Section 1 - Financial Information

Item 1.01 Entry into a Material Definitive Agreement.

On December 30, 2008, the Registrant amended certain Supplemental Executive Retirement Plan (the Plan) Agreements with CEO Daniel R. Daigneault and CFO F. Stephen Ward that were initially entered into on October 1, 1997 and previously amended on September 12, 2008.

The Plan is an unfunded, non-qualified supplemental retirement plan for certain Executive Officers of the Company's operating subsidiary The First, N.A. (the Bank), previously known as The First National Bank of Damariscotta. The Plan provides supplemental retirement benefits payable in installments over 20 years upon retirement or death.

Under the original plan agreement, the projected retirement benefit for Mr. Daigneault, assuming he remains employed by the Bank until normal retirement age of 65, is \$169,329 per year, with such payments beginning in the year 2017. The projected retirement benefit for Mr. Ward, assuming he remains employed by the Bank until normal retirement age of 65, is \$61,127 per year, with such payments beginning in the year 2018. The benefits are capped at the above amounts and are subject to being substantially less should the Executive Officer not remain employed until the normal retirement age of 65. The plan also contains a restrictive covenant that may result in the Executive Officer forfeiting all accrued benefits should he accept employment with a competing financial institution within five years after his termination of employment with the Company.

The December 30, 2008, amendment changes the normal retirement age to receive the full benefit under the Plan from age 65 to age 63. The date on which the Executive Officer may begin to collect the retirement benefit payments does not change, however, and remains January 1 of the year in which the Executive Officer turns age 65.

A specimen Amendment to Employment Continuity Agreement is filed herewith as Exhibits 10.1.
