Item 2.05. Costs Associated with Exit or Disposal Activities.

On February 12, 2018, Invacare Corporation (the “Company”) announced that it will transfer production of Kuschall® manual wheelchairs from its facility in Witterswil, Switzerland to its wheelchair manufacturing facility in Fondettes, France by the end of the third quarter 2018. This move will allow the company to better optimize its wheelchair manufacturing facility in France. The front office of the Swiss facility will remain open and continue to serve as Invacare’s European headquarters and research and development center of excellence, as well as the Swiss sales office. The transfer is expected to generate an incremental \$1.7 million in annualized pre-tax savings in the Europe business segment. Due to this realignment, the company expects to incur restructuring charges and related operating costs of approximately \$1.1 million on a pre-tax basis in the Europe business segment. Cash restructuring charges will be paid in the third quarter 2018.

Item 7.01. Regulation FD Disclosure.

On February 12, 2018, the Company issued a press release announcing it will transfer production of Kuschall® manual wheelchairs from its facility in Witterswil, Switzerland to its wheelchair manufacturing facility in Fondettes, France by the end of the third quarter 2018.
