PROXY STATEMENT
FOR
2014 ANNUAL MEETING OF STOCKHOLDERS
INFORMATION CONCERNING SOLICITATION AND VOTING

General

Our Board of Directors is soliciting Proxies for the 2014 Annual Meeting of Stockholders to be held at 570 Meridian Avenue, San Jose, California 95126 on Tuesday, May 20, 2014, at 10:00 a.m., Pacific Time. The address of our principal executive office is 550 Meridian Avenue, San Jose, California 95126 and our telephone number at this address is 408-938-5200. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters set forth in the attached Notice of Annual Meeting. Please read it carefully.

Beginning on April 9, 2014, copies of this Proxy Statement were first sent or made available to persons who were stockholders at the close of business on March 27, 2014, the record date for the annual meeting.

Notice of Internet Availability of Proxy Materials

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we have chosen to provide access to our proxy materials over the Internet. We are sending a Notice of Internet Availability of Proxy Materials (the "Notice") to our stockholders of record and our beneficial owners. All stockholders will have the option to access the proxy materials on a website referred to in the Notice or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy of the proxy materials are included in the Notice. You may also request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis.

Electronic Access to Proxy Materials

The Notice will provide you with instructions on how to:

- View on the Internet our proxy materials for our annual meeting; and
- Instruct us to send our future proxy materials to you electronically by e-mail.

Choosing to receive future proxy materials by e-mail will save us the cost of printing and mailing the proxy materials to you and will reduce the environmental impact of our annual meeting. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions including a link to the proxy materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Costs of Solicitation

Echelon will pay the costs of soliciting proxies from stockholders. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners, including fees associated with:

- Forwarding the Notice to beneficial owners;
- Forwarding printed proxy materials by mail to beneficial owners who specifically request them; and
- Obtaining beneficial owners' voting instructions.

Certain of our directors, officers and employees may solicit proxies on our behalf, without additional compensation, personally or by written communication, telephone, facsimile or other electronic means. We have engaged The Proxy Advisory Group, LLC, to assist in the solicitation of proxies and provide related advice and informational support, for a services fee and the reimbursement of customary disbursements that are not expected to exceed \$15,000 in the aggregate. In addition, we may engage the services of other firms or advisors to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. Our costs for such services, if retained, will not be significant.

Record Date and Shares Outstanding

Only stockholders of record at the close of business on March 27, 2014, are entitled to attend and vote at the annual meeting. On the record date, 43,362,646 shares of our common stock were outstanding and held of record.

QUESTIONS AND ANSWERS REGARDING OUR ANNUAL MEETING

Although we encourage you to read this Proxy Statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you may have about the annual meeting or this Proxy Statement.

Q: Why am I receiving these proxy materials?

A: Our Board of Directors is providing these proxy materials for you in connection with our annual meeting of stockholders, which will take place on May 20, 2014. Stockholders are invited to attend the annual meeting and are requested to vote on the proposals described in this Proxy Statement.

Q: What is the Notice of Internet Availability?

A: In accordance with rules and regulations adopted by the SEC, instead of mailing a printed copy of our proxy materials to all stockholders entitled to vote at the annual meeting, we are furnishing the proxy materials to our stockholders over the Internet. If you received a Notice by mail, you will not receive a printed copy of the proxy materials. Instead, the Notice will instruct you as to how you may access and review the proxy materials and submit your vote via the Internet. If you received a Notice by mail and would like to receive a printed copy of the proxy materials, please follow the instructions included in the Notice for requesting such materials.

We mailed the Notice on or about April 9, 2014, to all stockholders entitled to vote at the annual meeting. On the date of mailing of the Notice, all stockholders and beneficial owners will have the ability to access all of our proxy materials on a website referred to in the Notice. These proxy materials will be available free of charge.

Q: What proposals will be voted on at the annual meeting?

A: There are four proposals scheduled to be voted on at the annual meeting:

• Election of the Class A nominee for director set forth in this Proxy Statement;

• Reapproval of our Management Bonus Plan;

• Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014; and

• Approval, in a non-binding advisory vote, of our executive compensation as described in this Proxy Statement.

Q: What is Echelon's voting recommendation?

A: Our Board of Directors unanimously recommends that you vote your shares "FOR" the Class A nominee to our Board of Directors, "FOR" reapproval of our Management Bonus Plan, "FOR" ratification of the appointment of KPMG LLP as our independent registered public accounting firm, and "FOR" the approval of our executive compensation as described herein.

Q: What happens if additional proposals are presented at the annual meeting?

A: Other than the four proposals described in this Proxy Statement, Echelon does not expect any additional matters to be presented for a vote at the annual meeting. If you are a stockholder of record and grant a proxy, the persons named as proxy holders, Alicia Jayne Moore, our Senior Vice President and General Counsel, and William R. Slakey, our Executive Vice President and Chief Financial Officer, will have the discretion to vote your shares on any additional matters properly presented for a vote at the annual meeting. If for any unforeseen reason Echelon's Class A nominee is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate as may be nominated by our Board of Directors.

Q: Who can vote at the annual meeting?

A: Our Board of Directors has set March 27, 2014 as the record date for the annual meeting. All stockholders who owned Echelon common stock at the close of business on March 27, 2014 may attend and vote at the annual meeting. Each stockholder is entitled to one vote for each share of common stock held as of the record date on all matters to be voted on. Stockholders do not have the right to cumulate votes. On March 27, 2014, 43,362,646 shares of our common stock were outstanding. Shares held as of the record date include shares that are held directly in your name as the stockholder of record and those shares held for you as a beneficial owner through a broker, bank or other nominee.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: Most stockholders of Echelon hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record

If your shares are registered directly in your name with Echelon's transfer agent, Computershare, you are considered the stockholder of record with respect to those shares and the Notice has been sent directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to Echelon or to vote in person at the annual meeting.

Beneficial Owners

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and the Notice has been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote and are also invited to attend the annual meeting.

However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you request a "legal proxy" from the broker, bank or other nominee who holds your shares, giving you the right to vote the shares at the annual meeting.

Q: How many votes does Echelon need to hold the annual meeting?

A: A majority of Echelon's outstanding shares as of the record date must be present at the annual meeting in order to hold the meeting and conduct business. This is called a quorum. Both abstentions and broker "non-votes" are counted as present for the purpose of determining the presence of a quorum. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Shares are counted also as present at the meeting if you:

- are present and vote in person at the meeting; or
- have properly submitted a proxy card or voting instruction card or voted via the Internet or by telephone.

Q: What is the voting requirement to approve each of the proposals?

A: Proposal One - Directors are elected by a plurality vote, and therefore the individual receiving the highest number of "FOR" votes will be elected. Votes of "WITHHOLD" and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality. You may vote either "FOR" or "WITHHOLD" on the Class A nominee for election as director.

Proposals Two, Three and Four - The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote is required to (i) reapprove our Management Bonus Plan, (ii) ratify the appointment of KPMG LLP as our Company's independent registered public accounting firm, and (iii) approve our executive compensation, on an advisory basis. You may vote "FOR," "AGAINST" or "ABSTAIN" on Proposals Two, Three and Four. Abstentions are deemed to be votes cast and have the same effect as a vote against the proposal. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of the voting results on the proposal. The vote on approval of our executive compensation is non-binding on our Company, our Board of Directors or our Compensation Committee; however, our Compensation Committee will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Q: Who counts the votes?

A: Voting results are tabulated and certified by Broadridge Financial Solutions, Inc.

Q: What happens if I do not cast a vote?

A: Stockholders of record — If you are a stockholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the annual meeting. However, if you submit a signed proxy card with no further instructions, the shares represented by that proxy card will be voted as recommended by our Board of Directors.

Beneficial owners — If you hold your shares in street name it is critical that you cast your vote if you want it to count in the election of directors (Proposal One), in favor of reapproval of our Management Bonus Plan (Proposal Two), and to approve our executive compensation, on an advisory basis (Proposal Four) because if you do not indicate how you want your shares voted on such proposals, your bank, broker or other nominee is not allowed to vote those shares on your behalf on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank, broker or other nominee how to vote in the election of directors, with respect to our Management Bonus Plan and with respect to our executive compensation, no votes will be cast on your behalf. Your bank, broker or other nominee will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of our Company's independent registered public accounting firm (Proposal Three).

Q: How can I vote my shares in person at the annual meeting?

A: Shares held directly in your name as the stockholder of record may be voted in person at the annual meeting. If you choose to vote in person, please bring your proxy card or proof of identification to the annual meeting. Even if you plan to attend the annual meeting, Echelon recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the annual meeting. If you hold your shares in street name, you must request a legal proxy from your broker, bank or other nominee in order to vote in person at the annual meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the annual meeting. If you are a stockholder of record, you may vote by submitting a proxy; please refer to the voting instructions in the Notice or below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or other nominee; please refer to the voting instructions provided to you by your broker, bank or other nominee.

Internet - Stockholders of record with Internet access may submit proxies by following the "Vote by Internet" instructions on the Notice until 11:59 p.m., Eastern Time, on May 19, 2014, or by following the instructions at www.proxyvote.com. Most of our stockholders who hold shares beneficially in street name may vote by accessing the website specified in the voting instructions provided by their brokers, banks or other nominees. A large number of banks and brokerage firms are participating in Broadridge Financial Solutions, Inc.'s online program. This program provides eligible stockholders the opportunity to vote over the Internet or by telephone. Voting forms will provide instructions for stockholders whose bank or brokerage firm is participating in Broadridge's program.

Telephone — If you request a printed set of the proxy materials, you will be eligible to submit your vote by telephone.

Mail — If you request a printed set of the proxy materials, you may indicate your vote by completing, signing and dating the proxy card or voting instruction form where indicated and by returning it in the prepaid envelope that will be provided.

Q: How can I change or revoke my vote?

A: Subject to any rules your broker, bank or other nominee may have, you may change your proxy instructions at any time before your proxy is voted at the annual meeting.

Stockholders of record — If you are a stockholder of record, you may change your vote by (1) filing with our Senior Vice President, General Counsel and Secretary, prior to your shares being voted at the annual meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy relating to the same shares, or (2) attending the annual meeting and voting in person (although attendance at the annual meeting will not, by itself, revoke a proxy). Any written notice of revocation or subsequent proxy card must be received by our Senior Vice President, General Counsel and Secretary prior to the taking of the vote at the annual meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Senior Vice President, General Counsel and Secretary or should be sent so as to be delivered to our principal executive offices, Attention: General Counsel.

Beneficial owners — If you are a beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, bank or other nominee, or (2) if you have obtained, from the broker, bank or

4

other nominee who holds your shares, a legal proxy giving you the right to vote the shares, by attending the annual meeting and voting in person.

In addition, a stockholder of record or a beneficial owner who has voted via the Internet or by telephone may also change his, her or its vote by making a timely and valid later Internet or telephone vote no later than 11:59 p.m., Eastern Time, on May 19, 2014.

Q: Where can I find the voting results of the annual meeting?

A: The preliminary voting results will be announced at the annual meeting. The final results will be reported in a current report on Form 8-K filed within four business days after the date of the annual meeting.

Q: Who are the proxies and what do they do?

A: The two persons named as proxies on the proxy card, Alicia Jayne Moore, our Senior Vice President and General Counsel, and William R. Slakey, our Executive Vice President and Chief Financial Officer, were designated by our Board of Directors. All properly executed proxies will be voted (except to the extent that authority to vote has been withheld) and where a choice has been specified by the stockholder of record as provided in the proxy card, it will be voted in accordance with the instructions indicated on the proxy card. If you are a stockholder of record and submit a signed proxy card, but do not indicate your voting instructions, your shares will be voted as recommended by our Board of Directors.

Q: What should I do if I receive more than one Notice or set of proxy materials?

A: If you received more than one Notice or set of proxy materials, your shares are registered in more than one name or brokerage account. Please follow the voting instructions on each Notice or voting instruction card that you receive to ensure that all of your shares are voted.

Q: How may I obtain a separate Notice or a separate set of proxy materials?

A: If you share an address with another stockholder, each stockholder may not receive a separate Notice or a separate copy of the proxy materials. Stockholders who do not receive a separate Notice or a separate copy of the proxy materials may request to receive a separate Notice or a separate copy of the proxy materials by contacting our Investor Relations department (i) by mail at 550 Meridian Avenue, San Jose, California 95126, (ii) by calling us at 408-938-5252, or (iii) by sending an email to mlarsen@echelon.com. Alternatively, stockholders who share an address and receive multiple Notices or multiple copies of our proxy materials may request to receive a single copy by following the instructions above.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Echelon or to third parties except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, or (3) to facilitate a successful proxy solicitation by our Board of Directors. Occasionally, stockholders provide written comments on their proxy cards, which are then forwarded to Echelon's management.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Our stockholders may submit proposals that they believe should be voted upon at our next year's annual meeting or nominate persons for election to our Board of Directors. Stockholders may also recommend candidates for election to our Board of Directors (See "Corporate Governance and Other Matters-Consideration of Stockholder Recommendations and Nominations of Board Members"). Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, some stockholder proposals may be eligible for inclusion in our 2015 proxy statement and proxy. Any such stockholder proposals must be submitted in writing to the attention of Alicia Jayne Moore, Senior Vice President, General Counsel and Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, no later than December 10, 2014, which is the date 120 calendar days prior to the one-year anniversary of the mailing date of this Proxy Statement. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our 2015 proxy statement.

Alternatively, under our Bylaws, a proposal or a nomination that the stockholder does not seek to include in our 2015 proxy statement pursuant to Rule 14a-8 may be submitted in writing to Alicia Jayne Moore, Senior Vice President, General Counsel and Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, for the 2015 annual meeting of stockholders not less than 20 days nor more than 60 days prior to the date of such meeting. Note, however, that in the event we provide less than 30 days' notice or prior public disclosure to stockholders of the date of the 2015 annual meeting, any stockholder proposal or nomination not submitted pursuant to Rule 14a-8 must be submitted to us not later than the close of business on the tenth day following the day on which notice of the date of the 2015 annual meeting was mailed or public disclosure was made. For example, if we provide notice of our 2015 annual meeting on April 21, 2015 for a 2015 annual meeting on May 19, 2015, any such proposal or nomination will be considered untimely if submitted to us after May 1, 2015. For purposes of the above, "public disclosure" means disclosure in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service, or in a document publicly filed by us with the SEC. As described in our Bylaws, the stockholder submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of our common stock. If a stockholder gives notice of such a proposal after the deadline computed in accordance with our Bylaws, or the Bylaw Deadline, the stockholder will not be permitted to present the proposal to our stockholders for a vote at the 2015 annual meeting.

The rules of the SEC also establish a different deadline for submission of stockholder proposals that are not intended to be included in our 2015 proxy statement with respect to discretionary voting, or the Discretionary Vote Deadline. The Discretionary Vote Deadline for the 2015 annual meeting is February 23, 2015, the date which is 45 calendar days prior to the one-year anniversary of the mailing date of this Proxy Statement. If a stockholder gives notice of such a proposal after the Discretionary Vote Deadline, our proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the 2015 annual meeting.

Because the Bylaw Deadline is not capable of being determined until we publicly announce the date of our 2015 annual meeting, it is possible that the Bylaw Deadline may occur after the Discretionary Vote Deadline. In such a case, a proposal received after the Discretionary Vote Deadline but before the Bylaw Deadline would be eligible to be presented at the 2015 annual meeting and we believe that our proxy holders at such meeting would be allowed to use the discretionary authority granted by the proxy to vote against the proposal at such meeting without including any disclosure of the proposal in the proxy statement relating to such meeting.

CORPORATE GOVERNANCE AND OTHER MATTERS

Corporate Governance

Corporate Governance Guidelines

Our Board of Directors first adopted written Corporate Governance Guidelines in November 2002 that outline, among other matters, the role and functions of our Board of Directors and the composition and responsibilities of various committees of our Board of Directors. The Corporate Governance Guidelines are available, along with other important corporate governance materials, at the investor relations section of our website at www.echelon.com.

The Corporate Governance Guidelines provide, among other things, that:

• A majority of the directors must meet the independence criteria established by NASDAQ.

• If the Chairman of the Board is not an independent director, then a Presiding Director must be appointed by the outside directors to assume the responsibility of chairing the regularly scheduled meetings of outside directors.

• Our Board of Directors shall have a policy of holding separate meeting times for outside directors.

All of the members of the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee must meet the criteria for independence established by NASDAQ, except that our Board of Directors may make exceptions to this policy with respect to the Nominating and Corporate Governance Committee that are consistent with regulatory requirements.

Our Board of Directors shall have responsibility over such matters as overseeing our Chief Executive Officer and other senior management in the competent and ethical operation of our Company, gathering and analyzing information obtained from management, retaining counsel and expert advisors, and overseeing and monitoring the effectiveness of governance practices.

In April, 2008, our Board of Directors appointed Robert J. Finocchio, Jr. as Presiding Director. Pursuant to the Corporate Governance Guidelines, the Presiding Director was selected by our non-employee directors and assumed the responsibilities of chairing meetings of non-employee directors, serving as the liaison between our Chief Executive Officer, Chairman of the Board and our independent directors, approving Board of Directors meeting agendas and schedules and information flow to our Board of Directors and such further responsibilities that the non-employee directors as a whole designate from time to time.

As the operation of our Board of Directors is a dynamic process, our Board of Directors regularly reviews changing legal and regulatory requirements, evolving best practices and other developments. Accordingly, our Board of Directors may modify the Corporate Governance Guidelines from time to time, as it deems appropriate.

In October, 2011, our Board of Directors appointed Ronald A. Sege, our Chief Executive Officer and President, also to serve as Chairman of the Board. At the same time, our Board reaffirmed Mr. Finocchio's appointment as our Presiding Director.

Board Leadership Structure and Role in Risk Management

Our Company's management is responsible for the day to day assessment and management of the risks we face, while our Board of Directors administers its risk oversight function directly and through the Audit Committee and the Compensation Committee. Management regularly reports to our Board of Directors and/or the relevant Committee regarding identified or potential risks. The areas of material risk to our Company include strategic, operational, financial, regulatory, and legal risks. Our Board of Directors regularly reviews our Company's strategies and attendant risks, and provides advice and guidance with respect to strategies to manage these risks while attaining long- and short-term goals. Operational risks, including supply risks that might cause, and reputational risks that might result from, operational issues, and financial risks, including internal controls and credit risk associated with our customers, as well as overall economic risks, are the purview of our Audit Committee. The Audit Committee's review is accompanied by regular reports from management and assessments from our Company's internal and external auditors. In assessing legal or regulatory risks, our Board of Directors and the Audit Committee are advised by management, legal counsel and experts, as appropriate. The Compensation Committee is responsible for overseeing the management of risks associated with executive and employee compensation plans and retention, to ensure that our Company's compensation programs remain consistent with our stockholders' interests, that such programs do not encourage excessive risk-taking, and that such programs are designed to retain valued executives and employees.

Consideration of Stockholder Recommendations and Nominations of Board Members

The Nominating and Corporate Governance Committee will consider both recommendations and nominations from stockholders for candidates to our Board of Directors. A stockholder who desires to recommend a candidate for election to our Board of Directors shall direct the recommendation in writing to the Company Corporate Secretary, Echelon Corporation, 550 Meridian Avenue, San Jose, California 95126, and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and our Company within the last three years, and evidence of the nominating person's ownership of our stock and amount of stock holdings. For a stockholder recommendation to be considered by the Nominating and Corporate Governance Committee as a potential candidate at an annual meeting, nominations must be received on or before the deadline for receipt of stockholder proposals.

If, instead, a stockholder desires to nominate a person directly for election to our Board of Directors, the stockholder must follow the rules set forth by the SEC (see "Deadline for Receipt of Stockholder Proposals" above) and meet the deadlines and other requirements set forth in our Bylaws, including providing, (1) as to each person, if any, whom the stockholder proposes to nominate for election or re-election as a director: (a) the name, age, business address and residence address of such person, (b) the principal occupation or employment of such person, (c) the class and number of shares of our Company which are beneficially owned by such person, (d) any other information relating to such person that is required by law to be disclosed in solicitations of proxies for election of directors, and (e) such person's written consent to being named as a nominee and to serving as a director if elected; and (2) as to the stockholder giving the notice: (a) the name and address, as they appear on our Company's books, of such stockholder, (b) the class and number of shares of our Company which are beneficially owned by such stockholder, and (c) a description of all arrangements or understandings between such stockholder and each nominee and any other person or persons (naming such person or persons) relating to the nomination.

Identifying and Evaluating Nominees for our Board of Directors

The Nominating and Corporate Governance Committee shall use the following procedures to identify and evaluate the individuals that it selects, or recommends that our Board of Directors select, as director nominees:

The Committee shall review the qualifications of any candidates who have been properly recommended or nominated by stockholders, as well as those candidates who have been identified by management, individual members of our Board of Directors or, if the Committee determines, a search firm. Such review may, in the Committee's discretion, include a review solely of information provided to the Committee or may also include discussions with persons familiar with the candidate, an interview with the candidate or other actions that the Committee deems proper.

The Committee shall evaluate the performance and qualifications of individual members of our Board of Directors eligible for re-election at the annual meeting of stockholders.

The Committee shall consider the suitability of each candidate, including the current members of our Board of Directors, in light of the current size and composition of our Board of Directors. In evaluating the suitability of the candidates, the Committee considers many factors, including, among other things, issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. Diversity is also an important factor for the Committee to consider. The Committee evaluates such factors, among others, and considers each individual candidate in the context of the current perceived needs of our Board of Directors as a whole. Except as may be required by rules promulgated by NASDAQ or the SEC, it is the current sense of the Committee that there are no specific minimum qualifications that must be met by each candidate for our Board of Directors, nor are there specific qualities or skills that are necessary for one or more of the members of our Board of Directors to possess.

After such review and consideration, the Committee selects, or recommends that our Board of Directors select, the slate of director nominees, either at a meeting of the Committee at which a quorum is present or by unanimous written consent of the Committee.

- The Committee will endeavor to notify, or cause to be notified, all director candidates of its decision as to whether to nominate such individual for election to our Board of Directors.

Any stockholder communication marked "confidential" will be logged as "received" but will not be reviewed, opened or otherwise held by our Senior Vice President, General Counsel and Secretary. Such confidential correspondence will be immediately forwarded to the addressee(s) without a memo or any other comment by our Senior Vice President, General Counsel and Secretary.

Meetings and Attendance of our Board of Directors and Committees of our Board of Directors

Attendance of Directors at 2013 Annual Meeting of Stockholders

It is the policy of our Board of Directors to strongly encourage board members to attend the annual meeting of stockholders. Seven of the eight members of our Board of Directors attended in person our annual meeting of stockholders on May 21, 2013.

Attendance at Board and Committee Meetings

Our Board of Directors held five meetings in 2013. Each director is expected to attend each meeting of our Board of Directors and those committees on which he or she serves. During 2013, no current director attended fewer than 85% of the aggregate of (i) the total number of meetings of our Board of Directors and (ii) the total number of meetings held by all committees of our Board of Directors on which such director served. During 2013, certain matters were approved by our Board of Directors or a committee of our Board of Directors by unanimous written consent.

Committees of our Board of Directors

Our Board of Directors currently has a standing Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. Each of the Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee has a written charter that has been approved by our Board of Directors, copies of which can be viewed at the investor relations section of our website at www.echelon.com. Pursuant to our 1997 Stock Plan, our Board of Directors delegated authority to our Chief Executive Officer, Ronald A. Sege, to grant stock options, performance shares, and stock-settled stock appreciation rights (SARs) to employees who are not executive officers of up to a maximum of 25,000 shares per person per year and, generally, up to an aggregate of 250,000 shares per year. The Compensation Committee, Audit Committee, and Nominating and Corporate Governance Committee are described as follows:

Compensation Committee

The members of our Compensation Committee currently are Armas Clifford Markkula, Jr., Richard M. Moley and Betsy Rafael, and the Compensation Committee is chaired by Mr. Moley. - approve and evaluate compensation plans, policies and programs, and make recommendations to the Board;

evaluate the independence of compensation consultants and advisors in accordance with SEC and NASDAQ rules and regulations; and

produce an annual report on executive compensation for inclusion in our proxy statement.

The Compensation Committee oversees the management of risks associated with executive and employee compensation and plans to ensure that our Company's compensation programs remain consistent with our stockholders' interests and that such programs do not encourage excessive risk-taking. The Compensation Committee also approves our Company-wide pay for performance evaluation plan, as well as general metrics for employee base salaries when compared to peer companies and the scope of our annual equity compensation grant to employees.

Audit Committee

In 2013, the Audit Committee consisted of directors Robyn M. Denholm, Robert J. Finocchio, Jr. and Betsy Rafael. Ms. Denholm resigned from our Board of Directors and the Audit Committee on November 5, 2013. On December 12, 2013, Robert R. Maxfield was appointed to the Audit Committee. The current members of the Audit Committee are Robert J. Finocchio, Jr. (Chair), Robert R. Maxfield and Betsy Rafael. Our Board of Directors has determined that directors Finocchio, Maxfield and Rafael are "audit committee financial experts," as that term is defined in Item 401(h) of Regulation S-K of the Securities Act of 1933, as amended, and that all members of our Audit Committee are independent within the meaning of Rule 5605(a)(2) of the listing standards of the Marketplace Rules of NASDAQ. The Audit Committee held four meetings in 2013, and participated in periodic teleconference calls to review the Company's SEC filings. Among other items, the Audit Committee's responsibility and authority is to:

oversee our accounting and financial reporting processes and the internal and external audits of our financial statements;

assist our Board of Directors in the oversight and monitoring of (1) the integrity of our financial statements, (2) our compliance with legal and regulatory requirements, (3) the independent auditor's qualifications, independence and performance, and (4) our internal accounting and financial controls;

report to our Board of Directors the results of its monitoring and recommendations derived therefrom and improvements made, or to be made, in internal accounting controls;

appoint our independent registered public accounting firm;

provide to our Board of Directors such additional information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require the attention of our Board of Directors; and

prepare the report that the rules of the SEC require to be included in our annual proxy statement.

The responsibilities of the Audit Committee include the regular review of the adequacy of our system of internal controls; oversight of the work of our independent registered public accounting firm, including a post-audit review of the financial statements and audit findings, in conjunction with legal counsel; oversight of compliance with SEC requirements regarding audit related matters; review of any legal matters that could significantly impact our financial statements; and oversight and review of our information technology and management information systems policies and risk management policies, including our investment policies.

Nominating and Corporate Governance Committee

In 2013, the Nominating and Corporate Governance Committee consisted of directors Armas Clifford Markkula, Jr., Richard M. Moley and Larry Sonsini. Larry Sonsini resigned from our Board of Directors and the Nominating and Corporate Governance Committee on May 21, 2013. On September 26, 2013, Robert R. Maxfield was appointed to the Nominating and Corporate Governance Committee, and Armas Clifford Markkula, Jr. was appointed Chair. The current members of the Nominating and Corporate Governance Committee are Armas Clifford Markkula, Jr., Robert R. Maxfield and Richard M. Moley. The Nominating and Corporate Governance Committee held two meetings during 2013. Among other items, the Nominating and Corporate Governance Committee's responsibility and authority is:

to determine that our Board of Directors is properly constituted to meet its fiduciary obligations to stockholders;

to assist our Board of Directors by identifying prospective director nominees and to recommend to our Board of Directors the director nominees for the next annual meeting of stockholders;

to develop and recommend to our Board of Directors the governance principles applicable to our Company; and

to prepare the report that the rules of the SEC require to be included in our annual proxy statement.

The responsibilities of the Nominating and Corporate Governance Committee include evaluating the composition, organization and governance of our Board of Directors and its committees, including determining future requirements; overseeing the performance evaluation process of our Board of Directors and Board committees; making recommendations to our Board of Directors concerning the appointment of directors to committees, selecting Board committee chairs and proposing the slate of directors for election; and making recommendations to our Board of Directors regarding compensation for non-employee directors and Board committee members.

Director Independence

Our Board of Directors has affirmatively determined that each of its members, other than Ronald A. Sege, are independent directors under the listing standards of the Marketplace Rules of NASDAQ and applicable SEC rules, and that all of its members, other than Mr. Sege, were independent directors under the listing standards of the Marketplace Rules of NASDAQ in the three prior years.

Our Board of Directors has also determined that all directors serving as members of our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee are independent under the NASDAQ listing standards and the rules of the SEC. Additionally, our Board of Directors has determined that all members of the Compensation Committee meet the non-employee director definition of Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934, as amended, and the outside director definition of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

Director Compensation

In February 2007, our Board of Directors determined that in consideration for service on our Board of Directors, each non-employee director shall receive a cash payment of \$40,000 per fiscal year, to be paid quarterly. In addition, each non-employee director shall receive a cash payment of \$1,000 per Board of Directors meeting. Each member serving on our Compensation and/or Nominating and Corporate Governance Committee shall receive a cash payment of \$1,000 for each meeting attended; and each member of our Audit Committee shall receive a cash payment of \$2,000 per Audit Committee meeting attended in acknowledgment of the greater time commitment and risks. In 2013, our Board of Directors established an ad hoc Strategy Committee, to assist the Company in evaluating strategic opportunities that may arise from time to time. Each member serving on the Strategic Committee shall receive \$5,000 per quarter in which meetings are held. From time to time, our Board of Directors may establish additional ad hoc committees constituted for a specific purpose or purposes. Payments, if any, to directors for serving on these committees are determined by our Board of Directors on a real-time basis. All Board and committee meeting consideration is payable quarterly in arrears of the quarter in which the date of such meeting occurred.

Furthermore, our Board of Directors has adopted a program for automatically granting awards of nonqualified stock options to non-employee directors under our 1997 Stock Plan. Such program provides for the automatic grant of an option to purchase 25,000 shares of common stock on the date on which such person first becomes a non-employee director. Additionally, each non-employee director shall automatically be granted a 10,000 share option on the date of each annual meeting of stockholders, provided he or she is re-elected to our Board of Directors or otherwise remains on our Board of Directors on such date; and provided that on such date he or she shall have served on our Board of Directors for at least the preceding six months. All options granted under this program are fully vested at grant. On May 21, 2013, the date of our 2013 annual meeting of stockholders, directors Denholm, Finocchio, Markkula, Maxfield, Moley and Rafael were each granted a fully vested option to purchase 10,000 shares at a per share exercise price of \$2.54, the closing price of our common stock on that date.

Board Recommendation

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE PROPOSED CLASS A DIRECTOR.

PROPOSAL TWO

REAPPROVAL OF THE MANAGEMENT BONUS PLAN

Our Board of Directors has previously adopted, and the stockholders have previously approved, the Management Bonus Plan (the “Bonus Plan”). The stockholders are being asked to approve the Bonus Plan again, so that our Company may use the Bonus Plan to achieve its goals and continue to receive a tax deduction for certain compensation paid under the Bonus Plan. The Bonus Plan is subject to the reapproval of a majority of the shares of our common stock that are present in person or by proxy at the Annual Meeting. If our stockholders do not reapprove the Bonus Plan, the Bonus Plan will terminate and no bonuses will be awarded under the Bonus Plan for performance periods that begin on or after the date of the Annual Meeting. However, any awards earned under the Bonus Plan for a performance period that commenced prior to the date of the Annual Meeting will be paid pursuant to the terms of the Bonus Plan as they existed prior to the Annual Meeting.

The following paragraphs provide a summary of the principal features of the Bonus Plan and its operation. The Bonus Plan is set forth in its entirety as Appendix A to this Proxy Statement. The following summary is qualified in its entirety by reference to Appendix A.

Purpose

The purpose of the Bonus Plan is to motivate key members of management to perform to the best of their abilities and to achieve our objectives. The Bonus Plan accomplishes this by paying awards under the Bonus Plan only after the achievement of very specific goals.

The Bonus Plan also is designed to qualify as “performance-based” compensation under section 162(m) of the Code. Under section 162(m), our Company may not receive a federal income tax deduction for compensation paid to our Chief Executive Officer and certain other highly compensated executive officers to the extent that any of these persons receives more than \$1 million in any one year. However, if we pay compensation that is “performance-based” under section 162(m), our Company still can receive a federal income tax deduction for the compensation even if it is more than \$1 million during a single year. The Bonus Plan allows us to pay incentive compensation that is performance-based and therefore fully tax deductible on our federal income tax return.
