The Revolving Loan bears interest at the greater of (x) the Bank’s prime rate or (y) the one-month LIBOR rate plus 2.50% per annum (the “CB Rate”), with interest due and payable on a monthly basis and the outstanding principal balance plus all accrued but unpaid interest due and payable on June 30, 2013. All outstanding obligations of MtronPTI under the Loan Agreement are collateralized by a first priority security interest in all of the assets of MtronPTI, excluding real property. Additionally, in connection with the Loan Agreement, Piezo entered into a separate agreement with the Bank providing that Piezo would not mortgage or otherwise encumber certain real property it owns in Florida while the credit facilities under the Loan Agreement are outstanding.
