SECTION 2 – FINANCIAL INFORMATION

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On June 1, 2010, Peace Garden Wind Funding, LLC (Peace Garden Wind Funding), an indirect wholly-owned subsidiary of NextEra Energy Resources, LLC (NextEra Energy Resources) borrowed \$78 million under a variable rate term loan agreement, for the same amount, entered into on May 28, 2010. NextEra Energy Resources is an indirect wholly-owned subsidiary of NextEra Energy, Inc. (NextEra Energy). Interest on the loan is based on the three-month London InterBank Offered Rate plus a specified margin. Principal and interest on the loan are payable quarterly and the loan matures no later than February 28, 2015. The loan is secured by a pledge of Peace Garden Wind Funding's Class A membership interests in Peace Garden Wind, LLC (Peace Garden Wind), an indirect wholly-owned subsidiary of NextEra Energy Resources, with ownership interests in two wind generation facilities with generating capability totaling approximately 170 megawatts located in North Dakota. The proceeds from the loan were used to reimburse, in part, capital contributions made by NextEra Energy Resources for the development and construction of the wind generation facilities. The loan agreement contains default and related acceleration provisions relating to the failure to make required payments or to observe other covenants in the term loan agreement and related documents, actions by Peace Garden Wind Funding, Peace Garden Wind, or by other parties under specified agreements relating to the generating facilities or the term loan agreement, the termination of such specified agreements, and certain events in bankruptcy.
