April 29, 2019

Dear CSS Employees:

Earlier today, we issued a press release confirming that one of our stockholders, Varana Capital Focused, LP, has notified us that it intends to nominate ten candidates to stand for election to the CSS Industries, Inc. eight-member Board of Directors at the Company's 2019 Annual Meeting of Stockholders. According to the information that Varana provided to us, it beneficially owns approximately 4% of CSS's common stock. I've attached a copy of our press release for your information.

CSS values open communications with its stockholders and constructive input toward the shared goal of enhancing stockholder value. In this regard, CSS management engaged in numerous discussions with Varana to better understand its views and perspectives. We are disappointed that Varana is threatening a costly and distracting proxy contest to replace our entire Board and cause a complete change of control of our company. We believe that Varana's actions risk destabilizing the execution of our ongoing initiatives for enhancing value for all CSS stockholders.

While this matter may increase attention on our company, it does not change our strategy. Our Board and management team are united in their commitment to acting in the best interests of all stockholders and in their focus on driving enhanced value creation for all stockholders. As always, our Board and management team remain open to any credible and actionable ideas for enhancing stockholder value.

Today's news may result in interest from the media and other outside parties. It is critical that everyone remains focused on day-to-day responsibilities as your hard work is the key to CSS's success. As a reminder, please forward any external inquiries about this matter to Bill Kiesling, our General Counsel, at bill.kiesling@cssindustries.com.

Thank you again for your dedication and commitment to CSS.

Sincerely,

Christopher J. Munyan
President and Chief Executive Officer
