Forward-Looking Statements

This communication contains forward-looking statements, including the statements regarding Forest City’s expected REIT Conversion. These forward-looking statements are based on assumptions and expectations that may not be realized and are inherently subject to numerous risks and uncertainties, which could cause actual results to differ materially from these statements. These risks and uncertainties include, among others, the inability to complete the REIT Conversion in a timely manner, the inability to complete the REIT Conversion due to the failure of either or both classes of Forest City’s shareholders to adopt one or more of the holding company merger proposal, the proposal to amend Forest City’s articles, and the proposals regarding Forest City REIT’s organizational documents, in each case as described in the proxy statement/prospectus that will be delivered to Forest City’s shareholders prior to the special meeting, the failure to satisfy other conditions to completion of the REIT Conversion, including receipt of required third-party consents, the failure of the REIT Conversion to close for any other reason, the effect of the announcements regarding the REIT Conversion on the market price of Forest City’s common stock, the possibility that the anticipated benefits of the REIT Conversion will not be realized, or will not be realized within the expected time period, the inability to meet expectations regarding the accounting and tax treatments of the REIT Conversion, the possibility that the REIT Conversion may be more expensive to complete than anticipated, including as a result of unexpected factors or events, diversion of management’s attention from ongoing business operations and opportunities, the impact on us of complying with requirements to qualify as a real estate investment trust under the Internal Revenue Code (the “Code”), the impact of issuing equity, debt or both to satisfy the Code requirement to distribute pre-real estate investment trust earnings and profits and other costs incident to effectuating our plan to so qualify, the impact of the amount and timing of any future distributions by Forest City and/or Forest City REIT, the impact of covenants that could prevent us from satisfying the distribution requirements under the Code that must be met in order for us to so qualify, our lack of experience operating as an entity that so qualifies, legislative, administrative, regulatory or other actions affecting real estate investment trusts, including positions taken by the Internal Revenue Service, our ability to achieve our strategic goals, changes in the market price of Forest City REIT’s common stock following the REIT Conversion, our ability to complete non-core asset dispositions, the impact to our deferred tax liability balance if we qualify as a real estate investment trust under the Code, the state of the economy and financial markets generally and the effect of our industry, and the market for our common stock. For additional information regarding factors that may cause actual results to differ materially from those indicated in our forward-looking statements, we refer you to the risk factors included in Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2014, as amended, as updated by annual, quarterly and other reports and documents that we file with the SEC.
