**PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
SEPTEMBER 10, 2003**

SOLICITATION AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished to the shareholders of Mentor Corporation (the "Company") in connection with the solicitation by the Company's Board of Directors of the enclosed proxy for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held Wednesday, September 10, 2003, at 10:00 a.m. (local time) at the Minneapolis Hilton and Towers, 1001 Marquette Avenue, Minneapolis, Minnesota, or at any adjournments or postponements thereof for the purposes set forth in the Notice of Annual Meeting of Shareholders. All Common Stock represented by proxies in the form solicited will be voted in accordance with the instructions indicated therein, but proxies may be revoked at any time before being exercised by delivery to the Secretary of the Company of a written notice of revocation of the proxy's authority or a duly executed proxy bearing a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person. A shareholder who attends the Annual Meeting need not revoke his or her proxy and vote in person, unless he or she wishes to do so.

The Company will pay expenses in connection with the solicitation of proxies. Proxies are being solicited primarily by mail, but, in addition, directors, officers and regular employees of the Company may solicit proxies personally, by telephone or by special letter. The Company has no present plans to hire special employees or paid solicitors to assist in obtaining proxies, but reserves the option of doing so if it should appear that a quorum otherwise might not be obtained.

So far as the management of the Company is aware, no matters other than those described in this Proxy Statement will be acted upon at the meeting. In the event that any other matters calling for a vote of shareholders properly come before the Annual Meeting, the persons named as proxies in the enclosed form of proxy will vote in accordance with their judgment on such other matters.

The Annual Report of the Company for the fiscal year ended March 31, 2003 is being furnished to each shareholder with this Proxy Statement.

The principal executive offices of the Company are located at 201 Mentor Drive, Santa Barbara, California 93111. The approximate mailing date of this Proxy Statement and the accompanying form of proxy is July 30, 2003.

RECORD DATE, QUORUM AND VOTING OF SECURITIES

The Common Stock of the Company, par value \$.10 per share, is the only authorized voting security of the Company. Only the holders of the Company's Common Stock whose names appear of record on the Company's books on July 14, 2003 will be entitled to notice of, and to vote at, the Annual Meeting. At the close of business on July 14, 2003, a total of 46,669,610 shares of Common Stock were outstanding, each entitled to one vote. Holders of Common Stock do not have cumulative voting rights. The presence, in person or by proxy, of holders of a majority of the outstanding shares of Common Stock will constitute a quorum for the transaction of business at the Annual Meeting. Proposals 1, 2 and 3 each require the approval of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting. Abstentions are not counted as "for" or "against" votes, but are counted in the total number of votes present and entitled to vote for passage of a proposal. This has the effect of abstentions being treated as "no" votes. Broker non-votes are considered shares present for quorum purposes, but they are not considered shares entitled to vote, are not counted in the total number of votes, and have no effect on the outcome of voting.

STOCK SPLIT

On December 31, 2002, the Board of Directors implemented a two-for-one stock split in the form of a 100% stock dividend. All references in this Proxy Statement to number of shares, per share amounts and market prices of the Company's common stock have been appropriately adjusted to reflect the effect of the two-for-one stock split.

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS

Edgar Filing: MENTOR CORP /MN/ - Form DEF 14A

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the Company's 2004 Annual Meeting must be received no later than March 31, 2004, in order to be included in the proxy statement and form of proxy relating to that meeting. However, if the date of the 2004 Annual Meeting is changed by more than 30 days from the date of this year's Annual Meeting (September 10th), then the deadline for submission of shareholder proposals would be reasonable time before the Company begins to print and mail its proxy materials.

Pursuant to the proxy rules under the Securities Exchange Act of 1934, the Company's shareholders are notified that the deadline for providing the Company with timely notice of any shareholder proposal to be submitted outside the Rule 14a-8 process for consideration at the 2004 Annual Meeting will be June 15, 2004. As to matters which the Company does not have notice on or prior to that date, discretionary authority to vote on such proposals shall be granted to the persons designated in the Company's proxy related to the 2004 Annual Meeting.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the Board.

The Committee has discretion in deciding which individuals to nominate as directors. The Committee met once during the fiscal year ended March 31, 2003. The Committee has nominated the individuals named in this Proposal 1 for election to the Board of Directors at this Annual Meeting.

Compensation of Directors

Board members who are employees of the Company do not receive compensation for their services as directors. These options have a term of ten years and become exercisable in four equal annual installments over the optionee's period of Board service, beginning one year after the grant date. Additional grants of options to non-employee directors may be made in accordance with the provisions of such plan. If Mr. Ubben is elected to the Board, the stock option committee may grant him options to purchase shares of Common Stock.

Report of the Audit Committee

The Securities and Exchange Commission rules require the Company to include in its Proxy Statement a report from the Audit Committee of the Board. The following report concerns the Audit Committee's activities regarding oversight of the Company's financial reporting and auditing process.

The Audit Committee is comprised solely of independent directors, as defined in the Marketplace Rules of The Nasdaq Stock Market, and it operates under a written charter adopted by the Board of Directors. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee role is to act on behalf of the Board of Directors in the oversight of all aspects of the Company's financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in the Annual Report for fiscal year 2003 with management.

The Audit Committee also reviewed and discussed with Ernst & Young LLP, the Company's independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, the matters required to be discussed with the Audit Committee under generally accepted auditing standards (including Statement on Auditing Standards No. 61 as amended "Communications with Audit Committees"). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and the letter required by the Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," which were received by the Audit Committee. The Audit Committee has adopted procedures providing for its prior review and consideration of the effect of non-audit services on

Edgar Filing: MENTOR CORP /MN/ - Form DEF 14A

the independence of its independent auditor and the approval of the types of, and estimated fees for, professional services which are expected to be performed by Ernst & Young LLP during the forthcoming fiscal year.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee met with the independent auditors, with and without management, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended March 31, 2003 for filing with the Securities and Exchange Commission.

Audit Committee:

Walter W. FASTER
Michael Nakonechny
Ronald J. Rossi
Dr. Richard W. Young

Required Vote

Shareholder approval of Proposal 1 requires the affirmative vote of the holders of a majority of the voting power of the outstanding shares of Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting.

The Board of Directors recommends that the shareholders vote FOR fixing the number of directors at seven (7) and the election of the nominees named above to serve as directors of the Company until the next annual meeting following the 2003 Annual Meeting or until their respective successors have been elected and qualified.

PROPOSAL 2: APPROVAL OF AMENDMENT TO BYLAWS

APPROVAL OF AMENDMENTS TO BYLAWS

In July 2003 the Board reviewed the Company's Bylaws in connection with various changes in Minnesota law. Acting pursuant to the power set forth in the Bylaws, the Board amended and restated the Bylaws on July 18, 2003. The Bylaws, as amended and restated by the Board and currently in effect, are set forth in their entirety in Appendix B hereto.

Although the Board may amend most provisions in the Bylaws without obtaining shareholder approval, the Board does not have the authority to amend certain sections in the current Bylaws that give the shareholders the authority to fix the number of directors on the Board. The Board believes that it is in the Company's best interest to allow the Board to fix the number of directors as the Board is in a better position to determine from time to time the appropriate number of directors for the Board and can fix the number of directors without incurring the delay and expense of a shareholders meeting. Upon approval by the shareholders, the following amended and restated Sections 1.02 and 2.01 of the Bylaws will in effect allow the Board, rather than the shareholders, to fix the number of directors:

"Section 1.02 Annual Meeting. The Board of Directors shall fix the date for the Annual Meeting of Shareholders which is to be held in each calendar year. At the Annual Meeting, the shareholders shall elect directors and shall transact such other business as may properly come before them; provided, however, that no business with respect to which special notice is required by law shall be transacted unless such notice shall have been given."

"Section 2.01 Number Qualification and Term of Office. The number of directors shall be established by resolution of the Board of Directors but shall not be less than the lesser of (i) the number of shareholders of record and (ii) three. In the absence of such resolution, the number of directors shall be the number last fixed by Board of Directors. Each of the directors shall hold office until the Annual Meeting of Shareholders next held after his or her election and until he or she shall resign, or shall have been removed as hereinafter provided. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires."

Required Vote:

Shareholder approval of Proposal 2 requires the affirmative vote of the holders of a majority of the voting power of the outstanding shares of Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting.

The Board of Directors recommends that the shareholders vote FOR approval of the amendments to the Bylaws.

PROPOSAL 3: RATIFICATION OF INDEPENDENT AUDITORS

Pursuant to authority delegated to the Audit Committee by the Board of Directors, the Audit Committee has appointed the firm of Ernst & Young LLP to act as principal independent auditors for the Company for the fiscal year ending March 31, 2004. This appointment is being submitted to the Company's shareholders for ratification. This firm has audited the financial statements of the Company for the fiscal year ended March 31, 2003, and for prior years, and has advised the Company that neither the firm nor any of its partners has any direct or indirect material financial interests in the Company or its subsidiaries, nor have they had any connection during the past three years with the Company or its subsidiaries in any capacity other than that of independent accountants and auditors. A representative of Ernst & Young LLP will be present at the 2003 Annual Meeting and will have an opportunity to make a statement if he or she desires to do so. It is anticipated that such representative will be available to respond to appropriate questions from shareholders.

In the event the shareholders do not ratify the appointment of Ernst & Young LLP, the selection of other independent auditors will be considered by the Board of Directors.

Fees Paid to Ernst & Young LLP

Audit Fees. During the fiscal year ended March 31, 2003, the aggregate fees billed by Ernst & Young LLP for the audit of the Company's financial statements for such fiscal year and for the review of the Company's interim financial statements were \$377,384.

All Other Fees. There were no other fees billed by Ernst & Young LLP during the fiscal year ended March 31, 2003.

Required Vote

Shareholder approval of Proposal 3 requires the affirmative vote of the holders of a majority of the voting power of the outstanding shares of Common Stock present, or in person or by proxy, and entitled to vote at the Annual Meeting.

The Board of Directors recommends that shareholders vote FOR ratification of the appointment of Ernst & Young LLP to serve as the Company's independent auditors for the fiscal year ending March 31, 2004.

- (1) All options were granted under the Amended 2000 Long-Term Incentive Plan. Each option will become exercisable for the option shares in four equal and successive annual installments over the optionee's period of service with the Company, beginning one year after the grant date. Each option has a maximum term of ten years, subject to earlier termination immediately prior to a change in control (as defined in the Amended 2000 Long-Term Incentive Plan); alternatively, the administrator of the Amended 2000 Long-Term Incentive Plan may provide for replacement of outstanding options with options to purchase shares of the surviving corporation, or for a cash payment in exchange for the cancellation of outstanding options.
- (2) The exercise price of each option is equal to the fair market value of the Common Stock on the date of grant. The exercise price may be paid in cash, in Common Stock, or pursuant to a cashless exercise procedure under which the optionee provides irrevocable instructions to a brokerage firm to sell the purchased shares and to remit to the Company, out of the sale proceeds, an amount equal to the exercise price plus all applicable withholding taxes.
- (3) Potential realizable value is based on an assumption that the market price of the stock appreciates at the stated rate, compounded annually, from the date of grant until the end of the ten-year option term. These values are calculated based on regulations promulgated by the Securities and Exchange Commission and do not reflect the Company's estimate of future stock price appreciation. There is no assurance that the actual stock price appreciation over the ten-year option term will be at the assumed 5% or 10% levels, or at any other defined level.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's Compensation Committee (the "Committee") is composed entirely of independent, outside members of the Company's Board of Directors. The Committee reviews and approves each of the elements of the executive compensation program and assesses the effectiveness and competitiveness of the overall program.

Mentor's executive compensation program is designed to accomplish several goals, including:

- To attract, retain, and motivate employees of outstanding ability
- To link changes in employee compensation to individual and corporate performance
- To align the interests of management with the interests of the Company's shareholders
- To facilitate the development of a progressive high performance culture
- To strengthen the relationship between pay and performance
- To provide levels of compensation that is competitive with those provided in the markets in which the Company competes for executives.

Key Provisions of the Executive Compensation Program

The Company's executive compensation plan consists of four components: base salary, quarterly incentive bonus, annual incentive bonus, and long-term incentive in the form of stock options. The Company has established a link between pay and performance by emphasizing variable components of the plan, that is, quarterly and annual incentive bonuses and stock options.

Base Salary. The Committee determines base salaries for executive officers on the basis of a number of factors, including an assessment of competitive compensation levels for U.S.-based publicly traded medical equipment and supply companies utilizing data provided by an independent consulting firm, the Company's financial condition, any changes in job responsibilities, and the performance of each executive. Executive officer base salaries generally are set to be within a competitive range of comparable compensation data. Base salaries below the competitive range are adjusted to be within the competitive range. Base salaries within the competitive range are increased annually by an equal percentage to adjust for inflation and other external factors. The percentage increase in fiscal 2003 was 3%.

Quarterly Incentive Bonus. Executive officers are eligible to receive a quarterly incentive bonus equivalent to one-half of one percent (0.5%) of their salaries under a broad program which includes most U.S. employees. The bonus is earned if the Company achieves its planned operating earnings threshold for each quarter. In fiscal 2003, the Company reached its stated threshold in three of the four quarters.

Annual Incentive Bonus. Executive officers are eligible to receive annual incentive compensation equivalent to a specified percentage of their salaries under the Company's bonus plan. The Company establishes bonus pay-out targets (ranging from 40% to 60% of base salary plus the potential for a 20% additional bonus for outstanding results of the Company, plus a 10% additional bonus for outstanding individual performances, which increases the range to 40% to 79%) that are designed to bring the level of total annual cash compensation (base salary plus annual incentive bonus) within the range for comparable positions at similar U.S.-based medical equipment and supply companies when superior performance is achieved. Performance is measured at the corporate, functional unit and individual level. The total potential bonus for each executive is broken down into several factors as appropriate for that executive's area of responsibility. Each factor is then weighted with emphasis placed on profitability measures or other appropriate measures. These factors, and the relative weight given to each factor, vary with each executive officer at the Committee's sole discretion. For each factor, the Committee defines and establishes quantifiable and qualitative measures. No bonus is paid for performance below acceptable levels.

Long-term Incentive (Stock Options). Generally, the Company awards stock options to executive officers on an annual basis. Each grant is designed to align the interests of the executive officer with those of the shareholders and provide each individual with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the business. Awards to specific employees, including the Chief Executive Officer, are made on the basis of each employee's job responsibilities and recommendations of the executive officers of the Company concerning the individual's contributions (both historical and potential) to the success of the Company, without regard to prior awards of stock option grants. These recommendations also take into consideration competitive practice for stock option grants as determined by an independent

compensation consultant using survey information. The survey information encompasses data on both competitive grant levels for individual executives and total options granted as a percentage of shares outstanding.

Employment Contracts and Severance Arrangements

Mr. Conway does not currently have an employment agreement with the Company. Mr. Conway's base salary, annual incentive bonus and stock option grants are set by the Compensation Committee and Stock Option Committee of the Board of Directors using the same policies and criteria used for other executives. In setting Mr. Conway's salary for fiscal 2003, the Compensation Committee considered competitive information for U.S.-based publicly traded medical equipment and supply companies utilizing data provided by an independent compensation consultant, the Company's financial performance and other factors. Mr. Conway is currently paid at the targeted competitive position base salary, which has been set by the Compensation Committee to be within the range of comparable competitive compensation data. Mr. Conway's base salary was increased by approximately 3% on April 1, 2002 from \$401,700 to \$414,000, and by approximately 3% on April 1, 2003 to \$426,000.

Mr. Conway's annual incentive bonus for fiscal 2003 was based upon the achievement of an "outstanding" corporate level performance as measured by operating income goals. The incentive bonus was equal to 72% of his base salary on March 31, 2003, or \$298,079. In addition, he received a bonus equal to 1.5% of his base salary under the quarterly incentive bonus program or \$6,210.

On May 22, 2002, Mr. Conway was granted a stock option to purchase 70,000 shares of Common Stock of the Company. The exercise price of the option was equal to the fair market value of the shares of Common Stock of the Company at fair market value on the grant date. Subject to the terms applicable to his grant and the terms of the option plan, the stock option may be exercised over a four-year vesting schedule and expires ten years from the grant date.

The Company entered into an employment agreement with Mr. Michael in April 2003. Mr. Michael's agreement provided that he would receive in fiscal 2002: (i) a base salary of \$265,000, (ii) an incentive bonus of up to 40% of base salary, and (iii) a one-time grant of options to purchase 50,000 shares. Beginning in fiscal 2003, Mr. Michael's base salary, potential bonus and stock option grants, if any, are determined annually by the Compensation Committee and Stock Option Committee. Mr. Michael's employment agreement also provides that upon termination of Mr. Michael's employment by the Company, without cause (as defined therein), Mr. Michael will be entitled to severance compensation equal to 12 months of base salary plus one month of base salary for each complete year of service with the Company.

The Company entered into an employment agreement with each of Mr. Glover and Mr. Purkait on November 28, 2000. These agreements provided for (i) an initial base salary of \$250,000, (ii) an incentive bonus of up to 40% of base salary, (iii) a one-time grant of options to purchase 50,000 shares to Mr. Glover, (iv) in the case of termination without cause, severance compensation equal to three months salary plus one additional month for each full year of service, and (v) in the case of a change in control of the Company (as defined in the applicable agreement), pro-rata bonus for the year plus severance pay equal to 12 months salary and one additional month for each full year of service. Beginning in fiscal 2002 and thereafter, Mr. Glover's and Mr. Purkait's base salary, potential bonus and stock option grants, if any, are determined by the Compensation Committee.

The Company entered into a new employment agreement with Mr. Levine on August 30, 2002 replacing his previous agreement. Mr. Levine's agreement provides that he is to receive (i) an initial base salary of \$207,000, (ii) an annual incentive bonus of up to 40% of base salary, (iii) grants of options to purchase shares of common stock in amounts consistent with Company's executive compensation program, and (iv) in the case of termination without cause, severance compensation equal to three months salary plus one additional month for each full year of service.

In addition, Mr. Michael, Mr. Glover, Mr. Purkait and Mr. Levine participated in the quarterly incentive bonus program. Each received one half of one percent of base salary for each of the three quarters in which the Company exceeded operating income thresholds for a total of 1.5% of their base salaries.

Policy with Respect to Section 162(m) of the Internal Revenue Code. Subject to certain exceptions, Section 162(m) of the Code disallows a federal income tax deduction for compensation over \$1 million paid to certain executive officers in a taxable year. One exception applies to compensation paid pursuant to shareholder-approved plans that are performance-based. At the 2001 Annual Meeting, the Company obtained shareholder approval for the Company's Amended 2000 Long-Term Incentive Plan which was designed to assure that any compensation deemed paid in connection with the exercise of stock options granted under that plan will qualify as performance-based compensation. As a result, the Company believes that stock options granted to its executives qualify for the performance-based exception to the deduction limit. However, there can be no assurance that the options will so qualify.

The cash compensation paid to the Company's executive officers for the 2003 fiscal year did not exceed the \$1 million limit per officer, nor is the cash compensation to be paid to the Company's executive officers for the 2004 fiscal year expected to reach that level. Because it is unlikely that the cash compensation payable to any of the Company's executive officers in the foreseeable future will approach the \$1 million limitation, the Compensation Committee has decided not to take action at this time to limit or restructure the elements of cash compensation payable to the Company's executive officers. The Compensation Committee intends to continue to comply with Section 162(m) in the future to the extent consistent with the best interests of the Company.

Such a notice shall contain the date, time, and place of the shareholder meeting, shall state that a purpose of such meeting is to consider the proposed plan of merger or exchange, and shall include a copy or a short description of the plan of merger or exchange.

Notice of all meetings shall be given to each eligible shareholder either by oral communication, by mailing a copy of the notice to an address designated by the shareholder or to the last known address of the shareholder, by handing a copy to the shareholder, or by any other delivery that conforms to law, including, without limitation, electronic communication if consent is given by a shareholder. Notice shall be deemed received when it is given. Notice by mail shall be deemed given when deposited in the United States mail with sufficient postage affixed. Notice by electronic communication shall be deemed given (1) if by facsimile communication, when directed to a telephone at which the shareholder has consented to receive notice; (2) if by electronic mail, when directed to an electronic mail address at which the shareholder has consented to give notice; (3) if by a posting on an electronic network on which the shareholder has consented to receive notice, together with separate notice to the shareholder of specific posting, upon the later of: (i) the posting; and (ii) the giving of separate notice; and (4) if by any other form of electronic

communication by which the shareholder has consented to receive notice, when directed to the shareholder. Consent by a shareholder to notice given by electronic communication may be given in writing or by authenticated electronic communication. The Corporation is entitled to rely on any consent so given until revoked by the shareholder, provided that no revocation affects the validity of any notice given before receipt by the Corporation of revocation of the consent.

Section 1.06 Waiver of Notice. A shareholder may waive notice of the date, time, place and purpose or purposes of a meeting of shareholders. A waiver of notice by a shareholder entitled to notice is effective whether given before, at or after the meeting, and whether given in writing, orally or by attendance. Attendance by a shareholder at a meeting is a waiver of notice of that meeting, unless the shareholder objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened, or objects before a vote on an item of business because the item may not lawfully be considered at that meeting and does not participate in the consideration of the item at that meeting.

Section 1.07 Quorum; Adjourned Meetings. The holders of a majority of the shares outstanding and entitled to vote shall constitute a quorum for the transaction of business at any annual or special meeting. In case a quorum shall not be present at a meeting, those present shall adjourn to such day as they shall by majority vote agree upon, and a notice of such adjournment shall be mailed to each shareholder entitled to vote at least five days before such adjourned meeting. If a quorum is present, a meeting may be adjourned from time to time without notice other than announcement at the meeting. At adjourned meetings at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally noticed. If a quorum is present, the shareholders may continue to transact business until adjournment notwithstanding the withdrawal of enough shareholders to leave less than a quorum.

Section 1.08 Voting. Subdivision 1. A shareholder shall have one vote for each share held which is entitled to vote. Except as otherwise required by law, a holder of shares entitled to vote may vote any portion of the shares in any way the shareholder chooses. If a shareholder votes without designating the proportion or number of shares voted in a particular way, the shareholder is deemed to have voted all of the shares in that way.

Subdivision 2. The Board may fix a date not more than 60 days before the date of a meeting of shareholders as the date for the determination of the holders of shares entitled to notice of and entitled to vote at the meeting. When a date is so fixed, only shareholders on that date are entitled to notice of and permitted to vote at that meeting of shareholders.

Subdivision 3. The shareholders shall take action by the affirmative vote of the holders of a majority of the voting power of the shares present and entitled to vote, except when a different vote is required by law or the Articles of Incorporation.

Section 1.09 Proxies. A shareholder may cast or authorize the casting of a vote by filing a written appointment of a proxy with an officer of the corporation at or before the meeting at which the appointment is to be effective.

Section 1.10 Action Without a Meeting. Any action required or permitted to be taken at a meeting of the shareholders of the Corporation may be taken without a meeting by written action signed, or consented to by authenticated electronic communication, by all of the shareholders entitled to vote on that action. The written action is effective when it has been signed, or consented to by authenticated electronic communication, by all of those shareholders, unless a different effective time is provided in the written action.

Section 1.11 Remote Communications for Shareholder Meetings. The Board of Directors is authorized to hold regular or special meetings of the shareholders solely by means of remote communication through which the shareholders may participate in the meeting, if notice of the meeting is given to every holder of shares entitled to vote, and if the number of shares held by the shareholders participating in the meeting would be sufficient to constitute a quorum at the meeting. Furthermore, the Board of Directors is authorized to determine that a shareholder not physically present in person or by proxy at a regular or special meeting of shareholders may, by means of remote communication, participate in a meeting of shareholders held at a designated place. In any meeting of shareholders held solely by means of remote communication or in any meeting of shareholders held at a designated place in which one or more shareholders participate by means of remote communication the Corporation must implement reasonable measures to verify that each person deemed present and entitled to vote at the meeting by means of remote communication is a shareholder; and the Corporation must implement reasonable measures to provide each shareholder participating by means of remote communication with a reasonable opportunity to participate in the meeting, including an opportunity to: (i) read or hear the proceedings of the meeting substantially concurrently with those proceedings; (ii) if allowed by the procedures governing the meeting, have the shareholder's remarks heard or read by other participants in the meeting substantially concurrently with the making of those remarks; and (iii) if otherwise entitled, vote on matters submitted to the shareholders.

DIRECTORS

Section 2.01 Number, Qualifications and Term of Office. Until the first meeting of shareholders, the number of directors shall be the number named in the Articles of Incorporation. Thereafter, the number of directors shall be established by resolution of the shareholders but shall not be less than the lesser of (i) the number of shareholders of record and beneficially or (ii) three. In the absence of such resolution, the number of directors shall be the number last fixed by the shareholders or the Articles of Incorporation. Directors need not be shareholders. Each of the

directors shall hold office until the annual meeting of shareholders next held after his or her election and until he or she shall resign, or shall have been removed as hereinafter provided.

Section 2.02 Vacancies. If there be a vacancy among the directors of this Corporation by reason of death, resignation, increase in the number of directors required by Section 2.01 or otherwise, such vacancy shall be filled for the unexpired term by a majority of the remaining directors of the Board, and each person so elected shall be a director until his successor is elected by the shareholders, who may make such election at their next annual meeting or at any meeting duly called for that purpose.

Section 2.03 Removal. The entire Board of Directors or any individual director may be removed from office, with or without cause, by a vote of the shareholders holding a majority of the shares entitled to vote at an election of directors, except as otherwise provided by law where the shareholders have the right to cumulate their votes. In the event that the entire Board or any one or more directors be so removed, new directors shall be elected at the same meeting.

Section 2.04 Place of Meetings; Meetings by Remote Communication. Each meeting of the Board of Directors shall be held at the principal executive office of the Corporation or at such other place as may be designated from time to time by a majority of the members of the Board. The Board of Directors may determine that a meeting of the Board of Directors shall be held solely by one or more means of remote communication through which all of the directors may participate with each other during the meeting. Furthermore, a director may participate in a board meeting by means of conference telephone or, if authorized by the Board, by such other means of remote communication, in each case through which the director, other directors so participating, and all directors physically present at the meeting may participate with each other during the meeting. Participation in a meeting by that means constitutes presence at the meeting.

Section 2.05 Regular Meetings. Regular meetings of the Board of Directors for the election of officers and the transaction of any other business shall be held without notice at the place of and immediately after each regular meeting of the shareholders.

Section 2.06 Special Meetings. A special meeting of the Board of Directors may be called for any purpose or purposes at any time by any member of the Board by giving not less than 24 hours' notice to all directors of the date, time and place of the meeting, provided that when notice is mailed, at least four days' notice shall be given. The notice need not state the purpose of the meeting.

Section 2.07 Waiver of Notice: Previously Scheduled Meetings. Subdivision 1. A director of the Corporation may waive notice of the date, time and place of a meeting of the Board. A waiver of notice by a director entitled to notice is effective whether given before, at or after the meeting, and whether given in writing, orally or by attendance. Attendance by a director at a meeting is a waiver of notice of that meeting, unless the director objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened and thereafter does not participate in the meeting.

Subdivision 2. If the day or date, time and place of a Board meeting have been provided herein or announced at a previous meeting of the Board, no notice is required. Notice of an adjourned meeting need not be given other than by announcement at the meeting at which adjournment is taken of the date, time and place at which the meeting will be reconvened.

Section 2.08 Quorum; Acts of Board. The presence of a majority of the directors currently holding office shall be necessary to constitute a quorum for the transaction of business. In the absence of a quorum, a majority of the directors present may adjourn a meeting from time to time without further notice until a quorum is present. If a quorum is present when a duly held meeting is convened, the directors present may continue to transact business until adjournment, even though the withdrawal of a number of the directors originally present leaves less than the proportion or number otherwise required for a quorum. Except as otherwise required by law or specified in the Articles of Incorporation of the Corporation, the Board shall take action by the affirmative vote of a majority of the directors present at a duly held meeting.

Section 2.09 Absent Directors. A director of the Corporation may give advance written consent or opposition to a proposal to be acted on at a Board meeting. If the director is not present at the meeting, consent or opposition to a proposal does not constitute presence for purposes of determining the existence of a quorum, but consent or opposition shall be counted as a vote in favor of or against the proposal and shall be entered in the minutes or other record of action at the meeting, if the proposal acted on at the meeting is substantially the same or has substantially the same effect as the proposal to which the director has consented or objected.

Section 2.10 Action Without a Meeting. An action required or permitted to be taken at a board meeting may be taken without a meeting by written action signed, or consented to by authenticated electronic communication, by all of the directors. Any action, other than an action requiring shareholder approval, if the Articles of Incorporation so provide, may be taken by written action signed, or consented to by authenticated electronic communication, by the number of directors that would be required to take the same action at a meeting of the Board at which all directors were present. The written action is effective when signed, or consented to by authenticated electronic communication, by the required number of directors, unless a different effective time is provided in the written action. When written action is permitted to be taken by less than all directors, all directors shall be notified immediately of its text and effective date.

Section 2.11 Committees. Subdivision 1. A resolution approved by the affirmative vote of a majority of the Board may establish committees having the authority of the Board in the management of the business of the Corporation only to the extent provided in the resolution. Committees shall be subject at all times to the direction and control of the Board, except special litigation committees and committees formed pursuant to Minnesota Statutes Section 302A.673, subdivision 1(d).

Subdivision 2. A committee shall consist of one or more natural persons, who need not be directors, appointed by affirmative vote of a majority of the directors present at a duly held Board meeting.

Subdivision 3. Section 2.04 and Sections 2.06 to 2.10 hereof shall apply to committees and members of committees to the same extent as those sections apply to the Board and directors.

Subdivision 4. Minutes, if any, of committee meetings shall be made available upon request to members of the committee and to any director.

Section 2.12 Committee of Disinterested Persons. Pursuant to the procedure set forth in Section 2.11, the Board may establish a committee composed of two or more disinterested directors or other disinterested persons to determine whether it is in the best interests of the Corporation to pursue a particular legal right or remedy of the Corporation and whether to cause the dismissal or discontinuance of a particular proceeding that seeks to assert a right or remedy on behalf of the Corporation. The committee, once established, is not subject to the direction or control of, or termination by, the Board. A vacancy on the committee may be filled by a majority vote of the remaining committee members. The good faith determinations of the committee are binding upon the Corporation and its directors, officers and shareholders. The committee terminates when it issues a written report of its determinations to the Board.

Section 2.14 Compensation. The Board may fix the compensation, if any, of directors.

OFFICERS

Section 3.01 Number and Designation. The Corporation shall have one or more natural persons exercising the functions of the offices of Chief Executive Officer and Chief Financial Officer. The Board of Directors may elect or appoint such other officers or agents as it deems necessary for the operation and management of the Corporation, with such powers, rights, duties and responsibilities as may be determined by the Board, including, without limitation, a President, one or more Vice Presidents, a Secretary and a Treasurer, each of whom shall have the powers, rights, duties and responsibilities set forth in these Bylaws unless otherwise determined by the Board. Section 3.04 President. Unless otherwise determined by the Board, the President shall be the Chief Executive Officer of the Corporation. If an officer other than the President is designated Chief Executive Officer, the President shall perform such duties as may from time to time be assigned by the Board of Directors.

Section 3.05 Vice Presidents. Any one or more Vice Presidents, if any, may be designated by the Board of Directors as Executive Vice Presidents or Senior Vice Presidents. The determination of who is the highest ranking of two or more persons holding the same office shall, in the absence of specific designation of order of rank by the Board of Directors, be made on the basis of the earliest date of appointment or election, or, in the event of simultaneous appointment or election, on the basis of the longest continuous employment by the Corporation.

Section 3.06 Secretary. The Secretary, unless otherwise determined by the Board, shall attend all meetings of the shareholders and all meetings of the Board of Directors, shall record or cause to be recorded all proceedings thereof in a book to be kept for that purpose, and may certify such proceedings. Except as otherwise required or permitted by law or by these Bylaws, the Secretary shall give or cause to be given notice of all meetings of the shareholders and all meetings of the Board of Directors.

Section 3.07 Treasurer. Unless otherwise determined by the Board, the Treasurer shall be the Chief Financial Officer of the Corporation. If an officer other than the Treasurer is designated Chief Financial Officer, the Treasurer shall perform such duties as may from time to time be assigned by the Board of Directors.

Section 3.08 Authority and Duties. In addition to the foregoing authority and duties, all officers of the Corporation shall respectively have such authority and perform such duties in the management of the business of the Corporation as may be designated from time to time by the Board of Directors. Unless prohibited by a resolution approved by the affirmative vote of a majority of the directors present, an officer elected or appointed by the Board may, without the approval of the Board, delegate some or all of the duties and powers of an office to other persons.

Section 3.09 Term. Subdivision 1. All officers of the Corporation shall hold office until their respective successors are chosen and have qualified or until their earlier death, resignation or removal.

Subdivision 2. An officer may resign at any time by giving written notice to the Corporation. The resignation is effective without acceptance when the notice is given to the Corporation, unless a later effective date is specified in the notice.

Subdivision 3. An officer may be removed at any time, with or without cause, by a resolution approved by the affirmative vote of a majority of the directors present at a duly held Board meeting.

Subdivision 4. A vacancy in an office because of death, resignation, removal, disqualification or other cause may, or in the case of a vacancy in the office of Chief Executive Officer or Chief Financial Officer shall, be filled for the unexpired portion of the term by the Board.

Section 3.10 Compensation. The compensation of all officers of the Corporation shall be fixed by the Board of Directors or by the Chief Executive Officer if authorized by the Board.

INDEMNIFICATION

Section 4.01 Indemnification. The Corporation shall indemnify such persons, for such expenses and liabilities, in such manner, under such circumstances, and to such extent, as required or permitted by Minnesota Statutes, Section 302A.521, as amended from time to time, or as required or permitted by other provisions of law; provided, however, that the Corporation shall not make advances to any person other than a director of the Corporation or of another corporation at least 80% of the common stock of all classes of which is owned directly or indirectly by the Corporation (a "Subsidiary") or an officer of the Corporation or of a Subsidiary who was elected by the directors of the Corporation or Subsidiary, as the case may be; and provided, further, that the Corporation shall not indemnify any person, other than a director of the Corporation or of a Subsidiary or an officer of the Corporation or of a Subsidiary who was elected by the directors, in respect of any judgment, penalty, fine, excise tax, settlement, expense or other matter for which such person shall have been finally determined to be liable by reason of his or her negligence, recklessness or willful misconduct.

Section 4.02 Insurance. The Corporation may purchase and maintain insurance on behalf of any person in such person's official capacity against any liability asserted against and incurred by such person in or arising from that capacity, whether or not the Corporation would otherwise be required to indemnify the person against the liability.

SHARES

Section 5.01 Certificated and Uncertificated Shares. Subdivision 1. The shares of the Corporation shall be either certificated shares or uncertificated shares. Each holder of duly issued certificated shares is entitled to a certificate of shares.

Subdivision 2. Each certificate of shares of the Corporation shall bear the corporate seal, if any, and shall be signed by the Chief Executive Officer, or the President or any Vice President, and the Chief Financial Officer, or the Secretary or any Assistant Secretary, but when a certificate is signed by a transfer agent or a registrar, the signature of any such officer and the corporate seal upon such certificate may be facsimiles, engraved or printed. If a person signs or has a facsimile signature placed upon a certificate while an officer, transfer agent or registrar of the Corporation, the certificate may be issued by the Corporation, even if the person has ceased to serve in that capacity before the certificate is issued, with the same effect as if the person had that capacity at the date of its issue.

Subdivision 3. A certificate representing shares issued by the Corporation shall, if the Corporation is authorized to issue shares of more than one class or series, set forth upon the face or back of the certificate, or shall state that the Corporation will furnish to any shareholder upon request

and without charge, a full statement of the designations, preferences, limitations and relative rights of the shares of each class or series authorized to be issued, so far as they have been determined, and the authority of the Board to determine the relative rights and preferences of subsequent classes or series.

Subdivision 4. A resolution approved by the affirmative vote of a majority of the directors present at a duly held meeting of the Board may provide that some or all of any or all classes and series of the shares of the Corporation will be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until the certificate is surrendered to the Corporation.

Section 5.02 Declaration of Dividends and Other Distributions. The Board of Directors shall have the authority to declare dividends (and other distributions) upon the shares of the Corporation to the extent permitted by law.

Section 5.03 Transfer of Shares. Shares of the Corporation may be transferred only on the books of the Corporation by the holder thereof, in person or by such person's attorney. In the case of certificated shares, shares shall be transferred only upon surrender and cancellation of certificates for a like number of shares. The Board of Directors, however, may appoint one or more transfer agents and registrars to maintain the share records of the Corporation and to effect transfers of shares.

Section 5.04 Record Date. The Board of Directors may fix a time, not exceeding sixty days preceding the date fixed for the payment of any dividend or other distribution, as a record date for the determination of the shareholders entitled to receive payment of such dividend or other distribution, and in such case only shareholders of record on the date so fixed shall be entitled to receive payment of such dividend or other distribution, notwithstanding any transfer of any shares on the books of the Corporation after any record date so fixed.

MISCELLANEOUS

All deeds, mortgages, bonds, checks, contracts and other instruments pertaining to the business and affairs of the Corporation shall be signed on behalf of the Corporation by the Chief Executive Officer, or the President, or any Vice President, or by such other person or persons as may be designated from time to time by the Board of Directors.

Subdivision 2. If a document must be executed by persons holding different offices or functions and one person holds such offices or exercises such functions, that person may execute the document in more than one capacity if the document indicates each such capacity.

Section 6.02 Advances. The Corporation may, without a vote of the directors, advance money to its directors, officers or employees to cover expenses that can reasonably be anticipated to be incurred by them in the performance of their duties and for which they would be entitled to reimbursement in the absence of an advance.

"Corporate Seal Minnesota"
