#### Item 1. Security and Issuer

This security to which this statement relates is the common stock, \$.01 par value (the “Common Stock”), of Insignia Systems, Inc. (the “Issuer”), whose principal executive offices are located at 8799 Brooklyn Boulevard, Minneapolis, Minnesota 55445.

#### Item 2. Identity and Background

- This statement is being filed by Cable Car Capital LLC, a California limited liability company (the “Reporting Person”) with respect to Shares beneficially owned and held of record by managed accounts for
- (a) which the Reporting Person serves as investment adviser with full discretionary authority. Jacob Haft Ma-Weaver, a United States citizen, is the Managing Member of the Reporting Person.
  - (b) The principal business address for the Reporting Person is 1449 Washington Street #6, San Francisco, California 94109.
  - (c) The Reporting Person is an investment adviser registered with the state securities authority of California. Its principal business is the management of separate investment accounts on behalf of clients. Mr. Ma-Weaver has sole discretionary authority over the accounts managed by the Reporting Person.
  - (d) During the last five years, neither the Reporting Person nor Mr. Ma-Weaver has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).
  - (e) During the last five years, neither the Reporting Person nor Mr. Ma-Weaver has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding been subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

#### Item 3. Source and Amount of Funds or Other Considerations

The Shares to which this Schedule 13D relates were acquired for an aggregate purchase price of approximately \$1,664,000, inclusive of brokerage commissions. Funds for the purchase were obtained from the available capital of separate accounts managed by the Reporting Person. Although the accounts have the ability to obtain margin loans in the ordinary course of business, no part of the purchase price was obtained on margin or through any other borrowings.

#### Item 4. Purpose of Transaction

For the benefit of managed accounts for which it acts as investment adviser, the Reporting Person purchased the securities of the Issuer reported herein in the belief that such securities are undervalued and represent an attractive investment opportunity. Depending upon client activity, overall market conditions, other investment opportunities available to the Reporting Person, and the availability of securities of the Issuer at prices that would make the purchase or sale of such securities desirable, the Reporting Person may purchase or sell Common Stock on the open market or in private transactions or otherwise on such terms and at such times as the Reporting Person may deem advisable.

Managed accounts over which the Reporting Person has full discretionary authority have held shares of the Issuer continuously since 2013. In the ordinary course of monitoring its holdings and researching the Issuer and its industry, the Reporting Person has engaged in regular discussions with current and former executive officers of the Issuer and periodically communicated preferences regarding the Issuer’s capital structure and strategic priorities.

The Reporting Person has previously expressed concerns regarding the Issuer’s corporate governance to current and former Board members, executive officers, shareholders, and legal counsel of the Issuer. The Reporting Person is of the opinion that management time and attention have been diverted and the Issuer’s operating results have been negatively impacted by excessive shareholder intervention and an unrelated interpersonal conflict. Accordingly, the Reporting Person has endeavored to express viewpoints in a constructive and non-coercive manner.

The Reporting Person expects to engage in further discussions with management, the Board of Directors, other shareholders, the Issuer, or other relevant parties to propose or consider, among other things, potential business

combinations and strategic alternatives, the business, operations, governance, management, strategy and future plans of the Issuer, or one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D. In particular, the Reporting Person intends to recommend one or more qualified individuals whom the Issuer, in its discretion, may consider nominating for election to fill current vacancies on the Board of Directors.

Except as set forth above, the Reporting Person has no present plan or proposal relating to any matter set forth in subparagraphs (a) through (j) of Item 4 of Schedule 13D. The Reporting Person intends to review its investment in the Issuer on an ongoing basis and may change its intention with respect to any and all matters referred to in Item 4 at any time.

**Item 5. Interest in Securities of the Issuer**

The aggregate percentage of Common Stock reported owned by the Reporting Person is based on 11,660,817 (a) shares outstanding, which is the total number of shares outstanding as reported on the cover page of the Issuer's Annual Report on Form 10-K with the Securities and Exchange Commission on March 7, 2017.

(b) Cable Car Capital LLC has sole voting and dispositive power over the shares reported herein.

The table below sets forth transactions during the past sixty days in accounts currently managed by the Reporting (c) Person. The price per share is a weighted average price, inclusive of brokerage commissions, across multiple transactions on the open market.
