Item 2.05. Costs Associated with Exit or Disposal Activities.

As previously disclosed in our Current Report on Form 8-K filed on January 6, 2016, Owens & Minor, Inc. (the “Company”) introduced a voluntary employee separation program (the “Program”) as part of its recently announced initiatives to reduce costs and streamline its organizational structure. At the time of filing of the Form 8-K, the Company was unable to make a good faith determination of an estimate or range of estimates required by paragraphs (b), (c) and (d) of Item 2.05 of the Form 8-K with respect to any charges that may be incurred as a result of the Program. This amendment includes updates to the disclosure in Item 2.05 of the Company’s previously-filed Form 8-K filed on January 6, 2016.

The Program has resulted in the voluntary separation of approximately 100 employees of the Company. The Company has also undertaken related initiatives designed to streamline operations and position the company for sustained profitable growth. On February 29, 2016, the Company initiated the separation of approximately 90 additional employees throughout all areas of the organization. The Company expects to complete substantially all of these actions during the first quarter of 2016. In aggregate, the separations represent approximately 2% of the Company’s global workforce.

In connection with the actions described above, the Company expects to record aggregate cash charges of approximately \$8.5 million in the first quarter of 2016. These charges consist primarily of employee severance and benefits.
