, as applicable. LTI Awards, including the LTI Award for the 2018 Fiscal Year, will be subject to the terms of the Company equity plan under which it is granted and to the terms of any applicable award agreement.

The Agreement provides that if Ms. Knieriem is terminated for Cause, she is entitled to receive amounts earned during the term of employment. Such amounts include unpaid Base Salary through the date of termination; accrued but unused paid time off (“PTO”) and reimbursements of properly submitted business expenses.

The Agreement also provides that in the event of death, disability or retirement, Ms. Knieriem will be entitled to receive unpaid Base Salary through the date of termination; accrued but unused paid time off; reimbursements of properly submitted business expenses and Earned Bonus and Prorated Bonus as defined in the Agreement. Such payments will be made no later than 60 days following the termination date. In the case of termination due to permanent disability, Great Western will continue to pay 100% of Ms. Knieriem’s then-current base salary for a period of 90 days following such termination. In the case of death, Ms. Knieriem will immediately vest in all outstanding awards under the Company’s incentive plans. In the case of disability or retirement, outstanding LTI Awards will continue vesting on the vesting date(s) specified in the applicable award agreement, as if employment had not terminated and subject to continued compliance with the restrictive covenants within the Agreement.

The Agreement further provides that in the event of termination without Cause or for Good Reason by Ms. Knieriem, she is entitled to the payment of the following amounts:

- the payment of unpaid base salary; accrued but unused paid time off; reimbursements of business expenses will be made within 30 days of termination; and all other accrued and vested benefits;

the continued vesting of outstanding awards under the LTI Plan and the performance stock awards granted in connection with the Offering on the vesting date(s) specified in the applicable award agreement, as if employment had not terminated and subject to continued compliance with the restrictive covenants within the agreement.

In the event of termination without Cause or for Good Reason of Ms. Knieriem within 24 months of a change-in-control, Ms. Knieriem shall be entitled to the same payments and items described above under "Payment Obligations for Termination Without Cause or for Good Reason" and will be paid on a date that is no later than 60 days following the termination date.
