("Power") and Horizon Energy Development B.V. ("Horizon B.V.") (collectively, the "Subsidiaries"), in their Application-Declaration on Form U-1, as amended, ("Application-Declaration") in SEC File No. 70-9153, have been carried out in accordance with the terms and conditions, and for the purposes as represented by said Application-Declaration, and the Order of the Securities and Exchange Commission ("Commission") (HCAR No. 35-26847 dated March 20, 1998) with respect thereto, as amended.

## **1. EXTERNAL FINANCING BY NFG**

### **BORROWING BY NATIONAL**

#### **a. Short-term Debt**

National borrowed funds by issuing commercial paper and/or short-term notes (in all cases having maturities of no more than 270 days) to banks or other financial institutions during the quarter ended June 30, 2002 ("Quarter") as summarized below:

At Beginning of Quarter	At End of Quarter	Maximum Level of Such Short-term Debt	Minimum Level Of Such Short-term Debt
\$30,300,000	\$32,700,000	\$32,900,000	\$29,600,000

**b. Long-term securities**

## (1) Long-Term Debt Securities; Preferred Stock

There were no transactions regarding the principal amount of any outstanding long-term debt securities during the Quarter. National has no preferred stock outstanding.

## (2) Stock Issuance Plans

During the Quarter, National issued the following shares of common stock through the following plans ("Stock Issuance Plans"):

Name Of Plan	Number of Shares Issued	Number of Shares Exchanged as Consideration For Share Issuances
Direct Stock Purchase and Dividend Reinvestment Plan	69,743	N/A
Tax Deferred Savings Plans [401(k)]	73,038	N/A
Retainer Policy for Outside Directors	1,920	N/A
1997 Award & Option Plan	49,580	-0-
1993 Award & Option Plan	41,222	-0-
1984 Stock Plan	-0-	-0-
1983 Incentive Stock Option Plan	1,500	-0-
Total Number of Shares Issued/Exchanged	231,003	-0-
Net New Shares	231,003	

Aggregate gross consideration received upon issuance of 231,003 shares: \$5,148,341.29.

Effective November 1, 1999, National combined its former Customer Stock Purchase, and Dividend Reinvestment and Stock Purchase Plans into a new plan known as the National Fuel Direct Stock Purchase and Dividend Reinvestment Plan. The purpose of is to promote the long-term ownership of National's common stock by allowing for the purchase thereof directly from National, through cash purchases and through reinvestment of cash dividends.

The purpose of National's two Tax-Deferred Savings Plans is to encourage certain employees of National and of its Subsidiaries to provide for their retirement needs by providing opportunities for long-term capital accumulation, to promote ownership of National's common stock among certain employees, to provide an attractive employee benefit, and to keep National's employee benefit program competitive with programs offered by other corporations.

The purpose of National's Retainer Policy for outside directors is to pay outside directors a portion of their annual retainer in common stock of National. This promotes the long-term ownership of National's common stock by outside directors.

National adopted its four award and option plans in order to attract, retain and motivate key employees of outstanding ability. These plans were intended to provide an incentive to key employees to maximize the long-range profits, revenues, and financial integrity of National by increasing the personal stake of those employees in the continued success and growth of National, and by providing significant incentives to their continuation of

employment at National and its Subsidiaries.

On June 13, 2002, the Compensation Committee of the Board of Directors of National awarded 229,800 stock options pursuant to the National Fuel Gas Company 1997 Award and Option Plan and 1,200 stock options pursuant to the National Fuel Gas Company 1993 Award and Option Plan.

(3) Compliance With Parameters Concerning Long-Term Securities

During the Quarter, all long-term debt of National had bond ratings of "investment grade", and National's common equity (as reflected in its Form 10-K) did not fall below 30% of National's consolidated capitalization.

**c. Hedging Transactions**

During the Quarter, National did not enter into any hedges or other derivative transactions as contemplated by the Application-Declaration either pursuant to a Hedge Program or an Anticipatory Hedge Program.

**d. Other Securities**

During the Quarter, National did not issue other types of securities ("Other Securities").

**2. MONEY POOL**

During the Quarter, National coordinated the borrowing requirements of Subsidiaries through the system money pool ("Money Pool"). Money Pool activities included:

a. National sold commercial paper during the Quarter, through Merrill Lynch Money Markets, Inc., J.P. Morgan Securities Inc. and/or Goldman, Sachs & Co. **4. EXTERNAL FINANCING BY DISTRIBUTION**

During the Quarter, Distribution did not engage in external financing.

**5. FINANCING ENTITIES**

During the quarter ended December 31, 2001, National and Seneca, one of National's nonutility Subsidiaries, began the process of organizing new corporations and partnerships for the purpose of facilitating the financing of certain of Seneca's oil and gas operations. Once the final structure of these financing entities is determined, National and Seneca will report all relevant details of such financing entities.

**6. GUARANTEES BY NATIONAL**

During the Quarter, National amended one guarantee by increasing the maximum aggregate amount from \$3,000,000 to \$5,000,000. The maximum amount of guarantees or credit support that National had outstanding to its Subsidiaries at any time during the quarter was \$679,060,000.

All guarantees relate to gas transportation, purchases or sales, or other credit support agreements relating to the Subsidiaries' existing businesses.

**7. ACQUISITIONS OF EWGS, FUCOS AND RULE 58 COMPANIES**

During the Quarter, neither National nor any of its Subsidiaries made any investments in entities that had been designated as exempt wholesale generators (EWGs) (except for Power's ongoing development activities in accordance with its EWG status) or foreign utility companies (FUCOs), and neither National or any of its Subsidiaries made any investments in energy-related companies and gas-related companies under Rule 58 other than loans reported herein or on National's Form U-6B-2 or Form U-9C-3 for the Quarter.

The aggregate investment of National and its Subsidiaries in EWGs and FUCOs does not exceed the limits set forth in the Commission's Rule 53.
