## Section 5 – Corporate Governance and Management

## Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

City Holding Company's (the "Company") Compensation Committee completed an extensive review of compensation for the Company's executive officers during 2011 relying upon the advice of independent compensation consultants. As part of its consideration of the Company's compensation practices, and with the help of its compensation consultants, the Company also established a new peer group, which includes banks that have assets between \$1.5 and \$6 billion. The peer group does not include banks which are TARP recipients, and includes only banks which have positive profitability. For the peer group, asset quality must have a non-performing asset ratio of < 5%. The following banks are included in the Company's new peer group: BMTC, CBU, CFNL, CNND, CTBI, FCBC, FCF, FISL, GABC, NBTB, ORRF, RBCAA, SASR, SCBT, SRCE, SYBT, THFF, TMP, UBSI, UVSP, WBHC, and WSBC.

Based upon its review of compensation at the Company, compensation levels at peers, Company performance, and officer credentials and experience, the Compensation Committee recommended, and the Board of Directors of the Company approved, base salary increases for executive officers as follows:

Name	Title	2010 Base Salary	2011 Base Salary
Charles R. Hageboeck	President & CEO (Principal Executive Officer)	\$415,000	\$450,000
David L. Bumgarner	Senior Vice President, Chief Financial Officer and Principal Accounting Officer (Principal Financial Officer)	\$172,500	\$195,000
Craig G. Stilwell	Executive Vice President, Retail Banking	\$245,000	\$275,000
John A. DeRito	Executive Vice President, Commercial Banking	\$205,000	\$230,000
Michael T. Quinlan, Jr.	Senior Vice President, Branch Banking	\$160,000	\$190,000

Additionally, based upon its review of compensation, the Compensation Committee recommended, and the Board of Directors of the Company approved, changes to the non-equity incentive plans for executive officers. In prior years, the Company's non-equity incentive compensation was targeted at 50% of base salary for its CEO and Executive Vice-Presidents and at 35% of base salary for other executive officers. For 2011, the Company's non-equity incentive compensation plan will target 30% of base salary for the CEO, 24% of base salary for Executive Vice-Presidents, and 17% for other executive officers. Officers will earn higher incentive compensation when they achieve higher levels of performance against plan metrics, and lower levels of incentive compensation when they achieve lower levels of performance against plan metrics.
