SUPPLEMENTAL PROXY MATERIAL  
FOR THE  
ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD ON WEDNESDAY, MAY 10, 2017

April 21, 2017

TO OUR SHAREHOLDERS:

On March 22, 2017, Southside Bancshares, Inc. (the “Company”) filed its definitive proxy statement (the “Proxy Statement”) in connection with the Company’s Annual Meeting of Shareholders (“Annual Meeting”) to be held on Wednesday, May 10, 2017, and provided access to its proxy materials, including the Proxy Statement, the proxy card and its 2016 Annual Report to Shareholders, over the Internet.

Proposal 4 in the Proxy Statement for the Annual Meeting seeks shareholder approval of the Southside Bancshares, Inc. 2017 Incentive Plan (the “2017 Incentive Plan”). On April 14, 2017, the Company received a copy of the ISS Proxy Analysis & Benchmark Policy Voting Recommendations (the “ISS Recommendations”) issued by the Institutional Shareholder Services (“ISS”) relating to the Company’s Annual Meeting.

In the ISS Recommendations, ISS recommended that the Company’s shareholders vote in favor of all of the proposals included in the Proxy Statement, except for approval of the 2017 Incentive Plan, as set forth in Proposal 4 in the Proxy Statement. ISS stated that its analysis of Proposal 4 considered multiple positive and negative factors within three pillars: estimated cost, plan features and equity grant practices. Based on this analysis, ISS recommended a vote against Proposal 4, primarily based on their assessment of the plan cost and estimated duration of the available and proposed shares.

These supplemental proxy materials are filed with the Securities and Exchange Commission (the “SEC”) and made available to our shareholders solely for the purpose of addressing the ISS concerns with respect to Proposal 4.

Although the Company believes the terms of the 2017 Incentive Plan are conservative, appropriate and in the best interests of our shareholders, we nevertheless have elected to revise the 2017 Incentive Plan to limit the number of “full value” awards that may be issued pursuant to the 2017 Incentive Plan. Under the ISS analysis, full value awards (such as restricted stock and restricted stock units) are assigned a higher “cost” relative to awards that only deliver value based on increases in the Company’s stock price following the grant date (such as stock options). Based on our historical grant practices, we do not believe this revision will have any impact on the type or mix of equity awards that we grant to our officers and employees. We do, however, believe the revision will address the primary concern raised by ISS by reducing the “cost” of the 2017 Incentive Plan under the ISS analysis. The revision, in its entirety, consists of the following changes to the first sentence of Section 5.1 of the 2017 Incentive Plan:

“5.1. NUMBER OF SHARES. Subject to adjustment as provided in Sections 5.2 and Section 15.1, the aggregate number of Shares reserved and available for issuance pursuant to Awards granted under the Plan shall be (i) 2,000,000 (the “Newly Authorized Shares,” provided, however, that not more than 750,000 of such Newly Authorized Shares may be granted as Full-Value Awards, plus (ii) a number of additional Shares (not to exceed 400,000) underlying awards outstanding as of the Effective Date under the Prior Plan that thereafter terminate or expire unexercised, or are cancelled, forfeited or lapse for any reason.”

No changes were otherwise made to the 2017 Incentive Plan, and no changes are otherwise being made to Proposal 4 or any other proposals in the Proxy Statement or the proxy card for the Annual Meeting, as filed with the SEC and previously delivered or otherwise made available to our shareholders of record as of March 15, 2017.
