**Item 1.01 Entry into a Material Definitive Agreement.**

On July 13, 2006, the Compensation Committee of the Board of Directors of Mentor Corporation (the "Company") approved a grant of 45,000 performance stock units award (the "PSU") under the Company's 2005 Long Term Incentive Plan to Mr. Joshua Levine, Chief Executive Officer and President. The PSU will vest subject to the attainment of specified targets for "total shareholder return" as defined by the Compensation Committee from June 24, 2006 to March 31, 2009 and Mr. Levine and other participants will receive as little as zero shares of the Company's common stock if less than 85% of the total shareholder return criteria is met, and up to 200% of the targeted number of shares if the total shareholder return meets or exceeds 150% of the targeted criteria. Mr. Levine was awarded 45,000 PSUs, which at the maximum 200% of target number of shares could ultimately result in 90,000 units vesting on March 31, 2009 and the issuance of 90,000 shares of Company Common Stock.

Pursuant to the terms of the Plan and the Executive Performance Stock Unit Award Agreement (the "PSU Award Agreement"), the PSUs shall vest as to an applicable percentage of the award, based upon, during a period from June 23, 2006 to March 31, 2009, the change in the market price of the Company's common stock on the New York Stock Exchange relative to the total change in price of the Russell 2500 Growth Index (such quotient, the "TSR Percentage"). If the TSR Percentage is less than 85%, no portion of the PSU will vest. If the TSR Percentage meets or exceeds 150%, then 200% of the targeted PSU number will vest. The PSU will not vest unless the participant is continuously employed or providing service through March 31, 2009. Any unvested portion of the PSU or any interest therein, generally may not be sold, assigned, pledged or otherwise disposed of, alienated or encumbered. The participant shall be entitled to cash dividends with respect to the shares underlying the PSU but such payments shall not be made unless the PSU vests. The participant shall not have any voting rights with respect to the PSU until the PSU vests. Any such rights, however, shall terminate as to any shares subject to the PSU forfeited to the Company (as described below).

If the participant ceases to be employed or ceases to provide services to the Company, the participant's unvested PSU shall be forfeited; however, if such termination is a termination for death, total disability, without cause, or resignation for Good Reason, the PSUs shall remain eligible to vest and if the TSR Percentages are satisfied, shall be paid to the participant. If there is a Change in Control Event (as defined in the PSU Award Agreement) prior to March 31, 2009, the PSUs shall vest as to the greater of: (i) the TSR Percentage was 100% or (ii) the actual TSR Percentage for the period between June 23, 2006 and the closing of the Change of Control transaction.

A copy of the form of PSU Award Agreement is filed as Exhibit 10.1 and the prior description is qualified entirely by such agreement, which is deemed incorporated by reference herein.
